SCHOOL RENEWAL PLAN FOR YEARS 2018-19 through 2022-2023 (five years)

SCHOOL RENEWAL ANNUAL UPDATE FOR 2022-2023 (one year)

Required Signature Page

The school renewal plan, or annual update, includes elements required by the Early Childhood Development and Academic Assistance Act of 1993 (Act 135) (S.C. Code Ann. §59-139-10 *et seq.* (Supp. 2004)), the Education Accountability Act of 1998 (EAA) (S.C. Code Ann. §59-18-1300 *et seq.* (Supp. 2004)), and SBE Regulation 43-261. The signatures of the chairperson of the board of trustees, the superintendent, the principal, and the chairperson of the School Improvement Council, and the School Read to Succeed Literacy Leadership team lead are affirmation of active participation of key stakeholders and alignment with Act 135 and EAA requirements.

Assurances for the School Renewal Plans

The assurance pages following this page have been completed and the district superintendent's and school principal's signature below attests that the school/district complies with all applicable assurances requirements including ACT 135 assurance pages.

ASSURANCES FOR SCHOOL RENEWAL PLANS

Assurances checked below, along with the signature page signed by the superintendent and school principal, attest that the school complies with all federal and state applicable statute and regulation requirements, including those listed.

Early Childhood Development and Academic Assistance Act (Act 135) Assurances

[S.C. Code Ann §59-139-10 *et seq.* (Supp. 2004)]

X **Academic Assistance, PreK–3**

The district makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).

X **Academic Assistance, Grades 4–12**

The district makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).

X **Parent Involvement**

The school encourages and assists parents in becoming more involved in their children's education and will make special efforts to meet with parents at convenient times, provide parents with their child's individual test results, interpretation of the results, and information on the district's curriculum and assessment program. The school will encourage frequent communication between home and school, thus providing more opportunities for parental participation. The school will make efforts to designate space for parents to access educational resource materials. Part of the principal's and superintendent's evaluation may include parental involvement expectations. The school will make efforts to provide parents with information pertaining to expectations held for them by the school system, such as ensuring the attendance and punctuality of their children.

X **Staff Development**

The district provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council's revised *Standards for Staff Development*.

X **Technology**

The district integrates technology in professional development and classroom instruction in order to improve teaching and learning.

X **Innovation**

The district funds innovative activities to improve student learning and accelerate the performance of all students.

X **Collaboration**

The district (regardless of the grades served) collaborates with health and human services agencies such as county health departments, social services departments, mental health departments, First Steps, and the family court system.

X **Developmental Screening**

The district ensures that students receive all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program is primarily at primary and elementary schools although screening efforts could take place at any location.

X **Half-Day Child Development**

The district provides half-day (and sometimes full-day) child development programs for four-year-olds. The programs primarily operate at primary and elementary schools, may be at locations with other grade levels, or be located in a completely separate school.

X **Developmentally Appropriate Curriculum for PreK–3**

The district ensures that the scope and sequence of the curriculum for PreK–3 is appropriate for the maturity levels of

students. Instructional practices accommodate individual differences in achievement levels and take into account the student's social and cultural context.

X **Parenting and Family Literacy**

The district provides a four-component program for parents and children that integrates all of the following activities: interactive literacy activities between parents and their children; training for parents to be partners in their children's education; parent literacy training in economic self-sufficiency through adult education; and age-appropriate education to prepare children for success in school and life experiences. Family Literacy is not grade specific, but is generally most appropriate for parents of children at or below the primary and elementary school levels, and secondary school students who are also parents. Family Literacy program goals are to strengthen parental involvement in the learning processes of preschool children ages birth through five years; promote school readiness of preschool children; offer parents special opportunities to improve their literacy skills and education; provide parents educational opportunities; and identify potential developmental delays in preschool children through developmental screening.

X **Recruitment**

The district makes intensive efforts to seek out and serve those parents or guardians of children, from birth to five years of age, who are considered at-risk for school failure. "At-risk children" are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): poverty, limited English proficiency, significant developmental delays, a parent without a high school diploma or equivalent, instability or inadequate housing and/or family, poor health (physical, mental, emotional), and/or child abuse and neglect.

X **Coordination of Act 135 Initiatives with Other Federal, State, and District Programs**

The district makes efforts to ensure that all programs and funding, including Act 135 initiatives, are coordinated with programs such as Head Start, First Steps, Title I, and programs geared towards students with disabilities.

Introduction

Mauldin Elementary School’s Strategic Plan/Portfolio provides an overview of the school perspective on a quality education. This document provides staff an opportunity to assess and communicate continuous improvement as we help our students to meet the challenges in the world. It also provides information on student data, stakeholders’ involvement and the characteristics of the school. This report is a living document that describes Mauldin Elementary. It describes who we are, our vision, mission for the school, goals and plan of action for student achievement. It shows how all of the parts fit together to make our school a positive environment for our students. This process started with a team of staff members and parents gathering data and information about our staff, students and community involvement. We used surveys to gather information to complete this process. The teams met to discuss their findings and develop plans for improvement and to ensure alignment with the vision and mission. Students, teachers and parents provided their perceptions of Mauldin Elementary.

The groups provided input, suggesting ways we can improve our practices and the instructional programs. We will continue to update this document yearly to assess our progress and make plans for improvement. We feel that this document tells the whole story of Mauldin Elementary and how we are working together to improve the education of our students. The results are used as we implement plans to address the needs of all students.

Executive Summary

Executive Summary

Mauldin Elementary School is located in a business/residential area on Holland Road, Simpsonville, South Carolina. The school was once at 101 East Butler Road, Mauldin, South Carolina. The old school was originally built in 1937 and the new school was built in 2002. Mauldin is one of 52 elementary schools in the School District of Greenville County. The campus includes open and covered playground areas, a ball field and a track. These areas are used not only for physical education and recess, but also for special events and programs throughout the year.

Mauldin Elementary School serves approximately 967 students in pre K - fifth grades. The majority of the students come from two parent homes with middle income level. The student population consists of 355 Caucasian, 391 African American, 119 Hispanic, 23 Asian and 79 others. 100% percent of our students qualified for free or reduced meals plan due to Greenville County Schools providing free student meals through end of school year as a result of a recent USDA waiver. 14.2 % qualify for the gifted / talented program and 15% qualify for special education services.

The administration at MES consists of one principal, one assistant principal, and one above the baseline administrative assistant. The faculty consists of 42 regular classroom teachers, three full time reading interventionist, one math interventionist one literacy coach, one multi-categorical K5, 1st, 2nd grade/ class, one multi-categorical 3rd, 4th and 5th grade/ class, one K4 classroom, one preschool special education (moderate) class, along with one full time related arts team and one visiting related arts team. This school year there are two resource teachers. We have one instructional coach, one media specialist, one full time and one part-time counselors, two full-time speech teachers, two computer lab managers, two part time occupational therapists, one part time ESL

teacher, and one part-time challenge program teacher. Additional support staff includes one full time nurse, one part time nurse, one attendance clerk, one full-time office clerk, one part-time office clerk, one secretary, six kindergarten aides, 6 full time self- contained aides, six full-time custodians, and one plant engineer. We also have one food service manager and five food service staff.

Community and parent involvement are viewed as an essential part of the school's success; thus Mauldin Elementary has an active Parent Teacher Association (PTA) and School Improvement Council (SIC). During the 2021-2022 school year, PTA logged 55 hours of service. This is a result of COVID and PTA volunteer not being allowed in the school building. Parents serve as room mothers, Watch Dog Dads, resource speakers and provide math and reading enrichment activities. They provide incentives for programs, purchase playground equipment, and funds for teachers to purchase materials for their classrooms. They also chaperone field trips and plan fundraising activities for the school. Parents assist with the book fair, provide clerical assistance for the front office and publish the PTA school newspaper. They support and assist with activities during Red Ribbon Week and Teacher Appreciation Week.

The School Improvement Council (SIC) is another important group at our school. They help to improve student learning and help to focus attention on overall school improvement. They help the school work through challenges that may hinder us from meeting our goals. Both groups meet monthly with the administration to discuss ways to assist the school.

Student Assessment

The GCS strategic plan outlines five performance goals; goal 1 is the priority goal, with goals 2-5 intended to support goal 1. Each goal is supported by a series of objectives, key strategies and benchmarks through which progress can be measured.

Six Goal Areas

Goal 1: Student Success

Deliver high-quality curriculum, instruction, and interventions that meet the needs of each student.

Goal 2: Premier Workforce

Recruit, retain, and develop exemplary personnel in all positions.

Goal 3: Caring Culture and Environment

Provide a safe and healthy environment that promotes learning and respectful relationships.

Goal 4: Resource Stewardship

Ensure efficient use of resources through their effective management and development.

Goal 5: Community Engagement and Communications

Generate support and system effectiveness through partnerships, communications, and recognitions.

Goal 6: Read to Succeed

Annually increase the percentage of K-5 students reading on grade level as defined by Fountas and Pinnell, FastBridge, MAP, and other measures.

We hold all of our students to high standards. We expect students to:

1. Attend school daily unless ill or legally excused.
2. Come to class with necessary materials.
3. Be critical thinkers.
4. Be responsible learners by putting forth their best effort in completing all in-class and homework assignments and in meeting deadlines.
5. Obey school rules and cooperate with school personnel.

6. Treat people and property with respect.
7. Work well independently as well as interdependently.
8. See that school correspondence reaches home.
9. Dress and groom in a neat and clean manner.
10. Have the skills, self-confidence, and values necessary to become contributing members of society.

Curriculum

The Balanced Literacy Framework was adopted in Greenville County Schools to ensure all students are being instructed on their current levels of reading material. Teachers work as a team to ensure they are using the best strategies to meet the needs of every student. We use the Fountas and Pinnell Benchmark Assessment System to adjust teaching strategies when needed. MobyMax and Dreambox Math, computer programs, are used to provide additional assistance that students can use at home and school. Classroom teachers also utilize Mastery Connect online resource that helps teachers identify and track student mastery of South Carolina College and Career Ready standards. Teachers differentiate instruction to meet the needs of all students. Differentiated instruction is provided during instructional times. RTI is provided for students in grades K5-5th. Our SPED and K5 teachers are using Horizons Reading to help close the gaps. We also have a afternoon reading and math tutoring program before school for students in K5-5th grade to work on targeted areas of need. Science kits are sent from the district for further investigation in the Science curriculum.

Staff Quality

At Mauldin Elementary, the majority of the staff has been trained in district instructional models, including Balanced Literacy, Intel II technology, and Google Apps for Education. As a eighth year Balanced Literacy school, we seek to continue our growth and development of that program with the support of our district office, training literacy mentors and a trained Literacy Coordinator to train our staff. Staff members have participated in visiting other schools to see models of Balanced Literacy implemented and brought back ideas to share with our staff in our commitment to grow in this area. The South Carolina State Standards are now being implemented fully in grades Kindergarten through fifth grade. As the level of rigor and higher level thinking increases with these standards, our staff's level of understanding and using these standards to drive instruction continues to grow through professional development opportunities at the school and district level. Our staff has been trained in the DOK (Depth of Knowledge) Levels as a means to increase rigor across all subjects in the grade levels.

Learning Climate

At Mauldin Elementary, students' attendance rate is 963.43% over all. However, we find that some individual students have a problem attending school on a regular basis. Keeping our subgroups in school seems to get harder than it should be. Our ability to keep these students in school is an important daily task. We have in place procedures as well as strategies for students not meeting the district and state guidelines. Teachers work with the attendance clerk and assistant principal to make sure students are in school daily. Parents are contacted regularly to address attendance issues. In addition, due to the COVID protocols we had a drop in attendance rate from previous years.

Root Cause Possibilities

Staff members met to generate a list of root causes or reasons “why” we believe students in the various subgroups are not achieving their goals on TE21 Benchmarks, met or exceed on SCPASS and SCReady. While some of the causes are out of our circle of control, we recognize that the reason could be a cause. The reasons are as follows:

1. Difficulty with thinking and reasoning skills
2. Lack of basic fundamentals from grade level to grade level
3. Differences in ability levels
4. Weaknesses in grammar, mechanics and clarity in writing
5. Weaknesses in problem solving
6. Poor listening skills
7. Low motivation to achieve maximum ability
8. Poor test taking skills
9. Difficulty following directions
10. Difficulty focusing on and completing tasks
11. Lack of appropriate materials
12. Students may be pulled out of classroom for other classes
13. Disciplinary problems
14. No help with homework or making sure homework is completed
15. No parental support (parents do not put an emphasis on the importance of education)
16. Poor attendance
17. Tardiness
18. Special circumstances at home such as divorce, single parent, parent away
19. Teacher student ratio is too high in all grades
20. Transportation for students to get to school when they are suspended off the bus

Accomplishments

The success of our school improvement efforts is reflected in much special recognition. These include the following:

1. Leader in Me Lighthouse School, 2020
2. National ASCA Ramp Model School
3. State and National winning Beta Club
4. District Science Teacher of the Year 2017
5. 3rd & 5th Grade District Science Fair Winner 2018
6. Battle of the Books—Area runner up 2016

Outstanding Features

1. Leader in Me Lighthouse School
2. Moby Max, Dreambox, and other student software applications
3. Grade Level field trips
4. Science Night
5. Mauldin High School Teacher Cadets
6. School wide Art Show
7. Summer Reading and Math Incentive Programs
8. Auditioned Chorus
9. Mentor Upstate
10. Pre School Special Education Class
11. Outstanding Multicultural School with more than 17 nationalities represented
12. Mauldin Mighty Eagle Award Recognition
13. Student Lighthouse Team
14. Safety Patrols
15. Award Winning Junior Beta Club
16. Mauldin Mania
17. Battle of the Books
18. 1:1 Chomebooks in K3 - 5th Grade
19. Extended Day Program
20. Closet of Hope
21. 4 year old Kindergarten
22. STEAM Lab
23. Girls on the Run site
24. National ASCA Ramp Model School
25. Discovery Education Digital Corps School
26. Inclusive Practice School
27. Afterschool Remediation and Tutoring
28. First Lego League Robotics

School Profile

The Community of Mauldin Elementary School

Mauldin Elementary School first opened in the 1937 school year on Butler Rd. In 2002 it moved to the current location on Holland Road.

Our current administrative staff includes Principal – Mrs. Jennifer Dodds. Assistant Principal - Mrs. Julie Hathaway, and Administrative Assistant – Mrs. Carmen Jones. Under this leadership team, we plan to continue to grow our efforts to make Mauldin the best elementary school in Greenville County! Parental involvement is critical to our success and is strong at Mauldin Elementary School. Parents and the community members are involved in many volunteer opportunities such as SEEDS, Watch Dogs, backpack program, room coordinators, “extra hands” to run copies, posting bulletin boards, laminating, assisting with lunch, school projects, office help, etc. A team of very dedicated teachers and parents lead our PTA and make decisions involving programs, fundraising, grounds beautification, and other areas of enrichment or needs. Our working parents help with quick jobs that can be done before or after work, such as cutting, stapling, or baking at home. Our School Improvement Council (SIC) has also become an important force for parents and community members. All stakeholders are actively involved in making important decisions to better our school. Mauldin Elementary also has partnerships with various local businesses. Many companies in our community have donated money or discounted services for the improvements at our school including the paved path curbing in the butterfly garden and fundraising efforts for our playground.

Mauldin Elementary School Staff

During the 2021-2022 school years, the staff of Mauldin Elementary included:

- 1 principal
- 1 assistant principal
- 1 administrative assistant
- 1 instructional coach
- 41 regular classroom teachers
- 3 reading interventionist (RTI)
- 1 math interventionist
- 1 full time Literacy Coach
- 1 mental health counselor
- 1 ESOL teacher
- 8 teaching assistants (K4-1st grade)
- 5 full time special education teachers (3 self-contained, 2 full time resource)
- 8 special education aides
- 2 full-time speech therapist

- 2 part-time occupational therapists
- 1 part-time gifted/talented education teacher
- 6 full-time related arts teachers (art, music, physical education)
- 2 computer lab managers
- 1 full-time media specialist
- 1 full-time guidance counselor
- 1 part-time guidance counselor
- 1 STEAM Lab teacher
- 1 attendance clerk
- 1 secretary
- 1 part-time clerk
- 1 full-time office clerk
- 1 media assistant
- 1 nurse
- 1 part time nurse
- 1 plant engineer
- 6 custodial workers
- 1 food service manager
- 1 food service assistant manager
- 4 food service workers

We also have the following on our staff:

- 58 Caucasian Educators
- 2 Asian
- 8 African Americans Educators
- 11 Caucasian Aides
- 1 African American Aides
- 9 Male
- 2 Hispanic

Teacher Personnel Data 2020-2021

Percentage of teachers on continuing contract	78%	Down from 80%
Teachers returning from previous year	63.6%	Down from 83%
Teacher attendance rate	96.8%	N/A
Average teacher salary	\$52,827	Up from \$52,430
Percentage of teacher vacancies for more than 9 weeks	0.0	No change

Our Leadership Team

Our Principal is Jennifer Dodds. This is her second year at Mauldin Elementary School and her 22nd year with Greenville County Schools, serving as a teacher, science lab instructor, administrative assistant, assistant principal, and interim principal. Mrs. Dodds holds both a B.A. in Elementary Education and an M.A. in Educational Leadership from Clemson University, and is a graduate of both the GCS Aspiring Principal Institute and the SC Department of Education's Developing Aspiring Principals program. In 2015, Mrs. Dodds was named the Greenville County Assistant Principal of the Year for her outstanding leadership. Mrs. Dodds also developed a number of innovative initiatives in the District, including the "Real Men Read" mentorship program, a Work in Progress boys mentor program, and built strong relationships both within the school community and throughout the larger Greenville community.

Our Assistant Principal is **Mrs. Julie Hathaway**. This is her 15th year at Mauldin Elementary School. She graduated with a Bachelor of Science Degree in elementary education in reading from East Carolina University, Greenville, North Carolina. She also received a Master's Degree in Administration and Supervision from Furman University, and later added her certification in Early Childhood. Mrs. Hathaway has served as a principal, university supervisor, teacher leader, classroom teacher and assistant principal.

Our Administrative Assistant is **Mrs. Carmen Jones**. This is her third year at Mauldin Elementary. Prior to becoming an Administrative Assistance, she taught second grade at Mitchel Road Elementary. Before that she taught in Bluffton, South Carolina for several years. Mrs. Jones is a graduate of Converse College, where she received her Bachelor's Degree in Early Childhood Education and a Master's Degree in Gifted Education. She also earned a Master of Education in Educational Leadership from The Citadel. Mrs. Jones is committed to fostering a positive learning environment to intentionally discover all the potential our students have to offer.

Mauldin Elementary Students

The total enrollment of Mauldin Elementary in 2021-2022 is 965. Our enrollment has slightly decreased over the past two years. Student attendance rate is 93.43%, and 100% participating in the free or reduced lunch program due to Greenville County Schools providing free student meals through end of school year as a result of a recent USDA waiver.

Student Profile

- Grades – K3-5th
- Student Enrollment – 965
- Free/ Reduced – 100% (due to Greenville County Schools providing free student meals through end of school year as a result of a recent USDA waiver)
- Special Education – 12%
- Gifted & Talented – 14.2%
- Students represent 16 countries and 10 languages

MES Total Enrollment

2021-2022 Enrollment by Ethnicity

As shown in the pie chart above, the current student enrollment at the new Mauldin Elementary is 926 students made up of:

- 321 Caucasian
- 390 African American
- 99 Hispanic
- 28 Asian
- 88 Others

2021-2022 Enrollment by Grade Level

Mauldin Elementary FARMS Over Time

2020-2021 Enrollment by Gender

Outstanding Educational Programs

Although our core curriculum is guided by the state and district, we provide the following programs for our students.

Leader In Me

Mauldin Elementary began the implementation of Leader In Me in 2017-2018 school year. This whole school transformation process focuses on culture, academics, and leadership. It teaches 21st Century life and leadership skills, the 7 Habits of Highly Effective people, and a culture of student empowerment based on the idea that every child can be a leader. Mauldin Elementary became a Light House School in February of 2020.

Balanced Literacy

Balanced Literacy is a comprehensive language arts program designed to instruct students at their instructional reading levels. It provides a differentiated learning experience where teachers target skills and standards to be taught based on thorough assessment. The 2013-2014 was the implementation year for Mauldin. Teachers are attending professional development throughout the summer and school year to learn best practices to help ensure student success using the Balanced Literacy framework for our reading instruction.

CATCH Program

As a CATCH (Coordinated Approach to Child Health) school, Mauldin Elementary is committed to helping our children eat more nutritious foods each day through our Culinary Creations menu offering a meat entrée, a vegetarian entrée, and homemade soup and salad each day along with fresh fruits, vegetables, and more whole grains.

Starting Early with Enrichment Design for Student (SEEDS)

This program provides quality literature and related activities for students in the primary grades. Through partnership with parents, our school is able to offer the SEEDS program. Each week volunteers read books to students in grades K5-third grades. After reading the books, the volunteers ask higher level thinking questions and the students complete a literature based activity.

Fast Bridge

Fast Bridge is a progress monitoring system based on direct, frequent and continuous student assessment. We assess all students in grades K-2 and special education three times per year for universal screening, general education progress monitoring and AYP accountability.

Response to Intervention-RTI

The RTI program is designed to help the students that fall in the at-risk category on the Fast Bridge. These students can receive an extra 30 minutes of individualized reading instruction four days a week in a small group setting.

Mentoring Math

Fifth grade students serve as math mentors for students in grades 2-4. These students play basic facts games to strengthen their math fluency.

Beta Club

Mauldin Elementary School has an award winning Beta Club program. Over the past years they have placed in numerous categories that the Beta Club conventions including: handmade jewelry, sculpture, songfest, wreaths, sketching, essays, t shirts, woodworking, cross stitch, photography, speech, banner, and quiz bowl. Fourth grade students who have a 3.5 cumulative GPA are invited join Beta Club their 5th grade school year. These students must maintain a GPA of 3.0 and show outstanding leadership to remain active participants in the club.

STEAM Lab

The STEAM lab is visited by 3rd through 5th graders during related arts time. It serves the purpose of enriching the curriculum with project based learning using science, technology, engineering, the arts, and mathematics. Students are encouraged to take risks and participate in experiential learning.

OnTrack/MTSS

MTSS is a framework utilizing evidence-based and data-driven, student-centered practices to advance the academic, behavioral, and social-emotional learning of all students. OnTrack is a collaborative problem-solving team focused on keeping students on track for graduation utilizing the Early Warning Response System and Intervention Connection tools

Mental Health Counseling

Mauldin Elementary has a site-based Mental Health Counselor from the state through the County Mental Health program. This program assists families and students in need of mental health counseling.

TE21/Mastery Connect Progress Monitoring Tool

MasteryConnect is an online resource that will help Greenville County Schools (GCS) teachers identify and track student mastery of South Carolina College and Career Readiness (SCCCR) Standards to inform teaching practice. Specifically, teachers will be able to share curriculum maps, resources, and assessments in one place. Also, this platform allows teachers to develop, administer, and score assessments easily. Mastery Connect has a social media component that enables schools - across the district and the state - to share assessments and resources with other teachers.

TE21's Collaborative Assessments Solutions for Education (CASE) is the provider of the South Carolina College and Career Ready Standards-aligned assessments. The assessments are aligned specifically to our GCS district curriculum in core subjects.

Instructional Programs

Mauldin Elementary offers a variety of programs to assist in meeting the goals of all students. We use research-based materials and data to develop programs to enhance our curriculum. The school's core curriculum is guided by the South Carolina State Standards and the district curriculum outlines on Rubicon Atlas. Teachers have access to computer programs that outline lesson strategies and techniques for quality deliverance. Parents are encouraged to communicate with the school any concerns regarding their child's participation in the academic program. The Instructional Coach and the administration ensure that teachers have a variety of resources to instruct students. These resources are research-based principles from the following models:

Language Arts Program

Greenville County elementary schools use the Balanced Literacy framework. This includes components unique to primary grades such as shared reading and literacy centers, in addition to components used in primary and intermediate classrooms that include guided reading and interactive read alouds. Two times during the school year, teachers administer the Fountas and Pinnell Benchmark Assessment. Teachers use the results of this assessment to determine students' independent, instructional, and frustration levels. They then design reading groups and lessons based on students' levels and skills needed. District assessments that correlate with South Carolina State Standards and Balanced Literacy are also used by classroom teachers to monitor student learning. The students are tested on written comprehension, written expression and phonics on these forms of summative assessments.

Students participate using writing prompts in the fall, winter, and spring of each school year. The writing prompts are placed in the students' cumulative record. The teachers use the writing process when teaching writing. Teachers use the following writing process components with the students: prewriting, first draft, revising, editing, and publishing. The prompts are assessed in Kindergarten through 5th grade using the district writing rubrics.

Math

We use the National Geographic “Big Ideas” Math Program to assist in teaching the South Carolina College and Career Ready State Standards. Teachers use the district’s Math pacing guide to help pace their time spent on a skill. Teachers use a variety of assessments to monitor how well the students are progressing. Teachers meet to interpret the results and determine if the strategies being used are effective.

We believe that in order for students to lead a successful life and positively contribute to society, they must acquire proficiency in mathematical concepts and skills. The math program is designed to support the South Carolina State Standards for mathematics instruction. Our math program provides challenging activities for all ability levels and seeks to increase thinking skills not only for mathematical thoughts but also across the curriculum. The summer math program provides opportunities to students to practice math skills learned the previous school year.

Social Studies

Our students experience informational reading and social studies content instruction through the social studies textbooks and many other resources, such as historical fiction novels, current events magazines for kids, nonfiction literature, commercially-available teacher resource books on specific topics, and the internet. Students gain practice in speaking, listening, and research skills through simulations, games, projects, videos, and attending presentations of guest speakers. Annual social studies special events are Student Council elections; the observance of Labor Day, Veterans’ Day, and Memorial Day; the celebration of African-American History Month in February, Women’s History Month in March; Hispanic Heritage Month in September-October; South Carolina Day; Constitution Day; and a variety of other traditional United States holidays. Teachers typically present holiday traditions, history, art, and music through literature, videos, online resources, and the support of the art and music teachers. In presidential election years, our school conducts a Mock Election in which all students in grades 2-5 cast their vote for U.S. President online through a national coordination group. Teachers are currently receiving training in the application of the South Carolina State Standards to the social studies content area and are working with the revised 2011 South Carolina Social Studies Standards. Common unit assessments are utilized on all grade levels per the district’s scope and sequence on the Portal. Field trips to Walnut Grove, Columbia, Charleston, North Carolina, and a variety of local destinations, such as Roper Mountain Science Center and Furman University, reinforce students’ knowledge and encourage their application of grade-level standards.

Health and Science

Our students experience inquiry-based science instruction with the support of state-adopted textbook materials. Students enjoy regular laboratory experiences with their classmates in our school’s science lab, coordinated by classroom teachers and the Science Team. Resource kits from the school district, as well as the internet and teacher resource books, anchor many of the laboratory experiences. Teachers use the inquiry-based skills and procedures of the scientific method when planning these labs. All grade levels currently participate in the school and district-level Science Fairs. Annual events such as the celebration of Red Ribbon Week in October; Science Family Night in March; and participation in the CATCH Program and the Culinary Creations healthy school nutrition program allow students to apply their health and science knowledge for real purposes. Students observe life science and weather phenomena in our Butterfly Garden throughout the year. Field trips to Roper Mountain Science Center, Camp Greenville, aquariums, the Children’s Museum of the Upstate, and many other local sites support students’ science learning. Teachers also supplement the science process skills with the teaching of informational reading and research skills through the use of trade books, novels, children’s magazines, nonfiction texts, and the internet.

Instructional Support Programs

Support Services

Students at Mauldin Elementary receive a high level of support services from an outstanding staff of resource personnel.

Challenge Program

The Challenge Program is designed to meet the needs of academically gifted and talented students. This is a pull-out enrichment program that encourages inquiry, flexibility, creativity and critical thinking. Third graders participate in two hours and 5 minutes of Challenge classes weekly. Fourth and fifth graders attend Challenge classes for three hours and twenty minutes each week.

The curriculum is designed to challenge students with rigorous complex class work and research. The units of study are aligned with state standards and are designed to be covered in one semester. This program serves 18 third grade students, 26 fourth grade students, and 51 fifth grade students.

Computer Lab/Technology

Mauldin Elementary is dedicated to integrating technology into all areas of the curriculum. We have district recommended software, such as MobyMax Learning and Dreambox, on all PCs which provides an individualized computerized program to assist in student achievement.

The computer lab provides the opportunity for students to learn basic computer functions and basic functions of Microsoft applications, which include PowerPoint and Word, and Google Suite. Students are also introduced to exploring the Internet, researching topics, and publishing their work. Technology words are introduced in support of student achievement. These enhance students' communication skills in our world of technology. Each classroom is equipped with a Promethean Board. We also have three LCD projectors. Our school received one-to-one chromebooks for personalized learning in the 2016-2017 school year. These devices are now utilized in grades K3 through five. Our school was refreshed with new computers during 2020-2021 school year. This refresh cycle included new admin and teacher laptops.

Counseling Services

Our ASCA Ramp model Comprehensive School Counseling program is staffed with one full-time counselor and one part-time who visit each classroom monthly. They present engaging lessons on a multitude of topics ranging from understanding emotions, to developing responsibility, to learning about careers. Also, they provide small group counseling for students, offer parenting workshops, and make referrals to outside agencies. Our two counselors strive to meet student's individual needs through individual counseling sessions. All of the sessions are based on our school improvement plan and data that identifies areas of need.

Media Center

The Mauldin Elementary Media Center is a very busy place. Located near the center of the school, the media center offers students, teachers and parents materials and services that support the curriculum. The media center staff assists members of the school community in learning how to find and use these resources and encourages all who enter to select materials that expand their knowledge base and/or foster the love of reading. A dedication to collection development by the media specialist ensures that the materials in the media center meet the needs of the school community it serves and also meet District and State standards for library collections. Currently, the media center houses almost 11,000 holdings in print, non-print (videos and DVDs), and manipulative formats. It also possesses the balanced literacy library for teachers to use as a resource in conducting guided reading groups, which holds approximately 2,608 sets of leveled readers. It circulates approximately 6,000 items per month. It is staffed by one full-time library media specialist and one full-time media clerk. It is open from 7:30 a.m. to 3:00 p.m.

The library media specialist is on the related arts wheel, therefore ensuring that every student is able to visit the media center each week. In addition, teachers can send students to visit the media center at any time. Grade levels are also encouraged to schedule cooperative lessons with the media specialist as classes work on research on writing. While there is flexibility in media instruction, the media specialist uses state standards in different subject areas. In addition, the media specialist incorporates information literacy skills as prescribed by the American Association of School Librarians into every lesson. These skills include, but are not limited to, reference skills,

literature appreciation, and computer instruction. The media center has nine computers available for community use, and it is located adjacent to the school computer lab. The media center is home to WMES, the closed circuit television “station” that broadcasts news to the school community every morning at 8:00. The media specialist is in charge of the student news crew, which includes two anchors, a history reporter, a birthday reporter, and behind-the-scenes personnel who operate the video and sound systems.

Each year, the media center sponsors spring and fall book fairs. The proceeds of the book fairs are used to purchase more books and supplies for the media center and its programs. Other school activities that have originated in the media center are:

- Read Across America activities in honor of Dr. Seuss’ birthday
- Assemblies with plays from the Greenville Little Theater
- Guest author at our yearly All Arts and Reading Night
- Battle of the Books, a reading incentive program in which 4th and 5th graders read several books from a prescribed list, form teams and participate in question-and-answer sessions about the books, and then compete in school and District playoffs to determine a district championship team.

Special Needs Program

Four full-time resource teachers serve students who are identified with learning disabilities, emotional handicaps, mental disabilities, developmental delays and other health impairments through a psychological evaluation. These students are served through either a pull-out class or through the inclusion program. Students have an Individualized Education Plan (IEP) to help improve skills.

The Special Education Department at Mauldin Elementary uses the inclusion model to serve students with disabilities in the areas of reading, writing, and math. The inclusion model consists of the special education teacher going into the general education classroom and teaching with the general education teacher. The two teachers collaborate on lessons plans and strategies to assist all of the children in the classroom. This is a team teaching approach to learning and allows the students more small group instruction as well as individual assistance as needed. The inclusion model at Mauldin Elementary School is used in third, fourth and fifth grade.

Speech Program

Mauldin Elementary has two full time speech therapist who follow a “pull-out” and/or inclusion model to provide academic assistance as listed on each eligible student’s Individual Education Plan. The therapists also provide classroom and individual interventions to help aid students with speech and/or language weaknesses in the classroom environment. The goal of the speech services is to increase the student’s articulation and language skills to age appropriate levels and to enable the student to respond appropriately, effectively, and with clarity in the classroom. This is accomplished through a variety of techniques and impacts all areas of the curriculum. Listed below are some of the skills taught:

- Categorization and auditory memory skills
- Listening strategies
- Following directions
- Syntax strengthening
- Describing words
- Articulation skills
- Fluency and rhythm of speech

These services support the work of classroom teachers and the curriculum.

English for Speakers of Other Languages (ESOL) Program 2021-2022

- 68 English language learners are receiving pull-out instruction or being monitored by a certified ESOL teacher.
- Students represent 12 languages and 1 countries.

Languages		Countries	
Afrikaans	1	Belarus	2
Arabic	7	Brazil	2
Burmese	1	Colombia	11
Creole	1	Costa Rica	1
Mandarin	3	Honduras	3
Polish	1	India	2

Russian	3	Mexico	5
Spanish	46	Poland	1
Tamil	1	Peru	1
Telugu	1	Puerto Rico	1
Vietnamese	1	Saudi Arabic	3
		South Africa	1
		USA	23
		Venezuela	10

Program Goals

- To help students develop listening, speaking, reading, and writing skills in English
- To support students' content area learning
- To advocate for students through teacher collaboration and parent communication
- To facilitate the integration of students into the school community both academically and socially

Extended Day Program

Our extended day program is offered during the academic school year. The program is flexible and students are engaged in both learning and socialization skills at all times. Students are assisted with the completion of homework and other projects. The program provides a supportive environment for learning by focusing on math, reading, writing and vocabulary.

Physical Education Program

The Physical Education Program at MES focuses on health related fitness and motor skills needed for lifelong engagement in healthy and physical activity. The program uses the State Activities Standards for Physical Education. It is believed that physical activity improves muscular strength, endurance, flexibility, and cardiovascular endurance as well as academics. Overall, positive impact on children's self-esteem and their ability to strive for achievable personal goals are observed. The curriculum is designed to meet the needs and learning styles of all students. The goal is to help students in all areas through active learning. It helps us to meet our statewide goal of 150 minutes of physical education per week. Fitnessgram testing is a state program is used to evaluate fitness levels of students in grade three through five.

Girls on the Run

The Girls on the Run program gives girls an opportunity to be physically active and learn about the sport of running. The program includes the basics of goal setting, pacing, eating healthy, and how to prepare and train for a 5K Run. It also includes building confidence in these girls in and out of school. The club meets twice a week after school for eight weeks to train for a 5K at the end of the season.

Art Program

The MES Art Department includes a rigorous and creative curriculum for students in kindergarten through fifth grade. All classes receive visual arts training once a week for 45 minutes. Along with meeting and surpassing the required South Carolina state standards, the art projects integrate with the classroom's core subject areas to reinforce content and provide deeper understanding of subject matter. Students use a wide variety of media and are introduced to art history and design elements that become building blocks for a lifelong understanding and appreciation of visual art. This includes a systematic, skill-based process for students to grow as artists throughout their years at MES.

In addition to the weekly art classes, students at MES have opportunities to expand on their visual arts education. Our art program provides further training and a deeper understanding of the elements and principles of design. Selected students also have the opportunity to participate in several art shows throughout the community each year. MES also hosts a large-scale art show in our school annually, where each student displays his or her original artwork and invites friends and family members to visit the school and view the art. This provides confidence and a sense of ownership for students.

Music Program

Music supports the goals of Mauldin Elementary School to improve student achievement in all core subject areas and to provide an environment supportive of learning. Whenever possible, the music teachers look for ways to integrate math, language arts, social studies, and science into the lesson. They use a word wall to increase students' vocabulary not only in music, but related subjects as well. They also practice reading skills by following lyrics and by reading passages in the book aloud. The music teachers provide an environment that is supportive of learning by making sure that students can all see and hear the teacher and by providing attractive and informative bulletin boards in the classroom and hallway. Using two grants, the music department purchased ukuleles for the students. They use these instruments to create their own accompaniment to the songs they have learned during class time as well as during music programs.

The Mighty Eagle Chorus

The MES Mighty Eagle Chorus is made up of fourth and fifth grade students who are selected through an audition process. Rehearsals are held weekly for forty-five minutes. The chorus performs approximately three times a year at school and for other events outside of school. Fifth grade chorus students are eligible through audition to participate in Spring Sing held annually at the Peace Center for the Performing Arts.

Mission, Vision, and Beliefs

Our Mission

At Mauldin Elementary our mission is to empower all individuals to lead with intention, explore with purpose, and persevere in seeking solutions. Our mission supports the vision of Mauldin Elementary. We believe that education provides for greater opportunities and a higher standard for our students. We want them to be successful when interacting with peers, community, and the world in a positive manner. Mauldin Elementary implements diverse strategies ensuring high level of academic success.

Our Vision

The vision of Mauldin Elementary School states, “We are a community of leaders and learners who are motivated by our own successes. We are a culture of EXCELLENCE!!” Our school strives to develop the academic, social, and physical abilities of our students. We realize our students are the future leaders of tomorrow. We have a tremendous responsibility to equip our students for the challenges and opportunities that lie ahead.

Our Beliefs

During the school year and after much collaborative effort among staff members, parents, students, members of the community, and the School Improvement Council we identified our beliefs as follows:

We will commit to:

1. Focusing all efforts on our vision
2. Modeling expectations
3. Building trusting relationships
4. Providing leadership Opportunities

Data Analysis and Needs Assessment

Student Achievement Outcome

2020-2021 SC READY

The SC Ready assessment was given to students in grades 3-8 in Spring 2019. Students were assessed in the subject areas of ELA and Math.

2020-2021 SC Ready ELA

English Language Arts (Reading and Writing)

2020-2021 SC Ready MATH

Mathematics

2020-2021 SC PASS

The SC Palmetto Assessment of State Standards (SCPASS) was given to students in grades 4th in Spring 2021. Students were assessed in the subject areas of Science.

Science

Strengths

- 31% of brick and mortar students scored Exceed in Math
- Reading was higher than math for first time in recent history.
- 4th/ 5th grade scored higher in ELA than 2019
- Reading was higher than District average.
- Brick/Mortar students out preformed the district in Math with 61% Meet/Exceed compared to the district 53%.
- Students out preformed the district in ELA with 54% of our students Meet/Exceed compared to the district 52%.

Areas of Concern

- 64% of virtual students scored Did Not Meet
- 3rd grade did not score as high as we expected based on Spring Mastery Connect
- Special education students have a high percentage of scoring not met.
- Language, craft and structure in informational text low across grade levels.
- 72% of virtual students scored Did Not Meet
- Number Sense and Base Ten- (3rd/5th)
- Number Sense Operations- Fractions (5th) - 48% NM
- Algebraic Thinking and Operations (All grades)

Teacher and Administrator Quality

The administration at Mauldin Elementary supports and encourages professional development for the faculty and staff. A flexible meeting schedule allows for staff development to be ongoing throughout the school year, providing an on-site opportunity to improve instructional strategies and enhance curriculum aimed at each grade level or specialty areas' needs. On-going development activities provide the staff with opportunities to improve personal and professional skills. Additionally, teachers from professional learning teams attend district professional developments that are offered throughout the year.

Implementing the vision of Mauldin Elementary requires each staff member to focus on the strategies defined in the quality planning section and to correlate our professional development to successfully achieve the goals of the plan. We continue to look for ways to maximize the benefits of professional development for our faculty. Workshops or conferences to be attended must support our vision and provide innovative strategies for achieving the goals of Mauldin Elementary.

As we focus on our vision and quality planning, we also seek advice from our faculty to help us plan the areas of professional development to include in our calendar.

Mauldin Elementary Professional Development

2021-2022

MES Professional Development Focus: Technology & Guided Reading

Weekly	Instructional Team Meetings Grade Level Meetings
1 st Wednesday of the Month	Leader in Me Action Team Meetings
2 nd Wednesday of the month	Workshop Wednesdays (Differentiated PD's presented by IC, guest presenters, and MES teachers)
3 rd Wednesday of the month	MES Faculty Meeting
4 th Wednesday of the month	Staff Social
1 st Tuesday of the Month	PAS-T Pop-in
3 rd Tuesday of the Month	NEW Mighty Eagle IC Support
August 10th	Guided Reading Training (all staff) 2nd/3rd Grade K5/1st Grade 4th/5th Grade
August 11th	ACES/Childhood Trauma Training
August 11th	Strength Finders w/ Jeff McCoy
September 8th	Reading Workshop (Getting Started) with Kristy Jennings
Week of September 13th	Reading Workshop (Classroom Libraries) -Instructional Coach
Week of September 20th	Dreambox (Introduction) -Instructional Coach
Week of September 27th	Fall Data Dives (SCReady/Fastbridge/F&P)
Week of October 4th	Guided Reading (Classroom Libraries) -Mrs. Dodds and IC
Week of October 25th	Technology Proficiency Training
Week of November 1st	ELA Unit Planning 3rd grade (Unit 3) 5th Grade (Unit 3)
Week of November 8th	ELA Unit Planning K5 (Kristy Jennings)
Week of November 15th	K5 (Guided Reading Observation with Kristy Jennings) 3rd Grade (Mastery Connect with Kristy Jennings) ELA Unit Planning 5th grade (Finish Unit 3-Assessment/Vocabulary) MAP Training 2nd Grade
Week of November 29th	ELA Unit Planning 1st grade (Unit 4)
Week of January 24 th	ELA Unit Planning Support/Updates
March	Classroom Library Check-in of new books
April	SCReady/SCPass Training

School Climate Needs Assessment

The administration and faculty make every effort to create a safe learning environment that nurtures positive and informed relationships between parents, teachers and students. It is imperative that teachers, parents, and students are satisfied with the learning environment, with the social and physical environment, and with the school to home relationship.

	Teachers					5 th Grade Students					5 th Grade Parents

Action Plan

Achieve Greatness!!

Our Vision and Academic Goals

The Mauldin Elementary staff developed a three-point vision shared by all stakeholders:

“We are a community of leaders and learners who are motivated by our own successes. We are a culture of EXCELLENCE!!”

With this vision and our goals in mind, we believe we must plan effectively to provide a quality education for our students.

In the next five years, MES will continue to focus on the five GCS goals and associated initiatives outlined in the GCS strategic plan. The Board of Trustees, with input from educators, parents, students, and community leaders, adopts the following priority areas for the period 2018-2023:

- Improve Reading Performance – Enhance focus on early literacy and K-8 reading.
- Improve Classroom Environment – Provide more hands-on learning, reduce class size, and decrease teacher burden.
- Increase Choice Options – Offer more educational options, approaches and pathways for students and families.
- Provide Excellent Teachers and Principals – Recruit, develop, and retain high quality teachers and school leaders.
- Expand Whole Child Supports – Promote student well-being in the learning process by increasing mental health supports and teaching social, emotional and life skills.
- Expand Graduation Plus, providing comparable support and equitable opportunities across multiple pathways for students whether preparing for four year college or seeking career and technical expertise.

We have developed an Action Plan that includes our goals, objectives and strategies to support efforts to achieve the initiatives. The strategies in the action plan are based on research and best practices that are proven to improve student learning.

PERFORMANCE GOAL: 1 The percentage of students scoring Meets Expectations and Exceeds Expectations on SC READY ELA will increase from 43.5% in 2016-17 to 52.32% in 2022-23.

Per SBE Regulation 43-261, measurable performance goals, written in five-year increments, shall be developed to address the major areas of discrepancy found in the needs assessment in key areas reported in the district and school report cards.

INTERIM PERFORMANCE GOAL: The percentage of students scoring Meets Expectations and Exceeds Expectations on SC READY ELA will increase by 1.47% annually.
