Introduction

Mountain View Elementary's school portfolio begins each year with a self-study based on our state surveys (parent, staff and student), our Annual School Report Card and our student achievement results. Teams come together to analyze our information for each of these data sources and explore findings, including the determination of areas of strength and the assessment of needs. Principle members of our team are our administrators, Principal Jennifer Gibson and Assistant Principal Stephen Deyo. Teachers, administrators, school counselors, speech therapists, members of the PTA, parents, and others worked collectively to create this document which represents how we work together as a school community and how we go about the business of teaching our students.

SIGNIFICANT CHALLENGES OVER PAST THREE YEARS

- Funding for the classroom – Prices increase yearly and funding is limited. Teachers have to pay for materials out of their own pockets.
- Technology – Technology is constantly changing. Teachers have difficulties with keeping abreast of new hardware, software and apps that they need in order to integrate technologies into their curriculum. Additional training is needed on an ongoing basis. We also have a great need for a technology coach in each school who is not a full time teacher, and has the ability to assist teachers in learning and implementing new technologies and in troubleshooting hardware issues.
- Curriculum – Over the past few years we have implemented Project Read, RTI, CCRS, a new Curriculum planning tool, new math, science, and social studies textbooks and a new reading program, in addition to an overwhelming amount of technology. Teachers feel that they do not have time to fully implement program/strategies/curriculum into the classroom before something else is being introduced.

SIGNIFICANT AWARDS, RESULTS, OR ACCOMPLISHMENTS OVER THREE YEARS

- We have received the Palmetto Gold Award.
- We have seven National Board Certified teachers.
- Our school is a three time Red Carpet Award Recipient.

SCHOOL PROFILE

Mountain View Elementary School is a K4 through grade five public school in the School District of Greenville County. We currently have 824 students, 2 administrators, and 49 teachers. It is one of 52 elementary schools in Greenville County. Mountain View Elementary School is situated in a rural area at the foothills of the Blue Ridge Mountains. The school is approximately eleven miles from Greer, the nearest city. Due to our remote location, families must travel in order to access banks, post offices, grocery stores, medical facilities, and even the public library. However, members of our community are happy traveling this distance because it allows them to enjoy the calm, picturesque country life that they value.

Mountain View has a long standing history within our community. The original Mountain View School was established in 1911 on the same property occupied by our current school. Since then, there have been several changes in the buildings, but the school has remained a steadfast fixture in the community. A significant number of our parents and grandparents attended Mountain View. Many of our teachers attended school here too, and have chosen to raise their families in the Mountain View community. The tradition continues as our former students' own children and grandchildren come to our school. For this reason, our entire community feels a unique bond and a responsibility to maintain the integrity of Mountain View. Our school family consists of hard working people who span the spectrum from all occupations. When we come together to make decisions each person's input is valued and respected. Mountain View Elementary School has the respect and support of our parents and the community.

Mountain View was proud to be recognized as a three-time recipient of the Red Carpet Award. This award is given to schools that provide a warm, friendly environment that helps make visitors feel welcome and part of the school family. This award is very important to us because we believe that having a positive, caring environment will help in our efforts to improve student education, and build partnerships with the community. Mountain View is known for its family-like atmosphere and will continue to provide a nurturing place for children to learn and grow.

The tagline of Mountain View Elementary School is "Each child, one day at a time".

Principal:

Jennifer Gibson is currently in her eighth year as Principal of Mountain View Elementary School. Prior to this position, she served as Assistant Principal here for seven years. Before coming to Mountain View, she was a classroom teacher at Blue Ridge Middle School, and an Administrative Assistant at Woodmont High School. She brings a variety of experiences to our school. She is an upstate native and attended Wade Hampton High School, received her Bachelor's degree in Elementary Education from Erskine College, and completed her Master's Degree in Administration and Supervision at Furman.

Assistant Principal:

Stephen Deyo is serving his eighth year as Assistant Principal at Mountain View. He began his career as an educator, teaching grades 6-8 at Wren Middle School in Anderson District One. He then became the administrative assistant at Oakview Elementary School here in Greenville County and served in that position for 3 years. He received a BS in Business Administration and a BA in Elementary Education from UNC-Asheville. He then went on to earn a Master of Education degree in School Administration and Supervision from Clemson University.

Facilities:

We are fortunate to have a beautiful facility in which to work and learn. In this age of technology, we are moving rapidly to try to keep up with the changing world around us. We have Promethean Boards in every classroom. Every classroom in grades 2-5 has 1:1 Chromebooks for students. Kindergarten and first grade also have student Chromebooks. We have full wireless access. Students have two computer labs and one iPad per classroom for teacher and student use. We have recently added two flat-screen TVs for presentations and parent meetings. We added a new meeting area for teachers and staff with a large screen TV to assist in small group trainings. We have incorporated a large presentation TV in our atrium and in our front office featuring current announcements, news and student photos. We have completed the installation of a fully integrated projection system in the cafeteria for presentations, professional development and more. We have also added a paved walking track, installed trees on our playgrounds for protection from the sun, increased the K5 playground area, and developed a garden in memory of a beloved teacher.

Safety:

Safety is a priority here at Mountain View. In addition to our regular drills, we have implemented a number of safety procedures, such as requiring all visitors to sign in, locking all exterior and interior doors, and employing a director of our Extended Day Program to be in the front office at all times for secure after-school dismissals. We also have police officers who visit our campus on a regular basis for additional security. Safety Plans are available in every classroom. We have increased the amount of fencing around our students' play areas. We have recently installed an additional layer of security with multiple catch doors from our front office into the building and interior office.

PTA and Parental Involvement:

Mountain View Elementary PTA's primary purpose is to support the faculty and staff in their effort to make the school a better place for all children. By building close relationships between home and school, parents and teachers cooperate to provide the best education for our children. PTA gives families a voice. PTA is strongly supported at Mountain View. The teachers and administration welcome volunteers with open arms and, in response, parents are eager to help. PTA is a registered non-profit association run entirely by volunteers. Mountain View volunteers have logged in more than 14,000 volunteer hours over the past school year. PTA operates on a \$130,000 budget.

With the generosity of families and members of our close-knit community, PTA is able to provide, on an annual basis, \$10,000 for teacher/support staff stipends, \$1,000 in classroom grants, \$5000 to school improvement projects and more than \$50,000 to various other areas of the school. PTA supports the arts as well as physical education. In an effort to better encourage our students' passion for the arts, Mountain View PTA developed its own, homegrown art contest last year, called the Mountain View Elementary Art Competition & Exhibition. It was a successful first year of this event with more than 60 student entries and a formal awards night and art gallery as the culmination of the contest. PTA sponsors and funds a variety of other events each year, including Goodies with Grown-Ups, Mother-Son Game Night, Father-Daughter Dance, Grandparents Dinners, a senior citizens' lunch, staff appreciation days and much more. Mountain View's PTA is independent of the school yet they collaborate very closely with the administration to best serve the needs of all. Mountain View's PTA is a strong asset to the school.
