Introduction

Our school has been involved in the self-study process since inception. We have developed a Professional Learning Community and have encouraged collaboration among all staff members to plan effective lessons, work together to find solutions to gaps in academic achievement, implement advisory-based character education programs, and address discipline concerns. We have worked on enhancing formative and summative assessments, tailoring authentic student feedback, utilizing standardized test data to influence instruction and assessment, implementing student academic interventions, and mentoring at-risk students. Our latest ventures include being named and re-designated as a National School To Watch, seeking recognition by the National PTA School of Excellence, and focusing on PLC with future plans to earn designation as a Model PLC School.

The Committee for the School Portfolio for 2025-2026 is: Brandon Addy, Sara Bowers, Jaime Campbell, Katie Garner, and Beth Spence.

Standard 1: Purpose and Direction

The school maintains and communicates a purpose and direction that commit to high expectations for learning as well as shared values and beliefs about teaching and learning

Standard 2: Governance/Leadership

The school operates under governance and leadership that promote and support student performance and school effectiveness.

Standard 3: Teaching and Assessing for Learning

The school's curriculum, instructional design and assessment practices guide and ensure teacher effectiveness and student learning.

Standard 4: Resources and Support Systems

The school has resources and provides services that support its purpose and direction to ensure success for all students.

Standard 5: Using Results for Continuous Improvement

The school implements a comprehensive assessment system that generates a range of data about student learning and school effectiveness and uses the results to guide continuous improvement.

Executive Summary

2024-2025 Update:

Located in the southern part of Greenville County, Ralph Chandler Middle School serves approximately 750 middle school aged children in grades six through eight. The school's namesake, Ralph Chandler, believed that the residents of rural Greenville County deserved equal access to remarkable and memorable educational experiences just as their counterparts in more populated areas of the district. This institution honors that legacy by providing exemplary learning opportunities in a safe and clean environment where all students can be proficient learners and committed citizens. Ralph Chandler Middle School helps all students with the development of world-class skills and life and career characteristics, as outlined in the Profile of the South Carolina Graduate. We continue to provide a family-friendly environment focused on learning and student achievement. To that end, our staff works collaboratively to provide students with rigorous, hands-on learning experiences. Our students consistently meet or exceed district and state expectations on benchmark and state assessments.

In the 2020 – 2021 school year, Ralph Chandler Middle was named Schools to Watch® by the National Forum to Accelerate Middle Grades Reform. The school was redesignated at the end of the three evaluation cycles during the 2023-2024 school year. The schools' emphasis on strong academics, sensitivity to young adolescents' needs and interests, and commitment to providing all students equal access to a high quality education resulted in this recognition. RCMS is recognized for a three-year period, at the end of which we must apply for re-designation and demonstrate that we are continuing to meet the National Forum's rigorous criteria.

- **Academically Excellent.** We challenge all students to use their minds well.
 - Expectations are clear for students and families
 - Students know what high quality work looks like
 - Students receive teacher feedback with an open mind and revise their work based upon that feedback
 - Curriculum and Instruction are standards aligned and make clear what students should be able to know and do
 - Students and their families know what they are learning and why: work is demanding and propels learning forward
 - Students are highly engaged with a variety of instructional strategies – simulation, hands-on, direct instruction, and technology integration.
 - Student learning is measured often and with real-world problems, connecting questions and tasks.
- **Developmentally Responsive.** We are sensitive to the unique developmental challenges of early adolescence.
 - The staff creates a personalized environment for students' intellectual, ethical, social, and physical development.

- o The school is organized into teams for enhanced teaching and learning – relationships are the center of everything.
- o Every student has an advocate on staff and families have access to help when they need it most.
- o Teachers make learning relevant to real-life experiences.
- o Students have opportunities to develop their identity through exploration of possibilities – including future careers.
- o All students have an opportunity for voice – leadership, decision-making, input, clubs, and/or extra-curricular activities.
- o Staff develops alliances with families so parents are informed, included, and involved as partners in their children’s learning experience in middle school.
- **Socially Equitable.** We are socially equitable, democratic, and fair. We provide every student with high-quality teachers, resources, learning opportunities, and support. We keep positive options open for all students.
 - o Students of all ability levels participate in classes with high academic and behavioral expectations.
 - o All students have equal access to curriculum and high quality teaching that meets their needs.
 - o All students use technology to do research and learn – students learn from more than textbooks.
 - o The school community knows every student well.
 - o Students have opportunities to learn about and appreciate their own and others’ cultures: multiple viewpoints are encouraged.
 - o The reward system is designed to honor and recognize the contributions of all students.
 - o The school rules are clear, fair, and consistently applied.
- **Organizational Structures & Processes.** We are a learning organization that establishes norms, structures, and organizational arrangements to support and sustain a trajectory toward excellence.
 - o Shared, distributed, and sustained leadership propels the school forward and preserves its institutional memory and purpose.
 - o The principal has the responsibility and authority to hold the school-improvement enterprise together, including day-to-day know-how, coordination, strategic planning, and communication
 - o The school is a community of practice in which learning, experimentation, and time for reflection are the norm.
 - o Content-rich professional development aimed to increase student achievement is regularly offered.
 - o The school is not an island: community partnerships are important to us as a learning community.
 - o The school includes families and community members in support of the school's mission and vision.

School Profile

Ralph Chandler Middle School understands our families, staff and community play an important role in actualizing our shared vision. We are committed to developing a variety of relationships within our community in order to benefit our students and our community at large.

Parental Involvement

The Parent Teacher Student Association (PTSA) at Ralph Chandler Middle School is very involved in the life of the school. The PTSA-sponsored “Spirit Week” is the school’s biggest fundraiser and is now a tradition. Spirit Week included an array of entertaining activities for students and teachers alike. Funds raised from Spirit Week benefit the school in many ways, as well as contribute to the United Way. The PTSA has partnered with local businesses to have RCMS Spirit Nights where our school receives a percentage of the profits. In addition, the PTSA provides food for our faculty and staff several times annually. Additionally, the *Friends of Chandler* entity accepts donations of any amount. The PTSA has a school store open before school three days a week that sells school spirit wear, supplies, and snacks. They also sponsor school-wide dances, as well as the 8th grade dance at the end of the school year. The PTA also has purchased a snow cone machine that is used to sell snow cones during Panther Zone events and on other special occasions. Mini-grants in excess of \$6,000 are traditionally provided to teachers and staff to assist towards purchases of instructional equipment. The PTSA sponsored recognition programs for A and A/B honor roll students and also supports the schools Panther Explore club time program as well as the schools PBIS program.

Community Involvement

The School Improvement Council (SIC) is currently composed of parents, teachers, administration and members of the community. The variation of members serving on the council provides important, yet differentiated input. Discussions of the SIC have included school-wide academic progress, assessment data, improvements to the outdoor fields, and campus beautification. The SIC also regularly develops surveys to ask for input in ways in which our school might provide training, information, or services beneficial to the community.

RCMS, over time, has found many ways to be involved with the community:

- Coat drive to provide coats to needy children
- Curriculum Night
- Canned food drive
- Quarter drive to raise money for needy families within our community
- Hosting an open house and dedication to allow the community to see the facility and meet the faculty and staff
- United Way Fundraising Campaign
- The RCMS community service Club has volunteered for the following organizations: Greenville Humane Society, Golden Strip Food Bank, and others.
- University practicum students and student teachers

- Run Hard team of students and teachers
- Various fundraisers
- Christian Release Time one day a week (Wednesdays)
- Build-A-Bear Community Community connection between RCMS and Fork Shoals School.
- Giving Tree which supports families in need for Winter Holiday
- Introduction of a service learning class in the 2024-2025 school year
- Strong partnerships with local nursing home Legacy
- Strong partnership with Backpack Blessings program which provides food bags for the week for students with food insecurity.

Several of our acquired partnerships are listed below.

- PTSA Mini Grants- Provided for teacher projects and purchases
- Greenville Drive Reading All Stars program
- IV Metal Works, LLC funded our Breakfast Club which focuses on Career Development
- Palmetto Used Cars donated to support our Breakfast Club Career Development
- J Osborne Designs supported the school through various activities including Breakfast club, Giving Tree, Staff Appreciation events and fundraisers that benefited our community needs.
- Donation from Publix Partnership Cards from families shopping at Publix
- Career Speakers for Breakfast Club this year included;
 - Mayor of Fountain Inn - GP McLeer
 - Canebrake Fire Chief - Zac Terry
 - Greenville County Sheriff's Office : Sergeant Brian Osbourne and Officer Corey Brown
 - Astro Kennels Search and Rescue Dog Trainer - Jamie Noland
 - Book Author - Dave Goff and Illustrator - Thooya Crump
 - Morgan Manning - Sea Turtle Releases Coordinator with St. Marks Wildlife Refuge

Future community involvement

We will continue to welcome the involvement of our local community in the education and development of our students. The school was named a National PTSA School of Excellence in 2024. We plan to work to maintain this status each cycle. We will also diligently strive to find ways for community members and organizations to share their time, talent, and resources with our students. In return, we will pursue ways the school can return the investment through resources that are beneficial to the community. In order to empower active citizens, students and faculty and staff will be encouraged to organize and participate in service activities that benefit the school and community

Personnel

Our faculty consists of seven male and thirty-four female full time teachers. We have three school administrators, an instructional coach, three and one half guidance counselors, a media specialist, a part-time ESOL teacher, a guidance clerk and a school nurse. We also have an attendance clerk, a secretary, a media aide, and two front office staff members. Our cafeteria is staffed by six individuals, and we also have six members on the maintenance staff.

The table below illustrates the experience level of our faculty.

Years	# of staff	% of staff
0-5 years	15	28.8%
6-10 years	10	19.2%
11-15 years	8	15.4%
16-20 years	7	13.5%
21-25years	7	13.5%
26+ years	5	09.6%

The information below indicates the educational degree level of our faculty:

Degree	Number of staff	% of staff
B.A./B.S.	19	38 %
B.A / B.S. +18	1	2%
Masters	16	32%
Masters +30	13	26%
Ed. S	1	2%

As evidenced by the above tables, our staff occupies all experience levels and many have completed additional coursework. Paraprofessionals in our building are one of our greatest assets. The school would not be able to operate smoothly without their selfless contributions. Noteworthy is the fact that our Media Clerk, Ms. Cornish, was named the 2015 Media Paraprofessional of the Year by the South Carolina Association of School Librarians (SCASL). One of our early career teachers was named district teacher of the year to watch, and another veteran teacher was recognized at the state level for her work in mentoring early career teachers. One of our counselors and several other classroom teachers host student teachers. Three of our department chairs are involved in the district curriculum writing teams over the summers and many of our teachers, including four this year, present at state conferences on best practices.

Our staff is 79% Caucasian, 10% Black, 8% Lation, 6%. One of our faculty members is Nationally Board Certified. Our teacher attendance rate was 94% during the 2024-2025 school year, which has fluctuated by a couple of percentage points from year to year.

Student Population

Our enrollment for previous academic years has averaged approximately 7600 students, and we ended the 2023-2024 year with 772 students. Our student attendance rate for the 2023-2024 school year was 94.87 %.

The demographic data concerning our 2024-2025 student population is found below:

Student attendance for the 2023-2024 school year was 93.9%. This percentage fell just shy of the 94% objective for the state.

Academic and Behavioral Features

RCMS is proud to provide a myriad of academic and behavioral opportunities for our entire learning community. Teachers are encouraged and expected to participate in professional development within their content area(s) as well as technology for the classroom. This allows our teachers to remain current regarding educational initiatives.

Students' academic, behavioral, and emotional well-being are all fostered by the entire staff at RCMS. Students have tutors, mentors, and counselors at their disposal. RCMS also reaches out to parents by providing programs that maintain positive relationships.

Opportunities for our entire learning community are itemized as follows:

- RCMS provides students with a daily lab time which provides students with one extra period of each core class weekly.
- RCMS provides once weekly advisory time to improve student character, life skills and personal responsibility. This period allows students to develop a relationship with each other and their homeroom teacher.
- RCMS encourages writing across the curriculum which has remained fluid due to fluctuations in the state's writing assessment expectation.
- RCMS provides teachers and parents time to schedule routine parent teacher conferences to strengthen the relationships between students, teachers, and parents.
- RCMS provides technology-integrated professional development to assist teachers in keeping students actively engaged.
- RCMS provides testing to assess students' individual strengths and weaknesses. Test results are used for teachers to adopt classroom teaching strategies and accommodations for students of all learning styles and abilities.
- RCMS provides Power Teacher training to assist teachers with student record keeping, running reports, and analyzing trends in grades.
- RCMS provides eclectic, job-embedded professional development opportunities for all certified staff. Professional learning is based on focal points developed by the Instructional Leadership Team.
- RCMS adheres to the state standards, and teachers are required to post the standards/indicators on the board for each individual lesson.
- RCMS provides collaborative opportunities for teachers, department heads, team leaders, and administration.

- RCMS provides teachers with team meeting times to allow teachers to communicate with each other in addressing teaching strategies, discipline, and parental concerns.
- RCMS provides mentoring (academic and behavioral) through a time of reflection during in-school suspension.
- RCMS teachers offer before and after school tutoring for students across grade levels.
- RCMS teachers provide weekly, systematic academic and behavior intervention services to students Mondays, Tuesday, Wednesday, and Thursday, while Fridays present students with valuable advisory lessons.
- RCMS provides a variety of high school level courses within the core curriculum as well as the related arts' curriculum. These courses include: English 1, Algebra 1, Spanish 1, Fundamentals of computing, creative writing, personal finance, Band I, Chorus I, and Orchestra I.

Teacher and Administrator Quality

All teachers at Ralph Chandler Middle School use technology in their classrooms, and the majority of teachers are technology proficient, as demonstrated through INTEL certification. Teachers who have yet to receive a professional teaching certificate are exempt from technology proficiency expectations. Technology proficiency is pursued upon completion of two years of teaching with successful formal evaluation cycles.

Our intent is to provide quality professional development in a variety of areas which will give our teachers more tools to create dynamic standards-based lessons and to more effectively manage their classrooms. We will continue to focus on research-based teaching strategies and on improving our collaboration through Professional Learning Communities. Such training is critical in maintaining a high degree of staff quality. Teachers consistently receive job-embedded professional development opportunities during grade level, team, and department meetings, as well as collaborative planning sessions. In addition, RCMS has at least one content area representative at each district-level, content-specific professional development.

We will also continue to encourage our staff to become highly qualified in all subjects in which they teach. Due to changes in student enrollment, some of our teachers work in two-person teams. As enrollment fluctuates from one grade to another, it may be necessary to move some staff to another grade level or content area. We will continue to work with these teachers in becoming highly qualified as these changes occur. We may also need to add additional staff and will make it a priority to select teachers who already possess the highly qualified credentials needed at that time.

Professional Development Calendar 2024-2025

Jeff Jenkins – Principal

Professional Learning Focus Area	Frequency
Mindfulness: Breath Control, Self-Regulation, Co-Regulation, Classroom-Centered SEL	9 times per 9 week period
Formalized Data Analysis Processes : SWOT, PA Analysis Site-Based Tools, SCREADY Data Analysis (Data Discussion)	3-4 times per 9 week period
Analysis of Standards and Indicators to be taught in upcoming unit of study to determine power standards, areas of forecasted difficulty, and best resources for immediate use.	2 times per 9 week period
Formalized Analysis of CFAs for rigor, standard alignment, and equity.	2 times per 9 week period
Analysis of Anecdotal, Classroom-Based Data (Pre-Tests, Past Data from SCREADY/PA) for consideration in planning of upcoming units of study.	2 times per 9 week period
Analysis of Anecdotal, Classroom-Based Data (including CFAs and Student performance on in-class activities) to determine remediation target areas for advisory period and in-class review.	3 times per 9 week period
Analysis of Anecdotal, Classroom-Based Data (including CFAs and student performance on in-class activities) to determine appropriate extension activities for students showing high levels of skill competence and content knowledge in advance of their peers during a unit of study.	2 times per 9 week period
Determination of most appropriate motivations/incentive plans for major assessments with plans for implementation (time and resources)	1 time per 9 week period
Note: This “rotation” of focus areas takes place each 9 week period to ensure that all questions within the PLC framework are addressed by all practitioner teams (PLCs) at the right times to meet the needs of student learners.	

In addition to the Professional Learning opportunities listed in the table, our staff also regularly engages in the following:

1st Wednesday each month – *Team Leaders*

2nd Wednesday each month – *Department Meetings*

3rd Wednesday each month – *Faculty Meetings*

Weekly - Facilitated PLC *Collaborative Planning sessions on Thur*
Teacher Collaborative Planning on Tuesday (Not facilitated)

Weekly – *Team meetings or OnTrack student support meetings on Wednesday*

Professional Development Plan 2024/25

During the 24/25 school year, each academic content area team and related arts teacher will participate in a weekly Professional Learning Community meeting, which is aligned with the tenets of the Solution Tree Professional Learning Community models and frameworks.

Each content area will meet twice weekly with one session being facilitated by the Instructional Coach. Meetings will follow the Solution Tree PLC framework and work to answer the four essential questions. Teachers will engage in planning sessions designed to complete nine week unit plans that work to ensure co-teaching classes are carefully planned for. Teachers will also engage in Learning Walks by department during planning periods to support their own growth and that of their department. New for this year, the administrative team will seek input from department chairs to collaboratively set data goals and target areas of professional focus for the upcoming school year. Based on the input from department chairs, learning walks, 2024 SCReady data, and what discussions generate during weekly PLC meetings a more detailed PD plan will be developed so that professional learning is responsive, timely, relevant, and aligned with current best disciplinary practice.

School Climate

	2023	2024	2025	2026	2027	2028	2029
Teacher Attendance Rate	96.34	96.5					
Student Attendance Rate	94.29	94.21					
Suspension/Expulsion Rate	0.06	0.06					
Students Older than Usual for Grade							
Percent of Teachers Satisfied with Physical/Social Environment	85.7	92.2					
Percent of Students Satisfied with Physical/Social Environment	86.3	88.7					
Percent of Parents Satisfied with Physical/Social Environment	88.3	86.1					
Percent of Teachers Satisfied with Learning Environment	89.8	90.2					
Percent of Students Satisfied with Learning Environment	88.8	88.5					
Percent of Parents Satisfied with Learning Environment	92.1	84.6					
Percent of Teachers Satisfied with Home-School Relations	91.8	96.1					
Percent of Students Satisfied with Home-School Relations	94.9	96.6					
Percent of Parents Satisfied with Home-School Relations	93.1	78.8					

Patterns:

1. Student Chronic Absenteeism Rate dropped from 20.5% down to 14.6%.
2. Parent satisfaction with Home-School Relations had a sizable drop. The three year trend has shown ups and downs. Further study to determine causal factors is needed in order to develop strategies for improvement.

3. The greatest area for improvement is in the area of the physical/social environment. We have implemented focus teams during the 2023-2024 school year. This team reviews climate survey data twice a year to identify trends and seek areas for improvement. This collaboration with teachers has already demonstrated evidence of being effective and we will continue to improve upon this process over the next school year.
