

Who are we? Dad's of Great Students (Granddads, uncles, church men's group)

What is our purpose? Help provide positive male role models for the students, demonstrating by our presence that education is important. Meanwhile, we provide extra sets of eyes and ears to enhance school security, reduce bullying and provide a greater sense of campus safety allowing students and teachers to focus on learning.

What is the cost? It cost nothing to be a part of Watch D.O.G.S.

We are, however, funded by the PTA, and highly encourage you to join. It is \$5.00 for the year.

Also, if you are going to be in the school during the day, I recommend buying a shirt, so teachers, staff, and students know why you are here. Price varies due to style and size.

What will I be doing? It will vary, depending on what you have volunteered for, but giving high fives and encouraging words will be a part of it. More importantly, you'll show your child you care about them and their education.

Just remember we are here to help, and not be a distraction or disruption to the students. So if you volunteer, make sure you show up at your appointed time.
