

EAGLE NEWS NETWORK

We're excited that you're interested in auditioning for the daily news program (ENN) at Bell's Crossing! Being part of ENN is a privilege and an opportunity to represent our school as the "face of the news." This role comes with important responsibilities and expectations.

As a member of the news crew, you will gain hands-on experience and rotate through a variety of roles, including news anchor, script writer, teleprompter operator, sound technician, set technician, and director. You must be comfortable speaking in front of an audience, using technology, and communicating through writing.

Crew members **must** report to the ENN room (in the library) by 7:30 each morning. Because of this time commitment, students involved in other morning activities (such as chimes or patrol) should **not** apply for this role.

In addition, all ENN members are expected to model SOAR behavior and maintain strong academic performance in order to remain on the crew.

If it sounds like this is something you would enjoy, we would love to have you audition. Our crew is a small team of about 8 members so we are looking for the best fit for our crew.

You will be notified about your audition time once applications are received. Auditions will be during school hours.
