Heritage Elementary

Hometown School—World
Class Education

Annual Report to the Community 2021-2022

The mission of Heritage Elementary is to provide high quality inquiry based experiences that empower tomorrow's leaders.

Heritage Elementary

Hometown School--World Class Education

Firmly rooted in the Travelers Rest community, Heritage is a hometown school. Our students' families live, work, and play in our community... and many families have been here for generations. Heritage also offers students a world class education through strong core instruction in academics, foreign language, and the arts.

Our goal at Heritage Elementary School is excellence for all students. We aspire to achieve this excellence through offering a well-rounded curriculum. Students not only study the core academics of reading, writing, mathematics, science and social studies, but also Spanish, PE, Music, and Art. Through this rich curriculum, students find ways to excel in areas that are unique to their abilities and interests. The Heritage Staff have offered a variety of enrichment opportunities to students throughout the year. Each of these opportunities allows our students to find paths to success. The theme for the 2021-2022 school year is "EPIC Adventure." We know that learning is a journey that will take us down many different pathways, and no matter what path we walk, the journey will be epic!

We couldn't do what we do each and every day without the wonderful support of our PTA, SIC, OLLI volunteers, and the Cliffs at Glassy. Each of these partners are instrumental in offering our students and staff support to insure their success.

Thank you for your continued support.

Heritage School Goals

Performance Goal: To raise the academic challenge and performance of each student.

Performance Statement: Meet the state and federal accountability objectives for all students and subgroups in Writing, English, Reading, and Mathematics each year.

2021 Results:
