ASSURANCES FOR SCHOOL RENEWAL PLANS

Assurances checked below, along with the signature page signed by the superintendent and school principal, attest that the school complies with all federal and state applicable statute and regulation requirements, including those listed.

Early Childhood Development and Academic Assistance Act (Act 135) Assurances

[S.C. Code Ann §59-139-10 *et seq.* (Supp. 2004)]

- X **Academic Assistance, PreK–3**
The district makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).
- X **Academic Assistance, Grades 4–12**
The district makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).
- X **Parent Involvement**
The school encourages and assists parents in becoming more involved in their children’s education and will make special efforts to meet with parents at convenient times, provide parents with their child’s individual test results, interpretation of the results, and information on the district’s curriculum and assessment program. The school will encourage frequent communication between home and school, thus providing more opportunities for parental participation. The school will make efforts to designate space for parents to access educational resource materials. Part of the principal’s and superintendent’s evaluation may include parental involvement expectations. The school will make efforts to provide parents with information pertaining to expectations held for them by the school system, such as ensuring the attendance and punctuality of their children.
- X **Staff Development**
The district provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council’s revised *Standards for Staff Development*.
- X **Technology**
The district integrates technology in professional development and classroom instruction in order to improve teaching and learning.
- X **Innovation**
The district funds innovative activities to improve student learning and accelerate the performance of all students.
- X **Collaboration**
The district (regardless of the grades served) collaborates with health and human services agencies such as county health departments, social services departments, mental health departments, First Steps, and the family court system.

- X** **Developmental Screening**
The district ensures that students receive all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program is primarily at primary and elementary schools although screening efforts could take place at any location.
- X** **Half-Day Child Development**
The district provides half-day (and sometimes full-day) child development programs for four-year-olds. The programs primarily operate at primary and elementary schools, may be at locations with other grade levels, or be located in a completely separate school.
- X** **Developmentally Appropriate Curriculum for PreK–3**
The district ensures that the scope and sequence of the curriculum for PreK–3 is appropriate for the maturity levels of students. Instructional practices accommodate individual differences in achievement levels and take into account the student's social and cultural context.
- X** **Parenting and Family Literacy**
The district provides a four-component program for parents and children that integrates all of the following activities: interactive literacy activities between parents and their children; training for parents to be partners in their children's education; parent literacy training in economic self-sufficiency through adult education; and age-appropriate education to prepare children for success in school and life experiences. Family Literacy is not grade specific, but is generally most appropriate for parents of children at or below the primary and elementary school levels, and secondary school students who are also parents. Family Literacy program goals are to strengthen parental involvement in the learning processes of preschool children ages birth through five years; promote school readiness of preschool children; offer parents special opportunities to improve their literacy skills and education; provide parents educational opportunities; and identify potential developmental delays in preschool children through developmental screening.
- X** **Recruitment**
The district makes intensive efforts to seek out and serve those parents or guardians of children, from birth to five years of age, who are considered at-risk for school failure. "At-risk children" are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): poverty, limited English proficiency, significant developmental delays, a parent without a high school diploma or equivalent, instability or inadequate housing and/or family, poor health (physical, mental, emotional), and/or child abuse and neglect.
- X** **Coordination of Act 135 Initiatives with Other Federal, State, and District Programs**
The district makes efforts to ensure that all programs and funding, including Act 135 initiatives, are coordinated with programs such as Head Start, First Steps, Title I, and programs geared towards students with disabilities.

INTRODUCTION

Sara Collins Elementary School's strategic plan documents the school's progress and plans for improvement. The plan provides our staff with an on-going means for self-assessment, communication, continuous improvement and accountability. This school plan describes Sara Collins Elementary and gives evidence of our progress. It describes our learning community and includes our vision and goals for student learning. We consider both our achievements and needs as we plan for continued growth and success.

The school plan was developed through our regular committee governance structure and community support groups. Planning is a result of the work of grade-level and cohort teams, the School Improvement Council, the PTA Executive Board, and the school's professional vertical teams which include: Faculty Council, ELA/IB Team, Math/Technology Team, Response to Intervention Teams, Science/Social Studies Team, CATCH Team, and Instructional Support Team, and grade level PLCs. Leadership of the self-study process was provided by the Administrative Team, the Instructional Coach, and the Faculty Council. Feedback from surveys completed by staff, parents, and students, were analyzed for this plan.

Because we are an International Baccalaureate Primary Years Programme school, we also complete a comprehensive IB self-study and evaluation visit every five years. Our most recent study was completed in 2016 – 17 with the site visit in December 2017. The report received from IB in May 2018 affirmed our continuing progress implementing IB principles and our IB PYP 5-year plan of action for advancing our implementation of the IB programme of inquiry.

EXECUTIVE SUMMARY

Our staff set Student Achievement, Teacher and Administrator Quality, and School Climate goal statements for 2018-19 through 2022-23 based on state, district, and school data and reports.

These include SC READY (ELA and Math) tests, Palmetto Assessment of State Standards (PASS) science and social studies tests, and data from staff, parent, and student surveys.

The ESEA Federal Accountability Rating (<https://ed.sc.gov/data/esea/>) and the South Carolina State Department of Education Report Card (<https://ed.sc.gov/data/report-cards/>) will be published again in 2018 after all data are analyzed.

SUMMARY OF NEEDS ASSESSMENT FOR STUDENT ACHIEVEMENT

Five year academic achievement goals and summary of annual progress towards those goals:

*SC State Assessments were not administered due to Coronavirus.

ELA

Increase the total percentage of students meeting standard (Exceeds plus Met) in English Language Arts as measured by the SC READY from **57%** in 2017 to **76.5%** in 2023.

SCHOOL PROFILE

Our School Community

Sara Collins Elementary School is one of 51 public elementary schools in the School District of Greenville County, South Carolina, and is one of two International Baccalaureate Primary Years Programme schools in the district. It currently houses about 856 Kindergarten through Fifth Grade students and over 100 staff members. The purpose of Sara Collins Elementary is to provide students with a sound foundation for lifelong learning.

Our **facility** is modern with many special features. Sara Collins opened in 1964, and the school was rebuilt in 2004. The two-story building houses classrooms for Kindergarten through Fifth Graders. Five additional classrooms were added in 2017. The school has a gymnasium, library, cafeteria with stage, therapy room, and special classrooms for art, music, and Spanish classes. The grounds have an outdoor walking track, an in-ground slide, a fitness playground, and multiple playground sites, including an adapted playground for students with orthopedic impairments. An ADA compliant nature trail and outdoor classroom was built in partnership with The Washington Center.

Our school has a variety of **resources** to support students' learning. There are two leveled-book rooms with more than 2,000 titles, (18,000 + books) for small group reading instruction. We also have the Fountas and Pinnell Guided reading kits for first, fourth, and fifth grades which house multiple titles of nonfiction and fiction text to be utilized during guided reading instruction. The newly furnished media center hosts a collection of 13,000 items and a new, mobile Promethean ActivPanel Board. Other technology resources include new Promethean ActivPanel boards in all classrooms, including the Occupational and Physical Therapy classroom, and Resource classrooms. Classrooms in the newer wing of the building have a microphone and built-in speakers to amplify teachers' voices. We have a collection of teacher iPads and 1 mobile iPad lab for students. In the 2020-2021 school year, one-to-one devices, Chromebooks, were provided for all students in grades Kindergarten - fifth. Fifth graders use the school broadcast studio to share daily news with the school.

The majority of Sara Collins Elementary **students** reside in our attendance zone. This zone covers a large area and a wide variety of neighborhoods to include single family homes, apartment homes, and subsidized housing. Through the International Baccalaureate Primary Years Programme (IB PYP), some students attend Sara Collins though they live outside the attendance zone. We continue to serve students with hearing impairments. Some students are bused from across the district and are served by classroom, resource, and itinerant teachers in full day school programs.

All regular **classrooms at all grade levels are “self-contained”** meaning the class stays together with the teacher for the entire day, except for related arts classes. Classes include a program for students with hearing impairments, self-contained classes for multicategorical, and regular education classes in grades K – 5. Kindergarten is a full-day program. Students are supported by speech pathologists, physical and occupational therapists, cued language transliterators, sign

language interpreters, classroom aides, an orderly and one registered nurse. A well-developed inclusion program mainstreams most special-needs students for at least part of the day and provides students with the needed assistance.

The **curriculum is enriched with related arts** classes in physical education, art, and music. All classes have access to a computer lab and media center for lessons and research. All students in grades 1 – 5 receive Spanish instruction. The goal of the Spanish program is that all students exit the fifth grade communicating at the Junior Novice level of the Student Oral Proficiency Assessment Test. Third through fifth grade students identified via district guidelines as academically gifted and talented participate in the weekly Challenge program. Artistically talented students may audition for an opportunity to participate in the ARMES after school program in the areas of music, art, dance, and writing.

Students who need **special services** may receive speech, physical, and/or occupational therapy at school. Additionally, the school counseling department offers a comprehensive developmental program to all students. This includes the guidance curriculum (conflict resolution, test-taking skills), individual planning, responsive services, and system support. Additionally, the school counselors serve as the Student Council (grades 3 – 5) advisor.

Because we are an IB Primary Years Programme (PYP) school, **the curriculum** is organized according to the PYP model. The IB PYP program is school-wide and includes special education satellite students. The PYP is designed to foster the growth of each child through teaching and learning by guided inquiry. We aim to help our students grow as principled learners who take responsibility for actions, becoming people who can both listen to others and think for themselves. Classes and individual students are encouraged to respond to their learning by taking meaningful action.

Second graders enjoy Tuesday Tutoring.

Students dance with an artist-in-residence in PE.

We believe the following **curriculum, instruction, assessment, and environmental factors support effective learning** for Sara Collins students.

Curriculum:

- South Carolina standards and IB PYP standards drive the curriculum.
- Transdisciplinary skills including social skills, research skills, communication skills, thinking skills, and self-management skills are taught in all disciplines.

- Curriculum is organized through our PYP Programme of Inquiry with an emphasis on concept-building. The framework includes the IB PYP essential elements: Knowledge, Transdisciplinary Skills, Attributes of the Learner Profile, and Actions.
- Reading, Writing, Listening, and Speaking are the tools of inquiry and are used throughout every lesson.
- There is a strong emphasis on questioning and research as the foundation of learning.
- Technology and technology skills are woven into all subject areas.

Instruction:

- The guided inquiry approach is used throughout all disciplines.
- We follow district instructional programs such as Balanced Literacy based on the Fountas and Pinnell framework and a writing approach based on the Lucy Calkins framework.
- Teachers plan and implement a variety of approaches including using higher-order thinking, problem-based learning, and the project approach.
- Students are encouraged to create their own questions for learning.
- Teachers plan for a variety of learning styles, modes, and rates of learning.
- Graphic organizers are widely used.
- A variety of grouping for tasks is used for short and long-term assignments, including individual work, pairs, small group, and whole group learning.
- Teachers plan activities for hands-on learning.
- Teachers provide opportunities for students to construct meaning as they learn by discovery.
- Teachers differentiate instruction by creating a reasonable range of approaches in order to adapt to students' differences.
- Our faculty is deemed "Highly Qualified."

Assessment:

- Teachers plan both formative and summative assessments.
- Assessment is recorded through rubrics, benchmarks, holistic scoring, and analytical scoring.
- Self-assessment and reflection are key components and are used to build responsible students.
- Portfolios (grades K – 3) and electronic portfolios (grades 4, 5) are maintained.
- Backward design is foundational to planning assessments and instruction.
- Assessment data include:
 - K5 Readiness Assessment
 - FASTBridge
 - Greenville County Schools Benchmarks (via MasteryConnect)
 - 2nd Grade (IOWA and CogAT)
 - SC READY Data
 - SC PASS Data
 - State of SC Annual School Report Card
 - MAP for 1st and 2nd grade
 - Access Testing for MLs

Environment:

- We are committed to upholding our reputation for creating a “learner-centered” school.
- Learning at Sara Collins takes place throughout the school and beyond its walls. It includes planned field experiences, outdoor classrooms, internet research, communicating with students in other places, and distance learning.
- Safety is a key element, and we have earned the designation of a “Safe Kids, Safe School” every year since 2007-08.
- We have high expectations for learning for all students.
- We enjoy a rebuilt school that was opened in the 2004-05 school year; construction of five additional classrooms was completed in 2017.
- The PYP Learner Profile promotes a safe and caring environment and provides the basis for our school rules.

School-wide Rules

As a student at Sara Collins Elementary I will:

Be kind to myself and other students.

(Empathy and Integrity)

Show respect to all adults and children.

(Respect and Tolerance)

Cooperate and follow directions.

(Confidence and Cooperation)

Take care of school property and materials.

(Appreciation and Cooperation)

Practice responsibility through self-control.

(Independence and Commitment)

Sara Collins Elementary School is a “learning community” in the best sense of the phrase. Led by Dr. Melissa Burns, principal, the school continues to enjoy a **long-standing tradition of support from the PTA and the community** we serve.

PTA:

Our PTA has a long history of volunteerism, going back to Mrs. Sara Collins in the early 1960s. The PTA hosts several initiatives to bring families and school together, to raise funds, and to support student learning. These include:

- Freaky Friday: Begun in 1964, this is now a huge community event partnering with the local technical college and many businesses and community members. Freaky Friday is the primary fundraiser. These PTA monies have provided interactive white boards, mobile computer labs, a stationary computer lab, funds

for grade level allotments, playground improvements, a renovated track, IB and literacy training, a leveled reader book room, reading programs, tutoring programs, and academic support.

- Pay It Forward fundraiser: These monies support other schools in our community. This fundraiser provided PE equipment, books for a leveled bookroom, a specialized chair for students with special needs, Promethean boards at the Children's Hospital, funds to complete the nature trail at Washington Center, funds to support Special Olympics, and classroom libraries.
- Sizzlin' Saturday: A variety of special events for families are held periodically on Saturday mornings. These include the Reindeer Run & Roll (a 1-3 mile run on the school campus), an exercise event, Spring Spruce-Up of school grounds, and a Bike Rally. *These activities were cancelled this year due to Coronavirus.
- Breakfast Buddies: This PTA sponsors three parent-child breakfasts to bring role models and special guests into our school. *These activities were cancelled this year due to Coronavirus.
- Tuesday Tutoring: Volunteers from the community read with second graders once a week before school. *These activities were cancelled this year due to Coronavirus.
- Greenville Mentor Program: Parents are trained as mentors and matched with students identified as needing additional adult support. *These activities were cancelled this year due to Coronavirus.
- Communication: A quarterly PTA newsletter, marquee in front of the school, phone messages, classroom newsletters, websites and fliers, the school website, social media posts such as Facebook and Instagram and weekly email PTA news blasts keep the school community informed.
- Awards: Over the years our PTA has won numerous state awards for communication, best program, best unit, and more. In 2011-12, 2012-13 and 2015-16 our unit was again named the State PTA Unit of the Year.

Partnerships:

- Local colleges and universities send student teachers and practicum students for pre-service learning experiences.
- Teacher Cadets from local high schools partner in our classrooms.
- Students from local colleges and universities volunteer for Freaky Friday.
- Businesses partner with Sara Collins Elementary including Palmetto Family Orthodontics, Chick-fil-A, Publix, Frodo's Pizza, Papa John's Pizza, Firehouse Subs, Sky Zone, Trucolor, Coldwell Banker Caine Real Estate, WSPA Channel 7, Subway, Farm House Pizza, Giggles, Zaxby's, Willy Taco, and Kona Ice.

Teacher and Administrator Quality

Our highly qualified staff members complete at least 24 hours of professional development each year. Professional staff members are organized by both grade level or cohort teams and by curricular vertical teams. Teams provide and participate in professional development. The administration, instructional coach, and literacy team, together with various cohorts, plan for in-school professional development. Teachers take additional hours of workshops and classes through the Greenville County School District, and various online and face-to-face opportunities provided through universities and other professional education providers.

Overall professional development priorities at Sara Collins Elementary include:

- IB training for full-time teachers new to our school and for continuing full-time teachers on a 5 year cycle
- SC State-mandated Learning Standards
- Fountas and Pinnell Balanced Literacy Model
- Lucy Calkins Writing Workshop Model
- Technology Integration
- Developing a Culture of Student-Centered Learning through Professional Learning Communities
- Curriculum study and updates in ELA, Math, Science, and Social Studies
- Best practices to meet the needs of all students through differentiation, variety of strategies, and effective assessments

Sara Collins Elementary School Professional Development Schedule for 2021-22

(5 year Performance Goals and Strategies to address needs)

Follows on next page.

Impact of COVID-19:

On March 27, 2020, the U.S. Department of Education approved the SC Department of Education's request to waive statewide assessment, accountability, and reporting requirements of in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year due to widespread school closures related to COVID-19.

For spring 2020, South Carolina did not administer any of the following assessment programs:

- SC READY (English language arts and mathematics in grades 3–8);
- SCPASS (science in grades 4 and 6);
- End-of-Course Examination Program (English, Algebra, Biology, United States History and the Constitution) the requirement that these examinations count 20 percent has been waived;
- Prekindergarten assessments – 4-year-old kindergarten (Phonological Awareness Literacy Screening (PALS Pre-K™), Individual Growth and Development Indicators (myIGDIs™), and Teaching Strategies® GOLD); and
- Alternate Assessments – some students have already taken the alternate assessments.

The following assessments were unable to be administered due to COVID-19 and required a waiver

- Grade 10 PSAT
- Ready to Work
- ACT, SAT
- AP, IB, Cambridge International
