

School Tour Information

Dr. Phinnize J. Fisher Middle School offers school tours to showcase the school's unique design, course offerings, and systemic implementation of project-based learning, STEAM and middle school best practices as set by the National Forum to Accelerate Middle Grades Reform.

Here is what to know:

- Tours are offered on Fridays and begin the last Friday of September and run through the last Friday of April.
- We do not offer tours on half days due to shortened class periods, non-student attendance days, or district professional in-service days.
- Tours may be arranged in the summer months but are subject to limited access to the school and no ability to see the students of the school in action.
- Tours begin at 9:00AM and last generally an hour.
- Parents AND students are encouraged to attend the tour.
- Please report to the Main Office and make sure you bring your ID to be signed in properly.
- Guests can expect their tour to be led by Fisher MS Student Ambassadors and supported by a member of the Fisher Staff.
- You can schedule your tour of the building by calling the Main Office at (864)452-0800 and requesting a tour. Be prepared to leave your contact information and the number of people in your group.
- We want to make your time worthwhile so we encourage you to come with questions and an idea of what you would like to see so we can tailor your tour to your interests.
- If, after the tour, you are interested in your child attending Fisher Middle School, you may request and complete a Choice Lottery application in the Main Office.
