School Portfolio 2020-21

Updated and Revised March 2021

Stephanie Lackey

Principal

Dr. Burke Royster

Superintendent

Greenville County Schools

Stakeholder Involvement for School Renewal

Position - Name

1. Principal - Stephanie Lackey
2. Teachers - Michelle Higdon, Christopher Dean, Andrea Coker, P. Sloan Joseph, Elizabeth Pedrick, Lee Alba, Kristy Crutchfield, Alicia Nicholson, Marie Patrick, Erich Sturgill, Thelma Williams, Sydney Ford, Laurie Robison
3. Parent/Guardian – Sara Womack
4. Community Member - Lisa Godfrey
5. Paraprofessional - Terry Titus
6. School Improvement Council Member – Allison Rosemond
7. Read to Succeed Reading Coach - n/a
8. School Read To Succeed Literacy Leadership Team Lead - Anne Kelsey-Zibert
9. School Read To Succeed Literacy Leadership Team Member - Alicia Nicholson

Early Childhood Development and Academic Assistance Act (Act 135) Assurances (S.C. Code Ann §59-139-10 <i>et seq.</i> (Supp. 2004))	
N/A	<p>Academic Assistance, PreK–3</p> <p>The school makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).</p>
Yes	<p>Academic Assistance, Grades 4–12</p> <p>The school makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).</p>
Yes	<p>Parent Involvement</p> <p>The school encourages and assists parents in becoming more involved in their children’s education. Some examples of parental involvement initiatives include making special efforts to meet with parents at times more convenient for them; providing parents with their child’s individual test results and an interpretation of the results; providing parents with information on the district’s curriculum and assessment program; providing frequent, two way communication between home and school; providing parents an opportunity to participate on decision making groups; designating space in schools for parents to access educational resource materials; including parent involvement expectations as part of the principal’s and superintendent’s evaluations; and providing parents with information pertaining to expectations held for them by the school system, such as ensuring attendance and punctuality of their children.</p>
Yes	<p>Staff Development</p> <p>The school provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council’s revised Standards for Staff Development.</p>
Yes	<p>Technology</p> <p>The school integrates technology into professional development, curriculum development, and classroom instruction to improve teaching and learning.</p>
Yes	<p>Innovation</p> <p>The school uses innovation funds for innovative activities to improve student learning and accelerate the performance of all students.</p>
Yes	<p>Collaboration</p> <p>The school (regardless of the grades served) collaborates with health and human services agencies (e.g., county health departments, social services departments, mental health departments, First Steps, and the family court system).</p>

N/A	<p>Developmental Screening The school ensures that the young child receives all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program normally is appropriate at primary and elementary schools, although screening efforts could take place at any location.</p>
N/A	<p>Half-Day Child Development The school provides half-day child development programs for four-year-olds (some districts fund full-day programs). The programs usually function at primary and elementary schools. However, they may be housed at locations with other grade levels or completely separate from schools.</p>
N/A	<p>Developmentally Appropriate Curriculum for PreK–3 The school ensures that the scope and sequence of the curriculum for PreK–3 are appropriate for the maturation levels of students. Instructional practices accommodate individual differences in maturation level and take into account the student's social and cultural context.</p>
N/A	<p>Parenting and Family Literacy The school provides a four component program that integrates all of the following activities: interactive literacy activities between parents and their children (Interactive Literacy Activities); training for parents regarding how to be the primary teachers for their children and how to be full partners in the education of their children (parenting skills for adults, parent education); parent literacy training that leads to economic self-sufficiency (adult education); and an age-appropriate education to prepare children for success in school and life experiences (early childhood education). Family Literacy is not grade specific, but is generally most appropriate for parents of children at the primary and elementary school levels and below as well as for secondary school students who are parents. Family Literacy program goals are to strengthen parental involvement in the learning process of preschool children ages birth through five years; to promote school readiness of preschool children; to offer parents special opportunities to improve their literacy skills and education; to provide parents a chance to recover from dropping out of school; and to identify potential developmental delays in preschool children by offering developmental screening.</p>
Yes	<p>Recruitment The district makes special and intensive efforts to recruit and give priority to serving those parents or guardians of children, ages birth through five years, who are considered at-risk of school failure. “At-risk children are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): parent without a high school graduation or equivalency, poverty, limited English proficiency, significant developmental delays, instability or inadequate basic capacity within the home and/or family, poor health (physical, mental, emotional) and/or child abuse and neglect.</p>
Yes	<p>Coordination of Act 135 Initiatives with Other Federal, State, and District Programs The district ensures as much program effectiveness as possible by developing a district-wide/school-wide coordinated effort among all programs and funding. Act 135 initiatives are coordinated with programs such as Head Start, First Steps, Title I, and programs for students with disabilities.</p>

Introduction

The Greer Middle School portfolio was developed to document the changes and progress our school has made while working to continuously improve everything we do. The portfolio provides our staff with an ongoing means for self-assessment, communication, continuous improvement, and accountability.

This school portfolio is a living document that describes Greer Middle School and includes evidence of our work. It describes who we are, our vision for the school, goals, plans, progress, and achievements in the context of student demographics and needs. The portfolio also describes how we build and utilize our overall school plan for the purpose of increasing student learning—our ultimate outcome. Much of the narrative content came from discussions of the staff in the process of evaluating our work. Our School Improvement Council and members of our PTSA also contributed parent data and input to this process.

In 2020-21, we have faced unprecedented challenges due to the COVID-19 Pandemic. After navigating eLearning during March-June 2020, we were excited to have students back in our building in August 2021. Approximately one-third of our students and one-third of our classroom teachers moved to the K-8 Virtual Program, while still remaining enrolled at Greer Middle School. Since August 2020, those teachers and students who elected for in-person learning have experienced in-person learning 1 day per week, 2 days per week, 4 days per week, and finally in January 2021, 5 days per week. Many safety precautions have been utilized during in-person instruction, included social distancing, sanitizing desks before and after each use, wearing of masks, use of plexiglass, and much more. Teachers have utilized digital learning tools more than in the past. Throughout the COVID-19 pandemic, we have seen great resilience from our students, staff, teachers, and families. We have seen great innovation in teaching and learning. We have given out hot spots for internet access, at-home meals for students, and offered an after-school tutoring and remediation program. Through it all, we have continued to focus on the whole child through our Capturing Kids' Hearts Program, prioritizing Social Emotional Learning, and ensuring that our students have the tools and support they need to learn.

Executive Summary

Summary of needs assessment for student achievement:

- We are improving instruction in order to meet the following goals for SC Ready and SC PASS in 2021:
 - 44% of students score Meets or higher on SC READY ELA
 - 38% of students score Meets or higher on SC READY Math
 - 44% of students score Meets or higher on SC PASS Science 6th Grade
- We are continuing to improve our writing process in all grade levels through strategies gained from the Upstate Writing Project, as a result of findings from the 2019 SC READY ELA assessment.
- We are continuing the practice of teachers developing specific, purposeful, standards-based daily learning targets that are effectively shared with students.
- We are utilizing the GCS Instructional Protocol to identify characteristics of effective instruction.
- Through our Read to Succeed ratings analysis, we have found a need for students to take more ownership in the area of reading improvement.

Summary of needs assessment for teacher and administrator quality:

- We are increasing the number of teachers who have met the Read to Succeed literacy requirement.
- We are providing support in use of tech tools and the 5-E Lesson Model.
- We are continuing to provide support for our PLCs to focus on student learning, use of the GCS Instructional Protocol, writing effective learning targets, utilizing common assessments, and utilizing disciplinary literacy, based on data from PLC meetings.

Summary of needs for school climate:

- We are better informing our stakeholders of school achievements, initiatives, and events through social media, virtual Family University, IGP conferences, and SIC.
- We are working to empower students to take responsibility for their educational and behavioral decisions through Capturing Kids' Hearts.
- We are increasing competence in Social Emotional Learning.
- Our SIC created a Caring Closet to help meet students' basic needs with hygiene and clothing items. This is in addition to our already established Weekend Backpack Program to support students' food insecurity needs.

Our school's significant challenges from the past 3 years:

- Disruptions to in-person learning due to COVID-19 Pandemic.
- Need to utilize social distancing due to COVID-19 Pandemic.
- Effects of COVID-19 Pandemic on students' emotional and mental well-being.
- Effective teacher-parent communication.
- The need for more parent involvement.
- Adaptation to the changing instructional and social emotional needs of our students.

Highlights of our school's significant awards, results, and accomplishments:

- High School Credits Earned through English I, Algebra I, Spanish I, Geometry, Virtual Classes (such as PE and Digital Citizenship)
- Junior Scholars Program
- 2020-21 Capturing Kids' Hearts National Showcase School Nominee
- 2020-21 Counselor named to "10 Educators Who Make A Difference" by *Upstate Parent Magazine*
- 2020-21 LiveWell Grant Recipient
- 2020-21 Five DonorsChoose Project Funded
- 2019-20 Highest giving Middle School to United Way of all GCS Middle Schools.
- 2019-20 GCS District Teacher of the Year
- 2019-20 Beta Club represented Greer Middle School at the South Carolina State Convention and earned 2nd Place Finish in Living Literature, qualifying for Nationals.
- 2019-20 Greater Greer Education Foundation awarded our school a \$1448.00 grant to create a Makerspace.
- 2019-20 Girls Volleyball Team was the Greenville County Runners-Up.
- 2019-20 Nine classroom projects were fully funded through Donors Choose
- 2019-20 Introduction to Scientific Research elective offered to 8th Grade students through a Public Education Partners Grant
- 2019-20 One faculty member served as a member of the Teach Better Team.
- 2019-20 Two faculty members served as state-wide trainers for the Upstate Writing Project.
- 2019-20 Highest giving Middle School to United Way of all GCS Middle Schools.
- 2019-20 Band had 15 students in All-County Band, 10 students in Region Band, and 3 students in All-State band.
- 2019-20 Greer Middle School hosted EdCamp Greenville for educators around the Upstate in February 2020.
- 2019-20 Honors Band earned Superior with Distinction at the state Concert Performance Assessment
- 2018-19 Beta Club represented Greer Middle School at the South Carolina state Convention and Beta Club Quiz Bowl had a 2nd Place Finish at the State Convention, qualifying for Nationals.
- 2018-19 Six classroom projects were fully funded through Donors Choose.
- 2018-19 Two faculty members serve as teacher consultants for the Upstate Writing Project.

School Profile

Description of School Community

- **History of Greer Middle:** Greer Middle School was built in 1971. It replaced Davenport Jr. High, which had burned. Davenport Jr. High was located in the former Greer High School facility on Church Street in downtown Greer. Greer Middle School was established as a modern facility with open classrooms. Students were assigned to learning communities within the school, based on the Piedmont Schools Project. The student population grew to over 1300 in the nineties making it necessary to use the little theater for a learning center. Many portable classrooms were brought in during the eighties to accommodate the rapidly growing community of Greer.

In the mid 1990s, the BMW plant was built on the outskirts of Greer, bringing with it hundreds of new families. This began an economic upswing that continues to have an impact on the schools in our area. The Greenville County School District Board of Trustees recognized the need for new schools in the Greer area. The plan included an additional school to handle the abundance of new Greer residents' children, thus the new Greer Middle and Riverside Middle Schools were built.

The 1998-99 school year was a challenge for Greer Middle staff and students. Renovations to the old Greer Middle building began in the spring of 1998 while the staff tried to finish the school year. The Chandler Road facility was totally evacuated two weeks after school was over for the year. Greer Middle had to move twice.

The first move divided the student body and staff. Sixth and seventh grades were housed at the old Greer High School on North Main Street and the eighth grade was housed on a second floor wing of the new Greer High School on East Gap Creek Road three miles away. The principal traveled between schools daily. Assistant principals were assigned to each facility to handle administrative duties. The second move reunited everyone at the current location.

The new Greer Middle School building is located on 3032 East Gap Creek Road and opened in the fall of 1999.

- **Facilities:** During the school day, visitors can only access the school through our main office entrance. Additional limits are placed on visitors to the school due to COVID-19. These doors and all other remaining doors are locked throughout the day. Visitors can only enter the main office or other parts of the building after they are admitted by school personnel.

Greer Middle School and Greer High School have campuses that are right next to one another, which is unique in Greenville County Schools. This allows the schools to easily communicate with one another regarding academic and behavioral questions and concerns, athletics, after school programs and events, parental involvement, etc.

Due to the increased interest in band, a second band classroom was added in 2017-18. Additionally, orchestra, art, and chorus courses have their own classrooms. Greer Middle has nine science labs, three per grade level. All classrooms contain Interactive Promethean Boards. Our sports facilities consist of four tennis/basketball courts and baseball, softball, and soccer fields. The gym floor was replaced in Summer 2018. A Makerspace was added to the Media Center in February 2020, that will be able to be used again in the future.

- Leadership:

Our Principal, Mrs. Stephanie Lackey, began serving as principal in 2020-21 and has been a part of our administrative team since 2013. Originally from Upstate New York, Mrs. Lackey began her career in education teaching English Language Arts in Philadelphia as part of Teach for America.

Our Administrative Assistant for the 6th grade, Mr. David Kelly, has been a part of our administrative team since 2020. He has previously served as the Innovative Learning Coordinator for Berkeley County School District. He also was an elementary school classroom teacher and a part of the Call Me Mister program.

Our Assistant Principal for the 7th grade, Mr. Justin Saul, has been a part of our administrative team since 2018. He has previously taught 8th Grade Math and Social Studies at Northwest Middle School.

Our Assistant Principal for the 8th grade, Ms. Bethany Cummings, has been a part of our administrative team since 2019. She has previously taught Math at JL Mann High School.

Description of School Personnel

Currently, Greer Middle School faculty includes 62 teachers (16 virtual and 46 in-person), 4 administrators, 1 media specialist, 4 guidance counselors, 1 instructional coach, 1 instructional technology coach, and 6.5 aides. The percentage of teachers with an advanced degree is 69.5% (2018-19). The percentage of teachers on a continuing contract is 81.6%. The percentage of teachers returning from the 2019-20 school year was 90.3%. The teacher attendance is 95.02% (2018-19). Three faculty members hold National Board certification.

Description of Student Population

Greer Middle School has an enrollment of 1075 students. Our ethnic statistics reflected the following percentages: 24.5% Hispanic, 46.8% White, 21.5% African-American, and 5.0% two or more races, 1.3% American Indian or Alaska Native, and 0.9% Asian. Currently our population is 54.6% male and 45.4% female. Pupils in Poverty is 71%. Our Gifted and Talented population is 16.7%. Our Special Education population is 19.7%. Our ESOL population is 15.3%.

Major Academic and Behavioral Features/Programs/Initiatives

Professional Learning Communities: Teachers meet weekly as a grade level, subject area PLC (for example, 6th grade Math). Each PLC uses a shared PLC toolkit document that helped guide the teachers in working as an effective PLC and addressing the following four questions:

- What do we expect our students to learn?
- How will we know they are learning?
- How will we respond when our students do not learn?
- How will we respond if our students already know the content/excel at learning the content?

The use of a shared document that was also accessible by the school's leadership team promoted communication between teachers and the school's administrators, Instructional Coach, and Instructional Technology Coach.

Academic Teaming: Students are grouped in academic teams at the 6th, 7th, and 8th grade levels. Each grade level has two-three academic teams made up of a Math, ELA, Science, and Social Studies teacher, one of whom was the Team Leader. Teams of teachers share the same students. Teachers meet weekly with their academic team. Each team used a shared team toolkit document that helped guide the teachers in working as an effective team, which included sections for the team to focus on the following:

- Time for team members to check in with one another.
- What opportunities exist for interdisciplinary connections (vocab, etc.), activities, and/or projects?
- Avoiding overlapping test dates and project due dates
- Which students are struggling in more than one subject area? What interventions are in place to help these students become successful? What additional interventions are needed at this time?
- What student, team, or teacher successes have occurred? How can we celebrate this success?
- What issues exist that affect student learning, safety, etc.? Classroom management concerns, hallway behavior, etc.
- What housekeeping needs to be addressed? Upcoming events, paperwork that needs to be completed, etc.

The use of a shared document that was also accessible by the school's leadership team promoted communication between teams and the school's administrators, Instructional Coach, and Instructional Technology Coach.

Capturing Kids' Hearts (CKH): Beginning in 2018-2019, all faculty and staff have been trained in the CKH model. A group of faculty members also serve as CKH Process Champions leaders. As a CKH school, we utilize the EXCEL (Engage, X-Plore, Communicate, Empower, Launch) model in classrooms and meetings, create social contracts for all classrooms, empower student ambassadors, greet all students at the door of each class, and utilize the CKH four questions to increase student reflection. In 2020-21, our school was named a CKH National Showcase School Nominee.

Mindfulness: As part of our increased awareness of the importance of social emotional learning, we have a "mindfulness minute" daily on the morning announcements.

OnTrack: Beginning in 2019-20, we began conducting bi-weekly OnTrack meetings to better identify and serve the needs of students who are struggling in the areas of attendance, behavior, and/or course performance. As part of this process, teams identify and carry out interventions, name a student advocate, and follow up on student progress. We have continued OnTrack in 2020-21, utilizing the Google Meet platform.

Vertical Department Meetings with Greer High School: In February 2021, all 8th Grade, Related Arts, Special Education, and ESOL teachers took part in an annual vertical meeting with the faculty of

Greer High School. This vertical meeting focused on high school expectations, programs, and how middle school teachers can best work to prepare our students for the challenges and opportunities they will have at Greer High School.

Department Meetings: Each department is led by a department chair who serves as an instructional leader and conducts monthly meetings. These meetings are an opportunity to discuss best practices, new initiatives, vertical alignment, grade-level expectations, and upcoming opportunities and requirements.

Personalized Learning (1 to 1): Beginning with the 2017-18 school year, all students at Greer Middle school have access to a Dell Chromebook while at school. In addition, students take their Chromebook home with them for evenings and weekends. Teachers had the opportunity to integrate technology into daily lessons. Use of Chromebooks allowed for greater differentiation in teaching, additional means of assessing students both formatively and summatively, and increased means of students being able to demonstrate their knowledge and creatively.

Student Recognition: On a weekly basis, each academic team recognizes one student of the week and one Mathia student of the week.

Curriculum Council: Curriculum Council is a group of teacher leaders that meets monthly to advise the principal and discuss important matters related to student learning, school climate, and school initiatives. The Curriculum Council is made up of all team leaders, department chairs, administrators, and instructional support staff.

Upstate Writing Project: During the 2017-2018 school year, all of our school's ELA teachers took part in a series of in-service programs through the Upstate Writing Project. The Upstate Writing Project (UWP) is an official National Writing Project site. The National Writing Project (NWP) is a nationwide professional development program for teachers, begun in 1974 at the University of California, Berkeley. The primary goal of the project is to improve student writing achievement by improving the teaching of writing in the nation's schools. The Upstate Writing Project is supported by financial and professional resources of Clemson University and local school districts. In keeping with the National Writing Project model, UWP has the following primary goals:

- To improve students' writing abilities by improving the teaching and learning of writing in the nation's schools,
- Provide professional development programs for classroom teachers,
- Expand the professional roles of teachers.

Following this first year of implementation, all ELA teachers continued to utilize the instructional strategies learned during the Upstate Writing Project. Additionally, two ELA teachers from our school became instructors for the Upstate Writing Project and will be leaders for other schools that are implementing the program.

Benchmarking via MasteryConnect: Beginning in 2017-2018, Greenville County Schools rolled out common District Benchmarks for state-tested areas through MasteryConnect. All teachers at Greer Middle were trained by the Instructional Coach in using MasteryConnect to track student mastery of State Standards. For Quarters 1, 2, and 3, students took Benchmarks created by TE21 in tested areas. The district found these Benchmarks to be over 90% correlated with student results on state tests during the previous school year. Our teachers were able to use the Benchmark data they received from TE21 to inform student instruction.

Mission, Vision, Beliefs

“Empowering Learners for a World Class Education”

Our mission, vision and beliefs are communicated annually to all stakeholders during annual student/parent orientation meetings, PTSA meetings, SIC meetings, on our school website, and in our Annual Report to the Community.

Mission

The mission of Greer Middle School is to empower students to become independent, productive learners who exemplify good character in an increasingly global society.

Vision

Greer Middle will become a model that all other schools in Greenville County will aspire to emulate. We will support our community and contribute to the quality of life of our families. We will become a school that teachers gladly support, students respect, and of which the community can be proud.

Beliefs

We believe our students should:

- give and be given respect.
- be constantly challenged with standards driven curriculum and instruction.
- share the accountability for education with parents, teachers, and the community.
- receive curriculum, instruction, and assessment aligned to meet their individual needs
- be able to communicate effectively and solve problems.
- feel safe both emotionally and physically in and out of the classroom.

Data Analysis and Needs Assessment

Impact of COVID-19:

On March 27, 2020, the U.S. Department of Education approved the SC Department of Education's request to waive statewide assessment, accountability, and reporting requirements of in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year due to widespread school closures related to COVID-19.

For spring 2020, South Carolina did not administer any of the following assessment programs:

- SC READY (English language arts and mathematics in grades 3–8);
- SCPASS (science in grades 4 and 6);
- End-of-Course Examination Program (English, Algebra, Biology, United States History and the Constitution) the requirement that these examinations count 20 percent has been
- waived;
- Prekindergarten assessments – 4-year-old kindergarten (Phonological Awareness
- Literacy Screening (PALS Pre-K™), Individual Growth and Development Indicators (myIGDIs™), and Teaching Strategies® GOLD); and
- Alternate Assessments – some students have already taken the alternate assessments.

2019-2020 School Report Card:

Below is our data for 2018-19

2018-2019 School Report Card:

<https://screportcards.ed.sc.gov/overview/?q=eT0yMDE5JnQ9TSZzaWQ9MjMwMTA2MA>

English Language Arts – SC Ready

ELA	Does Not Meet	Approaches	Meets	Exceeds
6th 2017 (2023)	25.5	45.6	23.2	5.7
7th 2018 (2023)	29.3	32.6	26.1	12.1
8th 2019 (2023)	24.3	30.4	32.3	13.1

6th 2018 (2024)	22.3	42.4	22.9	12.4
7th 2019 (2024)	31.0	30.4	23.0	15.6
6th 2019 (2025)	29.4	33.2	22.6	14.8

Mathematics – SC Ready

Math	Does Not Meet	Approaches	Meets	Exceeds
6th 2017 (2023)	26.8	37.5	23.1	12.7
7th 2018 (2023)	30.0	35.8	22.5	11.7
8th 2019 (2023)	28.0	33.1	16.7	22.2
6th 2018 (2024)	31.0	38.4	20.4	10.2
7th 2019 (2024)	39.0	34.0	14.1	12.9
6th 2019 (2025)	32.2	32.0	21.0	14.8

Science – SC PASS

Science	Does Not Meet	Approaches	Meets	Exceeds
6th 2017	35.1	26.5	21.5	16.9
6th 2018	34.1	26.0	18.6	21.4
6th 2019	40.4	17.8	22.9	19.0
8th 2017	21.4	24.6	31.2	22.8
8th 2018	27.3	24.4	33.1	15.1
8th 2019	28.1	22.1	20.5	29.4

Teacher and Administrator Quality

Greer Middle School Performance Goals

1. During the 2020-21 school year, the percentage of students (grade 6-8) Meeting/Exceeding Expectations on ELA SC Ready will increase from 40% in Spring 2019 to 44% in Spring 2020.
2. During the 2020-21 school year, the percentage of students (grade 6-8) Meeting/Exceeding Expectations on Math SC Ready will increase from 34% in Spring 2019 to 38% in Spring 2020.
3. If the principal focuses on engaging the available resources to help her and her staff improve the practice of using frequent formative assessment to inform responsive teaching practices in 7th grade ELA, and if she works alongside staff to learn and implement these strategies,

Then 7th grade ELA teachers will be able to make data-driven instructional decisions and engage students in learning that is responsive to their individual needs based on the 7th grade ELA standards,

So that students in 7th grade ELA classrooms will be able to demonstrate standards-based growth in ELA.

School-Wide Goals

Additionally, this professional development plan aims to improve student learning and achievement at Greer Middle School through a focus on:

- improved learning and achievement for our ELs.
- improved learning and achievement for our Special Education students.
- Continued effective implementation of OnTrack.
- Instruction that is standards-based and data-driven in all subject areas.
- Professional Learning Communities that focus on what students will learn, how we will know students are learning, what we will do when students are not learning, and what we will do when students are excelling.
- Academic Team Meetings that focus on student learning and overall well-being
- Effective implementation of the 5E Model
- Implementation of Student Progress Monitoring
- Improve Mathia use during 2020-2021 school year
- Greater use of formative assessments to inform responsive teaching in ELA

ANTICIPATED OUTCOMES:

- Teachers will create standards-based lessons with common pacing and common summative assessments that promote student engagement. Evidence of the following can be seen through walk throughs, formal observations, PLC conversations, PLC toolkit minutes, and weekly planners:
 - All students are communicating about what they know
 - Students are asking questions
 - Teachers are supporting students' ability to do for themselves
 - The vast majority of what students are writing involves summarizing, analyzing, evaluating, etc.
 - Students feel challenged by the learning process
 - Students can describe what they are learning to another person
- Teachers will use Chromebooks to increase student engagement and to gather data about mastery of the standards using standards-based formative and summative assessment. Evidence of this can be seen through walk throughs, formal observations, PLC conversations, and weekly planners.
- Teachers will work in collaborative groups and individually to look critically at student achievement on high-stakes tests as well as teacher-created formative and summative

assessments. Analyzing available data, we will work in collaborative groups to develop effective instructional strategies that reach the needs of all of our students. Evidence of this will be shown through data analysis worksheets, data analysis, PLC conversations, PLC toolkit minutes, walk throughs, formal observations, and test scores (including formative and summative assessment, quarterly benchmarks, and state testing).

- Teachers will meet as academic teams to improve student outcomes. Evidence of the following will be seen through Team Meeting Toolkit minutes, team meeting conversations, walk throughs, and observations:
 - opportunities for interdisciplinary connections
 - scheduling best practices
 - students who need support and how to offer support
 - successes
 - concerns that need to be addressed

School Climate Needs Assessment

Results of Teacher, Student, and Parent Opinion Surveys

	<u>Teachers</u>	<u>Students*</u>	<u>Parents*</u>
Number of surveys returned	24	271	36
Percent satisfied with learning environment	79.2%	83.8%	88.6%
Percent satisfied with social and physical environment	87.5%	84.1%	80.6%
Percent satisfied with school-home relations	79.1%	89.6%	69.5%

*Only students at the highest school grade and their parents were included

Cognia Survey Results

Students (based on 923 Responses in 2019-20) - Note: due to invalid sample size in 2018-19, the 2019-20 survey results have been included here.

1. Which four of the following words or phrases best describe, in general, the expectations for you as a student at your school? (top 3 responses)

- I am learning (75%)
- I am expected to be good at some things (57%)
- I understand (55%)

2. Which four of the following phrases best describe, in general, the kinds of things your teachers say to you while at school? (top 3 responses)

- We will be working on ... (56%)
- Explain it (48%)
- You will be working on ... (46%)

3. Which four of the following words or phrases best describe, in general, how you feel when trying to complete your assignments while at school? (top 3 responses)

- Pressured (50%)
- Calm (48%)
- Usually enough time (45%)

4. Which four of the following words best describe, in general, what you think of your teachers? (top 3 responses)

- Honest (62%)
- Caring (61%)
- Fun (56%)

5. Which four of the following words or phrases best describe, in general, the things you most often DO while in class at school? (top 3 responses)

- Listen to teachers (60%)
- Think (45%)
- Take Tests (43%)

6. Which four of the following words or phrases best describe, in general, your experiences in your classes? (top 3 responses)

- Normal (43%)
- Challenging (38%)
- Working in Groups (32%)

7. Which four of the following words best describe, in general, the interactions you have with adults at your school? (top 3 responses)

- Respectful (69%)
- Helpful (64%)
- Trusting (49%)

8. Which four of the following words best describe the physical spaces in which you spend most of your time at school? (top 3 responses)

- Comfortable (50%)
- Open (48%)
- Stressful (44%)

9. Which four of the following words best describe, in general, how you feel while at school? (top 3 responses)

- Tired (58%)
- Bored (53%)
- Happy (41%)

Action Plan

Plan begins on next page.

Impact of COVID-19:

On March 27, 2020, the U.S. Department of Education approved the SC Department of Education's request to waive statewide assessment, accountability, and reporting requirements of in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year due to widespread school closures related to COVID-19.

For spring 2020, South Carolina did not administer any of the following assessment programs:

- *SC READY (English language arts and mathematics in grades 3–8);*
- *SCPASS (science in grades 4 and 6);*
- *End-of-Course Examination Program (English, Algebra, Biology, United States History and the Constitution) the requirement that these examinations count 20 percent has been*
- *waived;*
- *Prekindergarten assessments – 4-year-old kindergarten (Phonological Awareness*
- *Literacy Screening (PALS Pre-K™), Individual Growth and Development Indicators*
- *(myIGDIs™), and Teaching Strategies® GOLD); and*
- *Alternate Assessments – some students have already taken the alternate assessments.*

Performance Goal Area: Student Achievement* Teacher/Administrator Quality* School Climate (Parent Involvement, Safe and Healthy Schools, etc.)* (* required) District Priority

Gifted and Talented Requires Gifted and Talented: Academic Gifted and Talented: Artistic Gifted and Talented: Social and Emotional *1 Academic Goal and 1 Additional Goal* Gifted and Talented: Other

PERFORMANCE GOAL: 1 The percentage of students scoring Meets Expectations and Exceeds Expectations on SC READY ELA will increase from 30% in 2016-17 to 43.2% in 2022-23.

Per SBE Regulation 43-261, measurable performance goals, written in five-year increments, shall be developed to address the major areas of discrepancy found in the needs assessment in key areas reported in the district and school report cards.

SMART goal must include: WHO will do WHAT, as measured by HOW and WHEN.

INTERIM PERFORMANCE GOAL: The percentage of students scoring Meets Expectations and Exceeds Expectations on SC READY ELA will increase by 2.2% annually.
