Introduction

Our school has been involved in the self-study process since inception. We have developed a Professional Learning Community and have encouraged collaboration among all staff members to plan effective lessons, work together to find solutions to gaps in academic achievement, implement advisory-based character education programs, and address discipline concerns. We have worked on enhancing formative and summative assessments, tailoring authentic student feedback, utilizing standardized test data to influence instruction and assessment, implementing student academic interventions, and mentoring at-risk students. Our latest ventures include going one-to-one with chrome books for all students, and targeting Professional Development to enhance literacy within all subjects.

RCMS School Portfolio Committees

Committee for the School Portfolio for 2021-2022 is: David Goff, Stacy Penninger, Joseph Miles, Sara Ritchie, and Nell Berkeley.

Standard 1: Purpose and Direction

The school maintains and communicates a purpose and direction that commit to high expectations for learning as well as shared values and beliefs about teaching and learning

Standard 2: Governance/Leadership

The school operates under governance and leadership that promote and support student performance and school effectiveness.

Standard 3: Teaching and Assessing for Learning

The school's curriculum, instructional design and assessment practices guide and ensure teacher effectiveness and student learning.

Standard 4: Resources and Support Systems

The school has resources and provides services that support its purpose and direction to ensure success for all students.

Standard 5: Using Results for Continuous Improvement

The school implements a comprehensive assessment system that generates a range of data about student learning and school effectiveness and uses the results to guide continuous improvement.

Executive Summary

2021-2022 Update:

Located in the southern part of Greenville County, Ralph Chandler Middle School serves approximately 720 middle school aged children in grades six through eight. The school's namesake, Ralph Chandler, believed that the residents of rural Greenville County deserved equal access to remarkable and memorable educational experiences just as their counterparts in more populated areas of the district. This institution honors that legacy by providing exemplary learning opportunities in a safe and clean environment where all students can be proficient learners and committed citizens. Ralph Chandler Middle School helps all students with the development of world-class skills and life and career characteristics, as outlined in the Profile of the South Carolina Graduate. We continue to provide a family-friendly environment focused on learning and student achievement. To that end, our staff works collaboratively to provide students with rigorous, hands-on learning experiences. Our students consistently meet or exceed district and state expectations on benchmark and state assessments.

In 2020 – 2021 school year, Ralph Chandler Middle was named Schools to Watch® by the National Forum to Accelerate Middle Grades Reform. The schools' emphasis on strong academics, sensitivity to young adolescents' needs and interests, and commitment to providing all students equal access to a high quality education resulted in this recognition. RCMS is recognized for a three-year period, at the end of which we must apply for re-designation and demonstrate that we are continuing to meet the National Forum's rigorous criteria.

- **Academically Excellent.** We challenge all students to use their minds well.
 - Expectations are clear for students and families
 - Students know what high quality work looks like
 - Students receive teacher feedback with an open mind and revise their work based upon that feedback
 - Curriculum and Instruction are standards aligned and make clear what students should be able to know and do
 - Students and their families know what they are learning and why: work is demanding and propels learning forward
 - Students are highly engaged with a variety of instructional strategies – simulation, hands-on, direct instruction, and technology integration.
 - Student learning is measured often and with real-world problems, connecting questions and tasks.
- **Developmentally Responsive.** We are sensitive to the unique developmental challenges of early adolescence.
 - The staff creates a personalized environment for students intellectual, ethical, social, and physical development.
 - The school is organized into teams for enhanced teaching and learning – relationships are the center of everything.
 - Every student has an advocate on staff and families have access to help when they need it most.

- Teachers make learning relevant to real-life experiences.
- Students have opportunities to develop their identity through exploration of possibilities – including future careers.
- All students have an opportunity for voice – leadership, decision-making, input, clubs, and/or extra-curricular activities.
- Staff develops alliances with families so parents are informed, included, and involved as partners in their children’s learning experience in middle school.
- **Socially Equitable.** We are socially equitable, democratic, and fair. We provide every student with high-quality teachers, resources, learning opportunities, and supports. We keep positive options open for all students.
 - Students of all ability levels participate in classes with high academic and behavioral expectations.
 - All students have equal access to curriculum and high quality teaching that meets their needs.
 - All students use technology to do research and learn – students learn from more than textbooks.
 - The school community knows every student well.
 - Students have opportunities to learn about and appreciate their own and others’ cultures: multiple viewpoints are encouraged.
 - The reward system is designed to honor and recognize the contributions of all students.
 - The school rules are clear, fair, and consistently applied.
- **Organizational Structures & Processes.** We are a learning organization that establishes norms, structures, and organizational arrangements to support and sustain trajectory toward excellence.
 - Shared, distributed, and sustained leadership propels the school forward and preserves its institutional memory and purpose.
 - The principal has the responsibility and authority to hold the school-improvement enterprise together, including day-to-day know-how, coordination, strategic planning, and communication
 - The school is a community of practice in which learning, experimentation, and time for reflection are the norm.
 - Content-rich professional development aimed to increase student achievement is regularly offered.
 - The school is not an island: community partnerships are important to us as a learning community.
 - The school includes families and community members in the support of the schools mission and vision.

School Profile

Ralph Chandler Middle School understands our families, staff and community play an important role in actualizing our shared vision. We are committed to developing a variety of relationships within our community in order to benefit our students and our community at large.

Parental Involvement

The Parent Teacher Student Association (PTSA) at Ralph Chandler Middle School is very involved in the life of the school. The PTSA-sponsored “Spirit Week” is the school’s biggest fundraiser and is now a tradition. Spirit Week included an array of entertaining activities for students and teachers alike. Funds raised from Spirit Week benefit the school in many ways, as well as contribute to the United Way. The PTSA has partnered with local businesses to have RCMS Spirit Nights where our school receives a percentage of the profits. In addition, the PTSA provides food for our faculty and staff several times annually. Additionally, the *Friends of Chandler* entity accepts donations of any amount. The PTSA has a school store open before school three days a week that sells school spirit wear, supplies, and snacks. They also sponsor school-wide dances, as well as the 8th grade dance at the end of the school year. The PTA also has purchased a snow cone machine that is used to sell snow cones during Panther Zone events and on other special occasions. Mini-grants in excess of \$6,000 are traditionally provided to teachers and staff to assist towards purchases of instructional equipment. The PTSA sponsored the purchase of two new mobile *Chromebook* carts, as well as other items for the school.

Community Involvement

The School Improvement Council (SIC) is currently composed of parents, teachers, administration and members of the community. The variation of members serving on the council provides important, yet differentiated input. Discussions of the SIC have included school-wide academic progress, assessment data, improvements to the outdoor fields, and campus beautification. The SIC also regularly develops surveys to ask for input in ways in which our school might provide training, information, or services beneficial to the community.

RCMS, over time, has found many ways to be involved with the community:

- Coat drive to provide coats to needy children
- Curriculum Night
- Read to Succeed book drive
- Canned food drive
- Quarter drive to raise money for needy families within our community
- Hosting an open house and dedication to allow the community to see the facility and meet the faculty and staff
- United Way Fundraising Campaign
- The RCMS Beta Club has volunteered for the following organizations: Greenville Humane Society, Golden Strip Food Bank, and Monroe Mission House.
- Lunch with an Adolescent is a Partnership/Community Involvement activity in which parents and other community members came to RCMS during lunch to do the following: interact with our young adolescents; share their knowledge of the world of work with students; and encourage

and inspire tomorrow's leaders.

- USC-Upstate practicum students and Clemson student teachers
- Trees Greenville: partnership for landscape improvement with Hillcrest High Agriculture Department
- Relay for Life team of students and teachers
- School Health Index assessment and implementation with Greenville's *Live Well*
- Various fundraisers
- Christian Release Time one day a week (Wednesdays)

Several of our acquired partnerships are listed below.

- \$3000 grant from the Alliance for Quality Education to purchase resources for the PLC initiative
- Discounted materials from Lowe's for campus beautification projects
- Supply donations from the local Simpsonville Lowe's
- Publix Partnership Cards has brought several hundred dollars just this year from families shopping at Publix
- \$1000 grant from the Greater Greenville Master Gardener's Association to plant a Carolina Fence Garden on campus
- Target Field Trip Grant- \$800.00
- PTSA Mini Grants- Provided in excess of \$6,000.00 for teacher projects and purchases
- 3M Project Lead the Way reoccurring GTT grant for \$10,000
- Best Buy Teaching Grant
- Teaching materials from the South Carolina Geographic Alliance
- Resources/workshops from the National Endowment for the Humanities
- Discounts on athletic equipment and supplies from First Team
- Baseball/Softball field materials provided by Burnett Lime Company
- 3M Grant for teacher to attend the 3M Keystone Science Institute in Colorado. The focus was environmental issues.
- \$600.00 grant from Greater Greenville Masters Gardener Association to design and construct a courtyard garden
- \$3500 from 3M Corporation for the purchase of math manipulative materials and art supplies
- Several businesses donated gifts for a drawing at the music department's concert including: Music and Arts, Great Bread Co., I Declare, and Lights for Life.
- Guest speakers in math and science classes for Engineering Day
- \$6000.00 Green School Grant to develop the nature trail behind the school
- Career Day with local professional guest speakers
- Greenville Drive Reading All Stars program

Future community involvement

We will continue to welcome the involvement of our local community in the education and development of our students. We will also diligently strive to find ways for community members and organizations to share their time, talent, and resources with our students. In return, we will pursue ways the school can return the investment through resources that are beneficial to the community. In order to empower active citizens, students and faculty and staff will be encouraged to organize and participate in service activities that benefit the school and community. We have implemented an after school program for students that runs from 3:30 until 6:00 that we plan to continue to grow in the coming years.

Personnel

Our faculty consists of seven male and thirty-four female full time teachers. We have three school administrators, an instructional coach, three guidance counselors, a media specialist, a part-time ESOL teacher, a guidance clerk and a school nurse. We also have an attendance clerk, a secretary, a media aide, and two front office staff members. Our cafeteria is staffed by six individuals, and we also have six members on the maintenance staff.

The table below illustrates the experience level of our professional faculty.

Years	# of staff	% of staff
0-5 years	14	29.8%
6-10 years	10	21.3%
11-15 years	8	17%
16-20 years	8	17%
21-25years	6	12.8%
26+ years	1	2.1%

The information below indicates the educational degree level of our professional faculty:

Degree	Number of staff	% of staff
B.A./B.S.	15	31.9%
B.A. +18	3	6.4%
Masters	18	38.3%
Masters +30	8	17%
Ed. S	2	4.3%
Doctorate	1	2.1%

As evidenced by the above tables, our staff occupies all experience levels and many have completed additional coursework. Our staff continues to desire professional growth as demonstrated by the number of staff with advanced degrees. Paraprofessionals in our building are one of our greatest assets. The school would not be able to operate smoothly without their selfless contributions. Noteworthy is the fact that our Media Clerk, Ms. Cornish, was named the 2015 Media Paraprofessional of the Year by the South Carolina Association of School Librarians (SCASL).

Our staff is 89% Caucasian. Three of our faculty members are Nationally Board Certified. Our teacher attendance rate was 96.2% during the 2020-2021 school year, which has fluctuated by a couple of percentage points from year to year.

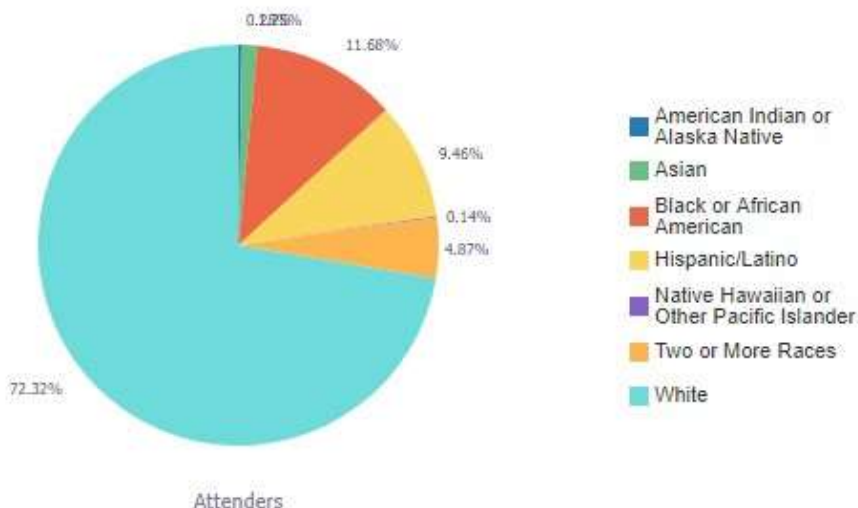

Student Population

Our enrollment for previous academic years has averaged approximately 730 students. We ended the 2020-2021

year with 506 in-person students and 240 participating in the virtual school option. We currently have 721 students attending in-person school and approximately 32 students attending the virtual option. Our student attendance rate for the 2021-2022 school year is 93.3 %.

The demographic data concerning our 2021-2022 student population is found below:

Students by Ethnicity

2021-2022 Total Student Population: 719			
Ethnicity	6th Grade	7th Grade	8th Grade
Black	22	33	29
Hispanic	25	24	19
White	164	169	187
Asian	4	3	2
American Indian / Alaskan	1	0	1
Pacific Islander	0	1	0
Two or More Races	9	18	8
Total	225	248	246

Academic and Behavioral Features

RCMS is proud to provide a myriad of academic and behavioral opportunities for our entire learning community. Teachers are encouraged and expected to participate in professional development within their content area(s) as well as technology for the classroom. This allows our teachers to remain current regarding educational initiatives.

Students' academic, behavioral, and emotional well-being are all fostered by the entire staff at RCMS. Students have tutors, mentors, and counselors at their disposal. RCMS also reaches out to parents by providing programs that maintain positive relationships.

Opportunities for our entire learning community are itemized as follows:

- RCMS provides students with a daily lab time which provides students with one extra period of each core class weekly.
- RCMS provides once weekly advisory time to improve student character, life skills and personal responsibility. This period allows students to develop a relationship with each other and their homeroom teacher.
- RCMS encourages writing across the curriculum which has remained fluid due to fluctuations in the state's writing assessment expectation.
- RCMS provides teachers and parents, time to schedule routine parent teacher conferences to strengthen the relationships between students, teachers, and parents.
- RCMS provides technology-integrated professional development to assist teachers in keeping students actively engaged.
- RCMS provides testing to assess students' individual strengths and weaknesses. Test results are used for teachers to adopt classroom teaching strategies and accommodations for students of all learning styles and abilities.
- RCMS provides Power Teacher training to assist teachers with student record keeping, running reports, and analyzing trends in grades.
- RCMS provides eclectic, job-embedded professional development opportunities for all certified staff. Professional learning is based on focal points developed by the Instructional Leadership Team.
- RCMS teachers have completed Promethean Board Training as a measure of maintaining student engagement while integrating technology. A minimum of 10 hours of training is required by the district.
- RCMS adheres to the state standards, and teachers are required to post the standards/indicators on the board for each individual lesson.
- RCMS provides collaborative opportunities for teachers, department heads, team leaders, and administration.
- RCMS provides teachers with team meeting times to allow teachers to communicate with each other in addressing teaching strategies, discipline, and parental concerns. Beginning in the 2015-2016 school year, academic and behavioral support interventions were embedded during this meeting time.
- RCMS provides mentoring (academic and behavioral) through a time of reflection during in-school suspension.
- RCMS teachers offer before and after school tutoring for students across grade levels.

- RCMS offers peer mediation to students in the Counseling Department in efforts to work out differences in a controlled environment.
- RCMS offers Beta Club to students who excel academically.
- RCMS offers Student Council to students to learn leadership qualities.
- RCMS offers additional support to at-risk male and female students through strategically designed mentoring programs.
- RCMS teachers provide weekly, systematic academic and behavior intervention services to students Mondays, Tuesday, Wednesday, and Thursday, while Fridays present students with valuable advisory lessons.
- RCMS provides a variety of high school level courses within core curriculum as well as the related arts' curriculum. These courses include: English 1, Algebra 1, Spanish 1, Google Basics, Desktop Publishing, and Geometry.

Statements of Purpose

Mission

The mission of Ralph Chandler Middle School is to provide diverse educational opportunities that support Critical Thinking, Communication, Collaboration, and Creativity.

Vision

Preparing 21st Century Learners

Beliefs

We Believe:

- in honoring the legacy of Ralph Chandler.
- positive relationships play a critical role in student success.
- our students are the focus of our school community.
- in developing responsible digital citizens for the 21st century.
- a quality education embodies a passion for teaching and learning .
- a collaborative community empowers students to succeed.
- students should contribute to the community through service learning.
- developing good character is vital to our success.
- establishing a climate of mutual respect will promote a safe and orderly environment.
- in the development of the whole child through extra-curricular activities.

Data Analysis and Needs Assessment

Student Achievement

SC Ready continues to be our state assessment for Math, ELA, and Writing. The SC PASS for Science and Social Studies remains in place as well. We received the Palmetto Silver award from the state for improved performance in 2011 and a Gold award for improvement in January 2012, 2013, 2014, and 2015. For the 2018-2019 school year RCMS scored an overall rating of 'Good' with a 54 on the state report card which is only 2 points away from Excellent.

The following data is from the 2020-2021 school year.

Teacher and Administrator Quality

All teachers at Ralph Chandler Middle School use technology in their classrooms, and the majority of teachers are technology proficient, as demonstrated through INTEL certification. Teachers who have yet to receive a professional teaching certificate are exempt from technology proficiency expectations. Technology proficiency is pursued upon completion of two years of teaching with successful formal evaluation cycles.

Our intent is to provide quality professional development in a variety of areas which will give our teachers more tools to create dynamic standards-based lessons and to more effectively manage their classrooms. We will continue to focus on research-based teaching strategies and on improving our collaboration through Professional Learning Communities. Such training is critical in maintaining a high degree of staff quality. Teachers consistently receive job-embedded professional development opportunities during grade level, team, and department meetings, as well as collaborative planning sessions. In addition, RCMS has at least one content area representative at each district-level, content-specific professional development.

We will also continue to encourage our staff to become highly qualified in all subjects in which they teach. Due to changes in student enrollment, some of our teachers work in two-person teams. As enrollment fluctuates from one grade to another, it may be necessary to move some staff to another grade level or content area. We will continue to work with these teachers in becoming highly qualified as these changes occur. We may also need to add additional staff and will make it a priority to select teachers who already possess the highly qualified credentials needed at that time.

Ralph Chandler Middle School

Professional Development Calendar 2021-2022

Jeff Jenkins – Principal

In addition to the Professional Learning opportunities listed in the table, our staff also regularly engages in the following:

1st Wednesday each month – *Department Meetings*

2nd Wednesday each month – *Team Leaders*

Weekly - *Collaborative Planning sessions on Friday (rotation by department)*

Weekly – *Team meetings on Tuesdays and Grade Level meetings on Mondays*

Professional Development Plan 2021/2022

During the 21/22 school year, each academic content area team will participate in a Learning Cycle that will center around a goal or set of goals that the department creates for itself.

Each content area (ELA, Math, Science, and Social Studies) will meet once weekly over a four week learning cycle time frame. The first meeting will focus on goal-setting, exploring the what and why of our work, and looking toward the future. The second meeting, teachers will plan with the central goal in mind. During the third meeting, teachers will observe each other in a formal “instructional rounds” setting against the context of the unified goal created at the start of the cycle. Finally, the fourth meeting will include a debrief in which teachers can reflect and discuss the work of the cycle as well as plans for next steps.

This learning cycle is unique in that, during the four weeks of reflective work, the Instructional Coach alone embeds in classrooms completing co-teaching, observations, and coaching. During these cycles, administration is observing and providing feedback to the faculty members in the department who are not currently “in cycle.”

Once the learning cycles for all academic departments ended at the close of December, teachers were asked to provide topics of interest they still had after the learning cycle. Unanimously, teachers provided a list of strategies they were interested in learning more about in order to reach our lower performing students. These topics include: launch strategies, brain breaks, lesson pacing, inquiry-based strategies, and project-based learning strategies. The focus strategies were addressed during Tuesday professional development times during planning periods for all instructional faculty, including related arts instructors. Launching in January, all teachers participated in data analysis meetings to sharpen the focus as the final assessments for the school year approach. Using a standard format to guide thinking, content partners worked to determine focus standards of greatest academic need and strategies to address those needs directly in the classroom. These conversations took place in small groups once per week and were followed by additional work with the Instructional Coach looking at effective implementation of impactful strategies through the close of the school year.

Percent of Students Satisfied with Home-School Relations	86	84.4	82.0	89.5		
Percent of Parents Satisfied with Home-School Relations	66.3	76	73.4	86.6		

Patterns:

1. Teacher attendance rate is 94.6% which is down slightly from last year, but second highest over the past 4 years.
2. Teachers are most satisfied with Home-School Relations and all groups have increased significantly in this category.
3. Students are very satisfied with the learning environment at the school while teachers and parents have decreased in this category. There have been some teachers transitioning out of the building and multiple initiatives such as 1:1, Benchmark Testing, and other programs were introduced. Focus groups such as Department Chairs, Team Leaders, and School Leadership will review this disconnect further.

Impact of COVID-19:

On March 27, 2020, the U.S. Department of Education approved the SC Department of Education's request to waive statewide assessment, accountability, and reporting requirements of in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year due to widespread school closures related to COVID-19.

For spring 2020, South Carolina did not administer any of the following assessment programs:

- SC READY (English language arts and mathematics in grades 3–8);
- SCPASS (science in grades 4 and 6);
- End-of-Course Examination Program (English, Algebra, Biology, United States History and the Constitution) the requirement that these examinations count 20 percent has been waived;
- Prekindergarten assessments – 4-year-old kindergarten (Phonological Awareness
- Literacy Screening (PALS Pre-K™), Individual Growth and Development Indicators (myIGDIs™), and Teaching Strategies® GOLD); and
- Alternate Assessments – some students have already taken the alternate assessments.

The following assessments were unable to be administered due to COVID-19 and required a waiver

- Grade 10 PSAT
- Ready to Work
- ACT, SAT
- AP, IB, Cambridge International
