SELECT SCHOOL

Greer High is an International Baccalaureate World School. The IB Diploma Program is a rigorous pre-university course of studies that meets the needs of highly motivated secondary school students. The IB Diploma program is designed to allow graduates to fulfill requirements of various national education systems. The Diploma model incorporates the best elements of diverse worldwide educational curricula.

Colleges and universities around the world highly regard the IB Diploma. Students are able to earn as many as 60 college credits by successfully completing the program.
