

NAME: _____

DATE: _____

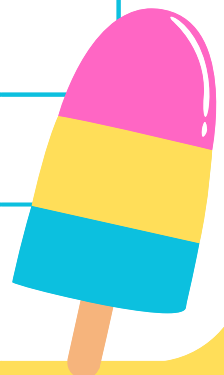

REC SUMMMER

READING

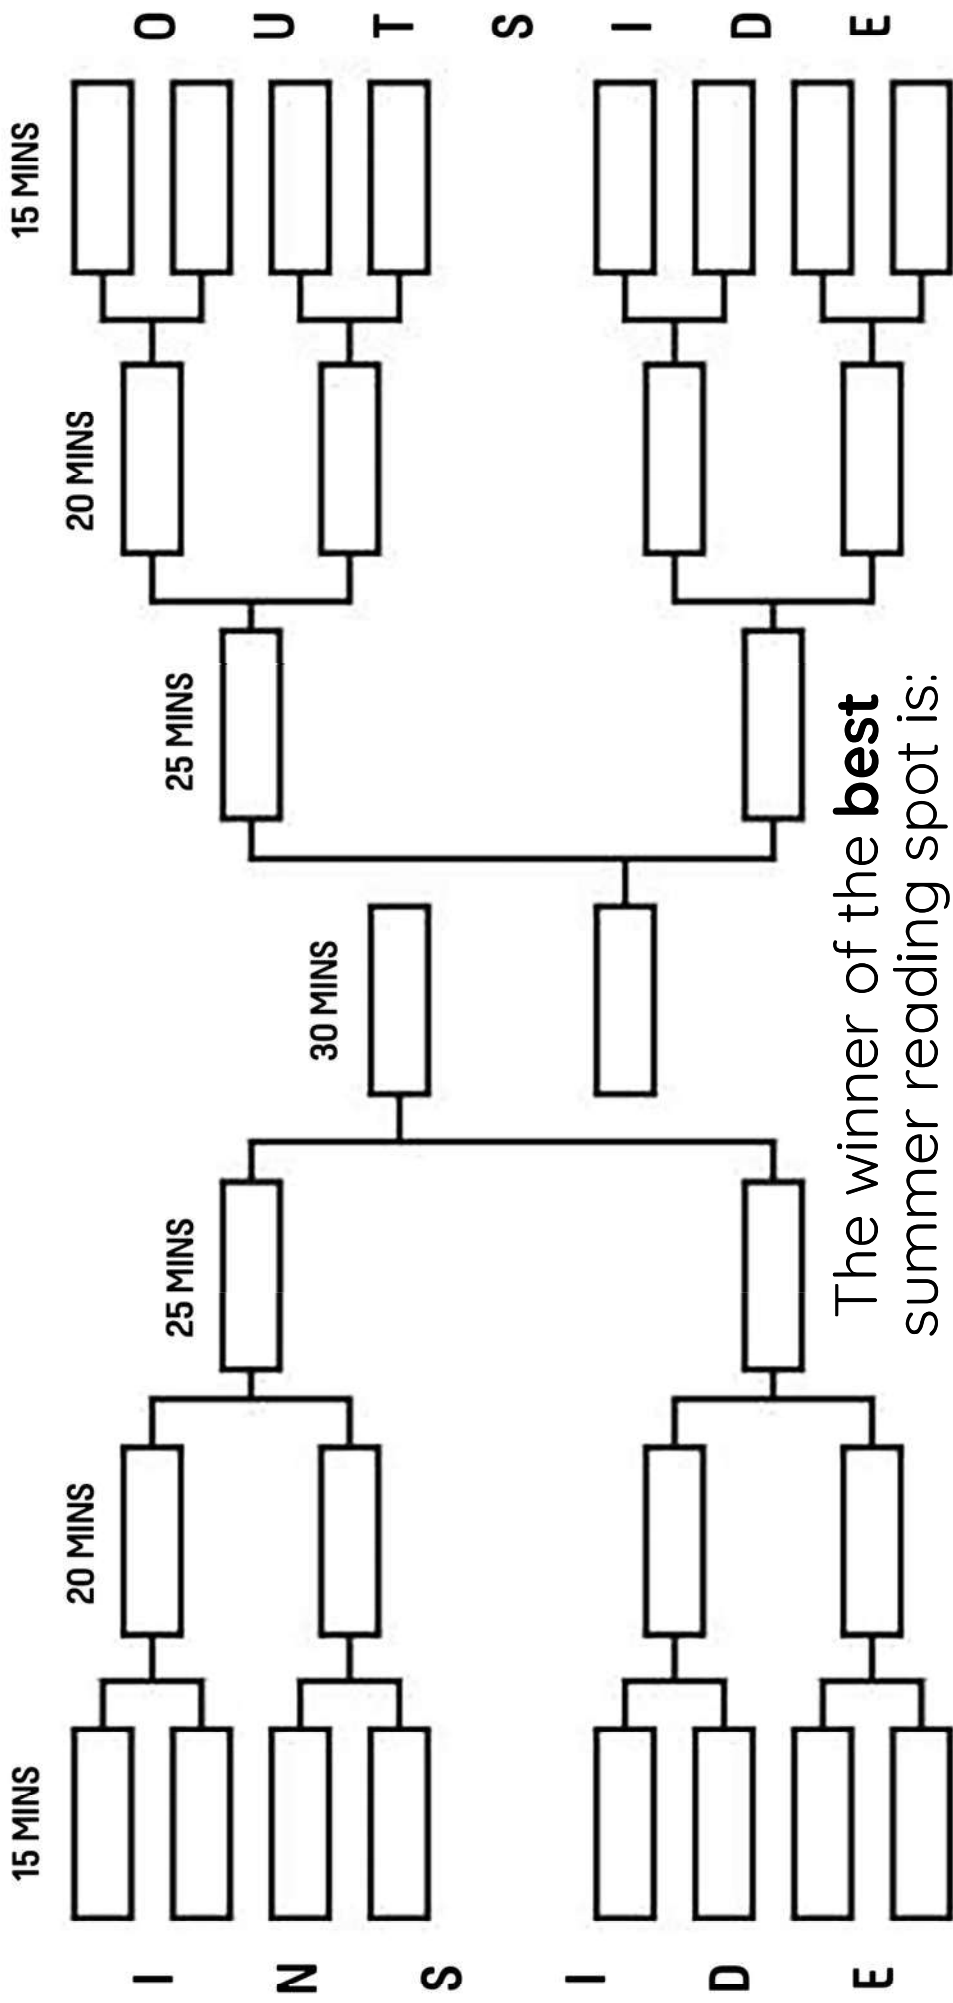

Dear Cashion Comets,

Please enjoy at least 5 books. Then, write down the date that you finished reading each book and the title of the book in the chart below. **Turn this form into your child's teacher by August 17th.** Students who participate will be able to attend our School Reading Celebration on August 21st! To make reading even more fun, have your child test out different spots around your home to see which you like better. Is reading in their closet or their fort more fun? Then let the winning spots compete until you find the BEST spot to read of the summer. Write the winning reading spot at the bottom of your log, and be ready to share at our reading celebration! We are looking forward to hearing about the fun you had reading, inside and outside, this summer!

Date	Book Title

THE BEST SUMMER READING SPOT

The winner of the **best** summer reading spot is:
