

SIC Report to the Community

Career and College Corner

In support of our district-wide Graduation Plus initiative to ensure all students are college and career ready, students are learning about various careers and education requirements during school counseling lessons. We will also feature a special news segment on REC's news show that focuses on connecting school to work. Students are learning the importance of setting future goals and the different opportunities that are available to them.

Our SIC Summary of Work:

Our motto is “Working Together is Success” and our School Improvement Council is an important piece to our success. In October, our SIC organized a tree planting day named “Growing our Future Day.”. During this Saturday event families and community members were invited to plant 8 trees on our campus. The purpose of the day was to bring the community together to beautify the grounds at Robert E. Cashion Elementary. Our SIC continues to work on creating a Clothes Closet. This “closet” will be used when students are in need of emergency clothing and will be designed to keep our students in the classroom when a replacement clothing is needed. Our next SIC project will be to help our school design a behavior management program that we can implement for the 2017-2018 school year.

REC - School Improvement Council

Reaching... Educating... Caring

2015-2016 Statewide Testing Results

SCReady Math	3rd	4th	5th	Overall
2016	35%	40%	29%	36%

SCReady ELA	3rd	4th	5th	Overall
2016	43.6%	50.4%	37.2%	44.7%
