

It is hard to believe that we are approaching the end of another school year! I am amazed at how quickly the year passes when we are having fun educating your children.

Our school is a great place for children to learn and grow! Your support and participation in our school activities and events are a reflection of our continued success as we “Build a Community of Excellence One Student at a Time”!

As we end this school year and look forward to the next, we will continue to invest in the future of your children by providing them with a high quality, rigorous education.

A History of Excellence

Brushy Creek Elementary School has a long history of excellence in education, care, and concern for students and a strong involvement within the community. The first Brushy Creek School building was built in 1916. Then, as today, the families of students at Brushy Creek were intent on securing the best education possible for their children. By working closely with the school's administration, Greenville County district officials, Parent/Teacher Association (PTA), and community volunteers, Brushy Creek has been successful in maintaining the standard of excellence of the past, while working to secure that standard for future generations to come.

Strategic Plan

The annual report to the community provides information to our community regarding Brushy Creek's progress toward its goals and objectives. Our school goals are aligned with the Education Plan of the School District of Greenville County.

Goal #1: Student Success

Specific objectives:

- Increase the percentage of all students in grades 3-5 meeting standard in Math & ELA on SCReady.

Goal #2: Premier Workforce

Goal #3: Caring Culture and Environment

A Record of Results

The SCReady test measured student performance on the South Carolina academic standards. Student score percentages are based on three levels: Exceeding, Meets, and Does Not Meet. Below are spring 2023 test results:

GRADE 3 SCORES

	EXCEEDING	MEETS	NOT MET
ELA	46%	29%	9%
MATH	43%	35%	10%

GRADE 4 SCORES

	EXCEEDING	MEETS	NOT MET
ELA	50%	24%	12%
MATH	42%	24%	12%

GRADE 5 SCORES

	EXCEEDING	MEETS	NOT MET
ELA	49%	20%	12%
MATH	36%	33%	9%

A Focus for the Future

We anticipate that our students will continue to make gains in student achievement. To achieve this goal, the school's academic focus, this year, has included the following:

- Continue to strengthen Tier 1 instruction to meet the academic needs of ALL students
- Continue to provide a continuum of support to meet the varying academic, social-emotional, and behavioral needs of ALL students
- Continue to strengthen professional learning communities (PLCs) school-wide
