SCHOOL RENEWAL PLAN FOR YEARS 2013-2014 through 2017-2018

SCHOOL RENEWAL ANNUAL UPDATE FOR 2016-2017

Assurances

The school renewal plan, or annual update of the school renewal plan, includes elements required by the Early Childhood Development and Academic Assistance Act of 1993 (Act 135) and the Education Accountability Act of 1998 (EAA) (S.C. Code Ann. §59-18-1300 and §59-139-10 *et seq.* (Supp. 2004)). The signatures of the chairperson of the board of trustees, the superintendent, the principal, and the chairperson of the school improvement council are affirmation of active participation of key stakeholders and alignment with Act 135 and EAA requirements.

STAKEHOLDER INVOLVEMENT FOR SCHOOL PLAN

(Mandated Component)

List the name of persons who were involved in the development of the school renewal plan. A participant for each numbered category is required.

<u>POSITION</u>	<u>NAME</u>
1. PRINCIPAL _____	Mr. Andrew B. Crowley _____
2. TEACHER _____	Mr. William Sumerel _____
3. PARENT/GUARDIAN _____	Mrs. Jehan Yassin _____
4. COMMUNITY MEMBER _____	Ms. Belle Mercado _____
5. SCHOOL IMPROVEMENT COUNCIL _____	Mrs. Tammie Pinson _____
6. Read to Succeed Reading Coach _____	Dr. Sylvia Hodge _____
7. School Read to Succeed Literacy Leadership Team Lead _____	Dr. Sylvia Hodge _____
8. OTHERS* (May include school board members, administrators, School Improvement Council members, students, PTO members, agency representatives, university partners, etc.)	
** Must include the School Read to Succeed Literacy Leadership Team.	

<u>POSITION</u>	<u>NAME</u>
Teacher - English	Karen Vaughan
Teacher - Math	Anne Snow
Teacher – Social Studies	Julie Faulk
Teacher - Science	Stephanie Walton
Teacher – World Languages	Bethany Enjaian
Parent - PTA	Brenda Rutledge
Parent - SIC	Valerie Bynum
Administrator	Stephanie Smith
Interventionist	Dom LaColla
Media Specialist	TBD

***REMINDER:** If state or federal grant applications require representation by other stakeholder groups, it is appropriate to include additional stakeholders to meet those requirements and to ensure that the plans are aligned.

ASSURANCES FOR SCHOOL PLAN

(Mandated Component)

Act 135 Assurances

Assurances, checked by the principal, attest that the district complies with all applicable Act 135 requirements.

Academic Assistance, PreK–3

The district makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).

X Academic Assistance, Grades 4–12

The district makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).

X Parent Involvement

The district encourages and assists parents in becoming more involved in their children's education. Some examples of parent involvement initiatives include making special efforts to meet with parents at times more convenient for them, providing parents with their child's individual test results and an interpretation of the results, providing parents with information on the district's curriculum and assessment program, providing frequent, two way communication between home and school, providing parents an opportunity to participate on decision making groups, designating space in schools for parents to access educational resource materials, including parent involvement expectations as part of the principal's and superintendent's evaluations, and providing parents with information pertaining to expectations held for them by the school system, such as ensuring attendance and punctuality of their children.

X Staff Development

The district provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council's revised *Standards for Staff Development*.

X Technology

The district integrates technology into professional development, curriculum development, and classroom instruction to improve teaching and learning.

Innovation

The district uses innovation funds for innovative activities to improve student learning and accelerate the performance of all students. Provide a good example of the use of innovation funds.

X Collaboration

The district (regardless of the grades served) collaborates with health and human services agencies (e.g., county health departments, social services departments, mental health departments, First Steps, and the family court system).

Developmental Screening

The district ensures that the young child receives all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program normally is appropriate at primary and elementary schools, although screening efforts could take place at any location.

Half-Day Child Development

The district provides half-day child development programs for **four-year-olds** (some districts fund full-day programs). The programs usually function at primary and elementary schools, although they may be housed at locations with other grade levels or completely separate from schools.

Developmentally Appropriate Curriculum for PreK–3

The district ensures that the scope and sequence of the curriculum for PreK–3 are appropriate for the maturation levels of students. Instructional practices accommodate individual differences in maturation level and take into account the student's social and cultural context.

Parenting and Family Literacy

The district provides a four component program that integrates all of the following activities: interactive literacy activities between parents and their children (Interactive Literacy Activities); training for parents regarding how to be the primary teachers for their children and full partners in the education of their children (parenting skills for adults, parent education); parent literacy training that leads to economic self-sufficiency (adult education); and an age-appropriated education to prepare children for success in school and life experiences (early childhood education). Family Literacy is not grade specific, but generally is most appropriate for parents of children at the primary and elementary school levels and below, and for secondary school students who are parents. Family Literacy program goals are to strengthen parent involvement in the learning process of preschool children ages birth through five years; promote school readiness of preschool children; offer parents special opportunities to improve their literacy skills and education, a chance to recover from dropping out of school; and identify potential developmental delays in preschool children by offering developmental screening.

Recruitment

The district makes special and intensive efforts to **recruit** and give **priority** to serving those parents or guardians of children, ages birth through five years, who are considered at-risk of school failure. “At-risk children are defined as those whose school readiness is jeopardized by any of, but no limited to, the following personal or family situation(s): Educational level of parent below high school graduation, poverty, limited English proficiency, significant developmental delays, instability or inadequate basic capacity within the home and/or family, poor health (physical, mental, emotional) and/or child abuse and neglect.

X Coordination of Act 135 Initiatives with Other Federal, State, and District Programs

The district ensures as much program effectiveness as possible by developing a district-wide/school-wide coordinated effort among all programs and funding. Act 135 initiatives are coordinated with programs such as Head Start, First Steps, Title I, and programs for students with disabilities.

“Reaching Higher Standards”

Introduction

**Portfolio Committees
Team Members and
Roles**

Introduction

The Strategic Planning Committee, composed of eight members, the Principal and the Curriculum Resource Teacher has led the faculty through the School Portfolio and the self-assessment process for Riverside High School. Each team member guided a committee of ten faculty members, one parent and one student leader through the various sections of the School Portfolio. Each committee updated a section of the portfolio to reflect the most recent test data, student honors, professional development, and Riverside's strategies for the 2013-2018 Action Plan. Once the strategies and plan were in place, the Strategic Planning Team began the task of assessing Riverside High School through the five standards developed by AdvancEd. Each committee met on Wednesday afternoons for six weeks to review and evaluate each section of the standard carefully to determine which level of 1 to 4 best described and matched the organization and atmosphere of Riverside High School. After the committees determined the level for each section, through consensus, the committees established lists of evidence which confirmed their decision on the rubrics. After the evidence was collected, the committee chairs began the process of writing and developing a narrative which encompassed the entire standard, rather than its parts. They collaborated with their members to make sure all areas of the standard were included. Each committee chair explained and reviewed his standard with one of the assistant principals. When all the narratives had been reviewed, each committee shared the findings with the entire faculty, the School Improvement Council, and the PTSA Board.

Strategic Planning Teams for School Portfolio

School Community: Carrie Fussell

Bridget Hall, Linda Kirkland, Vicki Fisher, Sherry Williams, Amanda Wald, Michael Pettit, Murray Long, Erin Shuler, Terri Wheat, Kathy Bell

School Personnel: Sam Oates

Brent Boling, Nate Crain, Brian Herbert, Karla Cannon, Tia Foster, Travis Pitman, Jenny Taylor, Robin Tarrinian, Bryan Woody

School Population: Cathy Derrick

William Sumerel, Bekki Benjamin, Mary Anna Elsey, Deanna Polly, Heather Greene, Kelly Ackerman, Anne Snow, Holly Cameron

Academic/ Behavioral Features: Susan Candee

Cindy Armstrong, Karen Becker, David Dejesa, Donna Fowler, Jessica McCraw, Katrina Hester, John Linn, Aaron Linder, Kim Pauls, Michelle Obusgewski, Lindsey Beam

School Achievement Needs and Assessment: Sylvia Hodge and Mary Margaret Delap, Rick Martin, Lynda Collins, Sandy Taylor, Donna Roberts, Evelyn Ray, Mindy Imperati, Julie Faulk, Karen Anderson, Stephanie Walton, Becky Rogers

Teacher Quality Needs and Assessment: Kapp Abbott

Cheryl Youmans, Jackie McKeithan, Lisa Nickles, Carolee Dover, Donna Meng, Steve Johnson, John Harper, Amy Pruitt, Kelsey Johnson, Phil Smith. Grayson Howell

School Climate Needs and Assessment: David Hickman,

Lisa Williams, Marley McDonough, April Raymond, Esser Sitton, Marjorie Hintalla, Erica Brewster, Andrea Crain, Vickie Bartlett, Sherry Schroeder

Technology Refresh Committee: Dan Tollison

William Sumerel, Jeremy Chassereau, Robin Chandler, Kelly Hagerman, Bill Baker, Julie Teague, Eric Cummings, Toby Williams, Carol Clark, Bethany Enjain, Kyra Bernet

Riverside High School

“To Instruct, To Inspire, To Prepare”

“Reaching Higher Standards”

Portfolio

Executive Summary

Needs Assessment

Challenges Awards

Executive Summary

Student Achievement Needs Assessment:

- At Riverside, student academic achievement is a priority. We continually analyze assessment results and work to address the academic needs of our students by implementing new programs and strategies.
 - Riverside students continue to improve EOC.
 - Riverside students score above the state and national averages on the ACT and SAT.
 - In 2015, Riverside High School met ESEA with an “Excellent” in Absolute Rating and an “Excellent” in Improvement Rating on the School Report Card.
 - In 2015, Riverside High met AYP on the ESEA Waiver with a 94.4 rating of an A.
 - Riverside’s African-American population has highest percentage not passing of all subgroups of HSAP. Riverside will continue to offer HSAP tutoring to all students who do not score 200 or better.
 - The overall trend for four year HSAP – First Attempt has continued to increase in the percentage of those passing with a 2 or better and in the percentage of those scoring Advanced or Proficient.
 - The scores of SAT do not truly reflect the percentage of students who take it because students have not been required to state the school code for Riverside so their scores are not computed in the final percentages. The school code became a requirement for applying to take the SAT on January 1, 2013. The scores for the class of 2015 will be more accurate.
 - The graduation rate has fluctuated somewhat because of the requirements surrounding who qualified as a graduate. Students who leave Riverside to complete their high school career by receiving a GED also count as drop-outs.

Executive Summary

Teacher and Administrator Quality Needs Assessment:

- 100 percent of teachers are certified by South Carolina
- 63 percent of teachers have Master's degrees
- 17 percent of teachers have Master's degrees plus 30 hours
- 90 percent of teachers are technology proficient
- 9 percent of teachers are National Board certified

Executive Summary

School Climate Needs Assessment:

School climate at Riverside High School is a positive one given our survey results. Attendance rates and the number of discipline referrals are indicative of a safe and healthy school. In addition, we have a high level of parental involvement.

- Attendance rates are lowest for our eleventh graders
- Discipline referrals had a dramatic drop for the year from previous years.
- Tardy referrals have declined.
- Survey data results for parents, teachers, and students show a high rating of satisfaction in most areas with school-home relations being the weakest.
- Reporting of discipline violations changed three times during this period so records do not reflect accuracy. The new program GC Source should lead to better accuracy.

Executive Summary

Challenges for 2012 – 2015:

- Having enough computers available for student use.
- Raising enough funds to install Promethean Boards in all classrooms. 14 rooms still need Promethean Boards.
- Adding courses lost because of Recession when teacher: student ratio was raised.
- Reducing class size below the thirty-five in many classes due to the loss of sixteen teachers from 2007-08 – 2010-11. Riverside still needs six full time classrooms teachers in order to begin at 8:45 am.
- Offering tutoring programs without funds. In 2015-16 Riverside offered an extensive tutoring program during Flex Period.
- Handling an increase of Poverty Index from 21.0 to 32.46 in three years.
- Dealing with a more diverse student body with seventy-seven different languages.
- Developing a Crisis Management Plan which assures safety for all students in a ten year old facility with three floors.
- Working with new schools in athletics with a change from AAA to AAAA.
- Training the faculty on new and ever changing software for student grades, websites, student referrals, and student attendance on a daily basis.

Executive Summary

Significant Awards and Accomplishments for three years:

- 6 perfect scores on complete SAT.
- 5 perfect scores on Math portion of SAT.
- 1 perfect score of 36 on ACT.
- 77 AP Scholars (2008 - 2015).
- 155 National Merit Scholars (1984 – 2015).
- Scholastic Scoreboard team Champion in 2013.
- Youth in Government Governor 2009, 2010, 2011, 2012 and 2013
- Largest National Forensics League Chapter and Largest Art Honor Society.
- 47 Qualifiers to NFL National Tournament 2010 – 2016.
- 2014 SC Forensic Coach of the Year.
- 40% of student body enrolled annually in fine arts courses.
- All Superior ratings for All State Concert band and orchestra students.
- SC AAAA Speech and Debate Champions for 2009, 2010, 2011, 2012, 2013, 2014, 2015, and 2016.
- 40 Athletic teams with 8 – 50 student athletes.
- Recipients of the Athletic Director's Cup 5 times - 2007-08 and 2008-09 last times in AAA.
- AAAA State Titles in Girl's and Boy's Swimming and Girls's and Boys Cross Country and Track in 2014 and 2015.
- Cumulative GPA average for athletes for 2013-14 of 3.62.
- 1 coach President of SC Track and Cross Country Coaches Association.
- 1 coach head of North Team in girls' tennis.
- Swimming coach with most swimming titles in South Carolina.
- Region Coaches of the Year 2013 in both girls and boys LaCrosse.
- Host of four SCASC District Rallies.
- Host school SC Association of Student Council Convention in 2009 and 2016.
- Raised \$83,000 for Wounded Warrior Project (2011) and \$66,000 for Shriner's Hospital (2012).

Riverside High School

“To Instruct, To Inspire, To Prepare”

“Reaching Higher Standards”

Portfolio

School Profile

School Profile

School Community:

School History:

- Founded in 1973
- New development, along with community involvement is improving local services and courses offered (Med 360° will offer health services, and local church offers Bible class)

Facilities:

- School was founded in 1973, moved into new building in 2006 (Energy Efficient / Green School)
- All academic classrooms are equipped with Promethean Boards
- 2 computer labs handle classes up to 30 students each and 25 Chromebooks can be used throughout the building
- Auditorium seats 660; cafeteria seats 600 and was recently decorated with school paraphernalia
- Athletics boast 1 full-size gym, 1 smaller auxiliary gym, lighted football stadium seats 3500; lighted baseball, softball, and tennis courts; new rubberized track

Leadership

- Current administration: Principal - Andrew Crowley; 3 Assistant Principals - Sallie Austin, Dom LaColla, and Stephanie Smith; one Administrative Assistant – Matthew Irvin; one Curriculum Resource Teacher - Betty Templeton; one Athletic Director – Murray Long
- Mr. Crowley is in his eighteenth year as principal of Riverside and has thirty-two years as an educator
- Principal's honors: 2014 SC PTA High School Principal of the Year, 2006 Met Life Educator of the Year and 2004 SCASC Principal of the Year
- Administrative jobs are divided among the assistant principals
- Multiple levels of leadership teams
 - Weekly administrative sessions (Principal, Assistant Principals, CRT, Athletic Director, Director of Counseling Services)
 - Monthly PLC Chair meetings (one teacher designated to represent each department), Student Centered Learning Team members, Literacy Team meetings as needed.
 - PLC meetings - Monthly
 - Vertical teaming with PLC's and grade levels
 - School Improvement Council
 - PTA Board

Parental Involvement:

- Student body of 1600 from two primary feeder schools (Riverside Middle and Northwood Middle)
- Industry: 701 business establishments in the area - largest sectors are wholesale trade (100 businesses) and retail trade (134); largest employer in the area is BMW; over 95% of the community members work in the private sector
- Speech, band, and athletics have booster clubs to provide support for their organizations:
 - Speech Booster Club provided 1,500 volunteer hours by thirty active parents
 - Band Booster Club involved eighty parents volunteering twenty hours per week for a total of 40,900 volunteer hours
 - 697 Athletic Booster Club volunteers provided 10,455 volunteer hours
 - Mothers in Touch includes 48 volunteers for a total of 5,184 hours
 - The Parent Teacher Student Association has also provided numerous volunteer hours (school store, selling spirit wear, tutoring, etc.)
 - The SIC Committee has contributed twenty-five parent volunteers for a total of 250 hours
- According to the reporting system of those who sign in at the front office, there are a reported 860 volunteers and 58,289 hours; however actual volunteer time is somewhere in the range of 200,000 to 220,000 hours of volunteer service when including hours that are completed after school hours for athletic, speech, a band competitions and events.

School Improvement Council (SIC):

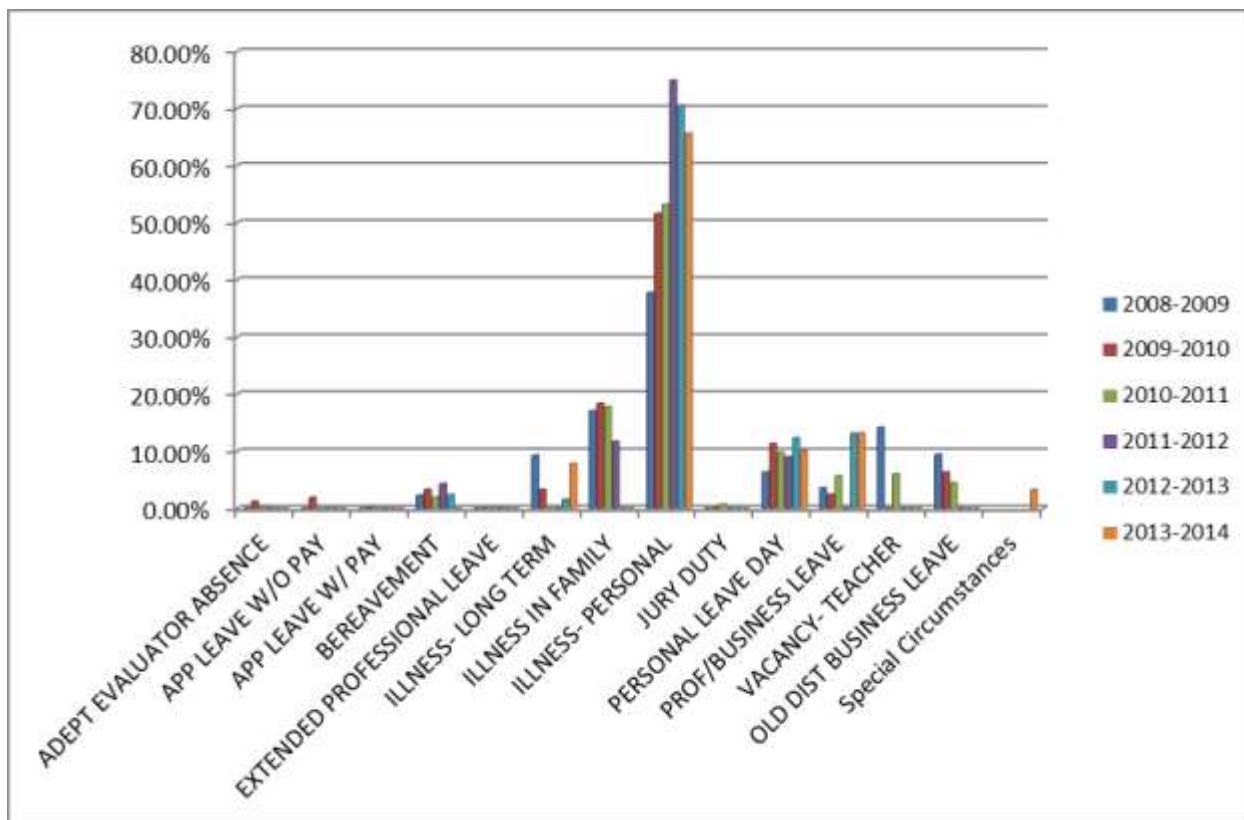

- SIC provides leadership and support for the development of the School Improvement Plan through the School Portfolio
- SIC works closely with teachers, parents, students, community members, and the administrative team to support the effective implementation of the strategies for the improvement
- SIC implemented and improved as the Flex/Reading Period, the Teacher Mentor Program, the Advisor/Advisee Program, HSAP tutoring and seminars on drugs and alcohol, along with bullying and cyber bullying.
- SIC has invited legislators to discuss bills pending in our state and has addressed legislative issues, No Child Left Behind mandates, and tax reform for education
- SIC has discussed and studied current and relevant No Child Left Behind versus South Carolina Waiver, the changes with ESSA, and the impact of changing demographics on our school
- SIC evaluates and assesses the School Report Card Survey results every year at one of its monthly meetings in November or January

School Profile

School Personnel:

The Riverside faculty has remained fairly stable even during a time of severe budgetary constraints.

- 100 percent of teachers are certified by South Carolina
- 60 percent of teachers have Master's degrees
- 17 percent of teachers have Master's degrees plus 30 hours
- 1 percent of teachers have an EdD
- 90 percent of teachers are technology proficient
- 9 percent of teachers are National Board certified

School Profile

Student Population:

- The total enrollment has increased by 150 students over the past four years.
- The past four years have seen enrollment percentages generally increase in every demographic group with the exception of white students whose percentage has steadily declined.
- The attendance rate for the past four years has hovered over an impressive 96-97%.
- The number of students receiving free or reduced lunch has increased over 5% over the past four years.
- There has been no significant fluctuation in graduation rates over the study period – hovered at 92-94%
- Through 2013-14, 100% of the candidates for a South Carolina diploma have passed HSAP.
- The number of students participating in athletics has steadily increased over the past four years.
- The number of special education students has remained somewhat steady over the past five years.
- The retention rate has remained steady over the past four years at less than 1%.
- The number of successful scores on Advanced Placement exams has fluctuated over the past five years.

School Profile

School's Major Academic and Behavioral Features:

Academic Accomplishments

Riverside is justifiably proud of its history of academic accomplishments in all areas. In addition to items noted in other parts of the report, we have also had 6 perfect scores on the Complete SAT, 5 perfect scores on the math section of the SAT and 1 perfect score on the ACT. Riverside students have always taken rigorous academic courses offered through Advanced Placement courses. In 2007-2008, 272 students took 462 exams for a passing rate of 58%. In 2008-09 261 students took 480 tests. In May 2010, students took 472 tests with a passage rate of 74.5% up from 67.9% in 2009. In 2011, 505 students took tests with a passage rate of 65.3%. In 2012, 475 students took tests with a passage rate of 70.3%. In 2013, 220 Riverside students took 454 exams with a passage rate of 76.2%. In 2014, 274 Riverside students took 500 exams with a passage rate of 75.4%. Riverside also had 409 AP Scholars (2008-2015). In 2012, the total number of AP Scholars was 67, including 17 AP Scholars with Honors and 19 AP Scholars with Distinction. In 2013 the total number of AP Scholars was 70, and in 2014 the total was 77. From 1984-2014, we have had 155 National Merit Scholars. In 2013-14, Riverside had 7 Commended Scholars. For the past five years we had 25 regional Science and Engineering Fair participants. The class of 2012 earned \$14.2 million in scholarships. The class of 2014 earned \$13,297,256 in scholarships.

Riverside's Academic Team was the AAA champion at the USC Challenge in 2009 and the first place winner at the Fall Academic Tournament in 2010. In 2011, the team made semi-finalist and runner up at Scholastic Scoreboard. The team placed second overall at the USC Challenge in 2012. Also in 2012, they were second place at the Dorman Season Ender Tournament, USC Challenge AAAA High School Champions, and Scholastic Scoreboard semi-finalist. In 2013, the team was the Southside High School Tiger Invitational Champion and Scholastic Scoreboard Champion. The team will compete in a national tournament in the summer of 2013. In 2014 the team won Scholastic Scoreboard, the SC NAQT tournament, and placed first in the USC Challenge.

Riverside has the strongest and largest speech and debate program in South Carolina and is recognized as a School of Excellence as one of the top twenty speech programs in America. Riverside maintains the largest National Forensic League (NFL) chapter in SC and was the largest producer of new degrees in during the 2012, 2013, 2014, and 2015 seasons. In January 2015, the Barkley Forum for high schools at Emory University awarded Riverside with a chair of membership for excellence in speech.

Riverside's NFL speech team has won seven 4A regional championships, 2009, 2010, 2011, 2012, 2013, 2014, and 2015 and won five consecutive State Championships in 2012, 2013, 2014, 2015 and 2016. The 2015 season was the program's first undefeated season with eleven sweepstakes victories across, North Carolina, South Carolina, Georgia, and Tennessee. David Dejesa, Director of Speech and Debate, served as the President of SC Forensic Coaches Association from 2010-2012 and currently serves on the SC NSDA District committee. He will be recognized for five successful years of

coaching with his first diamond award during the NSDA National Tournament in June in Dallas, Texas. During the 2012, 2013, 2014, and 2015 National Forensic League National Tournaments, Riverside students have advanced to semi-final and final rounds in United State Extemporaneous Speaking, Congressional Debate, and Expository Speaking.

Riverside has 123 members in National Honor Society and 190 members in Beta Club. An outgrowth of higher academic accomplishments has been the establishment of the National Art Honor Society, Tri-M Music Society, National French Honor Society, the National Spanish Honor Society, and the National German Society.

Career Education

From 2012-2016, 191 students attend J. Harley Bonds Career Center, with 56 attending the Fine Arts Center and 6 attending the Golden Strip Career Center. J. Harley Bonds Career Center offers students the opportunity to pursue a technical career interest while earning high school credits and possibly dual college credits. Students can earn licenses and or national certification in their area of interest. Programs include Agriculture Science, Automotive Technology, Building Construction, Computer Science, Culinary Arts, Health Science, and Welding. Our students are also welcome to attend other career centers that offer classes that J. Harley Bonds Career Center does not currently have. In the past we have had students attend Golden Strip for their Child Care program and Donaldson Center for their Aircraft Maintenance program.

We had one career development facilitator through May 2012 and through her efforts, Riverside students experienced career lunches, shadowing programs, on-site field trips, and career education information throughout the school year. Every other year, Riverside students were able to participate in Career Day where representatives from different fields of interest speak to groups of interested students. Counselors with our guidance department met one on one with students and their parents for their Individual Graduation Plan to discuss what career the student is interested in pursuing as well as Riverside High School courses that would be beneficial for that career path. These career discussions and assessments are to help the students see their strengths and weaknesses and how their personality matches up with different careers and career clusters. Riverside has 3 special education classes in which students work on an Occupational Diploma; Learning Disabled/ self-contained, Learning Disabled/ Neurological/self-contained, and Intellectual Disabled/Neurological/self-contained. These classes focus on vocational training, with the goal of co-op employment in the senior year. The Occupational Diploma students attend the career center their sophomore year where they are exposed to all the programs offered by J. Harley Bonds. If the student in the Occupational Program is successful at the career center their sophomore year, he may be invited back to attend a regular education program of their choice. The goal for the student is to complete the program at the career center and be employable in that field during the second half of their senior year. Students in the Occupational Program are required to complete 360 hours of paid employment in lieu of passing the HSAP exam to graduate with an Occupational Diploma.

The Moderately Mentally Handicapped (MMH) class participates in Supported Employment Training (S.E.T.) in which the students are placed on a job for training purposes without pay during their junior year. The goal is to work toward independence on a job. Then the goal for their senior year is for the student to obtain paid employment to successfully transition into society after high school. Riverside also added a Health Science course in 2015-16 where students can receive dual credit at Riverside and Greenville Tech.

Fine Arts

The Fine Arts Department consists of six teachers offering instruction in Drama, Jazz Band, Marching Band, Stringed Instruments, Choral Music, Visual Arts, and Art History. Riverside sends students to the Greenville County Fine Arts Center and to the Governor's School for the Arts. Approximately 40% of the student body is enrolled annually in a fine arts course. Riverside has the largest chapter of the National Art Honor Society. NAHS members are actively involved in community service projects that support the Greenville County Zoo and the Greenville Children's Hospital. The visual arts program has been cited by the President's Council for the Arts. A large number of students take Advanced Placement classes in art, including both AP Art History and AP Art Studio. The visual art students annually participate and earn recognition in various competitive art shows within Riverside High, as well as community art shows, such as Artisphere and the annual Fourth Congressional District Show.

The Riverside Music Department has a Tri-M Music Honor Society chapter. Riverside band and orchestra consistently win All-Academic, All-County, All-Region, and All-State honors. The choral students also compete for positions in the All-State choir as individuals.

As a group, they have competed and earned superiors at the State Choral Festival and participate annually in the District Honor Choir. The music department has performed throughout the country including New York City, Chicago, Orlando, Los Angeles, and Miami. The Drama Department presents musical theater holding auditions that are open to the entire student body. Productions include *How to Succeed in Business Without Really Trying*, *Grease*, *Once Upon a Mattress*, *The Wizard of Oz*, and most recently *Hello, Dolly*. The Music Department is consistently recognized by the media, local service organizations, St. Francis Hospital, and the Greenville Children's Hospital. Riverside graduates distinguish themselves throughout the country.

Athletics

Each year Riverside fields 42 athletic teams at the varsity, junior varsity, and 'C'/'D' team levels. In 2011-2012 693 students participated, in 2012-2013, 695 students participated, and in 2014-2015, 694 students participated. These teams include football (4), volleyball (2), girls' cross country (2), boys' cross country (2), girls' tennis (2), boys' tennis (1), girls' basketball (2), boys' basketball (3), wrestling (2), baseball (2), softball (1), boys' golf (2), girls' golf (1), boys' track (2), girls' track (2), boys' soccer (2), girls' soccer (2), swimming (2), lacrosse (4), and cheer (2). Parents of athletes and Athletic Booster Club members are very active supporters who staff a souvenir stand, work in the press box, provide pre-game meals to our teams, and sell athletic equipment and apparel during lunch shifts. They also work gates and concession stands at athletic events. Riverside High School has had many athletic accomplishments: the Athletic Director's Cup has been awarded to RHS in 2001-2001,

2002-2003, 2003-2004, 2007-2008, and 2008-2009 for having the most outstanding AAA athletic program in the state. In 2010, Riverside was moved to AAAA. In the 2013-2014 school year, Riverside won State Championships in Girls Cross Country, Girls Swimming and Boys Swimming. In the fall of 2014 (14-15 year), Riverside won State Championships in Girls Cross Country, Boys Cross Country, Girls Swimming, and Boys Swimming. This was the 1st time in the History of SC that 1 high school has won 4 State Championships in the same sports season. The Girls Cross Country team was twice named National Cross Country Team of the Week in 2014. Our student athletes had a cumulative GPA of 3.4 in the 2012 year. In the school year of 2012-2013 our athletes had a GPA of 3.62. In the school year of 2013-2014 our athletes had a GPA of 3.71 and in 2015-2016. Riverside has many coaches' accomplishments as well. Among those honored were Eric Cummings as Head Coach of Shrine Bowl Run in 2011, President of the SC Track and Cross Country Coaches Association in 2011-2014, State Cross Country Coach of the Year for 2014 and 2015. Mary Anna Elsey was Head Coach for the North team for girls' tennis in 2011 and President of the SC Tennis Coaches Association. Eddie Hughes, who has the most swimming titles of any coach in the state and in the 2014 season, was State Coach of the year. Phil Smith was named the Football Region Coach of the Year in 2014.

Student Leadership

Riverside maintains the tradition as one of the most active student councils in the Southeast. Although the South Carolina Association of Student Councils held its first convention in 1948, and Riverside only opened in 1973, it has hosted more state conventions (which means more state presidents) than any other school. We have sent delegates to the National Association of Student Councils Conference, held key state offices including president, and hosted the state convention in the 2008-2009 school year. In the 2009-2010, 2012-2013, 2013-14 and 2015-2016 school years, Riverside hosted the SCASC District Rally. In 2015, over 800 students attended the Rally hosted at Riverside. We have sent a delegation to the Southern Association of Student Councils Conference every year and served as Parliamentarian. In the past, as president, we hosted the annual conference for 1000 delegates from all over the South. At the state level we had 10 officers including president in 2008-2009 and 2015-2016, when we hosted the state convention. We have also hosted several district rallies for schools in our area. Riverside's current principal was named Administrator of the Year by the South Carolina Association of Student Councils (SCASC). In spring 2009 and 2016, Riverside served as the host school for SCASC. Every summer, Riverside Student Council members receive training at the SCASC leadership camp. At the 2016 SCASC Convention the delegates selected a Riverside student for 2016-17 Treasurer and 2015-16 district leader.

Riverside groups spearhead many service projects including a blood drive and campaigns to send three eight year old terminally ill children to Disney World through the Make-a-Wish Foundation and a Spirit Week to raise funds for charity where in, 2011, Riverside raised \$83,000 for the Wounded Warrior Project. In 2012 Riverside raised \$66,000 for Shriner's Children's hospital. In 2013 Riverside raised \$55,000 for the Down Syndrome Family Alliance. In 2014, Riverside raised \$75,000 for Camp Courage. Because of the success of these projects the student council added a Make a Wish Mini Week in 2013 and raised \$11,000 to help send a young heart transplant

patient and his family to Disney World. In 2015 Riverside raised \$96,000 for the Barbara Stone Foundation.

Service Learning

Riverside offers numerous opportunities for student service outside student council. We continue to offer a Service Learning class where students work with local elementary schools and middle schools to tutor and mentor younger students. These students also volunteer within Riverside to help Special Education classes as well as work in the community at places such as CenterQuest, Oakleaf Village, Greer Community Ministries, National Health Care, among others. Service Learning students work in teams to volunteer at local community events and organizations, accumulating over 6000 volunteer service hours yearly.

Teacher Cadets

Teacher Cadets is a dual credit course where students may receive three hours college credit from North Greenville University and an extra quality point in GPA. In this course, the students examine all aspects of the educational process at the elementary, middle, and high school levels. The Teacher Cadets assist teachers at Buena Vista Elementary in all phases of their work.

Psychology

As part of the Psychology course (all levels), students take field trips to Washington Center (for the mentally handicapped population aged 5-21) to prepare to mentor and coach a special needs child in the Greenville area Special Olympics. Prior to these trips, all psychology students participate in a district-wide competitive fundraiser to benefit the Special Olympics. Each year, psychology students adopt Washington Center students for Special Olympics, held in April. They plan this day through lessons, fundraising, field trips, and research.

Riverside High School

“To Instruct, To Inspire, To Prepare”

“Reaching Higher Standards”

Mission,

Vision,

Beliefs

Mission, Vision, Beliefs

The Riverside Community Believes:

1. Learning is an active, life-long process and the primary priority at our school.
2. Every student is important.
3. All students can learn.
4. All students should be challenged and encouraged to reach their potential in all areas.
5. All students should have the opportunity to learn in an environment where they and the staff are physically safe, and their dignity and mutual respect are maintained.
6. All students should have equal access to the total school program.
7. All students are encouraged to respect and understand the various cultures that comprise the community of learners at Riverside.
8. Educational experiences should enable students to learn to communicate effectively, solve problems competently, think critically and creatively, and act responsibly.
9. Curriculum and instruction should incorporate a variety of learning activities which accommodate the differences in students' learning styles.
10. Education is a shared responsibility nurtured by home, school, and the community.

Motto:

To instruct, prepare, and inspire students for success in future endeavors.

Mission Statement:

The mission of Riverside High School is to prepare students to become confident, competent, ethical individuals and responsible citizens by creating a positive and nurturing school environment where staff, students, parents, and the community work together to promote lifelong learning and to provide opportunities for students to reach their maximum potential.

Vision Statement:

Through a plan for the continuous improvement of the school, with directed focus on students through effective teaching and leadership, Riverside seeks:

1. To use shared decision making by gathering data and information for determining an effective educational direction for Riverside High School.
2. To increase the level of student performance by using various teaching strategies and methods.

3. To communicate and integrate the identified student learning standards in all levels of school instruction.
4. To encourage core values such as honesty and integrity in our students.
5. To continue a shared approach of leadership responsibilities through shared and supportive decision making.
6. To involve parents, teachers, students, and businesses in a coordinated effort to support the school's mission.

Data Analysis And Needs Assessment

Student Achievement Needs Assessment

END OF COURSE Analysis:

All students at Riverside High School that are enrolled in a course requiring an EOC test are required to take that test at the end of the course. Results for middle school students that take an EOC test are not included in these data tables even though these middle school students are future Riverside High School students and will not repeat the course.

English 1 EOC

From the 08-09 to the 09-10 academic school years, the passing rate of the English 1 EOC test increased by 2.8%. From the 09-10 to the 10-11 academic school years, the passing rate decreased by 1.4%. From the 2010-2011 to the 2011-2012 academic school years, the passing rate decreased by 1.5%. By 2013-2014 the scores remained steady at 86 passage rate. Most students who took this test were freshmen.

Algebra 1 EOC

From the 08-09 to the 2011-2012 academic school years, the passing rate of the Algebra 1 EOC test increased by 7.8%. In 2013-2014, 91.2% passed EOC. In 2014-2015 the passage rate was 93.9%. Most students who took this test were freshmen.

Biology EOC

The Biology EOC was not administered at Riverside High School in 2010. The data for the Biology EOC is for the academic school year 2010-2011. There was an 89.60% passing rate. From the 2010-2011 to the 2011-2012 academic school years, the passing rate increased by 3.7%. The passage rate for 2013- 2014 maintained steady at 87.7% passage rate. In 2014-2015 the passage rate continued to increase to 89.2%. Most students who took this test were sophomores.

US History EOC

From the 08-09 to the 09-10 academic school years, the passing rate of the US History EOC test increased by 1.3%. From the 09-10 to the 10-11 academic school years, the passing rate increased by 0.9%. From the 2010-2011 to the 2011-2012 academic school years, the passing rate decreased by 3.5%. In 2013-2014 the passage rate soared to 85.2%. In 2014-2015, the scores decreased by less than 1% to 84.9%. Most students who took this test were juniors.

SCHOOL REPORT CARD Analysis:

The objectives to be met to achieve AYP include student performance, graduation rate or student attendance, and participation in the state testing program. In 2009 Riverside met 13 of the 17 objectives, in 2010 we met 18 of 21 objectives, and, finally, in 2011 we met 17 of the 17 objectives, meeting AYP standards. In 2012 AYP was replaced with a grade for each school. Riverside High School received a grade of A (90.1).

Year	Absolute Rating	Improvement Rating	Adequate Yearly Progress
2008	Excellent	Excellent	Did not meet AYP
2009	Excellent	Good	Did not meet AYP
2010	Excellent	Good	Did not meet AYP
2011	Excellent	Excellent	Met AYP
2012	Excellent	Good	A (90.1)
2013	Excellent	Good	B
2014	Excellent	Excellent	A (93.5)
2015	Excellent	Excellent	No Grade Given

PSAT Analysis:

The PSAT scores reflect only the juniors tested at Riverside High and do not include any sophomore scores. Scores for the PSAT range from 0-80, with the mean averages given in the chart above. The Average Selection Index score ranges from 0-240.

RHS scores have varied slightly over this 5-year period. The math averages have dropped slightly during this 5-year period, while critical reading and writing averages have increased.

Riverside High PSAT	# of Juniors Tested	Critical Reading Average	Math Average	Writing Average	Average Selection Index
2012-2013	152	52.7	53.4	52.2	158.3
2013-2014	165	51.5	52.7	48.6	152.8
2014-2015	156	51.1	53.0	49.2	153.3
2015-2016	204	N/A	N/A	N/A	N/A

ACT/SAT Analysis:

The scores represented in the chart below are based only on scores of students tested in their senior year. The scores do not include students who took these tests in their junior year. It should be noted that if juniors take these exams and score high enough in the junior year, they may not take these exams in their senior year, therefore, these averages may not include students' highest scores, as some high scores would have been achieved in the junior year.

ACT

SC scores have remained below the national average for the ACT from 2008-2009 through 2011-2012, while RHS scores have consistently been above both national and state averages. RHS scores for the ACT range from 23.6-24.5 in the years below.

SAT

RHS students have consistently scored higher than the national and state averages for all subtests of the SAT from 2008-2009 through 2013-2014.

Reading: RHS students scored an average of 53 points higher than the State average and an average of 37.5 points higher than the National average.

Math: RHS students scored an average of 54 points higher than the State average and an average of 31.5 points higher than the National average.

Writing: RHS students scored an average of 50.25 points higher than the State average and an average of 25.75 points higher than the National average.

ADVANCED PLACEMENT Analysis:

Riverside High School offers twelve AP courses for upper classmen. The number of tests has remained above 450 throughout this time period. The overall pass rate for Riverside students on AP exams exceeds both state and national averages.

ADVANCED PLACEMENT

[illegible]

GRADUATION RATE Analysis:

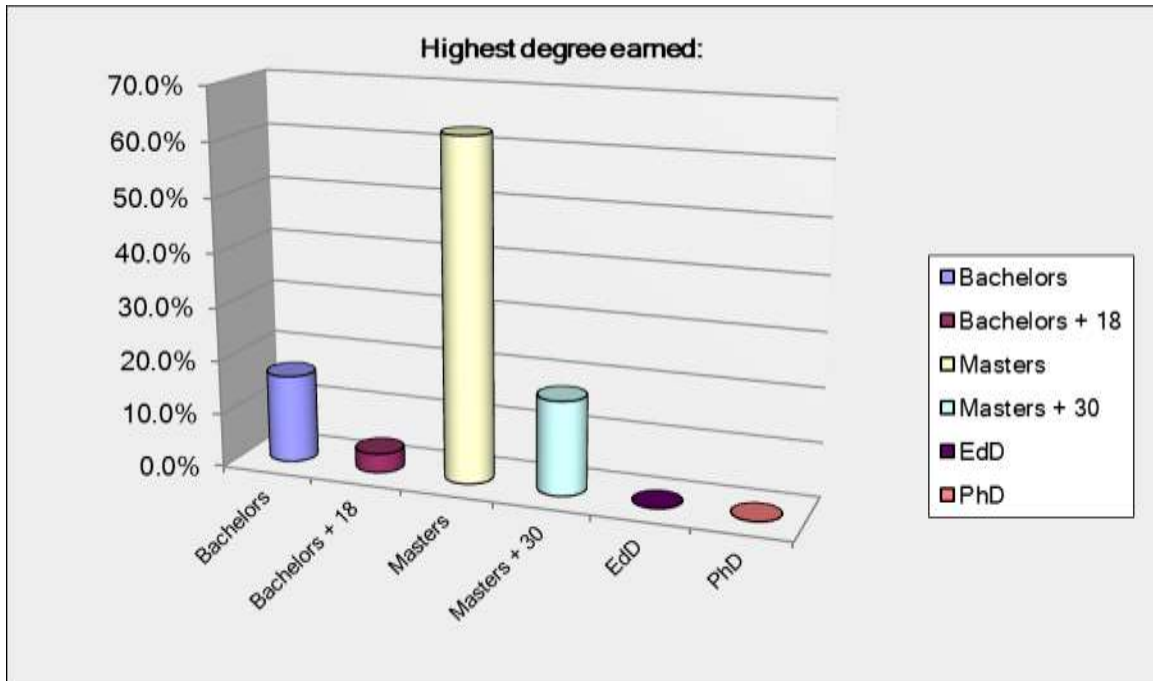

Graduation rates reflect only students who obtained a diploma within four years after beginning ninth grade. Not included are students who began at RHS in grade 9 and later transferred to another high school to pursue a state diploma. These students are documented by a "request for records" from the next high school. Unfortunately, some students are included in the aggregate that are not served by Riverside and some who are not on a diploma track. Examples include students who cannot be tracked after leaving RHS (for example, students who transfer and their destination school does not request a transcript), students who pursue a GED, and special education students who receive an Occupational Diploma or a District Certificate. This second set of students remains in the Riverside composite and lowers our graduation rate even though they are not being served in a diploma track at Riverside.

2011-2012	2012-2013	2013-2014	2014-2015
82%	82.3%	91.2%	93.4%

Teacher and Administrator Quality Needs Assessment

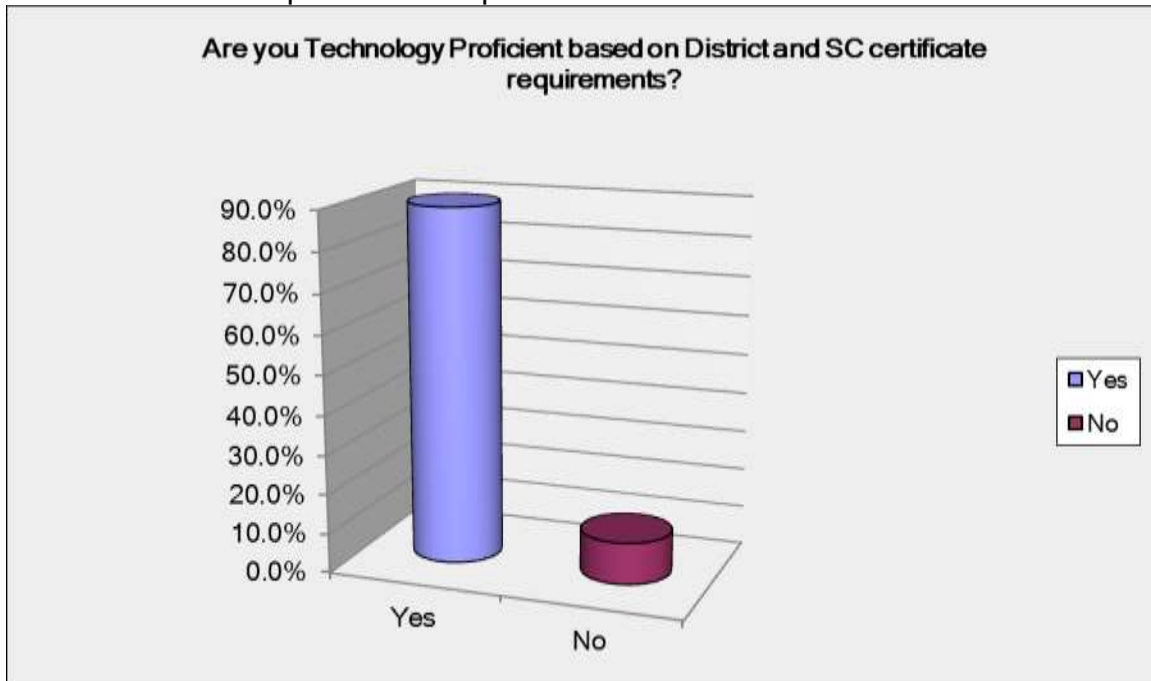

Analysis:

Over 70% of Riverside's teaching staff has attained a Master's Degree or above. Two have doctoral degrees.

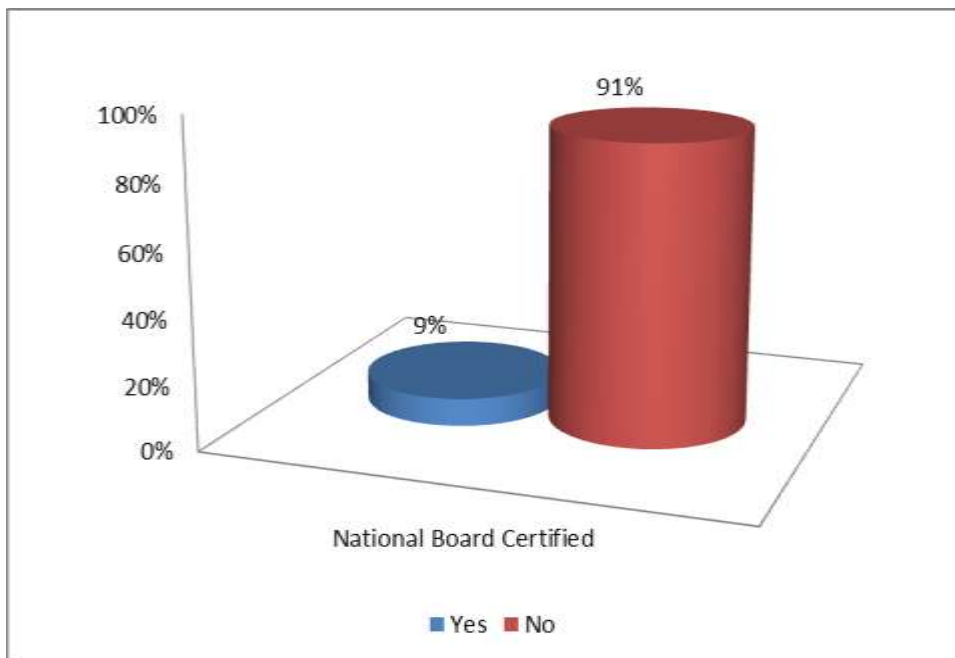

TECHNOLOGY PROFICIENCY ANALYSIS:

Less than 10% of the faculty has not completed the requirement of Technology Proficiency. Three faculty members are Induction level or First Year. They will complete this requirement after they become “Continuing” teachers at the end of their second year. 100% of those who need to renew their proficiency for 2013 and 2014 have completed this requirement.

Analysis:

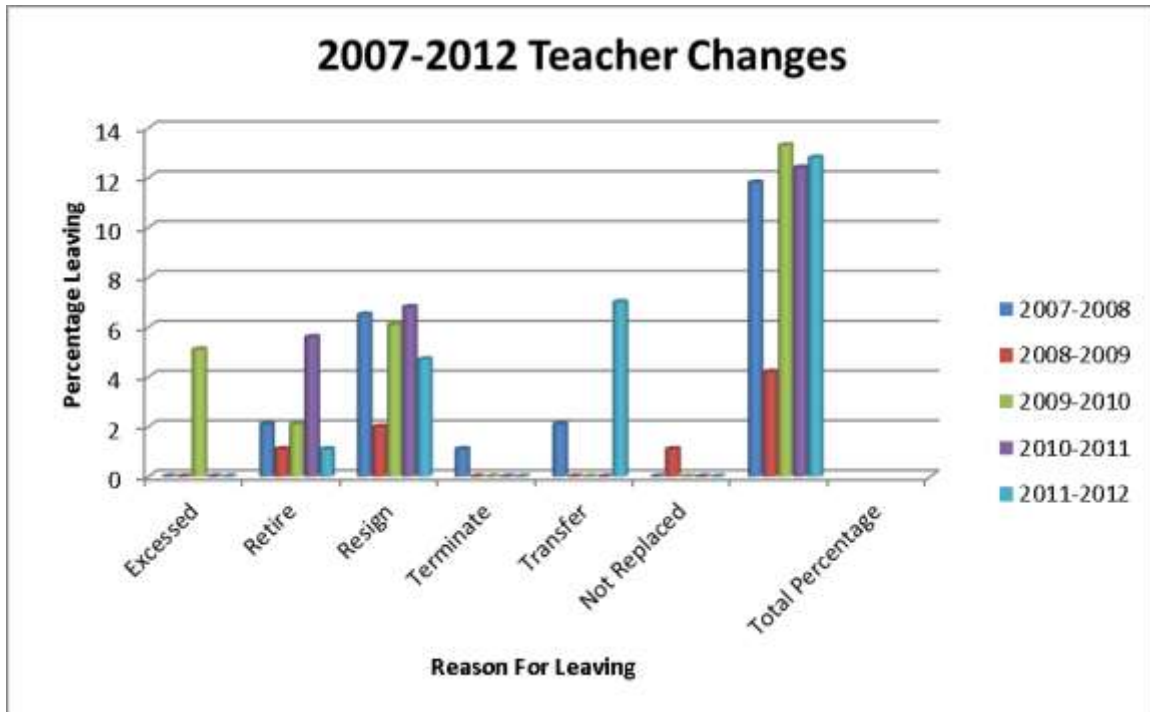

Every year teachers apply for National Board Certification. 9% of the faculty have National Board Certification.

The staff has remained between 86-93 members from 2007-2014.

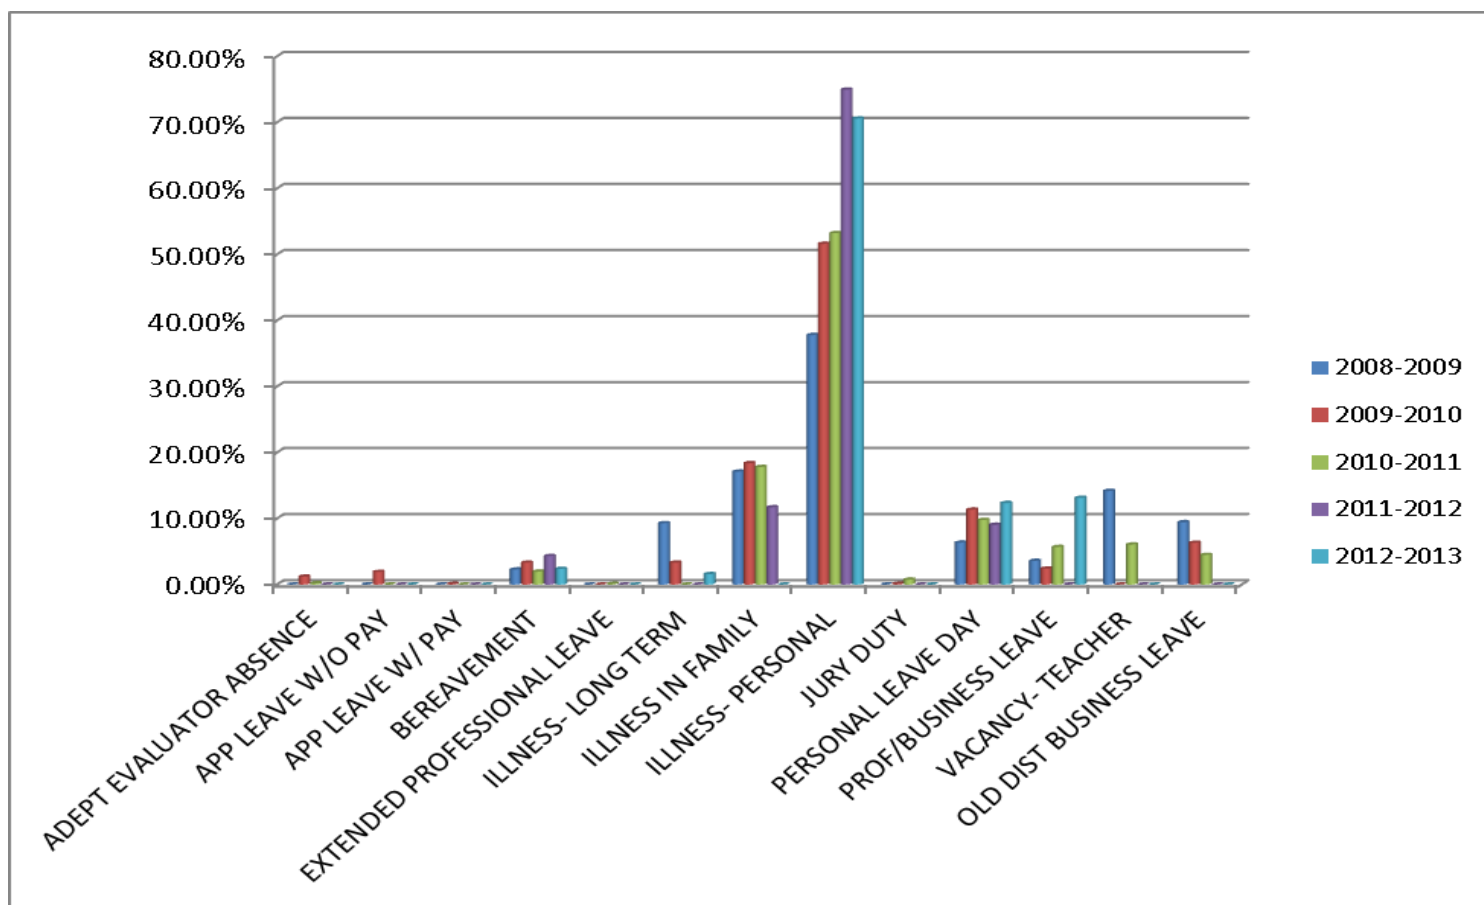

Staff changes include resignation, retirement, and excessing of teachers.

Staff absences have remained constant among years with most being in two areas: illness in family and personal illness. ***Note: Maternity leave, short-term illness and use of personal sick leave in last year before retirement are all included in the category Illness-Personal. The personal illness category is most used due to maternity leave, short-term illness, flu outbreaks and the use of sick days before retirement.

2015-2016 Professional Development Plan and Schedule

Conference Period Groups--First and third Thursdays
Emphasis: Teachers Teaching Teachers for Student-Centered Learning

Luncheon Meetings with PLC's—Specific dates for each departments
End of Course Assistance—quarterly meetings with teachers in Algebra 1, English 1, Biology, and U S History
Technology Proficiency—after school in H112 in November and December
Teacher Certification—work with all teachers who recertify their teaching certificates for June 30, 2016
New Faculty Seminars—All Mondays in September and First Monday of October—May—Address concerns and questions about Riverside's policies and procedures, Introduce Levels of Rigor , Review major parts of Learning Focused Strategies, PAS-T portfolio, Professionalism, Classroom Management , strategies for ESOL students, and special requests
Mentor/Buddies—Monthly updates on progress of new faculty members
School Improvement Council—monthly agendas, minutes, and communication with SIC members
Graduation Rate—monitor the students in Class of 2015 with the Grade 12 counselor and locate/trace any student who leave Riverside High School
Standardized Testing—meet with PLC's about the sections on the ACT and ACT Workkeys in preparation for the administration in March and April.

The professional development for 2015-16 at Riverside has involved two major topics: Converting to Google as a school and integration of the student centered concepts in the classroom experience. In Spring 2015, Riverside was notified that the school had a Google rep to assist in the implementation or Google Drive,

Website Classrooms, DOCS, and search. The rep met with each PLC during the 2015 summer. Together they outlined the conference period meetings for the 2015-2016 school year. The second focus has involved training and implementation of the student centered learning concepts. A team of seven teachers and administrators attended trainings for 18 months. The professional development for second semester focused on the requests from PLC/departments during their luncheon meetings with the CRT. The topics covered were handling assessments, working collaboratively, and dealing with diversity. The PD's focused on strategies which could be used to increase student engagement and motivation. The CRT met monthly with 13 new faculty members and with PLC's as needed to evaluate needs, strengths, and strategies for content literacy. The Google rep worked with teachers on establishing websites, using Google Docs, and sharing lesson plans in Google Classroom. The professional development changed to working on a state-required literacy plan at the end of the school year. The student centered learning team members were included in the development of the literacy plan for Riverside High School.

School Climate Needs Assessment

In reviewing data related to school report card surveys, student attendance, discipline data and parent involvement, overall RHS has a positive school climate. A few areas need improvement: 9th grade attendance rate and a further reduction in disciplinary referrals. The majority of students, teachers and parents are satisfied with the school environment.

SCHOOL REPORT CARD SURVEY Analysis:

Survey results for the years 2008-2015 were analyzed. The overall satisfaction rating is quite high for all years and remains relatively consistent. The faculty make up does not change very much year to year, and the satisfaction with the school environment is over 95%. The student and teacher survey data are more difficult to analyze and detect areas needing improvement because the group responding changes year to year. The following items were noted when analyzing the detailed data from 2014:

Teacher Response:

For all years teachers responded with an average of approximately 95% satisfaction in all three areas: Learning Environment, Social and Physical Environment, and School-Home Relations. The question "The rules for behavior are enforced at my school" was the one with the lowest number in agreement.

Parent Response:

Parents responded closer to 89% satisfaction in all areas but School Home Relations, where the satisfaction rate is closer to 79%. In looking at the detailed survey from 2012, parents mostly disagreed with the following statements: Teachers contacting them to say good things about their child, and Teachers telling them how they can help their child learn.

Student Response:

Students responded between 85% satisfaction with the following areas: Learning Environment, Social and Physical Environment, and School Home Relations. Students responded with an average 77 % satisfaction range with the Learning Environment, much lower than their parents. In looking at the 2011 detailed survey data, they most strongly disagreed in the following area: Classes being interesting and fun. From this survey data, students and parents would like more positive feedback from teachers regarding student work.

SURVEY RESULTS FOR 2011-2015:**Percent satisfied with Learning Environment:**

YEAR	Teachers	Students	Parents
2011	93.9	70.3	87.7
2012	95.3	79.8	91.4
2013	96.4	84.5	86.1
2014	98.9	83.2	91.8
2015	97.0	83.0	88.0

Percent satisfied with Social and Physical Environment:

YEAR	Teachers	Students	Parents
2011	94.0	80.2	86.8
2012	92.9	85.3	83
2013	98.8	86.9	86.9
2014	98.9	88.3	89.3
2015	96.0	82.0	88.0

Percent satisfied with School-Home Relations:

YEAR	Teachers	Students	Parents
2011	96.4	80.6	74.0
2012	93	87.7	85.1
2013	95.2	93.7	83.1
2014	96.8	90.0	69.6
2015	98.0	93.0	73.0

DISCIPLINE DATA Analysis:

The numbers for this report are as accurate as possible given the fact that over a five year period The School District of Greenville County changed systems used to report discipline four times. The systems used to report the discipline were as follows: SASI, PowerSchool, Incident Management System and GC Source. Another issue with the reporting procedure is the way that violations are classified or reported. One example is “phone violations” are reported as “uncooperative” based on the fact that the students were told at the beginning of the year to turn phones off and place them in their locker when they report to school. Results compiled follow and are accurate go to what Riverside High

School has experienced as of April. The number of referrals in 2011-2012 was lower by 42% than the prior year and the sense is that our students have not improved their behavior by that amount but that less referrals are being written. The school changed how referrals were written from a paper format to a computerized system: Incident Management System. Communication between the administrator and the teacher has dwindled somewhat because of the computerized system. In the past, teachers received a copy of the referral with action taken by the administrator so the teacher was aware that action had been taken and what that action was. In 2014-2015 there was a consistent increase in all violations but not an increase in violent incidents. There was a consistent drop in tardy referrals due to implementation of a school wide tardy policy in 2011-2012. Because the programs have changed for data recording we do not have numbers for comparisons between years.

DISCIPLINE DATA RESULTS

Violation	2014-2015			
Detention				
Violation	49			
Cutting	433			
Tardy	711			
Disruptive	126			
Phone Violation	129			
Violent	28			
Disposition/Result	2014-2015			
In School	770			
Suspension				
Suspension	123			

PARENT INVOLVEMENT

In compiling the data for this section, the following were contacted: parent volunteer coordinator, band, speech and debate, and athletic boosters. Firm numbers were difficult to document. Most of these organizations do not maintain records of parent volunteer hours consistently. Likewise, our sign-in system school-wide cannot track which parents have been in the building or for what purposes. The sign in system works for volunteers and visitors during the school day. Most of the booster club volunteers work after school hours at athletic events or band and speech competitions. Parents run the school store, provide food for several faculty meetings and conference period meetings, recognize the faculty during Teacher Appreciation Week, and assist in student orientations as well as their work in many ways after school hours. RHS also has good parent turnout for student orientations.

PARENT VOLUNTEER DATA Analysis:

Band Boosters

Approximately 65 parents were active in the program in 2011-2012. For 2012-2013, that number increased to 70; for 2013-2014, the number continued to increase to 100. The number for 2014-2015 increased to 75.

Speech and Debate Boosters

Approximately 30 parents were active with speech and debate activities 2011-2012. For 2012-2013, that number increased to 50; for 2013-2014, 75 parents worked with speech and debate. The number continues to rise with over 200 parents volunteering during the 2014,2015, and 2016 seasons. The increase coincides with the member of tournaments students and parents are involved in and form the district tournament. Riverside parents hosted in 2014-2015 and 2015-2016.

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	9-12 High	Principal:	Andrew B. Crowley
Enrollment:	1,646 students	Superintendent:	Mr. W. Burke Royster
School Phone:	864-355-7800	Board Chair:	Mrs. Lisa Wells
School Website:	http://www.greenville.k12.sc.us/riverside/index.asp		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

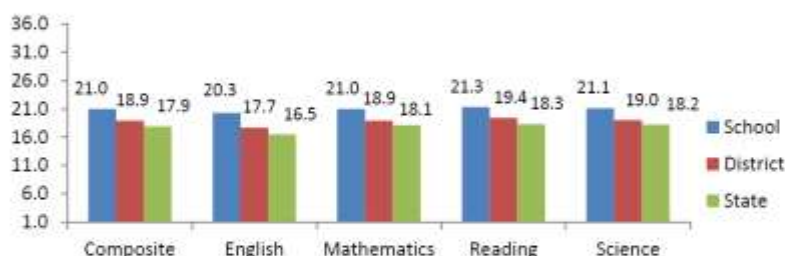

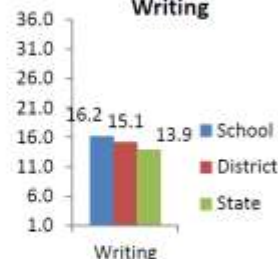

Our school is helping all students develop world class skills and life and career characteristics of the Profile of the Graduate by offering a rigorous academic program with three levels of instruction and has a continued goal to maintain high expectations for all its students. Having received the honors of Palmetto's Finest High School and a Flagship of Promise, Riverside emphasizes and challenges all students to improve and succeed in reading, mathematics, and critical thinking skills.

The 2014-15 school year proved a very successful one as Riverside received an "Excellent" Absolute Rating and an "Excellent" Growth Rating on the 2014 School Report Card as well as an "A" rating for the ESEA Waiver. Approximately 93% of Riverside graduates go on to attend a 2 or 4 year college. Riverside offers course work allowing our graduates to be successful in any area of college study. The majority of Riverside students have indicated their interest in health sciences, science, engineering, math, technology, the arts and communication. Riverside's strong academic program and robust arts department ensures that our students are well prepared for college success. Additionally, Riverside students have the opportunity to grow through community service, peer tutoring, Teacher Cadets, athletics, and a wide variety of clubs and organizations. These activities help develop leadership, time management skills, and civic responsibility.

Riverside has continued to maintain a high SAT average for its senior class. The latest score for 2015 was 1557, above both the state and national averages. In addition, both the juniors and the seniors taking the ACT demonstrated a high level of competence for an overall composite score of 21.0 or higher. Those juniors taking the ACT WorkKeys also scored in the top 10% with 88.8% competency in Math, 97.3% in reading, and 93.3% in locating information.

The scores for the End of Course tests taken in May 2015 reflected much success with over 440 students taking the Biology EOC with a passing rate of 89.2 %, with over 360 taking English I EOC with a passage rate of 88.5%, with approximately 300 students taking Algebra 1 EOC with a passage rate of 93.9%, and with 370 students taking the U S History EOC with a passage rate of 84.9%.

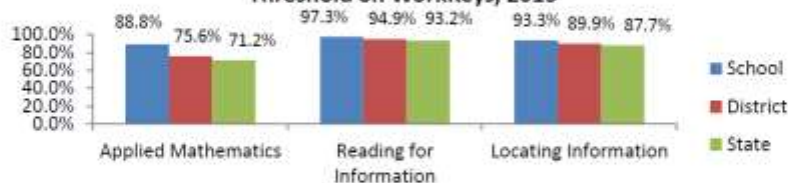

The Riverside community has served as an invaluable partner with the faculty and students. 2014-2015 was a very busy year for parent and community involvement. Parents contributed thousands of hours working athletic events, in the school store, and during lunch shifts. Even with a much larger facility and more students, Riverside continues to strive to maintain its high level of academic excellence to meet the needs of

KNOWLEDGE**Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015****Average ACT Score Achieved by Students: Writing**

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
62.2	44.8	45.9	34.8	25.3

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.

The ACT is a registered trademark of ACT, Inc.
