

Greer High School

COMMUNITY ♦ TRADITION ♦ DETERMINATION

3000 East Gap Creek Road, Greer, SC 29651

Greetings Greer High School Family:

Welcome to Greer High School! My family and I are humbled and honored to be here at Greer, and as principal, I look forward to doing everything I can to ensure that you have an incredible experience during this school year. Each school year offers an exciting opportunity for students, parents, and educators to commit themselves to having a successful year.

We are looking forward to a great year full of learning, sharing, and excitement! Our primary goal is for every student at GHS to have a great school year that will allow them the opportunity to grow both socially and educationally. We have a great high school and we are looking forward to having you and your child as a part of our community. We want to create a partnership with all of our parents to ensure the success of our students at Greer High School.

At Greer High School our tagline is “COMMUNITY ♦ TRADITION ♦ DETERMINATION.” We have a long-standing tradition of excellence in academics, athletics, and the arts, and our determination (#GREERGRIT) empowers our students and staff to learn and grow each day. We are a tradition-rich, community-based school with opportunities for every student to be successful. These opportunities begin for every student in the Freshman Academy where we provide academic, social, and emotional support to help our students achieve success at the beginning of their high school careers. We offer programs with a college and career focus such as Agriculture, Manufacturing, Health Science, Sports Medicine, Global Logistics, PLTW, AP, IB, Dual-Credit, and Virtual Enterprise. Our athletic and Fine Arts programs are steeped in both tradition and excellence. We also have developed a culture of service and teamwork that is evident through programs such as Service Learning and Peer Tutoring. The diversity of our program offerings is outstanding. We want all of our students to get “plugged in” to an organization or team where they can utilize their talents to learn and grow, build valuable relationships, develop strong social skills, and develop confidence and belief in themselves. What a great opportunity it is to be a Greer High Yellow Jacket!

Parents, during this school year, I would encourage you to engage yourself in the educational process. Take time to visit Greer High School and meet the administration and school staff. I would also highly encourage you to attend back-to-school events (such as Open House) and meet your child’s teachers. Stay informed of your child’s academic progress, attendance, etc. through Parent Backpack, the Greer High website, and the Greer High social media pages.

I look forward to working with each of you. If there is anything that I can do to assist you or your child, please do not hesitate to contact me.

Sincerely,

Justin Ludley
