Additionally, the District has started offering therapy and coaching services to students through Virtual Gaggle Therapy. If interested, the HSAP School Counselor can make a referral to Gaggle Virtual Therapy. In order to do so, we would need to get a Release of Information (ROI) completed by you in order to make that referral. Once the referral is received, a therapist or coach is assigned within about 48 hours. Please let Charlotte Wright (355-5182) know if you are interested.
