

# League Academy

Arts Integration ★ Student-Centered Learning ★ STEAM/PBL of Communication Arts

Principal, Mary Leslie Anderson  
Greenville County Schools  
Superintendent, Dr. W. Burke Royster  
Action Plan 2018-19-2022-23

**SCHOOL RENEWAL PLAN COVER PAGE**SCHOOL NAME: *League Academy*SCHOOL RENEWAL PLAN FOR YEARS 2018-19 through 2022-2023 (*five years*)SCHOOL RENEWAL ANNUAL UPDATE FOR 2018-2019 (*one year*)**Required Signature Page**

The school renewal plan, or annual update, includes elements required by the Early Childhood Development and Academic Assistance Act of 1993 (Act 135) (S.C. Code Ann. §59-139-10 *et seq.* (Supp. 2004)), the Education Accountability Act of 1998 (EAA) (S.C. Code Ann. §59-18-1300 *et seq.* (Supp. 2004)), and SBE Regulation 43-261. The signatures of the chairperson of the board of trustees, the superintendent, the principal, and the chairperson of the School Improvement Council, and the School Read to Succeed Literacy Leadership team lead are affirmation of active participation of key stakeholders and alignment with Act 135 and EAA requirements.

**Assurances for the School Renewal Plans**

The assurance pages following this page have been completed and the district superintendent's and school principal's signature below attests that the school/district complies with all applicable assurances requirements including ACT 135 assurance pages.

## **Introduction**

The League Academy staff operates under a shared leadership model comprised of several different groups of people who help in the strategic planning model. Our school portfolio committees consist of an administrative team, an instructional leadership team, a Capturing Kids' Hearts Process Champions leadership team, School Improvement Council (SIC) , Literacy Team, and content area departments. We began the strategic planning process with the instructional leadership team, who worked on creating our belief statements, mission and vision, purpose, and tagline. Each of the members of the team, took this information back to their teams and departments for consensus. Each department and the Literacy Team worked on the strategies and actions for each content area. The SIC developed school to home relations strategies and goals, and the CKH Process Champions developed strategies for improving school culture.

Our student achievement is evidence of shared leadership at work. Our school operates in a tiered approach to professional learning communities: our leadership team is made up of administrators, department chairs, team leaders, and instructional support personnel who work together to make student-centered decisions for our school. The principal's leadership focuses on student-centered school improvement based upon varied needs assessments and data and is shared through the tiers of leadership including the leadership team, team and department chairs, the plant engineer, School Improvement Council, PTA, and communications. League Academy is a professional learning community where stakeholders work together to determine action plans which are based on data collection and reflection of school processes. Reflection and discussion are imperative for improvement and school reform.

Teachers, staff members, parents, and community members have worked together examining many forms of data and analyzed their implications for student achievement. We have held discussions about trends and strategies, root causes, and improvements. We have discussed research and how we can use it to improve. These committees serve as the back bone of our school's ongoing strategic planning efforts and help ensure that all members of the educational structure at League Academy are engaged and informed. It is our intent to take these findings and recommendations and use our action plan in a concerted effort to help raise student achievement.

## Executive Summary

Student Achievement- Overall, test results at League Academy are positive. However, our achievement gap reflects that our resource/self-contained students and our African-American students have continued to be our largest group scoring in the not met/not ready categories. We continue to see a need to research strategies for improving the test scores of these, as well as all students.

### Teacher and Administrator Quality

Survey results from teachers in our building are positive; however, there are several areas that teachers feel need work. The staff at League Academy is very satisfied with working conditions, home-school relations, and overall social and physical conditions at school. The climate of the building, according to teachers, is overall positive. Teachers gave high marks to a safe and positive environment for students and staff, a culture of high expectations, and a climate of mutual respect. Two areas in which the teachers believe we need to continue our improvement are in creating equity among administrator visits to the classroom and to continue building capacity of available technology. The principal is aware of these survey results and has created a technology initiative through partnerships with the PTA, professional development, and a Bring Your Own Device Policy in conjunction with the Leadership Team. Additionally, the school is slated for one-to-one technology. While this initiative has increased the use of technology in classrooms, we continue to strive for a 1-to-1 computer to student ratio. All teachers and administrators are both certified and highly qualified for the roles in which they are serving at League Academy with the exception of two PACE certified teachers, who are working towards their certification.

### School Climate

Over the past two years, League Academy has implemented the Capturing Kids' Hearts philosophy fully. All of our staff members have been trained in the CKH model. New teachers are trained each year, and we have a Capturing Kids' Hearts Process Champions Leadership Team who lead professional development in CKH and help with staff buy-in. This team meets on the first Thursday of each month at 7 am to work on strategies for keeping the philosophy alive and energized throughout the school year. Implementation of this program has improved school climate and culture immensely over the two years. In March of 2018, League Academy was named a Capturing Kids' Hearts National Showcase School. Overall teachers and parents felt like our learning environment, social and physical environment, and school-home relationships were positive. Some of the areas that parents believe we can improve on regarding the relationship between home and school are listed below:

- My child's teachers contact me to say good things about my child. (54% Disagree)
- My child's teachers invite me to visit my child's classroom during the day. (58% Disagree)

Some of the areas that parents believe we are succeeding in regarding home and school relations are listed below:

- The principal at my school is warm and welcoming. (89.1% Agree)
- Overall friendliness. (84.8% Very Good)
- I am satisfied with the social and physical environment at my child's school. (89.7% Agree)

### Challenges:

Some of the significant challenges that we have had to overcome in the last three years include the following:

- Lack of one-to-one technology. We are in the last group of schools in our district to obtain one-to-one technology. We have battled this obstacle by making technology a priority of fundraising over the last three years.
- Meeting the needs of all of our students. We continue to struggle to increase test scores of our students who suffer from the achievement gap. These subgroups include African Americans, Hispanics, and disabled students in both math and ELA.
- Engaging all families. We strive to connect with all of our families; however, there are families that we struggle to connect with due to a variety of reasons including work schedules, lack of child care, and perception of the school community.

### **Significant Awards, Results, and Accomplishments**

A top performing middle school in the District and State

Palmetto Gold and Silver Awards for Student Achievement and Closing the Achievement Gap

First Greenville County School to be named a "National School To Watch"

National School to Watch 2011, 2014, 2017.

ABC Grant Recipient

Greenville County Schools District Champions for Girls Soccer

South Carolina Outstanding Performance Award for Band

National Junior Beta Club School of Distinction 2016, 2017

Lego Robotics Global Innovation Semi-Finalist

Strong partnerships with The Peace Center, The Fine Arts Center, and The Metropolitan Arts Council

Top Ten Finalist and Second Runner Up for Greenville County Teacher of the Year

Capturing Kids' Hearts National Showcase School

Greenville County Schools Safety Award for 2016 and 2017

SC Duke TIP Scholars/SC Junior Scholars

All State and All Region Orchestra Winners

Superior scores at orchestra, band, and chorus festivals and competitions

First place and Best Overall Awards at choral festivals and competitions

National, State, and District PTA Reflections Contest winners

American Heart Association recognition for starting Dodge Ball for Heart Disease Program

Thirty teachers presently at League have participated in SmartARTS. This has provided high quality arts integration opportunities for League teachers and students over the past 7 years. SmartARTS is a

partnership between Greenville County Schools and the Metropolitan Arts Council that connects students, artists and teachers to deeper learning and self-awareness through integrating the arts with all areas of education. SmartARTS provides training and support for teachers and artists in the use of successful arts integration methods. This is League's fourth year of participation in SmartARTS. The partnership is built on the collaboration between teacher and artist and is focused on becoming a model and resource for this innovative work that has brought academic and behavioral success for many undeserved students. SmartARTS began in Title 1 schools and now offers its programs to interested Elementary and Middle school teachers in Greenville County.

What can we do to improve the academic achievement of each student? We must continue helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring, and academically challenging learning environment. We must continue to learn more about whom we teach. We must learn more about what we teach. We must continue to learn what makes students successful. We must work to prevent those things that keep them from learning. We must learn more about how they learn best and work to provide them with what they need. We must increase the rigor in our classes. We must continue to learn more and better ways to integrate the arts into everything students do in a day. We must continue to improve how we teach – and what we know. We must continue to improve the cohesiveness of our staff. We must continue to work collaboratively with the parents in order for students to be successful. These are things that we must continue to do to provide our students with the things they deserve.

## League Academy of Communication Arts School Profile

### **School Community**

League Academy is located in a quiet neighborhood, two blocks south of North Pleasantburg Drive, near downtown Greenville. Originally built in 1965 as a junior high, League was approved to be a Communication Arts Magnet Academy by the School Board in 1995. League's communication arts program provides students the opportunity to explore many art forms and to learn at least one art form well through advanced course offerings. Students can select intermediate and advanced studies in drama, dance, band, strings, choral music, piano, and the visual arts. Additionally, students can select communication arts electives, including graphic art and design, video production, Google Applications, Teen Leadership, gaming design, communications, creative writing, Gateway to Technology, design and modeling, and journalism.

Our student population is unique because we do not follow a normal feeder school pattern. Students come to League from about 25 of our district elementary schools, and they leave us after 8<sup>th</sup> grade to attend almost every high school in our district. Our magnet population is approximately 1/3 of the student population, with the remaining being students who are zoned for our school. Our magnet school is not a school within a school—all of our students have the same opportunities in the arts and communications. Approximately 85 percent of our students fall into the arts career cluster. Our facility consists of 39 academic classrooms, a media center, a Gateway to Technology computer lab, a multimedia video production computer lab and studio, a gymnasium with exercise room and athletic fields, a dance studio, an art studio, a chorus room, a drama studio, band and strings rooms with practice studios, a cafeteria, an auditorium, and administrative as well as school counseling offices.

League Academy welcomes, hosts, and works with colleges and universities throughout our area. We are eager to host student teachers and practicum students. We establish relationships with

colleges and universities in order to attract the best and brightest teachers upon graduation as we believe that the teacher makes the difference in the classroom. We are dedicated to including families and the community in our decision-making processes. We partner with agencies for after school programs, Greenville Mental Health for our on-site mental health counselor, and small businesses for support. We include parents and community members in our PTA and SIC. The principal at our main feeder elementary school sits on our SIC and our principal sits on their SIC. We are committed to family and community involvement as an additional support to our school reform. We have strong partnerships with the arts community in Greenville including The Peace Center for the Performing Arts, The Metropolitan Arts Council, The Warehouse Theatre, and The Greenville County Museum of Art. We are members of the Palmetto State Arts Alliance, South Carolina Association for Middle Level Education, South Carolina Association of School Administrators, Association for Supervision and Curriculum Development, South Carolina Teachers of English, South Carolina Teachers of Mathematics, South Carolina Educators of Music Association, and South Carolina Junior Thespian Society.

**School Personnel Data** – Currently, there are 88 faculty and staff at League Academy. There are 50 full-time and 3 part-time teachers. On our staff we have an attendance/office clerk, receptionist, guidance clerk, four special education aides, one media assistant, an ISS assistant, a nurse, and one bookkeeper. League Academy has three administrators, one instructional coach, one magnet coordinator, one media specialist, four school counselors, and one school resource officer. In addition, we are staffed with one mental health counselor. Seventy-two percent (72%) of our teachers have advanced degrees. Five of League Academy’s teachers are National Board Certified.

Of the 50 certified teachers at League Academy thirty-three percent (17 teachers) have 0 to 5 years’ experience, nineteen percent (10 teachers) have 6 to 10 years’ experience, thirteen percent (7 teachers)

have 11 to 15 years' experience, nine teachers have worked 16 to 20 years, and three have 21 to 25 years' experience, while twelve percent (6 teachers) have more than 26 years' experience.

### Student Population Data

There are 320 students (40 percent) being served by our gifted/talented program and 10 percent being served by special education classes, with the majority of those students served through inclusion resource classes. 9 percent (76 students) are identified as Limited English Proficiency students. League's 2017-18 student enrollment of 815 includes 25% magnet students.

## Mission, Vision, and Beliefs

Our school colors are red and black and the Bulldog is our mascot. Our school tagline is ***“Challenge – Create – Communicate!”***

### We believe...

- Student-centered strategies create self-directed students who are prepared for high school and beyond.
- Communication and literacy skills are essential to student success.
- Rigor and innovation allow students to find their own individual learning pathways.
- The arts and arts integration promote critical thinking skills through creativity, wonder, desire for learning, and opportunity for self-expression.
- 21st century skills equip our students to adapt to an ever-changing world.
- Relationships with students and the entire community are the foundation of a compassionate culture.

### Mission

The mission of League Academy of Communication Arts is to prepare students to become lifelong learners and contributing members of society through rigorous, arts-focused, standards-based instruction.

Purpose:

Teaching About the Arts

Teaching With the Arts

Teaching Through the Arts

*The School District of Greenville County*

*The mission of the School District of Greenville County is to provide educational experiences in cooperation with the home and community, that prepare students for lifelong learning and ethical, productive participation in our local and global community.*

### **Shared Vision**

Our vision is a specific description of what it will be like when our mission is achieved. The vision statements for League are categorized by **curriculum, instruction, assessment, and environmental factors.**

#### **Curriculum will include:**

- Relevant, cutting-edge course offerings in the academics and related arts
- Integration of the arts across the curriculum
- Comprehensive and sequential arts programs
- S. C. and/or National Standards
- Relevant and appropriate courses designed to meet student needs
- Vertically aligned academics
- Expanded career awareness opportunities that connect students to the real world

#### **Instruction will provide:**

- Access to instruction with technology for all students
- Differentiation to meet the needs of the learners in all areas
- Rigorous standards
- Active engagement of all students
- Seamless arts integration throughout the curriculum
- Seamless technology integration throughout the curriculum
- Character education as an essential part of the school culture
- Appropriate interdisciplinary strategies
- Learning opportunities based on current research-based strategies

#### **Assessment will include:**

- Up-to-date, technology-based assessments
- A variety of types such as: portfolio, authentic, self-paced, standardized, and traditional used to guide curriculum, instruction and school programs.
- Performance based assessments, such as plays, performances, auditions, classroom theater/plays, painting, publishing and presentations.
- Variety of assessment instruments including rubrics, checklists, organizers, and self-assessments.
- Varied assessments that accommodate different learning styles and abilities.
- Assessments that emphasize *process* as well as *product*.

#### **Learning environment will:**

- Provide a safe, clean, positive, stimulating and creative space with the capacity to house all students.
- Be energetic and learner-centered
- Have flexible class schedules
- Provide a climate that embraces and encourages diverse cultures

## Student Achievement Needs Assessment

South Carolina School Report Card: [League Academy](#)

2017 South Carolina Test Results

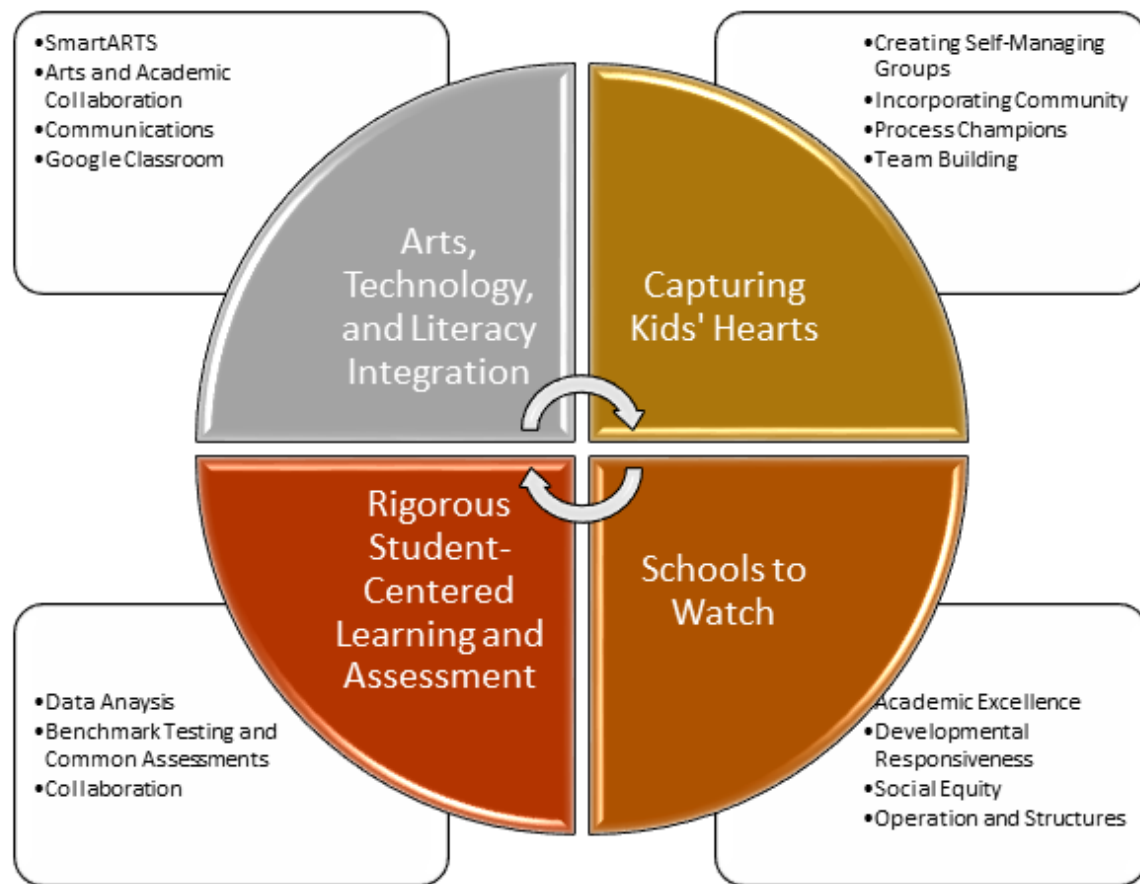

**Professional Development Plan**  
**Be a Better Builder: Building Culture, Building Leaders, Building Excellence**  
**2017-2018**

**Rationale**

The professional development focus of League Academy of Communication Arts for the 2017-18 school year will capitalize on *Be a Better Builder: Building Culture, Building Leaders, Building Excellence*. The staff at League Academy will build on our knowledge of many topics through a tiered approach to personalized professional development which drills down to focus on the individual and their needs. We will continue to build our capacity in Capturing Kids' Hearts, National Schools to Watch, arts integration, literacy integration, and technology integration. We will continue to build and grow our magnet program to include the community in developing a comprehensive arts and technology integrated school. League Academy has previously been a National School to Watch. We gained re-designation status in December of 2014, and again in December 2016. The National Schools to Watch Forum is a school reform model which encompasses continuous improvement through professional development. Our school will operate under the four domains of Schools to Watch which include:

- *Academic Excellence:* The school is academically excellent. It challenges all students to use their minds well.
- *Developmental Responsiveness:* The school is sensitive to the unique developmental challenges of early adolescence.
- *Social Equity:* The school is socially equitable, democratic, and fair. It provides every student with high-quality teachers, resources, learning opportunities, and supports. It keeps positive options open for all students.
- *Organizational Structures and Supports:* The school is a learning organization that establishes norms, structures, and organizational arrangements to support and sustain trajectory toward excellence.

## **League Academy's Personalized Professional Development**

### **Professional Learning Communities**

The staff at League Academy will participate in a variety of professional learning communities ranging from full faculty professional development to small group collaboration and planning.

### **School-Wide Professional Development**

The staff at League Academy will participate in whole faculty professional development as we continue to build a positive school culture. Faculty PLCs will be held in the Media Center from 3:45-5:00 for CKH professional development quarterly.

- Anchor Sessions- Whole Faculty PLC Dates:
  - August 10, 2017
  - August 15, 2017
  - October 4, 2017

- December 6, 2017
- February 7, 2018
- April 11, 2018

### **Instructional Leadership Team**

The Instructional Leadership Team is comprised of team and department chairpersons. The purpose of the instructional leadership team is to evaluate the instructional and professional development needs of the students and staff and strategically plan for improvement. The ILT is made up of the administration, departmental teacher leaders, team leaders, and focus group leaders. Teachers will need to submit the [PD Submission Form](#) by the date of each ILT meeting. September PD will be put together by the administrative team. The ILT will meet on the last Wednesday of the month to select and create the PD calendar for the following month (Room 207 3:45):

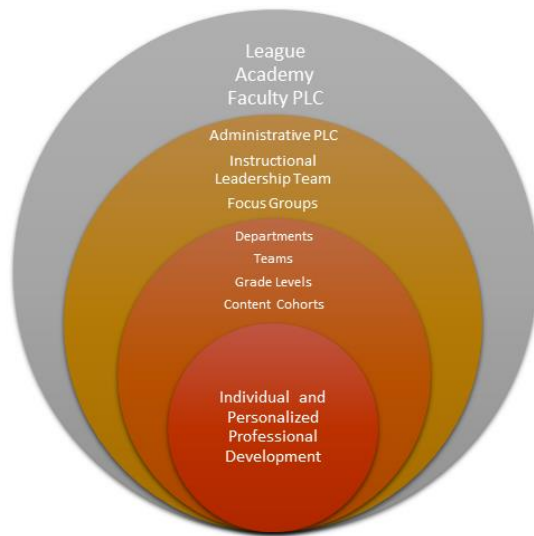

#### ILT Meeting Dates:

- August 30, 2017 (Plan for October)
  - September 27, 2017 (Plan for November)
  - October 25, 2017 (Plan for December)
  - November 29, 2017 (Plan for January and February)
  - January 24, 2018 (Plan for March)
  - February 28, 2018 (Plan for April)
  - March 28, 2018 (Plan for May)
  - April 25, 2018
  - May 30, 2018
- **Grade Level PLCs: (Meet during morning PD periods on specific Wednesdays related to benchmark testing)** Teachers work together to foster collaboration dealing with the following topics: Capturing Kids' Hearts, data analysis, horizontal planning, cross-curricular planning, student engagement, and student-centered coaching.
  - **Department PLCs: (Departments meet once per month- departments can determine when they meet)** Teachers work together to align the curriculum vertically, analyze data from year to year, and implement Common Core standards, district level curriculum maps, and assessment.
  - **Team PLCs: (Teams meet during the morning PD periods)** Teams work together to create a common culture for their students including cross curricular planning, collaboration, parent conferences, IEP and 504 meetings, student conferencing, and logistics.
  - **Cohort PLCs:** Teachers collaborate to create common syllabi, common rigorous lessons, common rigorous assessments, and to analyze data. Teachers work with the instructional coach to create rigorous instructional materials as well as to analyze and calibrate classroom assessments. The IC will work with teachers in a reflective coaching manner to encourage improvement and success.

- **Administrative PLCs:** The administrative team will work together weekly to analyze school-wide and classroom data to improve the culture of the school including Capturing Kids' Hearts, the magnet program, classroom instruction, curriculum, attendance, parent involvement, and discipline.
- **Focus Groups:** Focus groups are organized based on tasks that need to be implemented throughout the school. They meet on an individual basis and operate under teacher leadership.
  - CKH Process Champions
  - Literacy Focus Team
  - Digital Leadership Focus Team
- **Peer Observations:** Teachers will work with the Instructional Coach and the Magnet Coordinator to coordinate the visiting of other teachers' classrooms for professional development purposes. Teachers have many gifts to share with each other. The IC will organize these visits and lead the visits with groups of teachers. The purpose and goals of these visits will be set forth prior to the visit.
- **Individualized Professional Development:** The principal, instructional coach and magnet coordinator will work to assess individual needs of teachers at League Academy. Novice teachers and teachers who are going through PAS-T will work with the IC in a coaching and mentoring capacity to support retention and evaluation. The magnet coordinator will work with teachers to evaluate needs of the faculty concerning arts integration and planning. Teachers will work with the instructional coach to strengthen their own practice by analyzing student engagement and participating in peer observations. The principal will ensure that all teachers get professional development based on their individual needs through staff surveys, student surveys and focus groups, and evaluations of the needs of the school as a whole. Additionally, the principal will meet with all teachers at the beginning of the year and at the close of the year to determine needs, analyze strengths and areas of improvement, and to set goals for the school year. Goals will be addressed through individualized professional development and conferences.

### **Professional Development Requirements for League Academy Staff**

- Teachers will attend 3 Choice Sessions per month.
  - The ILT will publish the monthly calendar of options a month prior.
  - The ILT will review all submissions for PD, approve them, and schedule them.
  - Presenters will take attendance in their sessions.
- Teachers will attend Anchor Sessions monthly with the IC. These sessions are centered around data analysis, benchmark testing, increasing rigor, and student-centered learning strategies.
- Teachers will attend all Faculty CKH PLC Sessions- See dates above.
- Teachers must present at one of their team and one of their department PLCs at some point during the year.
- Use EXCEL Model for planning and implementation.

## League Academy School Climate Needs Assessment

### 2017 Student, Parent and Teacher Survey Results

Evaluations by Teachers, Students, and Parents			
	Teachers	Students*	Parents*
Number of surveys returned	51	227	117
Percent satisfied with learning environment	96.10%	83.20%	83.80%
Percent satisfied with social and physical environment	96.10%	82.00%	76.10%
Percent satisfied with school-home relations	94.20%	84.50%	59.70%

### **AdvancED Climate and Culture Parent, Student, and Teacher Survey Results Summary**

- 68% of parents state that their interactions with staff at League are respectful; 59% state supportive, and 44% state helpful.
- 91% of students state that they are safe at school.
- 100% of the staff state that students are learning at our school.
- 100% of the staff state that they support each other at our school.
- 83% of staff state that they are happy and encouraged when they are at school.

## League Academy of Communication Arts Action Plan for Continuous Improvement

<b>Performance Goal Area:</b> Schools, etc.)* (* required)	<input checked="" type="checkbox"/> Student Achievement* <input type="checkbox"/> District Priority	<input type="checkbox"/> Teacher/Administrator Quality*	<input type="checkbox"/> School Climate (Parent Involvement, Safe and Healthy
<i>Gifted and Talented Requires Goal and 1 Additional Goal</i>	<input type="checkbox"/> Gifted and Talented: Academic <input type="checkbox"/> Gifted and Talented: Other	<input type="checkbox"/> Gifted and Talented: Artistic	<input type="checkbox"/> Gifted and Talented: Social and Emotional    1 Academic
<b>PERFORMANCE GOAL: 1</b> The percentage of students scoring Meets Expectations and Exceeds Expectations on SC READY ELA will increase from __54__% in 2016-17 to __79__% in 2022-23.			
<i>Per SBE Regulation 43-261, measurable performance goals, written in five-year increments, shall be developed to address the major areas of discrepancy found in the needs assessment in key areas reported in the district and school report cards.</i>			
SMART goal must include: WHO will do WHAT, as measured by HOW and WHEN.			
<b>INTERIM PERFORMANCE GOAL:</b> The percentage of students scoring Meets Expectations and Exceeds Expectations on SC READY ELA will increase by __5__% annually.

#### ACTION PLAN FOR SCIENCE (GRADE LEVEL- 6)

<b>ACTION PLAN FOR STRATEGY #1: <u>PROCESS SKILLS UNIT (SEPS)</u></b>					<b>EVALUATION</b>
<b>ACTIVITY</b>	<b>TIMELINE</b> (Start and End Dates)	<b>PERSON RESPONSIBLE</b>	<b>ESTIMATED COST</b>	<b>FUNDING SOURCE</b>	<b>INDICATORS OF IMPLEMENTATION</b>
1. Combine unit with lab safety	First 2 weeks of year	6th Grade Science Teachers	Varies based on the cost of lab activities	Science Funds	Classroom Observations Lesson plans

<b>ACTION PLAN FOR STRATEGY #2: <u>Vocabulary</u></b>					<b>EVALUATION</b>
<b>ACTIVITY</b>	<b>TIMELINE</b> (Start and End Dates)	<b>PERSON RESPONSIBLE</b>	<b>ESTIMATED COST</b>	<b>FUNDING SOURCE</b>	<b>INDICATORS OF IMPLEMENTATION</b>
1. STEM words	First 2 weeks of year	6th Grade	N/A	N/A	Classroom Observations Lesson plans

		Science Teachers			Meeting agendas
2. Vocabulary quizzes	Biweekly & throughout each unit	6th Grade Science Teachers	N/A	N/A	Classroom Observations Lesson plans Meeting agendas
3.					

ACTION PLAN FOR STRATEGY #3: <u>Informational text/graphics</u>					EVALUATION
ACTIVITY	TIMELINE (Start and End Dates)	PERSON RESPONSIBLE	ESTIMATED COST	FUNDING SOURCE	INDICATORS OF IMPLEMENTATION
1. Every other Friday students will interpret a graph/data table or read an informational text related to our current unit	Throughout the year	6th Grade Science Teachers	N/A	N/A	Lesson Plans Classroom Observations
2.					
3.					

### ACTION PLAN FOR SCIENCE (GRADE LEVEL-) 7th

ACTION PLAN FOR STRATEGY #1: Understanding Covalent and Ionic Bonding through valence electrons					EVALUATION informal through tableau, formal quiz and eventual unit test
ACTIVITY	TIMELINE (Start and End Dates)	PERSON RESPONSIBLE	ESTIMATED COST	FUNDING SOURCE	INDICATORS OF IMPLEMENTATION

1. Teach Valence Electrons(even though they aren't in the standards)promethean board demo-teacher led- and practice problems-student led	1-2 days Early October	Teacher	none	N/A	This year the students did not understand bonding at all. Through some research we discovered they have no background on valence electrons. So our theory is, if we teach valence first, bonding will make much more sense...we will see how well they do on their tests this year vs last year to indicate if this strategy helps.
2. Teach ionic and covalent bonds AFTER teaching valence electrons-guided note taking-simple definitions	1-2 days Early October	Teacher	none	N/A	Pre/Post test scores Informal Assessments
3. Tableau showing the differences of ionic and covalent bonds-student led demonstrations in small groups	1 day Early October	Students	none	N/A	If their tableaus are accurate it will indicate understanding.

ACTION PLAN FOR STRATEGY #2: Show the interconnections of the human body systems					EVALUATION- projects, labs, tests, quizzes
ACTIVITY	TIMELINE (Start and End Dates)	PERSON RESPONSIBLE	ESTIMATED COST	FUNDING SOURCE	INDICATORS OF IMPLEMENTATION
1. Teach each human body system as a stand alone unit	January thru March	Teacher	Varied depending on labs and projects	Science department funds and order (example frogs)	Pre/Post Test scores and informal questioning/ticket out the door
2. Teach an entire unit on the connections between the systems...ask the students to decide which systems are dependent on one another. Use a group project to argue what	January thru March	Teacher	none	N/A	Pre/Post Test scores and group project

two systems are the most important and why.					
3. Socratic Seminar to present arguments on the connectedness of the body systems.	Late March	Student Led	none	N/A	Informal assessment through discussion

ACTION PLAN FOR STRATEGY #3: Focus more heavily on vocabulary					EVALUATION tests and quizzes
ACTIVITY	TIMELINE (Start and End Dates)	PERSON RESPONSIBLE	ESTIMATED COST	FUNDING SOURCE	INDICATORS OF IMPLEMENTATION
1. Teach Stems -If the students understand what the words mean instead of just memorizing words they will be more likely to remember them long term.	All year	Teacher	none	N/A	If test scores improve
2. Have quick weekly vocab quizzes	All Year	Teacher	none	N/A	Quiz scores
3. Require students to incorporate vocab words into discussions more	All Year	Teacher/student	none	N/A	Informal discussion to check for understanding.

### ACTION PLAN FOR SCIENCE (GRADE LEVEL- 8)

ACTION PLAN FOR STRATEGY #1: Vocabulary Mastery					EVALUATION
ACTIVITY	TIMELINE (Start and End Dates)	PERSON RESPONSIBLE	ESTIMATED COST	FUNDING SOURCE	INDICATORS OF IMPLEMENTATION
1. Weekly Reviews - Students will receive weekly reviews to review vocabulary from all units throughout the year	September 2018-April 2019 (Goal: 25 Weekly	8th Grade Science teachers	None	N/A	Benchmark scores will increase because vocabulary from all units will have been recently reviewed.

	Reviews)				
2. Reteach/ Extend at end of units - At the end of each unit Godfrey and Edwards will split students based on mastery. One classroom will focus on reteaching misconceptions/ vocabulary from the unit that was not mastered on the summative assessment. Students who mastered the content from that unit will complete an extension activity.	September 2018- May 2019 *Day after unit test, each unit	8th Grade Science teachers	None	N/A	Students who are being retaught for mastery will be able to complete a 10 question quiz at the end of the class period with a 70% accuracy.
3. Vocabulary Formative Assessments - Weekly formative assessment (quiz, plicker review, etc.) to assess understanding of vocabulary introduced that week	September 2018- May 2019 *Weekly	8th Grade Science teachers	None	N/A	Students will be able to use formative assessment results to measure their own growth. Mastery statement example for a student who scores a 4 out of 5 on a FA: "I can graph distance and time as a representation of speed."

ACTION PLAN FOR STRATEGY #2: Literacy in Science					EVALUATION
ACTIVITY	TIMELINE (Start and End Dates)	PERSON RESPONSIBLE	ESTIMATED COST	FUNDING SOURCE	INDICATORS OF IMPLEMENTATION
1. Giving students text to extract information/ take notes	Weekly for every unit	8th Grade Science teachers	none	N/A	Students will be able to find information in an article and use the freyer model, etc to analyze key vocabulary.
2. Current Event Articles/ Citing textual evidence - Using articles and resources from Scholastic World	Twice a month throughout the year	8th Grade science Teachers, Media Specialist (ordering class set)	<i>unknown</i>	*From Regina's media center budget	English teachers will see an improvement in students ability to analyze a non-fiction or scientific text.

ACTION PLAN FOR STRATEGY #3: Science and Engineering Practices					EVALUATION
ACTIVITY	TIMELINE (Start and End Dates)	PERSON RESPONSIBLE	ESTIMATED COST	FUNDING SOURCE	INDICATORS OF IMPLEMENTATION
1. Integration of scientific method in all labs (These activities will prepare students for their end of year lab report project)	Once per unit	8th Grade Science teachers	none	N/A	By the third (out of 6) unit, students will be able to identify variables and write a hypothesis for their lab independently.
2. Introducing topics with data/ graph analysis	At least once a week	8th Grade Science Teachers	none	N/A	Students will be able to express their analysis of a data table or graph in writing or in a class discussion.
3. Analyzing graph or data table on all summative assessments. Each summative assessment will include 5 questions asking students to analyze a graph or data table. These questions will also be used for SLO data and progress monitoring throughout the year.	At the conclusion of each unit	8th Grade Science Teachers	none	N/A	Data from these questions on unit tests will be evaluated against SLO pre-test data to measure growth.

\*Beginning in 2017-18, grades 4, 6, and 8 will take SCPASS Science.

<b>Performance Goal Area:</b> Schools, etc.)* (* <i>required</i> )	<input checked="" type="checkbox"/> Student Achievement* <input type="checkbox"/> District Priority	<input type="checkbox"/> Teacher/Administrator Quality*	<input type="checkbox"/> School Climate (Parent Involvement, Safe and Healthy
