

# HARVEST HUSTLE BINGO

This month's **Iron Eagle** Challenge is **Harvest Hustle BINGO**! How many BINGO activities can you complete this month? Color in the box once the activity is complete. **Get FIVE IN A ROW for BINGO!** Or, if you're up for a challenge, try to complete the entire board!

| B                                          | I                                      | N                                  | G                                     | O                                        |
|--------------------------------------------|----------------------------------------|------------------------------------|---------------------------------------|------------------------------------------|
| rake leaves for 10 minutes                 | shoot a basketball 25 times            | go on a nature scavenger hunt      | take your pet (or stuffie) for a walk | hold a relay race with friends or family |
| dance outside to two songs                 | play freeze tag with friends or family | toss a ball outside for 15 minutes | gather 30 acorns or leaves            | help set the table for dinner            |
| hold your own fall parade                  | set up your own obstacle course        | explore a local park               | kick a soccer ball 25 times           | sweep the porch or driveway              |
| ride a bike or scooter                     | build something with sticks or rocks   | hike on a trail                    | draw pictures with sidewalk chalk     | start a rock collection                  |
| go on a bird watch – find at least 5 birds | look for pictures in clouds            | help decorate for fall or winter   | clean out your closet or toys         | make up your own backyard game           |

Once you have BINGO, return your page to school for credit toward your **Iron Eagle** Award!
