Greenville County Schools
Dr. Burke Royster, Superintendent
Scope of Action Plan (2024-25 through 2028-29)

SCHOOL RENEWAL PLAN COVER PAGE

SCHOOL NAME: Golden Strip Career Center

SCHOOL RENEWAL PLAN FOR YEARS 2024-25 through 2028-29 (five years)

SCHOOL RENEWAL ANNUAL UPDATE FOR 2024-25 (one year)

Required Signature Page

SUPERINTENDENT

The school renewal plan, or annual update, includes elements required by the Early Childhood Development and Academic Assistance Act of 1993 (Act 135) (S.C. Code Ann. §59-139-10 et seq. (Supp. 2004)), the Education Accountability Act of 1998 (EAA) (S.C. Code Ann. §59-18-1300 et seq. (Supp. 2004)), and SBE Regulation 43-261. The signatures of the chairperson of the board of trustees, the superintendent, the principal, and the chairperson of the School Improvement Council, and the School Read to Succeed Literacy Leadership team lead are affirmation of active participation of key stakeholders and alignment with Act 135 and EAA requirements.

Assurances for the School Renewal Plans

The assurance pages following this page have been completed and the district superintendent's and school principal's signature below attests that the school/district complies with all applicable assurances requirements including ACT 135 assurance pages.

		nildhood Development and Academic Assistance Act (Act 135) Assurances de Ann §59-139-10 et seq. (Supp. 2004))
$\circ \circ \bullet$	Yes No N/A	Academic Assistance, PreK–3 The school makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).
© O O	Yes No N/A	Academic Assistance, Grades 4–12 The school makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., afterschool homework help centers, individual tutoring, and group remediation).
• • •	Yes No N/A	Parent Involvement The school encourages and assists parents in becoming more involved in their children's education. Some examples of parental involvement initiatives include making special efforts to meet with parents at times more convenient for them; providing parents with their child's individual test results and an interpretation of the results; providing parents with information on the district's curriculum and assessment program; providing frequent, two way communication between home and school; providing parents an opportunity to participate on decision making groups; designating space in schools for parents to access educational resource materials; including parent involvement expectations as part of the principal's and superintendent's evaluations; and providing parents with information pertaining to expectations held for them by the school system, such as ensuring attendance and punctuality of their children.
• • •	Yes No N/A	Staff Development The school provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council's revised Standards for Staff Development.
0 0	No	Technology The school integrates technology into professional development, curriculum development, and classroom instruction to improve teaching and learning.

0	No	Innovation The school uses innovation funds for innovative activities to improve student learning and accelerate the performance of all students.
0	Yes No N/A	The school (regardless of the grades served) collaborates with health and human services agencies (e.g., county health departments, social services departments
0	No	Developmental Screening The school ensures that the young child receives all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program normally is appropriate at primary and elementary schools, although screening efforts could take place at any location.
	Yes No N/A	Half-Day Child Development The school provides half-day child development programs for four-year- olds (some districts fund full-day programs). The programs usually function at primary and elementary schools. However, they may be housed at locations with other grade levels or completely separate from schools.
0 0 0	Yes No N/A	Developmentally Appropriate Curriculum for PreK–3 The school ensures that the scope and sequence of the curriculum for PreK–3 are appropriate for the maturation levels of students. Instructional practices accommodate individual differences in maturation level and take into account the student's social and cultural context.
000	Yes No N/A	Parenting and Family Literacy The school provides a four component program that integrates all of the following activities: interactive literacy activities between parents and their children (Interactive Literacy Activities); training for parents regarding how to be the primary teachers for their children and how to be full partners in the education of their children (parenting skills for adults, parent education); parent literacy training that leads to economic self-sufficiency (adult education); and an age-appropriate education to prepare children for success in school and life experiences (early childhood education). Family Literacy is not grade specific, but is generally most appropriate for parents of children at the primary and elementary school levels and below as well as for secondary school students who are parents. Family Literacy program goals are to strengthen parental involvement in the learning process of preschool children ages birth through five years; to promote school readiness of preschool children; to offer parents special opportunities to improve

their literacy skills and education; to provide parents a chance to recover from dropping out of school; and to identify potential developmental delays in preschool children by offering developmental screening. • Yes Recruitment The district makes special and intensive efforts to **recruit** and **give priority** to serving those parents or guardians of children, ages birth through five years, who N/A are considered at-risk of school failure. "At-risk children are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): parent without a high school graduation or equivalency, poverty, limited English proficiency, significant developmental delays, instability or inadequate basic capacity within the home and/or family, poor health (physical, mental, emotional) and/or child abuse and neglect. • Yes Coordination of Act 135 Initiatives with Other Federal, State, and District **Programs** The district ensures as much program effectiveness as possible by developing a N/A district-wide/school-wide coordinated effort among all programs and funding. Act 135 initiatives are coordinated with programs such as Head Start, First Steps, Title I, and programs for students with disabilities.

Performance Goals and Action Plans	

INTRODUCTION

The strategic planning process of identifying the challenges and achievements of Golden Strip Career Center (GSCC) encompassed the efforts of the faculty, staff, community, parents, students, businesses, and educational partners. Different parts of this self-study were assigned to designated teams for completion. Golden Strip Career Center already has the faculty and staff divided into committees. Each committee worked with a specific section of the action plan. The committees submitted rough drafts to the leadership team and, after revisions by everyone involved, the study was finalized. The School Improvement Council (SIC), consisting of parents, students, teachers, business partners, and educational partners, lent its support and advice to the school improvement plan with monthly meetings focused on guiding the school's improvement efforts.

EXECUTIVE SUMMARY

- Students are evaluated at GSCC using various assessments including semester exams and state and national certification exams. The data gathered from these assessments is used by school personnel to monitor and adjust curriculum, instruction, and formative assessment. School personnel collaborate on a regular basis with instructors at other career centers, Greenville Technical College instructors, as well as industry employers to ensure vertical and horizontal alignment with training and certification. Students have the opportunity to participate in authentic experiences including job shadowing, apprenticeships, cooperative learning, field trips, internships, and other work-based learning opportunities.
- Systems are in place to evaluate the performance of administrators, faculty, and staff at the center. Administration, teachers, and the school counselor are evaluated through the PADEPP and PAS-T instruments. Administrators, career specialists, and academic specialists are available to assist teachers with professional development and instructional support. Improvement plans can be implemented for a teacher and/or program basis if needed. Additionally, new funding has been approved within the school district's general budget to raise the salary of CTE teachers based on their years of experience in their given industry. This will allow us to recruit and retain highly qualified and experienced employees to our career center.
- Support for student performance and school effectiveness is promoted by school leadership. The school leadership team meets weekly to address the needs of the school. All stakeholders are involved in the decision-making process to varying degrees through the School Improvement Council (SIC) which consists of students, teachers, parents, business partners, educational partners, and the community. Everyone involved works toward continuous improvement to achieve the school's vision.
- Our challenges for the past three years have been increasing our enrollment in specific programs, adding new courses relevant to the workforce in our community, and hiring qualified and experienced teachers with the previous pay scale. We believe that the updated general fund budget to increase CTE teacher pay holds the solution to many of our concerns. In recruiting and retaining experienced and qualified CTE teachers, we will be able to attract additional students to our school, introduce new programs, and meet the needs of our community business partners with work-ready graduates.

Accomplishments

- Michelle Michael- SCACTE School Administrator of the Year
- o Bryan Raeckelboom- Greenville County Schools Top 10 Teacher of the Year
- Elijah Edwards Secondary Level Emerging Teacher of the Year and SCRLA Upstate Educator of the Year
- o Mauldin City Community Partner of the Year, Fire Fighting
- State Champion Winners-
 - HOSA- 2 Gold Medalists
 - SkillsUSA 2024: 9 Gold Medalists
 - SkillsUSA 2023: 12 Gold Medalists

- SkillsUSA 2022: 10 Gold Medalists (as of 3/11/22)
- SkillsUSA 2021:1 Gold Medalist
- SkillsUSA 2019: 9 Gold Medals, 43 Overall Medalists, 10 National Competitors (2 Placed 6th in the Nation)
- o Multiple Dual Enrollment credit programs through Greenville Technical College
- Over 100 SC and National SkillsUSA student memberships annually
- 24 HOSA student memberships
- Over 100 active members of National Technical Honor Society
- Students and teachers in our CTSOs participate in state and national events throughout the year.
- Many of our 2nd and 3rd year students participated in apprenticeships, internships, and co-op experiences with the majority of these experiences being paid. GSCC students receive competitive wages when working in industry related positions. We presently have students working at Embassy Suites, Greenville County Schools Maintenance, GCS Bus Center, several local fire departments, BMW, Michelin, and others. Because of their coursework at GSCC, students make connections that lead to high paying and rewarding careers with industry related companies like those previously mentioned.
- o In addition, many of our graduating students also have the cost of their post-secondary education provided while continuing their training for skilled and lucrative positions through programs such as Michelin Technical Scholars and BMW Apprenticeships. Some students will have multiple offers from these companies prior to graduation.

SCHOOL PROFILE

Golden Strip Career Center (GSCC) is located in the southeastern area of Greenville County known as the Golden Strip. GSCC opened its doors in 1978, becoming one of five centers in the Greenville County School District. GSCC primarily serves students from Mauldin High, JL Mann Academy, Fountain Inn and Hillcrest High.

For the 2023-2024 school year, GSCC has fourteen career and technical education (CTE) programs. Our CTE programs include: Automotive Technology, Auto Collision Repair, Career Exploratory, HVAC/R (Heating, Ventilation, Air Conditioning and Refrigeration), Machine Tool Technology, Cosmetology, Nail Technology, Fire Fighting, Building Construction, Welding, Digital Art and Design, Mechatronics, Diesel Technology and Culinary Arts. In addition, we offer a Career Exploratory program designed for ninth grade students to sample various programs. This allows these students the opportunity to explore programs in their chosen career cluster and future career opportunities. Students also receive the SC graduation course requirement, Personal Finance.

Certifications Available to Students by Course:

- Auto Collision ASE Student Certification in Painting & Refinishing & Non-Structural Repair, EPA Rule 6H, OSHA-10, I-CAR, Microburst, CPR/First Aid
- Auto Technology ASE Student Certification in 9 categories, OSHA-10, Microburst
- Building Construction NCCER, OSHA-10, Microburst, CPR/First Aid
- Career Exploratory- Microburst and Everfi
- Cosmetology SC State Board of Cosmetology License, OSHA-10, Microburst
- Culinary Arts ProStart Completer, ServSafe Management, OSHA-10, Microburst, Fire Extinguisher, CPR/First Aid
- Diesel Technology ASE Student Certification, OSHA-10, Microburst
- Digital Art & Design Adobe Photoshop, Illustrator and InDesign, Microburst, OSHA-10
- Firefighting IFSAC Firefighting 1 & 2, Haz-Mat Operations, Auto Extraction, NIMS-ISC 100, 200, 700, & 800), OSHA-10, CPR/First Aid
- HVAC EPA Section 608, OSHA-10, R410A Refrigerant Safety, Gastite Piping, Industry Competency Exam (ICE), Microburst, CPR/First Aid
- Machine Tool Technology OSHA-10, Microburst
- Mechatronics OSHA-10, NCCER, Microburst
- Nail Technology Professional Nail Technician License, OSHA-10, Microburst
- Welding OSHA-10, AWS, Microburst

Career and technology student organizations (CTSOs) are available to help students develop their career readiness skills as well as provide valuable experiences for our students including State and National competitions and scholarship opportunities. Our CTSOs include SkillsUSA, HOSA and National Technical Honor Society. Additionally, GSCC has an active School Improvement Council (SIC), Student Advisory Panel and each CTE program has an advisory committee consisting of parents, students, and business and

industry partners.

There are twenty-eight staff members at Golden Strip Career Center including a director, assistant director, bookkeeper/secretary, guidance counselor, attendance clerk, five custodians, a special education paraprofessional, a CARES Act paraprofessional, a full-time substitute and fifteen career and technology teachers. Our school also shares a Work-Based Learning Coordinator with our feeder high schools that is in addition to our allocation. The faculty is made up of both traditionally-trained teachers and alternative certification teachers, with four teachers currently working on their initial teaching certification through the DIRECT program with the state department of education. Four percent of certified staff has a Master's Degree or higher. Eighty percent of the teachers are male and six percent are minority.

Six hundred thirty students were enrolled in career and technology courses at Golden Strip Career Center on the eighth day of school.

MISSION, VISION, AND BELIEFS

Mission

The Mission of Golden Strip Career Center is to establish a community of learners with an emphasis on authentic and professional experiences, personal success, career development and employability skills that promote college and career readiness.

Vision

"Golden opportunities begin here!"

Goals and Beliefs

Golden Strip Career Technology Center seeks to foster an appreciation of the dignity of work, worth of the individual, pride of accomplishment, respect for quality workmanship, the importance of a positive attitude, and the desire to excel in a chosen career.

We feel that it is our responsibility to meet each student as an individual with his/her own unique set of abilities, interests, values, and ambitions and to offer that individual an opportunity to develop to his/her fullest potential. The training programs offered are developed to satisfy the interests area of students, business and industry personnel demands, and to meet technological requirements of the expanding Greenville community.

Learning experiences in the center's programs are designed to prepare graduates with the essential knowledge, skills, and attitudes to successfully enter and compete in today's job market or to continue their education at the post-secondary level. Golden Strip Career Technology Center also assumes an obligation to the students, the community, and the nation to emphasize their fundamental concepts of American Democracy including respect for the individual, respect for the opinion of others, and respect for authority.

DATA ANALYSIS AND NEEDS ASSESSMENT

Student Achievement Needs Assessment

- CATE Completer: A Completer is a CATE concentrator who has earned all of the required units in a state recognized CATE program identified by the assigned CIP code.
 - 2019-2020: 140 completers
 - 2020-2021: 181 completers
 - 2021-2022: 362 completers
 - 2022-2023: 235 completers
 - 2023-2024: TBD
- National and/or State Industry Certifications: The number of certifications earned by students enrolled in courses at Golden Strip Career Center that are state or nationally recognized as determined by the business community.
 - 2019-2020: 664
 - 2020-2021: 1908
 - 2021-2022: 1708
 - 2022-2023: 2199
 - 2023-2024: TBD
- State-Approved Work-Based Learning: Number of Work-Based learning experiences for Golden Strip Career Center students.
 - 2021-2022: 163
 - 2022-2023:143
 - 2023-2024: TBD
- <u>Data Source</u> PowerSchool, Work-Based Learning School Reports

Teacher/Administrator Quality

Professional development goals are set yearly by the principal and teachers at the center. All teachers must participate in a minimum of 24 hours of professional development during the school year. At least 12 of these 24 hours are offered at the school level. Professional development topics are determined by teacher needs, results of teacher survey and administrative observations, and trends in education.

School Climate

Golden Strip Career Center works to foster a positive school climate by focusing on the health, safety, and success of all students. A supportive environment for academic, disciplinary and physical environment is also promoted, along with the encouragement and maintenance of respectful, trusting and caring relationships among the students, faculty, parents and community. These factors work together to make GSCC a successful school in which students thrive. Our students participate in student organizations, local, state and national competitions, as well as work-based learning experiences that provide meaningful experiences to create a positive school culture among students and staff. We believe that these opportunities support our efforts to increase student retention. Additionally, our teachers, school counselor and administrative teams meet with students and teachers regularly to determine ways to increase retention including scheduling with school counselors, meeting with future employers, and communicating with parents during IGP meetings, Open Houses, and parent conferences.

Action Plan for Strategy #1: Enhance lines of communication between CTE Centers and feeder schools, Office of Transportation, Parents/Guardians and students to increase student attendance.

Communicate clearly and often with all stakeholders regarding student attendance expectations.	2024-2029	· CTE Directors	n/a	n/a	Newsletters, websites, Social Media, Handbooks
2. Take a proactive approach in working collaboratively with the Transportation department and feeder schools to create schedules.	2024-2029	 Assistant Superintendent of School Leadership – Secondary and CTE CTE Center Directors School Principals Director of Transportation 	n/a	n/a	Bus Schedules CTE Schedules Feeder School Schedules
