BRMS Shines at Spring Sing 2022!

Blue Ridge Middle School is a sixth, seventh, and eighth grade school located in the northwestern corner of South Carolina. As part of the Greenville County School District, Blue Ridge Middle has the largest geographical attendance area, currently serving 912 students in a traditional and virtual setting. BRMS has 91 employees, which include 54 full-time teachers, 4 administrators and 4 school counselors, plus support staff.

BRMS also offers Gifted and Talented courses for our students in the Challenge Program through Language Arts and advanced Math placement. Blue Ridge Middle School provides opportunities for students to take courses that offer high school credit Carnegie Units:

- English 1 Honors Algebra 1 Honors
- Art 1
- Personal Finance Fundamentals of Computing

We also offer a wide variety of Related Arts classes to help ignite an interest of learning in non-traditional classroom settings.

2021 – 2022 BRMS School Improvement Council

BRMS SIC is firmly committed to three goals:

1. Raising Academic Performance of Each Student.
2. Ensuring a Safe, Responsible and Respectful School Environment.
3. Engaging Community and Stake Holders in the School Environment.

We have provided food and kind notes to teachers to foster an encouraging environment, and we have slowly restarted our mentoring program to support struggling learners. We have also fostered partnerships with Greenville Water System, the Lions Club, and Greenville County Council.

Traditional Responsibilities of a School Improvement Council

The School Improvement Council (SIC) serves as an advisory committee to the school's principal and faculty. SIC plays a key role in the education of our state's children, bringing together parents, educators and community stakeholders to work collectively to improve their local schools.

Social and Emotional Learning at BRMS

Once a week this past year, students participated in lessons that focused on their social and emotional health. These lessons included ideas such as actions and consequences, resilience, and conflict resolution. Students were also opportunities to share their voice and thoughts about BRMS and how we can improve ourselves.

Fun Fact: Over 400 7th and 8th grade students participated in job shadowing experiences in March of 2022. Students learned about job responsibilities in industries such as Engineering, Health Science, Hospitality, and Education.

PBIS Behavior Support System (ROAR Cards)

Blue Ridge Middle School proactively addresses student behavior through a Positive Behavior Intervention and Support system where teachers and staff intentionally address positive behaviors desired by students, which support the mission of Blue Ridge Middle students. Utilizing the ROAR acronym, positive student behavior is centered on Respect, Organization, Attitude and Responsibility. Students receive points using digital QR codes when they demonstrate ROAR characteristics. These points can be redeemed for a variety of rewards and incentives throughout the year.
