V. AWARD CRITERIA

EVALUATION OF PROPOSALS

All proposals will be reviewed for the purpose of determining responsiveness. Any proposal that does not meet the salient requirements of the RFP will be deemed non-responsive. To determine responsibility, all information provided by the Vendor concerning its availability to perform fully the contract requirements, including the integrity and reliability of the Vendor, will be reviewed. This project is on a critical timeline, and a vendor’s ability to provide the service / product within the specified period of time will be examined and included in the evaluation. The submission of a proposal for review does not necessarily qualify the Vendor as being responsible or the proposal as being responsive. Failure to provide specific information as requested for use in an evaluation will cause the bid to be disregarded.

The proposal responses will be evaluated based on the factors as detailed in this solicitation. The Vendor deemed by the District as responsible and whose proposal is the most favorable to the District may be awarded the contract if all other terms and conditions are acceptable to the District and if in the District’s best interest.

Vendors must clearly mark the words “**Confidential**” or “**Protected**” next to each section of the proposal that the Vendor considers to be proprietary or may contain confidential information. In no manner or situation will pricing be considered confidential. The District shall have the sole, exclusive right to determine whether such confidential notations are valid and subject to public release. Entire documents shall not be marked as “confidential” or “protected”.

The District may request written or oral clarifications of any offer received. However, the District may, at its sole discretion, refuse to accept in full or partially, the response or clarification given by any Vendor.

Vendors are cautioned that the evaluators are not required to request a clarification of the proposal; therefore, **all offers should be complete and reflect the most favorable terms to the District.** The District reserves the right to reject any and all offers when such rejection is deemed to be in the best interest of the District.

The District reserves the right to accept or reject, in part or in entirety, any or all proposals or portions of proposals submitted by any Vendor and to waive any informalities or technicalities so as to purchase in the best interest of the District. The District reserves the right to interpret the acceptability of the proposed services and supplies when meeting the intent for use as determined by the end user.

The District reserves the right to negotiate with all responsible Vendors and to cancel in part or in entirety, this solicitation if it is in the best interest of the District. This solicitation does not commit the District to negotiate, hold discussions, award a contract, pay any costs incurred in the preparation of the response to this solicitation or to procure any services and/or supplies.

EVALUATION FACTORS

Selection will be based upon the following criteria in order of importance. The proposer shall respond to each evaluation factor. The quality of the response for each factor will be reviewed by each evaluation team member for each proposal. An overall team evaluation and ranking will be determined based upon this process.

- 1. Proposer’s ability and qualifications to provide comprehensive services as required by the solicitation = 40 points**
- 2. Cost to the District = 20 points**
- 3. Proposer’s experience in providing digital curriculum for health and physical education in another School District (S.C. District preferred) = 20%**
- 4. Ability of the proposer to provide routine support and maintenance of program: = 20%**

Total Points = 100

The District will evaluate all proposals based upon the Evaluation Factors set forth in the solicitation. The overall highest ranked, responsible proposer may be awarded a contract if all other terms and conditions of the proposal are acceptable to the District and if in the District’s best interest.

The District's evaluation team may request written or oral clarifications of any offer received. However, the District may, at its sole discretion, refuse to accept in full or partially the response to a clarification request provided. Proposers are cautioned that the evaluators are not required to request clarification; therefore, all offers should be complete and reflect the most favorable terms. The District reserves the right to reject any and all offers when such rejection is deemed to be in the best interest of the District.

AWARD

At the official due time, only the names of the proposers will be publicly read aloud. No further information will be provided at the opening in accordance with the District's Procurement Code. Attendance at the public recording is not required in order to have a proposal evaluated.

An award may be made to one or more firm(s) that meets the District's requirements. After proposal review and evaluation, an award may be issued to the overall highest-ranked, responsible firm whose responsive proposal is determined to be the most advantageous to the District, taking into consideration the evaluation and the terms of this solicitation. The right is reserved to reject any and all, or portions of, proposals received. In all cases, the District will be the sole judge as to whether a proposal has or has not satisfactorily met the requirements of the solicitation. The District is not required to furnish a statement of the reason(s) why a proposal was not deemed to be the most advantageous, nor will the District be required to furnish any information regarding the solicitation.

Failure to receive business as a result of this solicitation is not subject to contract controversy.

The Scope of Work/Program Specification section details the period of performance and responsibilities. This is a multiple year agreement/award renewable each one (1) year period up to five (5) years in total.

The District will evaluate the awarded firm(s) during the period of performance in order to determine if the District's standards and goals contained in the solicitation are being met. When applicable, the District may also evaluate the awarded firm's performance, pertinent records, cost reporting, compliance with deadlines and timeframes, schedule adherence, quality control, communications with District representatives and professionalism. Precise criteria for evaluation of performance will consist, at a minimum, of the terms of this solicitation and others may be developed after award of the contract.

Prices must remain in effect during evaluation for a minimum for ninety (90) calendar days from the due date. Prices submitted shall be inclusive of all costs that the proposer expects the District to pay. The proposing entity's prices shall include all services and ancillary requirements required to perform the services in accordance with the solicitation.

After the contract is awarded, no additional costs will be considered. Hidden or undisclosed costs will not be accepted.

Proposers that submit a price(s) and then change the price(s) or service(s)/product(s) at a later time may have the proposal rejected or the award cancelled at no cost to the District.

The award statement will be publicly posted in the lobby of the Procurement Department, 2 Space Drive, Taylors, South Carolina. The public may review this statement during regular office hours. The award will also be posted on the Procurement Department website. Actual proposers may be mailed a copy of the Intent to Award document. Interested parties may call the Procurement Department at (864) 355-1279 to determine if an award has been posted.

Interested parties are responsible for physically confirming the posting of any Intent to Award document.

The District reserves the right to terminate this solicitation or resulting agreement upon a thirty (30) calendar day notice when in the best interest of the District at no cost to the District. No acts performed for or representations made, whether written or oral, by the firm to third parties shall bind the District. The firm shall be solely responsible for the withholding and payment of all federal, state, and local personal income, social security, unemployment, workers compensation and other payroll taxes for its employees. No portion of this solicitation/agreement shall be subleased, assigned, transferred, or conveyed without written approval from a District Procurement Officer prior to or after issuance of the Intent to Award.

The District shall NOT provide vehicles, office space, utilities and operating expenses. These operating expenses include telephone, copier, fax and postage expenses. The awarded firm shall be responsible for all necessary personnel, equipment, supplies and other requirements to fully implement the services required.

Contractor or offeror agrees that any act by the District regarding the solicitation and/or Agreement is not a waiver of either the District's sovereign immunity or the District's immunity under the Eleventh Amendment of the United States' Constitution. As used in this paragraph, the term "Agreement" means any transaction, contract, understanding or agreement arising out of, relating to, or contemplated by the pertinent solicitation and/or agreement between the proposer and the District.

The terms of the agreement between the District and the successful/awarded entity shall comply with the requirements contained in this solicitation and the District's General Terms and Conditions.

CONTRACTUAL NEGOTIATIONS

Contract negotiations, if applicable, may be started at the District's discretion, with the apparent successful offeror. If any points/issues exist that cannot be resolved, so that a final contract, to the mutual satisfaction of all parties, can be reached, negotiations may be initiated with the next qualified offeror. All contractual documents submitted will be subject to approval of the District.

CONTRACT DOCUMENTS & ORDER OF PRECEDENCE

Any contract resulting from this solicitation shall include the following documents: (1) a Record of Negotiations, if any, executed by the vendor and the District, (2) documentation regarding the clarification of an offer, if applicable, (3) the solicitation, as may be amended, (4) modifications, if any, to an offer, if accepted by the District, (5) the vendor's offer, (6) any statement reflecting the District's final acceptance (award), (7) purchase orders, and (8) any related contracts or agreements executed by the District and the proposer. Each offeror shall fully acquaint itself with conditions relating to the scope and restrictions attending the performance of obligations under the conditions of this solicitation or agreement. The omission of an offeror to acquaint itself with existing pre-contract conditions or post-contract consequences shall in no way relieve such offeror of any obligation with respect to the proposal or to any contract resulting from a solicitation or agreement. Offerors

are notified that failure to inspect, familiarize or otherwise gather information as to the total cost to the District will, in addition to any and all other remedies available, create cost difference liabilities and claims against the ultimately successful contractor. Offerors shall notify the District of all costs reasonably expected.

BID/PROPOSAL/AGREEMENT CONSTITUTES OFFER

By submitting a bid/proposal or agreement, the offeror agrees to be governed by the terms and conditions as set forth in the solicitation document or proposed agreement and the District Procurement Code and Regulations. Any bid or proposal response or proposed agreement containing variations from the terms and conditions set forth herein may, at the sole discretion of the District, render such bid or proposal or agreement non-responsive. Any inconsistencies between the solicitation and any other contractual instrument shall be governed by the terms and conditions of the solicitation or proposed agreement, except where subsequent amendments to any contract resulting from the award are specifically agreed to in writing by the parties in order to supersede any such provisions of the solicitation or other contractual document.

SPECIFICATIONS MANDATORY

The offeror must meet all of the mandatory specifications and requirements set forth in the solicitation or proposed agreement. By incorporating said specifications into the offeror's response, subject to acceptance by the District of any amendments hereto as submitted by the offeror, the offeror is agreeing to comply with said solicitation specifications or agreement. Failure to provide mandatory evidence of capability will result in a low evaluation ranking of the offeror's bid/proposal. Items designated as evaluation factors will be evaluated and rated in accordance with the evaluation criteria, if applicable.

INQUIRIES

Every effort has been made to ensure that all information needed by an offeror is included herein. If an offeror finds that it cannot provide a response without additional information, it may submit written questions to the person designated herein on or before the deadline set forth in the solicitation. Questions shall not be accepted by the District after the specified date. All replies to questions will be in writing and contained within an addendum. When a question received by the District is found to be previously and sufficiently addressed in the solicitation, that question will be returned to the proposer with a reference to the part of the solicitation containing the answer. All questions and written replies will be distributed to all known interested firms and individuals via an addendum and will be regarded as a part and parcel of the solicitation.

AMENDMENTS OR ADDENDA

If it becomes necessary to revise any part of the solicitation or agreement, amendments in the form of an addendum will be provided in writing to all known, interested firms and individuals.

ALL AMENDMENTS TO AND INTERPRETATIONS OF A SOLICITATION SHALL BE IN WRITING. THE DISTRICT SHALL NOT BE LEGALLY BOUND BY ANY AMENDMENT, ADDENDUM, INFORMATION OR INTERPRETATION THAT IS NOT IN WRITING.

If requested, interested firms and individuals must provide reference accounts where the services and/or equipment/material(s) offered were similar to the services and/or equipment/material(s) requested in the solicitation. The intent is to show company experience in receiving contracts for, and delivery of, goods and services similar to those proposed. Information should include the name, address, telephone number, and title of the person to contact for inquiry as to the proposer's experience and performance. Referenced accounts must not be company owned or an affiliate of the bidder or proposer.

SOLICITATIONS/AGREEMENTS SIGNED

All submittals shall be signed by a representative of the entity authorized to commit to the provisions of the submittal. Unsigned bids/proposals will be rejected unless an authorized representative is present at the bid/proposal opening and provides the needed signature, provided that the discovery is made prior to the recording of the contractor's bid/proposal. Any proposed and agreed upon contract shall be signed by an authorized representative of the offeror.

CLARIFICATIONS

The District reserves the right, at any time after opening and prior to award, to request from any apparently responsible bidder or proposer, clarification(s) of the bid/proposal submitted to the District, address questions or to seek or provide other information regarding the offeror's submittal/response. This process may be used for such purposes as providing an opportunity for the offeror to clarify its bid/proposal in order to assure mutual understanding and to determine acceptability.

The District shall order any supplies or services to be furnished via a solicitation method by issuing a Purchase Order. The District shall give the Contractor prompt written notice of such claim and full right and opportunity to conduct the defense thereof, together with full information and reasonable cooperation. No cost or expenses shall be incurred for the account of the contractor without its written consent. If principles of government or public law are involved, the District may participate in the defense of any action. If, in the opinion of the contractor, the products furnished there under are likely to, or do become, the subject of a claim of infringement of a United States patent or copyright, then, without diminishing its obligation to satisfy a final award, the contractor may, at its option and expense, (a) obtain the right for the District to continue to use such goods; or (b) substitute, with prior notice and District approval, for the alleged infringing products other equally suitable products that are satisfactory to the District; or (c) take back, with District approval, such products, provided however, that the contractor will not exercise option (c) until the contractor and the District have evaluated options (a) and (b). In such event, contractor will reimburse the District for the purchase price of any goods removed pursuant to option (c).

Any request for price increase must be submitted to the user location and the District's Procurement Department by the contractor at least sixty (60) calendar days prior to any proposed contract extension. The District shall allow the Contractor to settle such claim so long as (i) all settlement payments are made by Contractor, and (ii) the settlement imposes no non-monetary obligation upon the District. The District shall reasonably cooperate with Contractor's defense of such claim. (b) In the event an injunction or order shall be obtained against the District's use of any acquired item, or if in the Contractor's opinion, the acquired item is likely to become the subject of a claim of infringement or violation of an IP right, the Contractor shall, without in any way limiting the foregoing, and at its expense, either: (1) procure for the District the right to continue to use, or have used, the acquired item, or (2) replace or modify the acquired item so that it becomes non-infringing but only if the modification or replacement does not adversely affect the specifications for the acquired item or its use by the District.

If neither (1) nor (2), above, is practical, the District may require that the Contractor remove the acquired item from the District, refund to the District any charge(s) paid by the District, and take all steps necessary to have the District released from any further liability. (c) the Contractor's obligations under this paragraph do not apply to a claim to the extent (i) that the claim is caused by the Contractor's compliance with specifications furnished by the District unless the Contractor knew or reasonably had prior knowledge or suspected its compliance with the District's specifications would infringe an IP right, or (ii) that the claim is caused by the Contractor's compliance with specifications furnished by the District if the District knowingly relied on a third party's IP right to develop the specifications provided to the Contractor and failed to identify such product to the Contractor. (d) As used in this paragraph, these terms are defined as follows: "IP right(s)" means a patent, copyright, trademark, trade secret, or any other proprietary right. "Acquired item(s)" means the rights, goods, or services furnished under this agreement. "Specification(s)" means a detailed, exact statement of particulars such as a statement prescribing materials, dimensions, and quality of work.
