Introduction

The motto of Heritage Elementary is “Hometown School...World Class Education” where we focus on our why...Every Child. Every Day. No Matter What.

The school portfolio was developed to document the changes and progress our school has made while working continuously to improve our efforts. The portfolio provides our school community with an ongoing means for self-assessment, communication, continuous improvement, and accountability.

This school portfolio is a living document that describes Heritage and includes actual evidence of our work. It describes who we are, our vision for the school, goals, plans, progress, and achievements in the context of client demographics and needs, and school partnerships. We strive to meet the needs of our students and our goal at Heritage Elementary School is excellence for all students. We make this our goal and we address student achievement, social and emotional needs, and community needs of the children at Heritage Elementary. The portfolio also describes how we build and utilize our overall school plan for the purpose of increasing student learning—our ultimate outcome. The school and community members were involved in developing the narrative for our portfolio.

The narrative reflects the collaborative efforts of the school staff, School Improvement Council, and Parent Teacher Association. Much of the narrative content came from discussions of the staff in the process of evaluating our work, professional learning communities, surveys, committees, and grade level planning.

The five categories utilized in this school portfolio are:

- ❖ Executive Summary**
- ❖ School Profile**
- ❖ Mission, Vision, and Beliefs**
- ❖ Data Analysis and Needs Assessment**
- ❖ Action Plan**

The school portfolio is a comprehensive report that provides the story of who we are and how we work together to continuously improve what we do to prepare our students to become successful citizens and participants in the world.

As the school and all of its stakeholders look ahead to the new national initiatives, we see where we can grow and where we can excel. Our students will be college and career ready and our staff will continue to grow in the education profession.

Executive Summary

Firmly rooted in the Travelers Rest community, Heritage is a hometown school. Our students' families live, work, and play in our community... and many families have been here for generations. Heritage also offers students a world class education through strong core instruction in academics, foreign language, and the arts. Heritage is a K3-5th grade public school that currently houses 544 students, with only a handful participating in the GCSD Virtual Program this year. Our goal at Heritage Elementary School is excellence for all students. We aspire to achieve this excellence through offering a well-rounded curriculum. Through this rich curriculum, students find ways to excel in areas that are unique to their abilities and interests. Teachers continue to use inquiry-based lessons in their classrooms.

As a school in Greenville County, we align ourselves with the district goals for the students in our district. We hold our students to the same levels of excellence.

Summary of Student Achievement

Heritage Elementary has three subgroups: students who are African American, students who receive free and reduced lunch, and students who receive special education services. Many of our students are raised by someone other than their parents. Many are raised by guardians, aunts/uncles, and even grandparents. Our student population continues to increase each year, and we anticipate a flurry of growth over the next decade in this part of Greenville County. Once our students enroll in Heritage, they tend to stay in the area, which keeps our population fairly stable.

Summary of the 2022-2023 School Year Assessments

During the 2022-2023 school year, significant progress was made in English Language Arts (ELA) as we saw a continued increase in students exceeding expectations, coupled with a decrease in those not meeting them. Similarly, in Math, there was an improvement with more students meeting expectations, accompanied by a decrease in those approaching them. However, while the overall numbers for students meeting or exceeding expectations are positive, it's noted that not all individual students within these categories are increasing their cut scores. As a response, vertical and grade-level teams are actively engaged in discussions to develop strategies aimed at enhancing the performance of every student, ensuring that each achieves higher individual cut scores. Additionally, there was a slight decrease in students with disabilities (SWD) and a notable increase in gifted and talented (GT) students by 0.8% and 1.64%, respectively. These statistics provide valuable insights that will guide initiatives to further improve student outcomes across the board.

Needs Assessment Summary for Student Achievement

****Data from the 2022-23 state assessments and end of the year data (Met and Exceed)****

- 71% of students in grades 3-5 scored meets or exceeds in English language arts on the SCREADY assessment
- 73% of students in grades 3-5 scored meets or exceeds in math on the SCREADY assessment
- 64.6% of students in grade 4 scored meets or exceeds in science on the SCPASS assessment
- Based on the school report card, the overall rating for Heritage in 22-23 was **Good** with a score of 56.

- Based on the school report card breakdown, Heritage scored the following:
 - Academic Achievement: Excellent
 - Preparing for Success: Good
 - Student Progress: Unsatisfactory
- When looking at the breakdown, not all of our Meets/Exceeds students are increasing their individual cut scores, while still remaining meets/exceeds.

Needs Assessment Summary for Teacher and Administrator Quality

Our experiences and strengths vary, which allows us to provide a rigorous academic experience for our students. Our PLC (Professional Learning Community), which is based on our student-centered data, guides our practice and allows us to utilize teacher talents in developing and strengthening the curriculum. Quality staff development is provided on campus. Staff development is designed to help teachers maintain highly qualified certification. All of the Heritage administration and staff are classified as “highly qualified” per the State Department of Education.

The faculty is structured into teams and committees to involve all staff in decision making. These groups/committees are as follows:

- **Administrative Team**
 - Consists of the principal, assistant principal, instructional coach, and literacy coach
 - Reviews grade level minutes, data, information shared from the central office, lesson plans, student achievement, teacher evaluations, and school activities and events
 - Discusses instructional and operational issues to be addressed with grade level leaders, PTA, and SIC
- **Guiding Coalition**
 - Consists of the administrative team, grade level leaders, including special education, related arts, assistants, and guidance/speech
 - Discusses instructional and operational aspects of the school
 - Disseminates information to grade level teams
- **Grade Level Teams**
 - Consists of the team leader and teachers from the grade level
 - Collaborates to create lesson plans
 - Shares best practices
 - Records minutes to be shared with the administrative team
- **Data Team Committees**
 - Consists of grade level teachers, special educators, instructional coach, academic specialists within the building, and administration
 - Disaggregate data based on information generated from benchmark tests; both formative and summative assessments are reviewed
 - Identifies strengths and weakness of individual students, standards, and subject strands
 - Plans and adjusts instructional practices to meet the individual needs of students based on data

- Creates a plan of action to identify and support struggling students using differentiated instruction

Based on the 2022-23 school report card:

- Percent of teachers with advanced degrees: 62.2% which is down from 63.5%
- Percent of teachers on continuing contract: 100.0% which is no change from the previous year
- Percent of teachers returning from previous year (current year): 94.4% which is up from 89.7%
- Percent of teachers returning from previous year (three-year average): 84.8% which is up from 83.9%
- Prime instructional time: 84.3% which is down from 84.4%

Professional development opportunities are provided throughout the year both in the school setting and at the district setting. Teachers have the opportunity to attend district professional development workshops early in the summer. The teachers have continued to use many of the skills they learned in the summer now as we are face to face for instruction. Much of the professional development in the past two years have centered around balanced literacy.

NEEDS ASSESSMENT FOR SCHOOL CLIMATE

Each year teachers, students, and parents are surveyed and those results show up on the state report card for each school. Students, parents, and staff feel as if:

- 93.8% of parents, 100.0% of teachers, and 96.2% of students indicated satisfaction with the learning environment on the 2022-23 school report card survey.
- 100.0% of parents, 100% of teachers, and 97.4% of students indicated satisfaction with the social and physical environment on the 2022-23 school report card survey.
- 92.3% of parents, 97.5% of teachers, and 97.0% of students indicated satisfaction with the school-home relations on the 2022-23 school report card survey.
- Our annual student retention rate has increased from 1.2% in 2023 from 1.0% in 2021-22.
- Overall perceptions of school climate 8.4 out of 10.

Heritage Elementary receives an enormous amount of support for our school. However, significant challenges have presented themselves during the course of the past few school years.

Challenges (from the past three years):

- When looking at overall cut scores, not all of our Meets/Exceeds students are increasing their individual cut scores, while still remaining meets/exceeds
- Vertical and grade level teams are discussing plans to increase ALL individual learners' cut scores
- Strategies are needed to close the achievement gap for low achieving students and strategies to continue to challenge the academically strong students.
- Teachers need opportunities to study and reflect upon student work.
- More emphasis must be made on backwards design model to inform instruction

- In-depth training in the GCSD Balanced Literacy Program

Awards and Accomplishments (from past three years):

- “Excellent” on State Report Card
- Highest academic growth from 2021-2022 of all Greenville County Schools elementary schools
- Graham Foundation Grant
- Walmart Grant
- 100% PTA membership
- National Board Certified Teachers
- Early Literacy Program
- United Way Award
- School leaders for DLC (Digital Leader Corps)
- PEP Literacy Grant Recipient
- Artist in Residence Program
- Monthly G+ lessons on college and career readiness by our guidance department
- Safe School Award
- Target Grant
- MAC Grant for Art Works Day
- Donors Choose Grants

School Profile

The Community

The city of Travelers Rest is situated approximately nine miles north of the city of Greenville. In the recent census, it was found that Travelers Rest is one of the fastest growing areas in Greenville County. Heritage Elementary is expecting to benefit from this growth as numerous subdivisions are being proposed in close proximity to the school. Heritage also draws a sizable portion of its population from the Slater-Marietta area, which is farther north up Highway 276. Both the Heritage and Slater-Marietta communities are traditionally blue-collar, close-knit, and family oriented. Our students’ families live, work, and play in our community... and many families have been here for generations.

The School Community: Heritage Elementary Historical Events and Facilities

The school was created out of necessity, when the former Travelers Rest Elementary School was suddenly declared to be unsafe and its students and teachers were relocated to nearby Gateway Elementary until a new facility could be constructed. In August of 1994, students and faculty from the former Ebenezer and Travelers Rest Schools joined to establish Heritage Elementary in a new facility located on Geer Highway, just across the road from Northwest Middle School. Heritage Elementary is located in Travelers Rest, Northern Greenville County. The school hopes to one day have the Swamp Rabbit Trail run through the front yard as it extends up to the North Carolina state line. The facilities at Heritage consist of forty-six classrooms and a sensory classroom.

Heritage has put many things in place, since the groundbreaking of the building, both academically and socially to help its students and the community. The school strives to educate, foster, inform, and benefit the lives of children and their families. We strive to teach children in a caring and safe environment with a staff who is supportive of the students and each other. We provide an international education and teach children the universal character attributes which promote a peaceful and productive member of the world's society. We provide fundamental skills that will produce life-long learners

The school supports all students academically and makes student-centered decisions. Students receive instruction based on their needs. With our school moving to a more inclusive environment, our special education population is benefiting more. Heritage is a balanced literacy school with a reading interventionist in all grades. Inquiry drives the instruction in the building. The teachers use science kits, primary sources, textbooks, mentor texts, math manipulatives, the Internet, a variety of educational computer-based programs, and arts integration. All classrooms are equipped with technology. Our school is 1:1 in K4-5th grade. Currently we have a Spanish program for students in the kindergarten thru fifth grade. This is part of the weekly Related Arts rotation.

The School Community: Outside Support

We couldn't do what we do each and every day without the wonderful support of our PTA, SIC, OLLI volunteers, and the Cliffs at Glassy. Each of these partners are instrumental in offering our students and staff support to ensure their success.

Heritage's PTA is designed to enrich the overall educational and social experience for OUR children. They coordinate events, raise money, teacher appreciation and help support the school. One of their biggest fund raisers is the Boosterthon, where students raise pledges for laps they will run. Our PTA has a Parent Volunteer Coordinator who ensures classroom teachers have volunteers when needed. Not all volunteers serve on committees. Some volunteers run copies, distribute newsletters, help at the biannual book fair, read to students, tutor, and/or serve as room mom. Parent volunteers are actively helping teachers spend more time on academics.

The Heritage SIC (School Improvement Council) meets monthly to discuss ways to improve the school climate, discuss community trends, and celebrate the successes of the students and teachers.

Two other groups from the community that work with Heritage are the members of OLLI at Furman and the Cliff's Outreach Program. They provide financial support, academic help, and mentorship. These folks give of their time and wallets to help our students be more successful. The groups of volunteers work with the school's literacy coach to set up times to work with students throughout the school. Some volunteers work with the school's youngest learners with concepts of print and letter recognition while others read with the students and help read tests allowed to students.

Heritage parents are encouraged to participate in all facets of the program. Open house presentations, musical programs, and PTA meetings are widely advertised and have an overall high rate of attendance. The school envisions our families, staff, and community working together to help our children succeed. Heritage Elementary is committed to exploring and developing new strategies for our community, which will help the teachers and children meet the challenges of a fast paced, ever-changing world. Heritage recognizes that parental involvement is one of the greatest contributors to student success in school.

School Personnel

Heritage Leadership and Administration

Our principal is Mrs. Heather Hester. She is originally from Minnesota. She holds an undergraduate degree in Elementary Education and Spanish from Concordia College in Moorhead, MN. She also holds a Master’s in Educational Leadership from Furman University. She has been affiliated with Greenville County Schools for many years in a variety of capacities. She has taught both elementary and middle school and has served as an administrator in both levels, as well. Her teaching experience includes Bilingual (Spanish/English) 1st Grade in Irving, TX; Spanish, Language Arts, and Study Skills at Tanglewood Middle; and 1st Grade at Slater-Marietta Elementary School. Her administrative experience includes working as an Administrative Assistant at Northwest Middle, and Assistant Principal at Greer Middle, Blythe Academy of Languages, and Buena Vista Elementary School.

Our assistant principal is Ms. Julie Kramer. This is Ms. Kramer’s first year at Heritage. She was a classroom teacher for 13 years. She has taught in Georgia and Florida. She graduated from The University of Georgia with a degree in Early Childhood Education and has her Master's in Administration from Clemson.

The Instructional Leadership Team

This team consists of the Principal, Assistant Principal, the Instructional Coach, and the Literacy Coach. The team meets to discuss ways to increase student achievement through analysis of data both formally and informally, as well as curriculum planning. This group collectively plans professional development throughout the year.

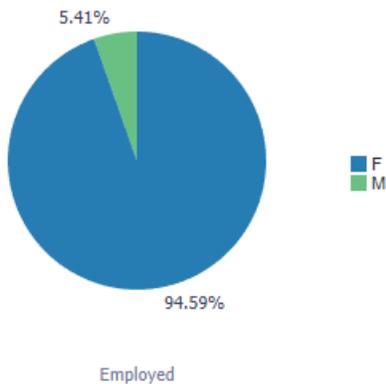

Guiding Coalition (Faculty Council)

This is a vertical team/professional learning community composed of teachers from each grade, special education, and related arts. This team meets with the Leadership Team one Wednesday out of each month. The team discusses everything from schedules, professional development, curriculum, and assessment. This vertical team also attends a summer retreat where the goals and events are planned for the upcoming school year

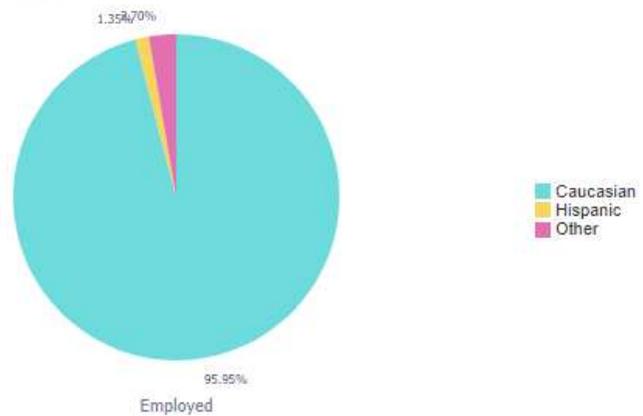

Instructional Staff

The school has a total of seventy-four faculty and staff members including two administrators. There is not much diversity on the Heritage faculty. Heritage does not have much ethnic diversity as well.

New Teacher Mentoring Program

With the new hire of teachers at Heritage, a new teacher mentoring program was established. The mentoring program called, “Newcomers,” meets once a month on a variety of topics. During the meetings, the principal, assistant principal, instructional coach, mentors and mentees meet to discuss these topics. These include, but are not limited to, PAS-T notebooks, assessment, and rituals.

Decision Making Process

Staff meetings, grade level planning, professional learning communities, Guiding Coalition, PTA Board, vertical teams, and the School Improvement Committee (SIC) are all used to communicate the results of research data and to generate ideas about integrating the school’s vision across the curriculum. PTA meetings, teacher web sites and weekly newsletters communicate pertinent information to the community. The Faculty Council and the School Improvement Committee each meet once a month to discuss important issues and to implement plans to achieve desired results. Grade level planning is held weekly for teachers to plan, articulate, and share decisions on the grade level. Professional learning communities are held at least once a month with the instructional coach and another time with the principal. Staff meetings are held on the first Wednesday after school hours. The PTA board also meets once a month to discuss and vote on any pertinent issues. Many of the items that took staff time previously are now communicated through email, newsletters, and educational social networking.

Student population over the past five years

When looking at the data over the past five years, the Heritage student population has dropped. Even though lots of new neighborhoods are being built in town, most of the homes are expensive and not priced as starter homes. The population decline can also be attributed to 2020 when COVID hit and the birth rate dropped.

Based on the 2022-23 (180 days) data, the student attendance rate in our school is 93.24%. Heritage Elementary has three subgroups: students who are African American, students who receive free and reduced lunch, and students who receive special education services. The school also has a K3/K4 Special Education/Developmental Preschool class that serves students with developmental delays, autism, and other identified needs. Over the past few years, our demographics have changed. A quarter of our student population attends Heritage Elementary on special permission.

Academic and Behavioral Features

Heritage Elementary also offers an OnTrack Academic Team who looks at students who are struggling academically and/or with behavior. Some students may attend a reading intervention class to receive more help in reading. Reading intervention services are offered in grades K5-3rd grade by certified teachers. A book club for advanced readers is run by the assistant principal and meets every other week.

In the past, Heritage has worked closely with the OLLI group at Furman University. They would provide adult volunteers that would work with students once per week on reading fluency. Even through the pandemic, Heritage has maintained an afternoon tutoring program called Pioneer Prep that meets twice a week. The program has five teachers who serve four to six students in a small group setting for an hour afterschool working on reading comprehension, reading fluency, and math. The program began in September and will end at the end of April. The program is provided for identified students in 2nd-5th grade.

This is the final school year the school received CARES ACT funding. With that funding, the school was able to hire to extra reading intervention positions to serve our 3rd-5th grade students in the areas of reading and math.

There are many instructional programs that Heritage uses to help and challenge the students daily. Some of those include:

- Balanced Literacy – Balanced Literacy is designed to provide differentiated teaching that supports students in developing reading and writing proficiency. This model allows for children to be taught in a way that is intended to be more focused on their specific needs while accelerating their progress. This is a district wide program.
- Response to Intervention (RTI) in grades K5-5th – The overall goal of RTI is to accelerate children’s reading ability by increasing their ability to use phonics skills in order to improve their reading fluency and comprehension.
- Math Intervention in 3rd-5th grade—The program is for identified students in grades 3-5 who need extra help in math using a prescribed math program

called Bridges.

- Gifted and Talented Program – Our program serves identified students in grades 3-5 who have been identified using the criteria established by the State Board of Education.
- OnTrack – The OnTrack team is made of members of the administrative team as well as guidance counselors, interventionists and the school’s social worker. The team meets to discuss students who teachers or staff members are concerned about when it comes to attendance, behavior or academics.

Mission, Vision, and Beliefs

Our Mission

The mission of Heritage Elementary is to provide high quality academic, social, and life experiences that help develop young children into successful, independent adults.

Our Vision

We inspire our students to become lifelong learners by implementing best practices in a safe and nurturing environment.

Our Values and Beliefs

Values and beliefs are the core of who we are, what we do, and how we think and feel. Values and beliefs reflect what is important to us; they describe what we think about work and how we think it should operate.

We believe...

- Caring teachers, administrators, and support staff must have high expectations of all students in both their academic performance and their social behavior.
- Communication is essential to foster a successful partnership between parents, students, and staff.
- Students should feel confident, and emotionally and physically safe while at Heritage Elementary School.
- The curriculum, instruction, and assessment should be efficient, informative, and instructionally driven.
- Curriculum and instruction must meet the needs of all students and prepare each student for success.
- Education is the shared responsibility of students, home, school, business, and community.
- Early reading and mathematical thinking are the foundations for educational success.

Motto

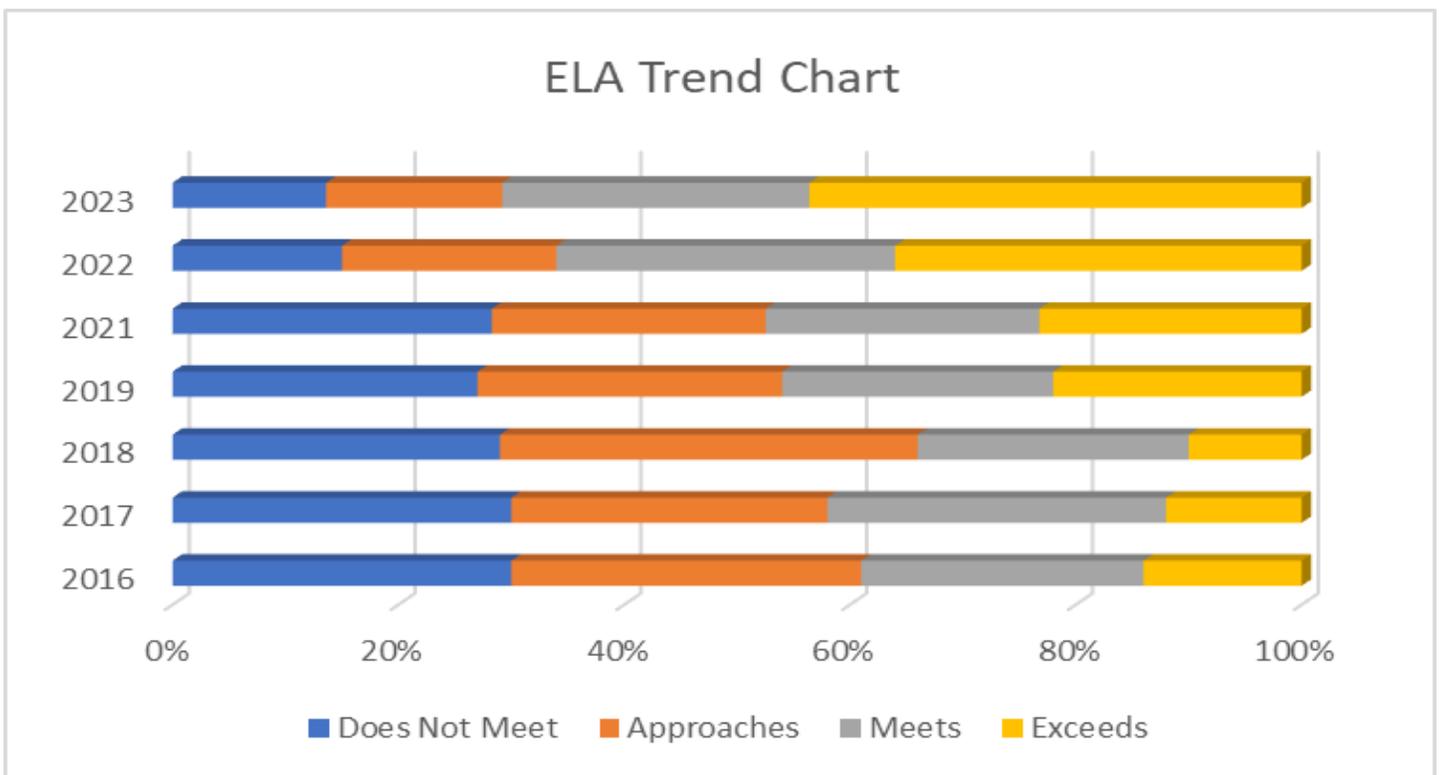

“Hometown School—World Class Education”

Data Analysis and Needs Assessment

The Heritage Elementary School goals correlate to the Greenville County School District's goals. Our goal at Heritage Elementary School is excellence for all students. We aspire to achieve this excellence through offering a well-rounded curriculum. Students not only study the core academics of reading, writing, mathematics, science and social studies, but also Spanish, PE, Music, and Art. Through this rich curriculum, students find ways to excel in areas that are unique to their abilities and interests. The Heritage Staff have offered a variety of enrichment opportunities to students throughout the year.

In the area of SCPASS, fourth grade students are the only students tested in elementary school in the area of science. The school scored 64.6% in the area of met or exceed. This is higher than the district overall score of 56.4% and above the state overall score of 45.1%.

Teachers continue to raise the rigor in both science and social studies. Students have interactive notebooks in both subjects that include key vocabulary and concepts. Teachers continue to include more hands-on activities in the classroom to supplement the curriculum and use rigorous questioning strategies via MasteryConnect. With the collaboration of the STEM lab teacher, students receive more hands on and interactive activities daily.

Teacher and Administrator Quality

The faculty has maintained the classification of Highly Qualified deemed by the South Carolina State Board of Education. The faculty keeps all of their certificates up to date and receives the required number of hours to recertify themselves during their five year cycles. The faculty is observed twice a year in an informal/formal setting depending on the year by the administration and has walk-through observations weekly. Classrooms are also observed during instructional walk-throughs. The faculty keeps their technology certification up to date and attends required trainings to keep their certification. Teachers continue to work on their Literacy Endorsement which is mandatory for all teachers in a classroom at this time. Many began working on other graduate work as well during this school year. Over the past few years as the economy has started improving, teachers have been able to work on graduate level courses.

There has been little change to the staff at Heritage since 2020. Not many teachers leave Heritage. Teachers stay at Heritage as many grew up in the community around the school. They raise families in the community around the school. With change in population, the faculty also changed. Some teachers taught in the Virtual program the district offered. Some teachers left to pursue positions in other districts and some retired.

	2022	2023
Percentage of teachers that return to Heritage	89.7	94.4

In the past few years, the professional development centered around the Theory of Action that the Instructional Leadership Team creates at the beginning of the school year based on their learning walks. Learning walk are strictly for observational purposes where the team looks for what is going well and “wonderings.” The team then meets back together to discuss observations and find the problem of student practice. The problem of practice then sets up what the focused professional development will be the rest of the year. Two years ago the staff focused the professional development around Balanced Literacy. Last year focused around academic discourse which helped the test scores grow in both ELA and math. For the 23-24 school year, the Theory of Action and PD focused on creating and utilizing daily learning targets. The teachers over the past few years have received bits and pieces from different trainings both at school and at the district level. Over the past year, teachers not only attended workshops on technology, but also on literacy, TE-21 benchmarks, and promethean panel training.

Professional Development Calendar (2024-25)

Each year, the faculty and staff of Heritage Elementary attend professional development in and out of school. These opportunities help the staff to maintain the highly qualified status that is required of all Greenville County employees. Faculty and staff have professional development offered during the school year and during the summer at Summer Academy and the Upstate Technology Conference.

The numbers from the surveys this year are slightly different from last year in the areas of school-home relations. As the community changes around the school, so will the positive and negative energy towards the school.

Student Behavior

Based on the Unsafe Incident Information as reported in the 2022-2023 Incident Management System (IMS) on the 22-23 SDE Heritage Elementary School Report Card, Heritage’s highest amount fell in the “Students with out of school suspensions” category with ten.

Student Attendance, absenteeism, and truancy

Chronic Absenteeism 2023 (data from the previous school year 21-22)	
Heritage	18.8%
District	22.9%
State	24.8%

Heritage had 18.8% who are chronically absent which is down from the previous year where it was 22.6%. This was a huge jump from the 19-20 school year where it was 4.4%. When looking back, this could be attributed to the COVID year and students missing school while in the virtual setting.

Chronic Absenteeism 2022 (data from the previous school year 20-21)	
Heritage	22.6%
District	27.9%
State	20.4%

Parent/Teacher Conferences

There will be a scheduled in person conference between the child's teacher and parent at the end of the first 45 day reporting period for all kindergarten and first grade parents. Teachers in grades 2-5 will also schedule conferences throughout the year as needed to share information about a child's progress. Parents are encouraged to initiate conferences at any time by writing a note or calling the school office for an appointment with the child's teacher. When teachers observe the need for additional parent-teacher conferences, they will request that parents come in for special conferences. Although, most conferences are in person, some circumstances call for a virtual or phone conference.

Volunteer Hours

Volunteer Hours Worked (Based on RAPTOR reports)	
2021-2022	1,016 hours and 39 minutes
2022-2023	3,919 hours and 33 minutes

Heritage has many volunteers who work at our school during the school year. As we continue to move away from the COVID era restrictions, the volunteer hours will continue to improve. Volunteers have to be approved in order to work in the classrooms during the instructional day. Here are some of the areas where volunteers are needed yearly:

Teacher Work Room: Helping teachers do tasks such as making copies, laminating, cutting, posting, etc. Check with the teachers to see what they need done and utilize the work room to complete the tasks.

Holiday Shop: Sign up for one of many two hour shifts. Help student shop, help wrap gifts, help with crowd control. Set up and clean up before and after the event.

Book Fairs: Sign up with Mrs. Cole to assist with the book fair. Shifts are available to help sell books, crowd control, replenish shelves.

Library: Volunteers are always welcome in the media center shelving books.
