Assurances for School Renewal Plan

Assurances checked below, along with the signature page signed by the superintendent and school principal, attest that the school complies with all applicable regulatory and statutory requirements listed.

Early Childhood Development and Academic Assistance Act (Act 135) Assurances (S.C. Code Ann §59-139-10 <i>et seq.</i> (Supp. 2004))	
N/A	Academic Assistance, PreK–3 The school makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).
Yes	Academic Assistance, Grades 4–12 The school makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).
Yes	Parent Involvement The school encourages and assists parents in becoming more involved in their children’s education. Some examples of parental involvement initiatives include making special efforts to meet with parents at times more convenient for them; providing parents with their child’s individual test results and an interpretation of the results; providing parents with information on the district’s curriculum and assessment program; providing frequent, two way communication between home and school; providing parents an opportunity to participate on decision making groups; designating space in schools for parents to access educational resource materials; including parent involvement expectations as part of the principal’s and superintendent’s evaluations; and providing parents with information pertaining to expectations held for them by the school system, such as ensuring attendance and punctuality of their children.
Yes	Staff Development The school provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council’s revised Standards for Staff Development.
Yes	Technology The school integrates technology into professional development, curriculum development, and classroom instruction to improve teaching and learning.
Yes	Innovation The school uses innovation funds for innovative activities to improve student learning and accelerate the performance of all students.
Yes	Collaboration The school (regardless of the grades served) collaborates with health and human services agencies (e.g., county health departments, social services departments, mental health departments, First Steps, and the family court system).

Yes	<p>Developmental Screening The school ensures that the young child receives all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program normally is appropriate at primary and elementary schools, although screening efforts could take place at any location.</p>
Yes	<p>Half-Day Child Development The school provides half-day child development programs for four-year-olds (some districts fund full-day programs). The programs usually function at primary and elementary schools. However, they may be housed at locations with other grade levels or completely separate from schools.</p>
Yes	<p>Developmentally Appropriate Curriculum for PreK–3 The school ensures that the scope and sequence of the curriculum for PreK–3 are appropriate for the maturation levels of students. Instructional practices accommodate individual differences in maturation level and take into account the student's social and cultural context.</p>
Yes	<p>Parenting and Family Literacy The school provides a four component program that integrates all of the following activities: interactive literacy activities between parents and their children (Interactive Literacy Activities); training for parents regarding how to be the primary teachers for their children and how to be full partners in the education of their children (parenting skills for adults, parent education); parent literacy training that leads to economic self-sufficiency (adult education); and an age-appropriate education to prepare children for success in school and life experiences (early childhood education). Family Literacy is not grade specific, but is generally most appropriate for parents of children at the primary and elementary school levels and below as well as for secondary school students who are parents. Family Literacy program goals are to strengthen parental involvement in the learning process of preschool children ages birth through five years; to promote school readiness of preschool children; to offer parents special opportunities to improve their literacy skills and education; to provide parents a chance to recover from dropping out of school; and to identify potential developmental delays in preschool children by offering developmental screening.</p>
Yes	<p>Recruitment The district makes special and intensive efforts to recruit and give priority to serving those parents or guardians of children, ages birth through five years, who are considered at-risk of school failure. “At-risk children are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): parent without a high school graduation or equivalency, poverty, limited English proficiency, significant developmental delays, instability or inadequate basic capacity within the home and/or family, poor health (physical, mental, emotional) and/or child abuse and neglect.</p>
Yes	<p>Coordination of Act 135 Initiatives with Other Federal, State, and District Programs The district ensures as much program effectiveness as possible by developing a district-wide/school-wide coordinated effort among all programs and funding. Act 135 initiatives are coordinated with programs such as Head Start, First Steps, Title I, and programs for students with disabilities.</p>

Introduction

The Chandler Creek Elementary Strategic Plan was developed to document the progress our school has made each year while working to continuously improve all areas of instruction, learning environment, and our school community. In addition, it provides us an opportunity to evaluate the school's strengths and weaknesses in order to develop goals and strategies for growth. The Strategic Planning Guide provides the school community with an ongoing means for self-assessment, communication, continuous improvement, and accountability.

This Strategic Plan is a living document that describes Chandler Creek and includes actual evidence of our work. It describes who we are, our vision for the school, goals, plans, progress, and achievements in the context of demographics, needs and school partnerships. The Strategic Planning Guide also describes how we build and utilize our overall action plan for the purpose of increasing student achievement.

The staff is organized into teams and committees to involve all staff in decision making. These teams were involved in developing the narrative for our portfolio from discussions while evaluating our work using the AdvancED self-assessment as well as other data sources and evidence. Additionally, parent groups, such as our SIC (School Improvement Council) and PTA Board (Parent Teacher Association) provided input regarding the strategic plan.

Executive Summary

Chandler Creek Elementary School, in compliance with state and district requirements, develops an Action Plan for continued school improvement every five years with annual evaluative measures. The Action Plan, written in alignment with the superintendent's vision for our district, profiles specific school objectives and strategies to compliment the five goals outlined in the District Education Plan.

Needs Assessment for Student Achievement

- 36% of students in grades 3-5 meet or exceed the expectation in ELA on the SCREADY assessment
- 40.6% of students in grades 3-5 meet or exceed the expectation in Math on the SCREADY assessment
- 46.3% of students in grade 4 scored meets or exceeds expectations in Science on the SCPASS assessment.
- 7% of students are served by the Gifted and Talented Program
- 14% of students in grades 3-5 are served by the ESOL Program

Needs Assessment for Teacher and Administrator Quality

- The average teacher attendance is 94.8 %.
- 65.3 % of teachers returned from the previous year. (Several teachers at our school were moved to the virtual program in our district due to Covid-19).
- We have a strong mentoring program, trained mentors and regular meetings.
- There is a trained mentor in every grade level and special area.
- Professional development plan is developed with input from staff and data with a focus on building teacher leaders and strengthening our instructional program.

Needs Assessment for School Climate

- Student behavior referrals and discipline issues have begun to decrease significantly due to the hiring of a full-time behavioral interventionist.
- Student Chronic Absenteeism Rate was down to 5.9% from 11.7%
- Our annual student retention rate is 0.5 %.
- The percentage of students satisfied with the learning environment is over 90%
- The percentage of students and parents satisfied with school home relations is consistently over 80%

- Continue setting high goals and student expectations for learning
- To continue to build strong teacher commitment, knowledge and expertise
- Continue implementation of Capturing Kids Hearts

SCHOOL PROFILE

SCHOOL COMMUNITY

Chandler Creek Elementary is part of the Greenville County School District and located in the city of Greer. Situated between Greenville and Spartanburg Counties, and home to the BMW manufacturing plant North America, Michelin North American Headquarters, Mitsubishi Polyester Inc., and the Greenville/Spartanburg Airport, Greer has become one of the fastest growing cities in South Carolina. Many families are choosing to make Greer their home to enjoy a family-friendly downtown, including retail, dining, and entertainment, as well as the Greer City Park which includes a large fountain, amphitheater for public concerts and

ceremonies, playgrounds, walking trails, a picnic shelter, and ample green space for family fun. Visitors also enjoy downtown events such as Greer Idol, Greer Family Fest, Oktoberfest, Chili Cook Off, and the Greer Farmer's Market. In 2019-2020, The Greer Center project will continue to add to Greer's growing downtown with a streetscape project that encourages walking, is inviting to pedestrians and cyclists, and provides a plaza for festivals and civic events. The downtown will also become home to a new hotel and parking garage, as well as a newly renovated Kids Planet park for family fun. While enjoying downtown, visitors can also locate several "tube dudes" created by a local artist and displayed throughout the city. Greer also boasts a city stadium, home of youth football, cheerleading, and soccer. During football season, many families head to the Greer High School football stadium to watch their hometown Yellow Jackets play. In addition to watching the football team play, the game provides an opportunity for members of the community to gather and socialize. Cultural opportunities in Greer include the Greer Children's Theatre and the Greer Opry House. Greer is an up and coming community that, while embracing the future of change, is still clinging to the traditions that it holds most dear.

Chandler Creek is a kindergarten (four and five year olds) through fifth grade, public, elementary school located in the former Greer Middle School facility. In 1999-2000, the former Greer Middle School was renovated and expanded for its future use as an elementary school. The student bodies of East Greer Elementary and Tryon Street Elementary, both of which would close and move to the new school, voted for the name of the school to be Chandler Creek Elementary School which comes from combining the location of our school on Chandler Road and nearby Frohawk Creek. Students scheduled to attend the school voted on a mascot and school colors, deciding on the Chandler Creek Champions and school colors of purple and yellow. Our school tagline is "Building a Community of Champions." In August, 1999 we welcomed 630 students to their new school to begin a new tradition of excellence. Today our school has approximately 950 students including in-person and virtual program students.

The facility includes forty-five regular classrooms, six kindergarten classrooms, five resource/speech rooms, a PLC Data room, science/STEM lab, media center, theatre, a full size gymnasium with bleachers, art room complete with a kiln and two rooms for itinerant teachers. Highlights of the school include a kindergarten area, a teacher conference/planning space, Chromebooks in every classroom, three playgrounds, covered walkways, and landscaped gardens.

Chandler Creek Elementary has many opportunities for parents and community citizens to participate. These volunteers provide a vital connection between the community of Greer and our school community. Some of the areas volunteers participate in include:

- Parent-Teacher Organization
- School Improvement Council
- Classroom Volunteers
- Tutors/ mentors
- Real Men Read
- Community Block Parties
- School Book Fair
- After school and before school exposure clubs
- Extended Day Afterschool Program

As well as having opportunities for parents to become involved, Chandler Creek also has many ways the business community of Greer is involved with the school. Some of these partnerships and programs include:

- Greenville Drive Reading Program
- Greer Police Department G.R.E.A.T. program and Fist Bump Fridays
- Curriculum-based model in library on loan from the James Agency (Visions of Excellence)
- Public Education Partners
- Greer Chamber of Commerce
- Upstate Mentors Greenville
- Victor United Methodist, Grace United Methodist. Calvary Road Baptist Church

SCHOOL LEADERS

Our principal is Jane R. Mills, who joined the Chandler Creek Elementary School Community in March of 2013. She is a product of Greenville County Schools as a graduate of Greenville High School. Mrs. Mills earned her undergraduate degree at Presbyterian College in Elementary Education and a Master's Degree in School Leadership and Supervision from Clemson University. Mrs. Mills is also a graduate of the South Carolina Executive Institute S.L.E.I. for tenured school principals. Her teaching career began when she worked as a fourth grade teacher working for Department of Defense Dependent Schools in Germany. After teaching first and fourth grade as well as elementary and middle-level science, Mrs. Mills moved into school leadership. She served as the Administrative Assistant at Monaview Elementary and Assistant Principal at Bryson Elementary prior to joining the Chandler Creek Family.

Assistant Principal Joshua Rice is a Greer native and product of Greenville County Schools. Mr. Rice is a graduate of The Citadel with a Bachelor's degree in Business Administration. Mr. Rice's post-graduate degrees include a Master's degree in Elementary Education and Special Education from Converse College and a Master's degree in Educational Administration from The University of South Carolina. Mr. Rice has completed the Greenville County Schools Aspiring Principal Institute, the A.P.P.L.E. program for the state of SC and was a SCASA Emerging Leader. Prior to being an administrator at Chandler Creek, Mr. Rice taught special education in Aiken County Schools and Greenville County Schools.

Administrative Assistant, Marsha Braga, is a graduate of Clemson University with a Bachelor’s degree in Elementary Education. Mrs. Braga received a postgraduate degree in School Leadership from Furman University. Prior to being an administrator at Chandler Creek, Mrs. Braga taught for 15 years. She started as a 5th grade teacher at Mitchell Road Elementary, then taught science lab at Paris Elementary before going back into the 5th grade classroom. Mrs. Braga is currently in her second year of school administration at Chandler Creek Elementary.

SCHOOL PERSONNEL

Chandler Creek is fortunate to have a combination of experienced teachers along with teachers just beginning their teaching careers. Chandler Creek’s staff strives to help all students develop world class skills and life and career characteristics identified by the Profile of the South Carolina graduate by providing a safe, caring and academically challenging learning environment.

Our staff consists of 48 teachers/professional staff (41 in-person, 7 virtual program) two of those are for self-contained classes for students in grades K4-5th grade. There are many teachers who see students for intervals of the day including Humanities, Intervention, Spanish, ESOL, Challenge, and Resource. Other support services such as Mental Health Counseling, Occupational and Speech Therapy Services, and Guidance Counseling are also available. Staff also includes a principal, two assistant principals, two instructional coaches, two guidance counselors, secretary, attendance clerk, office clerk, and 2 school nurses. All teachers are certified in the area they teach and are highly qualified.

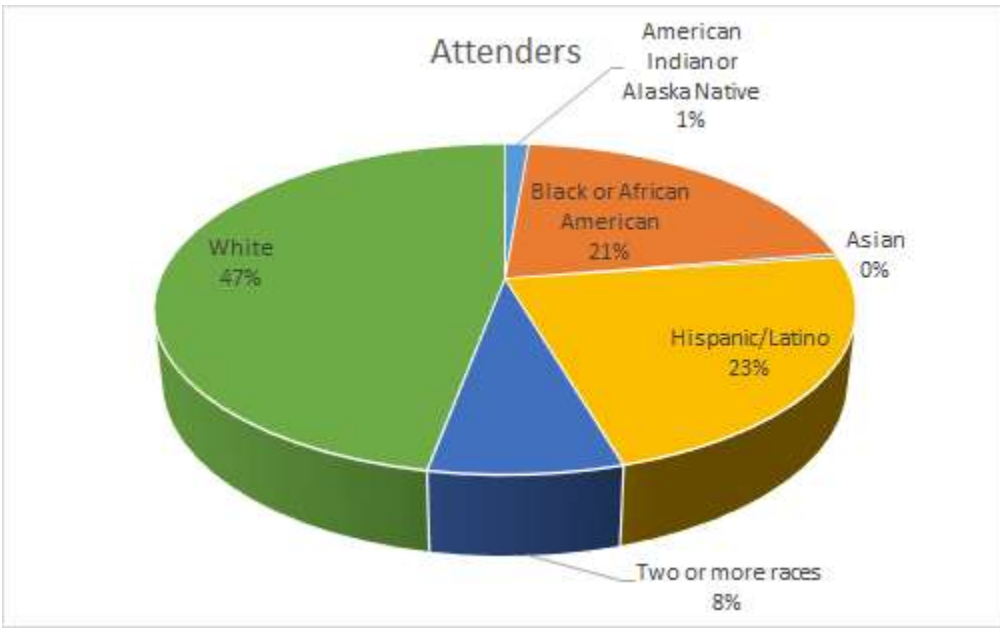

During the 2019-2020 school year, 51% of our teachers had advanced degrees, and over 80% of our teachers returned from the previous year. Almost 70% of our classrooms were taught by experienced teachers and we had ZERO teacher vacancies for more than 9 weeks.

INSTRUCTIONAL AND ORGANIZATIONAL EFFECTIVENESS

PRIMARY ACADEMIC EDUCATIONAL MODELS:

Balanced Literacy – Balanced Literacy – We teach literacy using our district’s Balanced Literacy framework. This includes Reading and Writing Workshops supported by a variety of Language and Word Study components implemented by all Greenville County Schools. Balanced Literacy is designed to provide differentiated teaching that supports students in developing reading and writing proficiency. This model allows for children to be taught in a way that is intended to be more focused on their specific needs while accelerating their progress.

Guided Math – Teachers evaluate data and puts students into small groups and students work on specific standards being taught in centers around the room and with the teacher.

Response to Intervention (RTI) – The overall goal of RTI is to accelerate children’s reading ability by increasing their ability to use phonics skills in order to improve their reading fluency and comprehension. At Chandler Creek we use the Reading Recovery and LLI intervention programs.

ESOL Program- The goal of the program is to provide equal educational opportunities to students who have a primary or home language other than English. The primary focus is to provide and English-rich environment while providing opportunities to teach students as soon as possible. In order for students to receive a fluent designation, they must be proficient in reading, listening, speak, writing and comprehension of the English language.

Gifted and Talented Program – Our programs serves students in grades 3-5 who have been identified using the criteria established by the State Board of Education.

Safety Patrols – Chandler Creek strives to implement a strong Safety Patrol Program. Fifth grade students are chosen to help oversee the safety of our students. The primary purpose of the program is to enhance the safety of our students. In addition, it promotes leadership skills and good citizenship qualities.

OnTrack – The OnTrack team is made of members of the administrative team as well as guidance counselors, interventionists and the school’s social worker. The team meets to discuss students who teachers or staff members are concerned about when it comes to attendance, behavior or academics. After discussing current interventions, someone on the team becomes the child’s advocate and ensures that progress is being made or the student is referred for additional services or evaluation.

Mission, Vision and Beliefs

Mission Statement:

Chandler Creek Elementary Schools mission is **to empower students to become leaders, learners, and caring citizens who strengthen community.**

Vision Statement:

Chandler Creek's Vision is **Creating a Community of Empowered Students (C.C.E.S)**

Beliefs:

- Students achieve best in a safe and inviting environment where they are engaged in learning.
- Students must have highly competent and caring teachers, principals, and support staff.
- Students must have equitable and high-quality educational opportunities that evolve and change to reflect the world around them.
- A successful educational culture empowers students to communicate and collaborate effectively, solve problems competently, think critically and creatively, and act responsibly.
- A successful educational culture develops students who are empathetic, respectful, resilient, and act with integrity.
- Embracing diversity and inclusion leads to mutual respect and breaks down barriers.
- Education is the shared responsibility of students, home, school, business, and community.
- Curriculum and instruction must meet the needs of all students and prepare each student for success.
- Early reading and mathematical thinking are the foundations for educational success.
- Our educational organization prepares students to value learning and contribute to society, which has a lasting positive impact on our community.

Data Analysis and Needs Assessment

SC READY

The South Carolina College-and Career-Ready Assessment (SC READY) is a statewide assessment that includes tests in English Language Arts (ELA) and mathematics administered to students in grades 3–8. SC READY test items were developed by the contractor and are aligned to the standards for each subject and grade level. The initial administration of the SC READY was in spring 2016, and the SC READY test results will be used for state and federal accountability purposes.

Four performance levels were established to reflect the continuum of knowledge and skills exhibited by students on SC READY ELA and mathematics tests: Exceeds, Meets, Approaches, and Does Not Meet Expectations.

Exceeds Expectations – The student exceeds expectations as defined by the grade-level content standards.

Meets Expectations – The student meets expectations as defined by the grade-level content standards.

Approaches Expectations – The student approaches expectations as defined by the grade-level content standards.

Does Not Meet Expectations – The student does not meet expectations as defined by the grade-level content standards.

Chandler Creek Elementary School Professional Development Plan

The school and district provide professional development for teachers and administrators to improve student achievement for continuous improvement. Certified staff members are required to attend 24 hours a year in professional development. The school must offer 12 of those hours on-site. Each certified staff member is responsible for earning the remaining 12 hours on his/her own time at events such as Summer Academy and the Upstate Technology Conference.

All induction teachers are paired with a state-trained mentor to aid in the transition from college to the teaching field. The school district provides training throughout the year for induction teachers. Also, teachers new to our school that transferred from another school also are provided a mentor to provide support during their first year at a new school.

Professional development sessions are aligned with the Educational Plan of Greenville County School District. These opportunities guide the programs through the programs we use at Chandler Creek, including Guided Math, Balanced Literacy, Learning Targets, Capturing Kids Hearts, The International Baccalaureate Program, PLC's and inquiry instruction. All staff members are provided ample opportunities to attend professional development throughout the year and during the summer to broaden their knowledge and skills.

Teachers meet and plan regularly to determine student academic levels, align curriculum to the standards, create common assessments and analyze data. During these meetings, teachers also collaborate on ways to improve scores and share ideas on how to differentiate instruction. Opportunities are also made available for teachers to expand their proficiency in the area of technology. Teachers also meet Bi-Weekly as Professional Learning Communities to analyze formative and summative data to evaluate past instruction, as well as plan for future instruction.

Chandler Creek will continue to offer program and curriculum support in the upcoming school years. At Chandler Creek support is an important goal. We feel that it is important to assist teachers in the understanding of our curricular programs. There will always be new and innovative ideas that benefit our students, and it is our goal to make sure that our teachers have the tools necessary to enlighten and engage our children. We will continue to assess our performance goals and make changes as the year progresses.

Looking ahead to 2021-2022

While the 2020-2021 professional development calendar is not completely set yet, Chandler Creek's professional development priorities will include:

Overall Focus- Student Centered Learning

- Adjust from Virtual/Whole Group instruction back to a student-centered, small group approach.
- Planning and Assessment- Rigor
- Social and Emotional Growth- Capturing Kids Hearts
- Quarterly Book clubs on student engagement and motivation

Planned Wednesday Meetings (All subject to change)

1st Wednesday -Whole Faculty Meeting/Professional Development

3rd Wednesday –Vertical Teams- core subject areas

School Climate Needs Assessment

Each year, staff, parents and students take surveys regarding our school climate. The results are reported on our School Report Card annually. All staff members complete the survey, while only 5th grade students and their parents complete the student and parent surveys. The survey results for 2020-2021 is below.

Results of Teacher, Student, and Parent Opinion Surveys

	<u>Teachers</u>	<u>Students</u>	<u>Parents</u>
Number of surveys returned	43	83	48
Percent satisfied with learning environment	100.0%	91.5%	87.5%
Percent satisfied with social and physical environment	100.0%	96.4%	85.4%
Percent satisfied with school-home relations	100.0%	83.8%	81.3%

After analyzing the surveys, we feel that our overall school climate is improving. Parent satisfied with school-home relations has shown significant improvement and has been a focus for our school in recent years.

Because the survey results reported on the School Report Card only target 5th grade students and parents, we feel there is a need to gather data from all students and parents throughout the school year so that we can get a better idea of how our community as a whole views our school climate. We have observed a steady increase in the number of families who speak Spanish, so we will continue to offer translated copies of questionnaires and surveys.

We will continue to gather feedback from the staff throughout the year to ensure our school environment remains positive and identify areas that need improvement.

Impact of COVID-19:

On March 27, 2020, the U.S. Department of Education approved the SC Department of Education’s request to waive statewide assessment, accountability, and reporting requirements of in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year due to widespread school closures related to COVID-19.

For spring 2020, South Carolina did not administer any of the following assessment programs:

- SC READY (English language arts and mathematics in grades 3–8);
- SCPASS (science in grades 4 and 6);
- End-of-Course Examination Program (English, Algebra, Biology, United States History and the Constitution) the requirement that these examinations count 20 percent has been waived;
- Prekindergarten assessments – 4-year-old kindergarten (Phonological Awareness
- Literacy Screening (PALS Pre-K™), Individual Growth and Development Indicators (myIGDIs™), and Teaching Strategies® GOLD); and
- Alternate Assessments – some students have already taken the alternate assessments.

The following assessments were unable to be administered due to COVID-19 and required a waiver

- Grade 10 PSAT
- Ready to Work
- ACT, SAT
- AP, IB, Cambridge International
