Assurances checked below, along with the signature page signed by the superintendent and school principal, attest that the school complies with all federal and state applicable statute and regulation requirements, including those listed.

Early Childhood Development and Academic Assistance Act (Act 135) Assurances

[S.C. Code Ann §59-139-10 *et seq.* (Supp. 2004)]

- X** **Academic Assistance, PreK–3**
The district makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).
- X** **Academic Assistance, Grades 4–12**
The district makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).
- X** **Parent Involvement**
The school encourages and assists parents in becoming more involved in their children’s education and will make special efforts to meet with parents at convenient times, provide parents with their child’s individual test results, interpretation of the results, and information on the district’s curriculum and assessment program. The school will encourage frequent communication between home and school, thus providing more opportunities for parental participation. The school will make efforts to designate space for parents to access educational resource materials. Part of the principal’s and superintendent’s evaluation may include parental involvement expectations. The school will make efforts to provide parents with information pertaining to expectations held for them by the school system, such as ensuring the attendance and punctuality of their children.
- X** **Staff Development**
The district provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council’s revised *Standards for Staff Development*.
- X** **Technology**
The district integrates technology in professional development and classroom instruction in order to improve teaching and learning.
- X** **Innovation**
The district funds innovative activities to improve student learning and accelerate the performance of all students.
- X** **Collaboration**
The district (regardless of the grades served) collaborates with health and human services agencies such as county health departments, social services departments, mental health departments, First Steps, and the family court system.

X **Developmental Screening**

The district ensures that students receive all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program is primarily at primary and elementary schools although screening efforts could take place at any location.

X **Half-Day Child Development**

The district provides half-day (and sometimes full-day) child development programs for four-year-olds. The programs primarily operate at primary and elementary schools, may be at locations with other grade levels, or be located in a completely separate school.

X **Developmentally Appropriate Curriculum for PreK–3**

The district ensures that the scope and sequence of the curriculum for PreK–3 is appropriate for the maturity levels of students. Instructional practices accommodate individual differences in achievement levels and take into account the student's social and cultural context.

X **Parenting and Family Literacy**

The district provides a four-component program for parents and children that integrates all of the following activities: interactive literacy activities between parents and their children; training for parents to be partners in their children's education; parent literacy training in economic self-sufficiency through adult education; and age-appropriate education to prepare children for success in school and life experiences. Family Literacy is not grade specific, but is generally most appropriate for parents of children at or below the primary and elementary school levels, and secondary school students who are also parents. Family Literacy program goals are to strengthen parental involvement in the learning processes of preschool children ages birth through five years; promote school readiness of preschool children; offer parents special opportunities to improve their literacy skills and education; provide parents educational opportunities; and identify potential developmental delays in preschool children through developmental screening.

X **Recruitment**

The district makes intensive efforts to seek out and serve those parents or guardians of children, from birth to five years of age, who are considered at-risk for school failure. "At-risk children" are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): poverty, limited English proficiency, significant developmental delays, a parent without a high school diploma or equivalent, instability or inadequate housing and/or family, poor health (physical, mental, emotional), and/or child abuse and neglect.

X **Coordination of Act 135 Initiatives with Other Federal, State, and District Programs**

The district makes efforts to ensure that all programs and funding, including Act 135 initiatives, are coordinated with programs such as Head Start, First Steps, Title I, and programs geared towards students with disabilities.

INTRODUCTION

In the fall of 2017, in coordination with Greenville County School District, Woodland Elementary School began the development of a new strategic education plan for the five-year period 2018-2023. The Woodland Elementary School Strategic Plan has been developed yearly to guide our actions and document the changes and progress our school has made in improving student achievement. It is our belief that the plan provides a vehicle for developing capacity, self-assessment, communication, and accountability that will lead to substantive school improvement. Each year our plan is updated and revised as necessary. Staff members, SIC members and PTA members are given the opportunity for input and kept informed of our progress.

The process for 2018-2023 began by gathering information about our staff, students, parents and community through surveys and discussion meetings where input from others was received. Our Leader in Me system of Shared Leadership Teams became our AdvancEd Committees who met and provided feedback and updates to our portfolio and strategic plan process.

Upon reviewing our plan, our staff observed that we were striving for high academic achievement. Our school maintains high quality in all areas of operations. During the process of the self-study we made several important goals to continue throughout the coming years:

- Review our mission, vision and belief statements annually and revise if needed.
- Use the strategic plan to guide us in professional development and instructional focus. Incorporate successful strategies into our daily operating plan, eliminating the unsuccessful strategies.
- Continue to analyze our student data to drive the direction of our action plan.

Listed below are our Shared Leadership and Strategic Planning Teams:

In the spring of 2022, in coordination with Greenville County School District, Woodland Elementary School reviewed and updated the school strategic plan.

Executive Summary

Student Achievement

Woodland Elementary has maintained a high level of achievement on the SC Ready ELA and Math assessments as well as the SC PASS Science and Social Studies assessments for the past years. Scoring above the Greenville County School District and State of South Carolina averages, Woodland received an “Excellent Report Card Rating” for 2018 and 2019.

Woodland also received the Palmetto Gold Award for Student Performance for the years 2018 and 2019.

Additionally, student achievement is demonstrated by the performance of students in our Beta Club. Woodland Elementary received the BETA Club “School of Distinction Award” for 2017 and 2018 and “Outstanding Leadership School” for 2019 in addition to being honored as a SC State Winner and National Winner at the Junior BETA Club Conventions.

Teacher and Administrator Quality

Woodland’s faculty and staff continue to pursue strategies and “best practices” that promote achievement for all students. To this end, our goal has been to increase the knowledge and expertise of our teachers in the implementation of Balanced Literacy. Over the past five years, our staff has continued to receive training in using Fountas and Pinnell Balance Reading and the implementation of the Greenville County School District’s ELA Framework.

Teachers have also received training in the integration of technology through Discovery Education, instructional technology, and district training in one-to-one technology in kindergarten through fifth grade.

All of Woodland’s teachers are highly qualified. Forty-eight percent have master’s degrees, twenty-one percent have master’s degree plus thirty, 1 percent have a doctorate’s degree, and thirteen percent are Nationally Board certified. Teacher quality is enhanced by the planning done in grade levels where beginning teachers are supported and veteran teachers receive new strategies and ideas. Woodland teachers and administrators are very dedicated and work diligently to prepare students in all areas of life.

School Climate

Woodland strives to be a place where “every leader succeeds in learning and life.” With this goal, our faculty and staff continue to provide a safe school and an effective learning environment. More than anything, the adoption of **Leader in Me** has created a school climate with a student-centered environment. Our staff and students have embraced the **Leader in Me** process for developing leadership in teachers and students. **Leader in Me** is

based on *The Seven Habits of Happy Kids* by Stephen Covey. Students are given many opportunities to grow in leadership, which is reflected in an overall optimistic and confident atmosphere at our school. Our school climate is also affected by parent and community participation in classrooms and student activities. In order to maintain our positive ratings in the school climate category, we will improve stakeholder communication through our electronic sign, continue to involve parents and community members in school events. We also want to investigate better translation practices in the form of electronic equipment and partners who speak English helping those who do not. It is vital that we ensure that all parents know about the high quality of learning opportunities available to their children here at Woodland.

Challenges

Woodland is met with the following challenges in order to meet our students' learning needs:

- Continue to implement South Carolina State Standards
- Continue to research strategies to assist multilingual students
- Continue to implement differentiated strategies to assist low achieving students
- Continue to improve Professional Learning Communities
- Continue to provide more time, equipment and space for training teachers and students in the use of technology
- Continue to build and maintain participation in Before School Tutoring
- Continue to implement the ELA Framework in all classrooms

School Profile

Woodland Elementary School is fully accredited by the AdvancED Accreditation Commission and serves over 1,200 students in grades preschool through grade five from a variety of cultural backgrounds. We are the largest elementary school in the school district of Greenville County. Each member of our professional teaching staff is highly qualified. Staff members are led by Principal Katrina Miller and Assistant Principals Chris Phillips and Nurit' Sexton. Eleven of our school's teachers are National Board Certified, and seventy-one percent of faculty hold a master's level degree or higher. Teachers work diligently to provide learning experiences that engage students in creative, rigorous, standards-based learning activities that enable them to achieve to their highest potential. Woodland continues to promote student achievement in all areas of the curriculum. Our school has enhanced and updated technology school-wide with the addition of teacher laptops, Promethean Boards, student Chromebooks, and iPads.

We are extremely proud of the progress we have made in student achievement and are most appreciative of the hard work of our teachers, staff, students, and their parents. Looking forward, our challenge is to refine our implementation of effective strategies that will sustain our progress and meet individual needs as we continue to move student achievement forward. Our Parent-Teacher Association (PTA) and School Improvement Council (SIC) are involved in key aspects of Woodland. They continually explore improved ways to recruit and retain parents and volunteers. We believe that utilizing the skills, talents, and training of our parents and volunteers further enhances our total school program effectiveness. The financial support, commitment to volunteer hours, and creative problem-solving abilities of our community partners enables us to enjoy access to opportunities that would not be possible otherwise. Woodland Elementary School envisions our families, staff, and community working together to help our children succeed. This is a shared responsibility. We are committed to exploring and developing new strategies for our community, which will help our staff and children meet the challenges of a fast-paced, ever-changing world. Recognizing that parental involvement is one of the greatest contributions to student success in school, we will continue our Parent Workshops, Parent Nights, Goodies for Grands, Muffins for Mom, Donuts for Dad, 7 Habits of Highly Effective Families training, and Leadership Nights. The use of student-led conferences provides an opportunity for increased parent participation and communication. We will continue to clearly articulate the partnership structure for our school.

As a school family, we share a vision and belief that every child can achieve to their maximum potential if provided opportunities, support, encouragement, and love. We remain committed to that end.

Student Population

Special Programs

School Focus	Educational Model	Description
Student Achievement: Language Arts	Balanced Literacy	Balanced Literacy is a model for teaching children in a student-centered classroom, based on the research of Marie Clay, Irene Fountas, and Gay Su Pinnell. Daily, children read and write independently and in a variety of group settings. Balanced Literacy classrooms focus on different types of reading experiences: read-aloud, shared reading, guided reading, reading conferences, and independent reading. Students also participate in shared and individual writing activities each day. The types of writing experiences include shared writing, interactive writing, guided writing, writing conferences and independent writing.
Student Achievement: Language Arts	Fountas and Pinnell Guided Reading Groups (Balanced Literacy Format)	During this part of Balanced Literacy, the teacher works with small groups of children who have similar reading needs and introduces new books carefully chosen to match the instructional levels of students. Readers are carefully prepared when being introduced to a new text, and various strategies are explicitly taught. Ongoing observation and assessment help to inform instruction and grouping of students is flexible and may be changed often.
Student Achievement: Reading	Response to Intervention	RTI is taught by a team of reading interventionists. Students who qualify receive intense and specific instruction. A district curriculum and training are followed by our school interventionists. FastBridge is used to monitor the progress of students. Our administration and teachers meet monthly to track student progress.
Student Achievement: English Language Arts	ESOL	Woodland's ESOL program groups students according to language fluency levels and/or grade levels where they receive academic assistance from ESOL personnel in addition to regular classroom instruction. ESOL teachers collaborate with the mainstream teachers to teach language and skills that support children in the regular program.

Student Achievement: Mathematics	Big Ideas Math	<i>Big Ideas Math</i> is an interactive math curriculum designed to capitalize on the key concepts that foster children's mathematical confidence and competencies. Students analyze data, see patterns, explore math relationships, and communicate their thinking to the teacher and one another.
Student Achievement: Math Intervention	Reflex Math	Reflex Math , a computer program for grades 1-5, helps students of all ability levels to develop fluency with their basic facts in addition, subtraction, multiplication and division. Students may use the program at school and at home.
Student Achievement: Support	OnTrack	Woodland's OnTrack consist of individuals who work together to help students having difficulties with academics, communication and behaviors. They facilitate the process of ensuring that students receive support when needed. GCSource and teachers or parent referrals are utilized for identifying students who potentially need additional support.
School Climate: Character Education	Leader in Me	Woodland's faculty and staff believe in supporting all students in the rise to their potential by providing many opportunities for students to develop their leadership abilities. From classroom leaders to welcome leaders, we have implemented many leadership roles for our students. All of our efforts culminate with a "Leadership Day" which is open to parents and the community.
School Climate: Character Education	Red Ribbon Week	Red Ribbon Week is a nationally recognized program that encourages students to develop healthy attitudes about drugs and alcohol. Sponsored by the Greenville Family Partnership, the program emphasizes the building of character by staying drug and alcohol free. School activities include special assemblies, collecting canned goods, and wearing red. WES sponsors a special "Hat Day" with benefits going to Greenville Family Partnership.

School Climate: Character Education	Wildcat Warriors (Students from Riverside High School)	Wildcat Warriors is a school based mentoring program that matches students or classes with a volunteer from the Service Learning Program at a nearby high school. Volunteers visit the students during the school day and participate in a variety of activities (helping with classwork, reading, educational computer activities). Students are chosen based on information given by teachers, parents and school counselor.
School Climate: Extracurricular Program	Art Club	Woodland 's Honors Art Club is for 3 rd – 5 th graders who have a strong interest in the visual arts, exceptional talent, and are self-motivated to <i>focus</i> on creating art during this after-school program. Students are invited into this club by their art teachers. Meetings are held weekly.
School Climate: Extracurricular Program	Morning Show	The <i>Woodland Morning Show</i> is a student produced daily broadcast that includes announcements, the Pledge of Allegiance, minute of silence, and special features. The news crews' duties include writing news reports, using equipment, and reporting the weather and feature stories. Crew members apply for this position and work under the direction of a faculty member.
School Climate: Extracurricular Program	Honors Choir	The Woodland Honors Chorus is comprised of fourth and fifth grade singers who were selected by audition. These singers show giftedness in choral music and perform a variety of musical styles at school and community functions. They are service-oriented and sing for school events as well as many seasonal and patriotic events.
School Climate: Extracurricular Program	DRUMS	D.R.U.M. is an enriched music program in which selected fourth and fifth grade students are taught music in an advanced after school percussion ensemble. The ensemble gives several concerts during the year and goes on one field trip.
School Climate: Extracurricular Program	Safety Leaders	Safety Leaders perform such duties as assisting crossing guards, monitoring hallways, and helping bus and car riders. Fourth and fifth grade students apply for these positions and are chosen based on outstanding conduct, acceptable grades, and leadership qualities.

School Climate: Extracurricular Program	Junior Beta Club	Junior Beta Club is a nationally recognized organization which promotes academic excellence among students. Qualifications include the student being worthy, moral, and ethical. He/she must also possess a good mentality and credible achievement. The club is open to fifth graders with a GPA of 3.0 or higher. A major focus of the Junior Beta Club is service at home, school, and in the community. Our club travels annually to our state and national conventions and has brought home state and national honors from several competitions.
School Climate: Extracurricular Program	Student Lighthouse	Woodland students are motivated and inspired to be leaders within the school. All students in grades first through fifth grade have the opportunity to be a part of this leadership group that focuses on school improvement and inspiring others to lead within the school and beyond.
School Climate: Extracurricular Program	Battle of the Books	Battle of the Books Club is a district-wide reading club offered to 4th and 5th grade students. Students must read 10 books from a pre-determined list, attend practice sessions, and compete in a quiz-bowl style tournament. Teams from each school compete against each other in a district finals competition.
School Climate: Mentors	Woodland Mentors	Coordinated through Mentor Upstate, our Woodland Mentoring Program has grown to sixty-two mentors who come one day a week to have breakfast or lunch with their mentees. All mentors are trained and have background checks and parental permission is also required for mentees. Most of our mentors are from a local business sponsor. They also have been involved with Woodland's ADA Walk, Boosterthon, Book Fair, and Basketball Games. Our mentees have shown improvement in attitudes, attendance, behavior and academic achievement. This very positive relationship will continue for some mentees as some mentors follow them to middle school.
School Club: Covey Clubs	Covey Clubs	Woodland teachers have helped our students "sharpen the saw" by providing opportunities for students to choose a club to explore new learning and/or participate in community service projects. Clubs meet monthly and vary from Puzzles to Cooking to Dance to Sunshine Club and Yoga. Covey Clubs, have been very popular with students.

Mission, Vision, and Beliefs

MISSION

Our Woodland Community's mission is to develop a safe, positive, student-centered environment for all students while seeking to develop productive and responsible leaders for our world.

MOTTO

Lighting the way and changing the world

VISION

WES- Where Every Leader Succeeds in Learning and Life

BELIEFS

We believe:

All students can learn and have the right to a quality education.

The purpose of the school is to create life-long learners and productive citizens and leaders.

Education is a partnership between home, school, and community.

School is a place for modeling, developing, and practicing positive character traits.

Children can adapt to rapid technological and societal changes when learning is made relevant.

School should provide a safe, positive, and nurturing environment.

School should address diversity among students both culturally and academically.

Data Analysis and Needs Assessment

Student Achievement Needs Assessment

Third Grade: SC Ready ELA

Fourth Grade: SC Ready ELA

Fifth Grade: SC Ready ELA

Woodland vs District: SC Ready ELA Percentage of Meets and Exceeds

ELA Analysis

Woodland's third-fifth graders were still scoring above the Greenville School District average in ELA. In third grade, the "meets" and "exceeds" categories were 69% in 2019. "Meets" and "exceeds" decreased to 63% in 2021 following the onset of the pandemic. Fourth grade also showed decrease from 80% "meets" and "exceeds" in 2019 to 65% in 2021 in addition to fifth grader moving from 68% in 2019 to 54% in 2021. The overall ELA SC Ready percentage of proficiency decreased from 74% in 2019 to 61% in 2021. As our administrative team and teachers examined our ELA results, we continued to look for strategies to improve our support of multilingual students, who continue to represent a fourth of the school's population. Additionally, the text dependent analysis has proven to be of challenge as students analyze a passage and provide evidence to prove their ideas and answers. Qualitative and quantitative data continues to show that Universal Design for Learning (UDL) support is needed for our multilingual students in addition to our student population as a whole.

Third Grade: SC Ready Math

Fourth Grade: SC Ready Math

Fifth Grade: SC Ready Math

Woodland vs. District: SC Ready Math Percentage of Meets and Exceeds

Math Analysis

Woodland continues to score above the district math average in grades three, four and five for SC Ready. Third grade decreased from 74% of students scoring meets or exceeds in 2019 to 71% of students in 2021 following the onset of the pandemic. Seventy percent of fourth graders scored meets or exceeds in 2019 with 63% at this baseline in 2021, and fifth grade decreasing from 67% of students scoring meets or exceeds in 2019 to 59% in 2021. Through the analysis of this data it was determined that geometry was an area of growth for the school with measurement being a strength area. School-wide emphasis of learning math facts has been a Wildly Important Goal (WIG) for our students and has inspired some students to work harder at this necessary skill, which has provided students a foundation for building success in the area of multistep problem solving. Multilingual students continue to score at a higher level in math than ELA; however, word problems seem to be an area of concern. More Woodland teachers have implemented “guided math groups” as a strategy to differentiate instruction and meet the individual needs of students.

Woodland SC PASS Science Overtime & District Comparison

Science Analysis

For the last two years, Woodland has scored above the district average in science as tested in fourth grade. Teachers have researched different hands-on methods to improve retention of science concepts and have increased work with scientific vocabulary. Recent analysis of data has demonstrated a strength for students in the weather unit of study; however, a challenge area was in the area of science and engineering, which represents inquiry skills. Teachers continue to grow in the area of science through the exploration and inquiry processes.

Teacher and Administrator Quality

Woodland Elementary School Professional Development/Meeting Calendar 2021-2022

ELA GOAL #1: During the 2021-2022 school year, the percentage of students (grades 3-5) scoring Meeting/Exceeding Expectations on ELA SC Ready will increase from 61% in Spring 2021 to 64% in Spring 2022.

MATH GOAL#2: During the 2021-2022 school year, the percentage of (grades 3-5) Meeting/Exceeding Expectations on Math SC Ready will increase from 64% in Spring 2021 to 67% in Spring 2022.

Action Plan

Impact of COVID-19:

On March 27, 2020, the U.S. Department of Education approved the SC Department of Education's request to waive statewide assessment, accountability, and reporting requirements of in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year due to widespread school closures related to COVID-19.

For spring 2020, South Carolina did not administer any of the following assessment programs:

- SC READY (English language arts and mathematics in grades 3–8);
- SCPASS (science in grades 4 and 6);
- End-of-Course Examination Program (English, Algebra, Biology, United States History and the Constitution) the requirement that these examinations count 20 percent has been waived;
- Prekindergarten assessments – 4-year-old kindergarten (Phonological Awareness
- Literacy Screening (PALS Pre-K™), Individual Growth and Development Indicators (myIGDIs™), and Teaching Strategies® GOLD); and
- Alternate Assessments – some students have already taken the alternate assessments.

The following assessments were unable to be administered due to COVID-19 and required a waiver

- Grade 10 PSAT
- Ready to Work
- ACT, SAT
- AP, IB, Cambridge International

PERFORMANCE GOAL: 1 The percentage of students scoring Meets Expectations and Exceeds Expectations on SC READY ELA will increase from 60% in 2016-17 to 75% in 2022-23.

Per SBE Regulation 43-261, measurable performance goals, written in five-year increments, shall be developed to address the major areas of discrepancy found in the needs assessment in key areas reported in the district and school report cards.

INTERIM PERFORMANCE GOAL: The percentage of students scoring Meets Expectations and Exceeds Expectations on SC READY ELA will increase by 3% annually.
