

Homes *for* Heroes®

Our way to say Thank You!

What is it?

Homes for Heroes is a national program dedicated to providing extraordinary savings to heroes who provide extraordinary services to our community each and every day, when they buy or sell a home.

What are the savings?

Savings will depend on the sales price of the home. As an example, a **\$300,000** house would receive over **\$3,000** in credits and discounts from all the participating affiliates and vendors involved.

What does it cost me?

Nothing because it's **FREE**. There is no cost to you. All costs are covered by your local participating vendors.

Can I buy any home and in any area?

Yes. This is not a government program with limitations or restrictions. This is the private sector giving back simply as our way to say Thank You for all that you do every day.

Are there any other benefits or savings after my transaction is done?

Yes. Through the "Friends of Heroes" Network participating vendors will offer discounts on various other services such as moving, storage, pest, lawn care, plumbing, electrical, cleaning and remodeling to name a few.

Are there a lot of extra applications, forms or some future obligation?

None. The Homes for Heroes Promise is:

No hidden fees

No red tape

No catch
