Parents,

Please, consider enrolling your child into our Extended Day Program (EDP).

We offer snack, homework time, a social time with peers when social distancing allows. Plus so much more. We are a comfortable, safe environment for your child after school when you have those long work days. We provide easy access to in-house sports and other afterschool clubs

We offer daily rates, part-time rates as well as full-time rates that are very competitive with other afterschool programs.

Check out our website.
