2018-2019 through 2022-2023

SCHOOL RENEWAL PLAN COVER PAGE

SCHOOL NAME: Eastside High School

SCHOOL RENEWAL PLAN FOR YEARS 2018-19 through 2022-2023 (*five years*)

SCHOOL RENEWAL ANNUAL UPDATE FOR 2022-2023 (*one year*)

Required Signature Page

The school renewal plan, or annual update, includes elements required by the Early Childhood Development and Academic Assistance Act of 1993 (Act 135) (S.C. Code Ann. §59-139-10 *et seq.* (Supp. 2004)), the Education Accountability Act of 1998 (EAA) (S.C. Code Ann. §59-18-1300 *et seq.* (Supp. 2004)), and SBE Regulation 43-261. The signatures of the chairperson of the board of trustees, the superintendent, the principal, and the chairperson of the School Improvement Council, and the School Read to Succeed Literacy Leadership team lead are affirmation of active participation of key stakeholders and alignment with Act 135 and EAA requirements.

Assurances for the School Renewal Plans

The assurance pages following this page have been completed and the district superintendent's and school principal's signature below attests that the school/district complies with all applicable assurances requirements including ACT 135 assurance pages.

**** Must include the School Literacy Leadership Team for Read to Succeed**

ASSURANCES FOR SCHOOL RENEWAL PLANS

Assurances checked below, along with the signature page signed by the superintendent and school principal, attest that the school complies with all federal and state applicable statute and regulation requirements, including those listed.

Early Childhood Development and Academic Assistance Act (Act 135) Assurances [S.C. Code Ann §59-139-10 *et seq.* (Supp. 2004)]

_____ **Academic Assistance, PreK–3**

The district makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).

x **Academic Assistance, Grades 4–12**

The district makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).

x **Parent Involvement**

The school encourages and assists parents in becoming more involved in their children’s education and will make special efforts to meet with parents at convenient times, provide parents with their child’s individual test results, interpretation of the results, and information on the district’s curriculum and assessment program. The school will encourage frequent communication between home and school, thus providing more opportunities for parental participation. The school will make efforts to designate space for parents to access educational resource materials. Part of the principal’s and superintendent’s evaluation may include parental involvement expectations. The school will make efforts to provide parents with information pertaining to expectations held for them by the school system, such as ensuring the attendance and punctuality of their children.

x **Staff Development**

The district provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council’s revised *Standards for Staff Development*.

x **Technology**

The district integrates technology in professional development and classroom instruction in order to improve teaching and learning.

x **Innovation**

The district funds innovative activities to improve student learning and accelerate the performance of all students.

x **Collaboration**

The district (regardless of the grades served) collaborates with health and human services agencies such as county health departments, social services departments, mental health departments, First Steps, and the family court system.

x Developmental Screening

The district ensures that students receive all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program is primarily at primary and elementary schools although screening efforts could take place at any location.

x Half-Day Child Development

The district provides half-day (and sometimes full-day) child development programs for four-year-olds. The programs primarily operate at primary and elementary schools, may be at locations with other grade levels, or be located in a completely separate school.

x Developmentally Appropriate Curriculum for PreK–3

The district ensures that the scope and sequence of the curriculum for PreK–3 is appropriate for the maturity levels of students. Instructional practices accommodate individual differences in achievement levels and take into account the student's social and cultural context.

x Parenting and Family Literacy

The district provides a four-component program for parents and children that integrates all of the following activities: interactive literacy activities between parents and their children; training for parents to be partners in their children's education; parent literacy training in economic self-sufficiency through adult education; and age-appropriate education to prepare children for success in school and life experiences. Family Literacy is not grade specific, but is generally most appropriate for parents of children at or below the primary and elementary school levels, and secondary school students who are also parents. Family Literacy program goals are to strengthen parental involvement in the learning processes of preschool children ages birth through five years; promote school readiness of preschool children; offer parents special opportunities to improve their literacy skills and education; provide parents educational opportunities; and identify potential developmental delays in preschool children through developmental screening.

x Recruitment

The district makes intensive efforts to seek out and serve those parents or guardians of children, from birth to five years of age, who are considered at-risk for school failure. "At-risk children" are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): poverty, limited English proficiency, significant developmental delays, a parent without a high school diploma or equivalent, instability or inadequate housing and/or family, poor health (physical, mental, emotional), and/or child abuse and neglect.

x Coordination of Act 135 Initiatives with Other Federal, State, and District Programs

The district makes efforts to ensure that all programs and funding, including Act 135 initiatives, are coordinated with programs such as Head Start, First Steps, Title I, and programs geared towards students with disabilities.

1. Introduction

This report was developed to document the changes and progress our school has made while working to advance teaching and learning. The self-study process and resulting report provides our staff with an ongoing means for self-assessment, communication, continuous improvement and accountability.

Our mission, vision, and action plan comprise a living document that describes Eastside High School and includes actual evidence of our work. It describes who we are, our vision for the school, goals, plans, progress and achievements within the context of our student demographics and our school needs. This report also describes how we build and utilize our overall school plan for the purpose of increasing student learning – our ultimate outcome.

Teams of stakeholders serve as the steering committee for this work based on input from our entire faculty. In spring of 2019, we reviewed the areas of need as defined in our last strategic plan. Stakeholder groups including teachers, administrators, students, and parents were asked to review the list of needs and to provide evidence that we had or had not progressed toward meeting them. These same stakeholder groups reviewed our vision and goals and provided input for a new vision and goals. As we moved in our process from a review to a plan for the future our academic departments also set goals. Our action plan is a result of this input. It was reviewed and approved by our faculty, our Student Government, our PTSA, our Leadership Team, and our School Improvement Council.

We have overcome many obstacles and we continue to face many challenges. We have many programs that are sources of great pride for our school. We are pleased that we have set and maintained a standard of excellence in the face of potential barriers. This school year we continued our theme of “Consistently Excellent” with excellence in academics, athletics and arts.

We are proud of our school and look forward to sharing it with you. Please enjoy this comprehensive report as it provides the story of who we are and how we work together to continuously improve our school.

2. Executive Summary

Student Achievement Summary

Because of the increasingly diverse nature of our student body, student learning needs are constantly evaluated. Our ESOL population continues to grow; therefore, our teachers actively strive to incorporate a variety of instructional strategies into their daily lesson plans. At Eastside we are focused on improvement for our entire student body, not just those students who comprise the lower quartile. This requires our teachers at every level to push students to perform at their maximum potential. Often, we find that our Honors/AP Level students, because they are naturally gifted, will exert the minimum effort required to make B's and C's when A's are well within their realm of possibility. We are also dedicated to increasing enrollment in our AP and Honors level classes while maintaining the necessary rigor. We have recently been approved as an AP Capstone school and have a long-range plan to increase the number of AP classes offered. We are focusing on providing our students the necessary tools for success in their future whether college bound or career bound. We also have a long-range plan to increase the number of career readiness classes offered. These long-range plans will help our students be more prepared for their next step and increase the school Graduation Plus initiative. We are striving to increase our number of graduates who are considered to be college and career ready. To meet this goal we are very intentional regarding the students we offer various testing opportunities to, encourage through our counselors to take certain classes, and promote our local career center. Our

Professional Development continues to focus on blended learning as well as using diverse instructional strategies so that all types of learners are reached. Our district has adopted the Universal Design for Learning approach which will help our teachers ensure they are designing lessons to meet the varied needs of our students. Our training and curriculum writing for UDL began just before COVID-19 shut down everything. We are now in the process of circling back to the training for all of our teachers.

Teacher/Admin Summary

All teachers are classified as Highly Qualified and we have no state accreditation deficiencies. Teachers are working towards obtaining their literacy endorsement on their state teaching certificates. Courses are being offered at the district and state level to ensure that all teachers have the opportunity to gain this newly required endorsement by the time their next certificate renewal occurs.

School Climate Summary

Student attendance rate will maintain at a rate of 95% or higher and suspension/expulsion rate will maintain at a rate below 1.0% of the student population. Teachers, students, and parents who are satisfied with the school learning environment and safety will continue to increase each year. School safety continues to be at the forefront of each school and district decision. School wide committees are in place to research programs which will address each of these areas for us. These committees are comprised of teachers, administrators, students and parents. We continue to focus our efforts on mental health awareness due to the COVID-19 pandemic. Our PTSA, SIC, counselors and administrators plan fun treats or meals for the faculty monthly along with notes or emails of appreciation.

Significant Challenges From the Past 3 Years

Eastside's challenges stem from our changing population of students which we serve as well as the pandemic of COVID-19 during the past year. As noted in our profile, the demographics have shifted mainly in our ESOL population. In the past several years, our ESOL teacher allocation has increased from a half time position to a full-time position plus a 0.4 position. This shift, along with a cultural shift in our society, presents us with a continuing challenge of revising instructional strategies to meet the changing needs of our students. Our ESOL teachers work closely with our content teachers to help our students learn in the best possible manner. COVID-19 has presented schools around the world with new and unprecedented challenges. Along with the majority of other schools, Eastside changed to an entire virtual learning environment in March 2020. Our teachers worked for two days revising their curriculum and daily lessons before going virtual with their students on the third day. This virtual instruction continued for the remainder of the school year. In the fall of 2020, we remained on a mostly virtual schedule with only one-fourth of our students a day returning to in-person learning Mondays – Thursdays. Gradually more students returned to in-person learning daily during the 2020-2021 school year. We have been fully in person for the 2021-2022 school year. These changes in schedules, along with many students remaining entirely virtual, has presented new challenges for our faculty and staff.

Accomplishments/Results During the Past 3 Years

A significant, ongoing accomplishment involves our school's progressive approach to innovative programs. Programs that especially stand out are the following: Mathia math support, after school tutoring, mastery connect and community outreach events. We have also recently

implemented virtual credit recovery during the school day in a computer lab for our struggling students, a math strategies class for identified freshmen, and a Read 180/System 44 program to support our low-level readers.

The district has completed the process of providing personalized learning devices for each student (chrome books). Our school was in the last cycle to receive the devices and we have been actively preparing for this implementation with our teacher and students over the past two years. We have implemented the use of Google Apps for Education throughout Professional Learning for teachers and in classrooms for students. Our teachers use Google Classroom as a tool in the class for the in-person and virtual students as well as a tool for flipped professional development. Several teachers periodically implement flipped lessons and a few teachers implement flipped lessons the majority of the time.

The Counseling Department not only strives to meet individual student needs during the school day, it also holds morning and evening meetings where parents gain information and can ask questions. This is very valuable since many parents work and are unable to speak or meet with counselors during the work day. Every quarter, the department hosts a professional development for teachers and a coffee with counselors for parents. District wide, the counseling department has implemented a SEL curriculum for our students using the ReThink Ed program. Our students meet in an advisory period several times throughout the year to work through these lessons. Each counselor also meets individually with each student during the year to set goals and discuss class choices. Counselors stay with the student during all four years in order to build relationships with students and their families.

Our SIC has started two new programs in recent years: Hispanic Outreach Program for our ESOL families and Community Connections for our students and families who are bused in from

further away neighborhoods. The Hispanic Outreach Program partners with our Spanish Honor Society to hold information nights each year. Parents are given the opportunity to learn about the school and also to interact with the committee members regarding helpful strategies for their children. The most recent outreach program included guests from the local Hispanic Alliance who were very well received by the parents and the students. The new Community Connections program hosts an annual event to help build community relationships. During the 2019-2020 school year, this event was held on a Saturday afternoon with games. This is held at a local community center and centers around building relationships with families in the community who are not able to easily attend events at Eastside High School. During the past year, our SIC has focused on mental health awareness and partnered with the counselors to support their efforts as well as our local YMCA to support families in need. Our SIC has recently been named one of five semi-finalists for the annual state award.

In addition, we have updated many facilities on our campus over the past two years including new customized cafeteria tables, trans cans, seating for the auditorium lobby, trophy cases, and a new sound and projection system for the auditorium. Plans are in place to paint and update the basement and locker rooms, install more benches in our outdoor areas, and build a tennis shelter and band storage building.

3. School Profile

School Profile Summary

Eastside High School's enrollment has risen over the last several years from 1,176 students in 1999-2000 to 1,552 students in 2021-2022. The configuration by grade level is as follows: 9th 426 students, 10th 399 students, 11th 372 students, and 12th 355 students. Our enrollment

includes about 400 students who do not reside in our attendance area but attend through the special permission choice program. The ethnicity of our students is as follows: 61%, are white, 15% are African American, 15% are Hispanic, 0.4% are Asian, 7.6% are multiracial and other. Our white population has decreased over the past five years, while our minority groups have all increased in that time frame. Our free and reduced lunch numbers have increased from 7.7 % in 1999-2000 to 34% in 2018-2019. This group has increased over 400% in the past decade. In 2017-2018 our ESOL students comprised 9% of our population. Our student attendance rate is steady at 96% - 97%. Eastside High School has one-hundred and ten faculty members. We continue to recruit Highly Qualified (HQ) teachers in all subject areas. All teachers are deemed HQ according to federal guidelines.

"STRENGTH THROUGH HUMAN UNDERSTANDING," our school motto, has served as the school focus since 1970. Our school first opened its doors in August of 1970 to 650 students from four neighboring schools. During its first year, the school established school colors of royal blue and gold, chose the eagle as its mascot, decided upon its motto, printed its first school newspaper, and began its first yearbook. The school also formed its chapter of the National Honor Society and began its marching band.

By 1973, the student body had doubled in size and the building had also been enlarged to accommodate this growth. The 1980's saw the student population increase to over 1,400. In the same year, math teacher Dr. Alexia Latimer established the first computer lab in the school district here at Eastside. Natural Helpers, a national peer counseling organization, was established at our school as the first in the school district as well as in South Carolina. The 1990's witnessed the construction of a new football stadium and also ushered in the concept of Site-Based Management. As the twenty-first century unfolds, all schools face the impact of

accountability legislation. Our demographic composition is changing rapidly as we work to meet the new legislative regulations.

Thirteen principals have led our school in its fifty year history. The longest tenure has been ten years. Our current principal is in her third year at Eastside. The balance of the administrative team consists of four assistant principals and two instructional coaches.

We have changed over the years from a predominately upper-middle class white student body to an increasingly diverse ethnic and socio-economic population. The white population declined for the first time in 2003, while the Hispanic population has quadrupled in the same time. In addition, the number of students who qualify for free and reduced lunches has stayed the same over the last several years.

While some of our parents are difficult to reach, we have very high parent involvement overall. Our parents volunteer thousands of hours to the school each year. While most of our students attend college in South Carolina, namely at Clemson and USC-Columbia, we have graduates at the University of Georgia, Francis Marion University, Gardner Webb College, University of Alabama, College of Korea, Columbia International College, Georgia Southern University and the Performing Arts Center of Los Angeles. Greenville Tech and Tri-County Tech are also popular schools for our graduates. Averaging over 2,000 conferences each year, our school counselors play a crucial role in helping our students to plan for their futures.

Our school is the fulfillment of a vision, inspired by her leaders -- students, teachers, administrators, parents, and all the supportive citizens of the community -- a team effort that gives special meaning to "Eastside High School: Engaging Minds. Embracing Community." which is our current tagline.

School Personnel Data

Eastside High School's teaching staff is eighty in number with twenty-nine support staff. The gender, ethnicity, and education levels of our teachers are detailed below.

Gender

Male: **34**
Female: **46**

School Programs/Initiatives:

Our school programs include literacy across the curriculum to support test scores and state standards specifically Read 180, System 44 and Language Live. Our math department uses Carnegie Learning strategies in Algebra courses and has implemented those textbooks into their curriculum. Carnegie Learning's web-based program, MATHia, is also being used by our math department. We use Project-based strategies in our classrooms extensively and all teachers use learning targets. In recent years, we have implemented programs for our ESOL population and special education students in high school credit classes. Our At-Risk population, repeat 9th grade population, and seniors who are at risk of not graduating on time are discussed at On Track meetings held twice a month. At the On Track meetings interventions and strategies are planned to help these students succeed. During the 2019-2020, we have implemented several more initiatives. An after school tutoring program three days a week with transportation provided has been a great success. Eastside has added a behavior interventionist and a mental health therapist to the staff which have both proven to be invaluable resources. Our Assistant Principals are now paired with counselors for student assignments so that better relationships can be built. Monthly, the principal facilitates a Principals Cabinet which consists of students of varying backgrounds and a Third Thursday morning group with teachers. Due to COVID-19 we have added a virtual tutoring option, expanded our in-person tutoring to before and after school four days a week and added a staff member to facilitate remediation and credit recovery.

Honor Societies/Clubs/Athletics:

Eastside High School offers an array of extracurricular activities further engaging our students in high school life. Each organization is facilitated by at least one teacher sponsor. Academic clubs and honor societies include Academic Team; Beta Club; Math Team; Mu Alpha Theta

(Mathematics Honor Society); National Art Honor Society; National English Honor Society; National Honor Society; Rho Kappa (Social Studies Honor Society); Science Honor Society; Sociedad Honoraria Hispánica, Las Aguilas (Spanish Honor Society); and Societe Honoraire de Francais et les amis (French Honor Society). Eastside's Beta Club is proud to be the largest in the state for the past several years. Additional interest-specific clubs include Art Club, Astronomy Club, Book Club, Climbing Club, DECA, Eagles for Equality: GSA, Environmental Club, FCA, First Priority, Fishing Club, Fusion Club, Gaming Club, Glee Club, HOSA, Natural Helpers, Speech and Debate, Ukulele Club, and Youth in Government. Eastside Athletics boasts plentiful and successful sports teams for boys and girls to include football, volleyball, cross country, tennis, swimming, golf, basketball, wrestling, baseball, softball, soccer, lacrosse, and track and field.

Fine Arts

Eastside's Fine Arts department offers superior guidance and instruction for a well-balanced curriculum. Students may develop creative talents to their fullest potential under the tutelage of the fine arts faculty. Award-winning symphony band, marching band, guitar, chorus, orchestra, theatre, and art studies afford students a broad range of experiences in performance and education. We also offer AP Art and AP Music Theory for those students who want to learn at the next level.

EHS Spirit Week

Each year during football season, the Eastside High School student government hosts numerous daily spirit week activities for seven days for the purpose of raising money for a charitable cause. The charitable cause is generally chosen through its association with an Eastside High School student. In 2019, spirit week generated over \$100,000 for the Synnex Corporation.

During the 2020-2021 school year spirit week will be held in April with limited in-person activities due to COVID-19. Spirit week was reintroduced in the fall of 2021.

4. Mission, Vision, and Beliefs

Values and beliefs are the core of who we are, what we do, and how we think and feel. Values and beliefs reflect what is important to us; they describe what we think about work and how we should operate. Staff was asked to brainstorm independently before we, as a group, agreed upon our core beliefs about what instruction, curriculum and assessment strategies will increase our students' learning. Our core beliefs are as follows:

- All students can learn.
- Students must be active participants in their own learning.
- Education is a shared responsibility of the home, the school, and the community.
- The academic program is the primary focus of the school.
- Extra-curricular activities are a valuable component of the total school program.
- Students learn best in a safe, disciplined environment nurtured by teachers, principals, support staff and community.
- Character development and mutual respect are essential for a positive learning environment.
- Educational experiences should encourage and enable students to learn to communicate effectively, solve problems competently, think critically and creatively, and act responsibly.
- Learning is a lifelong process.

Eastside High School's mission is to provide an educational program in a positive atmosphere that will ensure both quality and equity. Academic courses and extra-curricular programs will provide lifelong learning experiences for our community; furthermore, our vision is to be recognized as a school of excellence through our achievements in academics, athletics, and the arts.

5. Data Analysis and Needs Assessment

Student Achievement & Needs Assessment

Since the needs of our students are as diverse as the students themselves, a constant review of academic data provides our teachers and school leaders with a more accurate assessment of student progress. In the last ten years the free/reduced lunch population at Eastside High has increased 400%. Additionally, the Hispanic student population now makes up over 10% of the student body. Standardized test scores tend to mirror the socioeconomic composition of the family; therefore, we continually seek new ways to reach all our students.

Some additional data was analyzed to help us find growth areas. Discipline referrals have decreased over the past few years. The more time students spend in class the better they perform overall so we are consistent with enforcing our tardy policy. Our graduation rate is slowly rising (93% in 2017) and guidance and administration work on our drop-out problem in a collaborative effort to increase this rate and help our students stay in school. Our student attendance rate continues to remain high, and all our teachers are deemed Highly Qualified by the federal NCLB standards. The majority of data is unavailable for the 2019-2020 school year as most testing was canceled for the year due to COVID-19.

ACT (2020-2021) Average ACT Score Achieved by Students During the 2020-2021 School Year

ACT (2020-2021) - Percent of Students Meeting ACT College-Ready Benchmark

English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
60.10	42.60	49.20	37.20	27.90

EOC Pass Rate:

	Algebra 1	English 1	English 2	Biology	US History
2021	57.8		90.3	63.5	73.3
2019	50.6	81.4		75.2	87.3
2018	69.5	84.1		76.6	87.1

Four Year Graduation Rate:

	2018	2019	2020	2021
School	88.7	87.6	89.3	90.4
District	83.6	85.1	86.1	84.1
State	81.0	81.1	82.2	83.3

SAT Senior Report 2021:

	Percent of Students Tested	Average Evidence- Based Reading and Writing Score	Average Math Score	Average Composite Score
Our School	62.6	533	521	1055
Our District	51.4	538	521	1059
Statewide	46.4	524	504	1028

The highest composite score on the SAT is 1600. For each of the two sections of the test, the highest score is 800.

D. This school embeds practices reflective of an exemplary literacy-rich environment.				
Inquiry-based Learning: ● Immersion, Investigation, Coalescing, Going Public ● Read Aloud/Repeated Choral Reading ● Independent reading, writing, researching ● South Carolina College and Career Ready Standards for Inquiry ● Profile of the South Carolina Graduate				
	Rarely	Sometimes	Routinely	Possible Sources of Evidence:

D1. Teachers use predictable structures (Immersion, Investigation, Coalescing, and Going Public) so that students construct knowledge by reading and writing authentic texts to learn content for most of the instructional time.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Schedules reflecting students reading 40 to 45 minutes for each hour of reading instruction, Schedules reflecting students writing 40 to 45 minutes for each hour of writing instruction, Lesson Plans Referencing the Inquiry Standards, Examples of Student Research Projects, Student artifacts from research
D2. Teachers integrate content-specific reading, writing, & researching in order to provide the authentic experiences necessary to become more proficient researchers, readers, writers, and thinkers.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
D3. Teachers provide large blocks of time for instruction & practice for students to sustain work on reading, writing, and researching.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
D4. Teachers ensure texts and materials are organized and easily accessible by students.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
D5. Teachers ensure texts and other materials are appropriate for the readers and writers in their classrooms.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
D6. Teachers prominently display artifacts reflective of student learning.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
D7. Teachers immerse students in print-rich environments.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

E. This school ensures that students are provided with wide selections of texts over a wide range of genres and written on a wide range of reading levels to match *and challenge* the reading levels of students.

Reading Engagement:

- Student Choice
- Large blocks of time to read, write, and research
- Access to numerous books and other nontraditional forms of texts (audio books, eBooks, etc.) in the classroom that reflect a variety of genre

	Rarely	Sometimes	Routinely	Possible Sources of Evidence:
E1. Teachers provide students choice (from a wide selection, range of genres and reading levels) in what they read, write, and research.	<input type="checkbox"/>	<input type="checkbox"/>	X <input type="checkbox"/>	Student Engagement Inventories, Schedules, Book Inventories, Photographs of Classroom Libraries
E2. Teachers monitor reading and writing engagement and use that data to conference with students to increase reading and writing volume.	<input type="checkbox"/>	<input type="checkbox"/>	X <input type="checkbox"/>	
E3. Teachers reflect on and eliminate activities that interfere with text reading and writing.	<input type="checkbox"/>	X <input type="checkbox"/>	<input type="checkbox"/>	
E4. Teachers establish and directly teach routines and procedures, so that students know what to do in order to maximize time.	<input type="checkbox"/>	<input type="checkbox"/>	X <input type="checkbox"/>	
E5. Teachers ensure there are ample texts (both informational and literary) and other materials available in their classrooms.	<input type="checkbox"/>	X <input type="checkbox"/>	<input type="checkbox"/>

Section J: Previous 2020-21 SMART Goals and Progress Toward Those Goals

Please provide your school's previous goals from the 2020-21 reading plan and the progress your school has made towards these goals. Utilize the most appropriate and relevant quantitative and qualitative data to determine progress toward the goal (s).

Goal #1: The percentage of certified faculty who have earned the state required Literacy endorsement on their teaching certificate will increase from 30.6% to 35.6%.

Progress: 46% of the certified staff at Eastside High School have obtained the required Literacy endorsement on their professional certificate.

Goal #2:

Progress:

Goal #3:	Progress:

School Name: Eastside High School

Section K: 2021–22 SMART Goals and Action Steps Based on Analysis of Data

All schools serving students in third grade MUST respond to the third grade reading proficiency goal. Schools that do not serve third grade students may choose a different goal. Schools may continue to use the same SMART goals from previous years or choose new goals. Utilize a triangulation of appropriate and available data (i.e. SC READY, screeners, MTSS processes, benchmark assessments, and observational data) to set reasonable goal(s) for the 2021-22 school year.

<p>Goal #1: The percentage of certified faculty who have earned the state required Literacy endorsement on their teaching certificate will increase from 46% to 51%.</p>	<p>Action Steps:</p> <ul style="list-style-type: none"> ● Gather data from GCS human resources department to ensure accurate information is recorded (fall 2020 and spring 2021). ● Provide information to faculty regarding opportunities to earn the endorsement (through district level classes as well as virtual state classes). ● Ensure those faculty members who are approaching their deadline to earning endorsement have taken the class or are registered for the class. ● Provide Request for Change form to faculty to submit for endorsement.
<p>Goal #2:</p>	<p>Action Steps:</p>
<p>Goal #3:</p>	<p>Action Steps:</p>
