- Busy Bee hours are from 2:15 to 6:00 each day.
- Registration is complete when first week's payment AND registration fee of \$40 is paid in full.
- Grades are limited in enrollment. Once maximum capacity is reached, all students will be placed on a wait list. If no spots open or you do not want to remain on the wait list, your payment will be refunded.
- At times, one grade level may be full while another is not. Parents might have one or more children placed on a wait list while another is accepted into the program. You will work with the director discuss possible options in these cases.
- If you register for one or two days, you must attend the same days each week.
- Should Covid-19 protocols force us to reduce enrollment, registrations will be honored by the time and date the registration was complete.
- Payments to the program are due at least weekly the Friday prior to the week of attendance.
- Fees are paid per the time signed up for regardless of your child's attendance.
- There are no drop in services provided in Busy Bee.
- A two week notice is required to leave the program. If you need to leave for financial reasons, you may leave and reapply later in the year with no additional registration fee (if spots are available).
- Fees are enforced for late pick-up (\$1 per minute) and for late payment (\$25).
- No refunds are given for any reason.
- This is an extension of the Crestview school day, therefore all expectations and policies apply.
- Dismissal numbers are required for anyone to pick-up your child.
- We operate on the GCSD calendar. When school is closed, so is Busy Bee.
- Busy Bee does not operate on early release days.
