MAKING A DIFFERENCE!

Alma Mater

For thee, Mann High, we proudly rise
To sing our zealous praise.
Our loyalty and love we give
To thee throughout our days.

This noble structure stands
Beneath the mountain blue
We hail thee, Alma Mater,
With a faith, revered and true.

Burn on, Oh torch of truth and love
Your spirit will not fail.
Your gift of knowledge lights our way,
We hail thee, Mann High, hail.
Dear Students:

Welcome to the 52nd year J. L. Mann High School has opened its doors to the students of the city of Greenville. J. L. Mann has a proud and rich tradition of serving our community. But now it is your turn. This year our school will be what you make of it. The opportunities will be there for you to earn the quality of education you deserve. You only have to be willing to put forth the required effort. In today’s world, and more importantly tomorrow’s world, you will need to demonstrate competency in math, science, and technology to compete for the high paying jobs that require these skills. It is our commitment to you to provide the structure, support and guidance you need to be successful, but it is your responsibility to take advantage of the opportunities that are there for the taking. I encourage you to “seize the day” and make the most of the programs, extra-curricular activities, and opportunities that are available to you at J. L. Mann. By doing so, you are preparing yourself for the future and you are demonstrating to the world the definition of a true “Patriot.”

Charles S. Mayfield
Principal
J. L. Mann High School

MISSION STATEMENT

The mission of J. L. Mann High School Academy of Mathematics, Science and Technology is to provide each student with the opportunity to become lifelong learners by nurturing students’ individuality, guiding students’ learning, and challenging students to think critically through the shared involvement of teachers, administrators, parents, students and community members.

General Information

Neither this handbook nor any part of it should be construed as a contract itself; it is not intended to be comprehensive. It is meant to serve as a guide for the students, parents, and faculty of J. L. Mann High. The school reserves the right to make changes or exceptions to statements in this handbook. Final interpretation of all school rules and regulations is left to the principal.

Students are responsible for reading this handbook and knowing its contents. All students are instructed to show this handbook to their parent/guardian. All students must have a handbook.

EXPECTATIONS
It is an expectation that all Mann students exhibit good citizenship at all times. J. L. Mann students have a responsibility to:

- Know and obey all school rules.
- Obey any requests from adult staff.
- Respect the rights of others to learn.
- Respect the property rights of all.
- Assist in keeping the school clean and tidy.
- Be punctual to all classes and activities.
- Arrive in classes on time and prepared.
- Strive for success in each class daily.
- Engage in class activities from bell to bell.
- Make a positive contribution to Mann High.
- Act at all times with honor, dignity, and integrity.

CAMPUS BOUNDARIES – All students must enter the school building through the main entrance or the bus entrance ONLY. Students are not allowed inside any classrooms or classroom hallways before 8:30 a.m. or during lunch without a pass. Students arriving before 8:30 a.m. must report to and remain in the Commons Area. In addition, students must restrict their activities during lunch to the Commons Area. Supervision for students is provided between the hours of 7:45 AM and 4:15 PM. Parents may not drop off their students earlier than 7:45 AM and they must pick up their child by 4:15 PM unless they are otherwise supervised by a school employee and or participating in a school event.

CONFISCATED ITEMS – The following items should not be brought to school and will be confiscated: hats, sweatbands, bandanas, skullies, do-rags, skateboards, sunglasses, playing cards, and hair curlers. All confiscated items will be returned no later than the last day of school. [See pages 6 - 10 for information regarding electronic devices and cell phones.]

ID BADGES – As part of our school district’s continuing efforts to provide a safe learning environment, all high school students and staff will be required to wear photo ID badges (issued for the current school year). Students must wear their ID badge whenever they are
on campus, on field trips, or at school functions. The photo side of the ID should be visible at all times.
Free ID badges will be provided to students at the beginning of the school year to wear on lanyards around their necks. Lanyards may be provided by the student or purchased from the school. Lanyards should be break-away for safety purposes.

Student ID badges will also be used to purchase lunch and check out media center books and textbooks.

If an ID is lost, cracked, or defaced, a student must purchase a new ID in the front office between 8:30-8:45 a.m. and must pay $5.00 at the time of purchase. Any student who uses someone else’s ID or has possession of another student’s ID will receive disciplinary action. It is the student’s responsibility to display a school ID at all times while on campus. Discipline for ID violations is outlined on p. 19.

OBLIGATIONS/FINES – Fines charged to students for damaged textbooks, lost library materials, or other offenses must be paid to the school in a timely manner. Any student who fails to clear debts will not be allowed to participate in extra-curricular activities, including the graduation ceremony, until debts are cleared. The last day that checks will be accepted for debts is May 1. After May 1, only cash or money orders will be accepted. Hardship considerations may be granted by the administration when good faith efforts to meet obligations are deemed to be valid.

BRING YOUR OWN DEVICE PROGRAM

1. Introduction:

J.L. Mann High School believes that 21st Century instruction is necessary for 21st Century learning. Providing students with an environment that fosters and encourages this belief is part of our core values. All members of our learning community hold the responsibility to value technology and achieve technological proficiency to prepare our students for future jobs, which currently may not exist.

Schools must challenge students with rigorous, personalized academic experiences, foster innovation and creativity, and embrace emerging technologies. In a 21st Century learning environment, students actively engage in a cohesively integrated curriculum, access information, and apply it in solving authentic problems. Our students are living in a world where they have immediate access to information anytime and anywhere. Many students have personally-owned devices in their pockets that can be used to allow them to learn in their own style and at their own pace. We believe a ‘Bring Your Own Device’ program can be used to enhance the educational experience for students.
II. Definition:

For the purposes of Bring Your Own Device (BYOD), “Device” means a privately owned device that can include, but is not limited to, laptops, netbooks, electronic readers (such as Kindles and Nooks, etc.), tablets/iPads, iPod Touches, Chromebooks, and smartphones.

III. Purpose:

Many students’ lives today are filled with media that gives them mobile access to information and resources 24/7. Outside school, students are free to pursue their interest in their own way and at their own pace. The opportunities are limitless, borderless, and instantaneous. In an effort to put students at the center and empower them to take control of their own learning, J.L. Mann will allow students to use personal technology devices. Students wishing to participate must follow the responsibilities stated in the Acceptable Use Policy as well as the following guidelines.

IV. Bring Your Own Device (BYOD) in Practice

Students are able to bring and use their own device during their lunch and in the hallways between each class period change. Devices should remain silent or on vibrate. Students may only be allowed to use their device in classrooms under the supervision of teachers, under their instruction and direction, and after signing a BYOD agreement. Headphones and earbuds may not be used between 8:45 a.m. and 3:45 p.m. and in the classroom only under teacher direction and supervision.

V. FAQ: For Parents:

What if my child’s device is stolen or damaged? What recourse can I take?
Students bring electronic communication devices to school at their own risk, just like any other personal items. The school will not be held responsible if an electronic device or other item is lost, stolen or misplaced. Some devices have a device locator; it is recommended that you enable this feature, if possible.

My child is bringing a device to school for instructional purposes. Will they have access to things they normally do with district equipment?
You child will have access to any of the web-based software the school currently uses (databases, library search tools, etc.) Software may run differently on different devices for varying reasons.

As a parent am I required to add additional software (virus protection, filter, tracking device, etc.) to my child’s device?
Virus protection and device location software is not required, but is always a good idea.
How will my sons/daughters device be used in the classroom?
Schools must challenge students with rigorous, personalized academic learning experiences that foster innovation and creativity. Students will engage in a cohesively integrated curriculum, access information, and apply it to solve authentic problems in a collaborative manner.

FAQ: For Students

I don't have my own electronic communication device to bring to school. Will I be penalized or miss out on instruction?
No, it is not mandatory for students to bring a device, even if they do own one. Use of Bring Your Own Device will be optional. Keep in mind that learning can be enhanced greatly for the entire class even if only a handful of students have a device! Teachers will also have the opportunity to checkout an iPad cart for student use where all students in a classroom can use a device for instructional purposes.

My device was stolen when I brought it to school. Who should I contact about this?
J.L. Mann High School is not responsible for the theft of a device, nor are they responsible for any damage done to the device while at school. Any time a theft occurs, you should contact an administrator and or the SRO (School Resource Officer) to make him/her aware of the offense. Bringing your own devices to school can be useful; however, some risks are involved as well. It is always a good idea to record the device's serial number to have in case of theft.

VI. Bring Your Own Device (BYOD) Agreement
As part of the Bring Your Own Device (BYOD*) program, allowing personal device use in a class setting, you agree to abide by the following requirements. Any violation of this agreement may result in suspension of this privilege and/or disciplinary action.

1. The sole purpose of using the device during an instructional period is for educational reasons only.
2. The device is only to be used during the instructional class period with the express permission of the classroom teacher and under direct supervision of the classroom teacher. This may mean that the device will be permitted for some instructional activities but not for all.
3. The Greenville County School District (GCSD) will NOT provide any support for the device at any time.
4. You acknowledge that you know, understand, and agree to abide by the GCSD Acceptable Use policy.
5. All devices are brought to school at the owner's risk. Neither GCSD nor the school are responsible for theft or damage of the device.
6. Use of the device for unauthorized gaming is prohibited.
7. During the school day, no device may be used to record, store, or transmit any type of image, sound, or video, except for approved projects with the express permission of the teacher.
8. It is the responsibility of the student to bring the device to the school charged; the school is not responsible for or expected to provide charging options for devices.
9. Teachers and administrators may bar an individual learner from using a device as deemed necessary.
10. Devices may be confiscated at any time if these guidelines are not followed. Return of the device is contingent on the outcome of a meeting with the student and parents.

*BYOD (Bring Your Own Device) can include, but is not limited to, laptops, netbooks, electronic readers (such as Kindles and Nooks, etc.), tablets/ iPads, iPod Touches, Chromebooks, and smartphones.*

**ACCEPTABLE USE POLICY** – Greenville County Schools has developed a computer network that connects all schools to each other, the District Office, and the Internet. "Acceptable use" of this network is use that is consistent with the instructional goals of the District. The District takes precautions by using filtering software to keep inappropriate Internet sites out of the classroom. Electronic teaching and learning tools and online access are designed to support education. Breaking "acceptable use" rules will cause the student to lose the privilege to use both classroom computers and/or the Internet. Further disciplinary and/or legal action may be taken at the discretion of school administration. Please note that parents may choose for their child not to have access to the Internet at school; however, students who do not have access to the Internet will not be able to access email or web-based programs that teachers may be using in class. **Students and their families agree to the terms and conditions of this document upon acceptance of the school handbook. Violation of any of the terms or conditions will result in disciplinary action.**

- Treat computer equipment with care and respect – willful destruction of any computer equipment or software will be considered vandalism, and may warrant the involvement of local law officials.
- Any written text, graphics or executable files created, downloaded, displayed, or exchanged with another student or teacher must be education-related and not offensive in any way.
- Do not use school computers for illegal activities such as planting viruses or hacking.
- Do not use school computers for commercial purposes.
- Follow copyright laws at all times – see District copyright policies for more information.
- Keep student passwords secret – Students will be held responsible for all computer activities associated with their password. For example, if a student shares his/her password with a friend and he/she signs on as you and breaks one of the rules outlined above, you may be held responsible.
- All online communication must be polite and not threatening or offensive in any way – All students in grades 3-12 are issued filtered email accounts. The District has the right to review any email sent or received using District equipment and email accounts. Email accounts should be used for educational and district purposes only.
- Do not give out personal information on the Internet. Never give out your phone number, social security number, full name, age, home address, or any other personal information.
Home directories are provided to students for education-related work. Students should not store personal or non-school related work in home directories. The District reserves the right to review the contents of student’s home directories.

**Student Internet Permission**

Several third-party computer software applications and web-based services are utilized by our schools. These include Edmodo, Google Apps for Education, Office 365 for Education, and other similar educational programs.

In order for students to use these third-party software programs and services, certain personal identifying information - the student’s name, GCS email address and GCS user name - must be provided to the web site operators.

Under federal law, these websites must provide parental notification and obtain verifiable parental consent before collecting personal information from children (Federal Trade Commission – Children's Online Privacy Protection Act “COPPA”). The law permits school districts to obtain this consent thereby eliminating the need for each website operator to request parental consent.

A signed permission form is only needed one time and does not need to be annually renewed. These forms will be sent home as part of the first day of school packets or when a student enrolls in school. Additional copies of the form are also available in the Main Office.

COPPA is used to protect children under the age of 13. However, many web sites require verifiable parental permission for all minors (under the age of 18).

Family Educational Rights and Privacy Act (FERPA) rules still apply and only directory information may be shared with the web site operator in accordance with the annual opt-out notification. Students who “opt-out” are listed as “Total Restriction” under Student Directory Information in PowerSchool and none of the student’s directory information may be shared. Consult Board Rule JR (Student Records) for a list of directory information items.

**REPORTING BULLYING, DISCRIMINATION, HARASSMENT AND INTIMIDATION** - The District is committed to fostering an environment that both promotes learning and prevents disruptions in the educational process. Accordingly, the District prohibits all forms of bullying, discrimination, harassment, or intimidation. As provided in Board Policy and Administrative Rule JCDAG, students and parents may file a report of bullying, discrimination, harassment or intimidation by other students, employees of the District, or third parties involved in the school setting.

All reports should be filed with the principal or his or her designee. Reports may also be filed by a student’s parent. If the allegation is against the school’s administration, the student or parent should file a report directly with the District’s Parent Resource Representative. (See Policy JA for contact information). Anonymous reports may be made,
but those reports must provide the District with adequate information in order to begin an investigation.

Investigations and Consequences - All reports will be investigated promptly, thoroughly, and confidentially. The investigation shall include appropriate steps to determine what occurred and to take actions reasonably calculated to end the harassment, intimidation or bullying, and prevent such misconduct from occurring again. The student and his/her parent shall be informed of the results of the investigation and shall be advised how to report any subsequent problems. However, any discipline of students or staff shall remain confidential.

If the investigation determines that inappropriate conduct has occurred, the administration shall take reasonable, timely, age-appropriate, and effective corrective action. Examples of corrective action include, but are not limited to, disciplinary action against the aggressor, up to and including termination of an employee or expulsion of a student.

The District prohibits retaliation or reprisal in any form against a student or employee who has filed a report. The District also prohibits any person from falsely accusing another person.

Appeals - Notification of the outcome of the investigation will be issued in writing to the complainant and the complainant will be informed of the right to appeal. An appeal related to disability discrimination or harassment should be made to the District’s 504 Coordinator. An appeal regarding color, race, or national origin should be made to the District’s Title VI Coordinator. An appeal regarding sexual harassment, or gender discrimination should be made to the District’s Title IX Coordinator. (See Policy JA for contact information). A complainant may then appeal the decision of the coordinator to the Superintendent or his or her designee.

For a complete copy of the District’s Policy, Administrative Rule, and report form referenced above, please see the online link below to the Greenville County Schools Board Policies and Administrative Rules. You may also receive a copy of Policy JCDAG, Administrative Rule JCDAG, or the report form from your school upon request. http://www.boarddocs.com/sc/greenville/Board.nsf/Public#

EARBUDS/HEADPHONES – Earbuds/headphones may only be used in the classroom with teacher permission. Earbuds/headphones may not be used during class changes and lunch. If they are used at unauthorized times, they will be confiscated.

PUBLIC DISPLAYS OF AFFECTION – School is not an appropriate place for students to show affection for a boyfriend or girlfriend. Other than hand holding, public displays of intimate affection are in poor taste and will not be permitted.
STUDENT SPEAKERS AT SCHOOL SPONSORED ACTIVITIES – The School District of Greenville County is committed to maintaining an educational environment in which students of all backgrounds, beliefs and religions are welcome and treated with equal dignity and respect. The District will neither advance nor inhibit religion. In accord with the United States Constitution, the District protects private expression, including religious expression, by individual students as long as that expression does not create a disruption to or interfere with the educational environment.

Student speakers at school-sponsored activities, including graduations, may not be selected on a basis that either favors or disfavors religious speech. Where student speakers are selected on the basis of genuinely neutral, evenhanded criteria and retain primary control over the content of their expression, that expression is not attributable to the school and therefore may not be restricted because of its religious or secular content. In contrast, where school officials determine or substantially control the content of what is expressed, such speech is attributable to the school and may not include prayer or religious content. A school, however, may prevent or remove a speaker if the content of their speech is obscene, contrary to the District’s behavior code or substantially disruptive to the school environment.

SEARCH AND SEIZURE – In order to protect the health and safety of the students, the school administration has the right to search a student’s person and property if there is reasonable suspicion to believe that stolen or prohibited material is likely to be found. The administration may use metal detectors to search students as appropriate.

STUDENT DRESS CODE – J. L. Mann students are expected to dress and be groomed in such a way as to not distract or cause disruption in the educational program or orderly operation of the school. Personal appearance of students should promote health and safety, contribute to a climate conducive to teaching and learning and project a positive image of the school to the community. The administration may make additions or changes to these standards. Students who do not meet the dress code will not be allowed to go to class. If any apparel is considered indecent or in any way unacceptable by the staff or administration, the student may be required to go home and change or remain in the In-School Suspension Room.

- Proper shoes must be worn at all times.
- Clothing and/or hair should not be so extreme or inappropriate to the school setting as to disrupt the education process. Therefore, clothing deemed distracting, revealing, overly suggestive or otherwise disruptive will not be permitted.
- Wearing accessories or clothing that could pose a safety threat to oneself or others is not allowed.
- Hats, head coverings, and sunglasses may not be worn in the building.
- Attire must not evidence membership or affiliation with a “gang” in any negative sense of the term.
- Attire must not be immodest, obscene, profane, lewd, vulgar, indecent or offensive.
- Clothing that inappropriately exposes body parts is not permitted.
- Shorts and skirts must be no shorter than four inches above the top of the knee; leggings do not count as coverage for a short skirt.
- Shirts must have sleeves.
- Pants must have functional pockets and seams. Leggings or yoga pants can only be worn with a skirt that meets dress code length. Leggings are not to be worn as pants.
- Running tights with a key pocket or small side pockets are not permitted.
- Pajamas are not appropriate for classes and may not be worn.
- Undergarments should not be seen at any time, including bra straps and boxer shorts.
- No see-through or mesh garments may be worn.

- Pants must be worn at the natural waistline.
- Pants and slacks must not bag, sag, or drag.
- No clothing, jewelry, or tattoos are permitted that display profanity, suggestive phrases, or advertisements for, or messages or pictures depicting or suggesting alcohol, tobacco, drugs, or sex.
STUDENT CODE OF CONDUCT

While all J. L. Mann staff will address student behavior, the school administration is responsible for overseeing student discipline. Parents and students are invited to contact their counselor for academic questions and their administrator for disciplinary and departmental questions. Administrators and School Counselors are assigned to students as outlined in the following table:

The rules regarding student conduct are in effect during the following times and in the following places:

- on the school grounds during, and immediately before or immediately after, school hours
- on the school grounds at any other time when the school is being used by a school group
- off the school grounds at a school activity, function or event
- en route to and from school or a school activity on a school bus or other school vehicle
- and at any time or in any place that impacts the school’s ability to maintain order and discipline

Students who engage in an ongoing pattern of behavior that is disruptive to the orderly operation of the school shall be recommended for expulsion. The following is a general listing of offenses and the required or recommended disciplinary actions which should be taken as a result of such offenses being committed.

DISORDERLY CONDUCT – LEVEL ONE

Disorderly conduct is defined as any activity in which a student engages that tends to impede orderly classroom procedures or instructional activities, orderly operation of the school of the frequency or seriousness of which disturbs the classroom or school. This may include, but is not limited to, the following:

- classroom and/or school tardiness
- truancy
- cheating on examinations or classroom assignments
- lying
• blackmail of other students or school personnel
• acting in a manner so as to interfere with the instructional process
• use of obscene or profane language or gestures; abusive language between or among students
• failure to complete assignments or carry out directions
• use of forged notes or excuses
• violation of school bus regulations
• cutting class
• possession or use of an electronic device in violation of electronic device policy
• other disorderly acts as determined by administration

DISRUPTIVE CONDUCT – LEVEL TWO
Disruptive conduct is defined as those activities engaged in by student(s) which are directed against persons or property and the consequences of which tend to endanger the health or safety of themselves or others in the school. Some instances of disruptive conduct may overlap certain criminal offenses, justifying both administrative sanctions and court proceedings. Administration may reclassify disorderly conduct (Level One) as disruptive conduct (Level Two) if the student engages in the activity three or more times. This may include, but is not limited to, the following:
• fighting
• vandalism (minor)
• stealing
• threats against others
• trespassing
• abusive language to staff, including profane language
• use or possession of laser pointers, fireworks, smoke bombs, pepper-style sprays, and other similar devices or materials
• other disruptive acts which interfere with the educational process
• refusal to obey school personnel or agents (such as volunteer aids or chaperones) whose responsibilities include supervision of students
• possession or use of unauthorized substances, including tobacco and tobacco products, non-prescription drugs, “look-a-like” drugs, and drug paraphernalia, including rolling papers
• illegally occupying or blocking in any way school property with the intent to deprive others of its use
• inappropriate verbal or physical conduct of a sexual nature
• misuse of district technology resources
• gambling on school property
• unlawful assembly
• disrupting lawful assembly
• harassment, intimidation or bullying
• intimidating, threatening, or physically abusing another student
• other disruptive acts as determined by the administration
CRIMINAL CONDUCT – LEVEL THREE

Criminal conduct is defined as those activities engaged in by students (whether or not they result in criminal charges) that result in violence to themselves or to another’s person or property or which pose a direct and serious threat to the safety of themselves or others in the school. Whenever a student is engaging or has engaged in activities including, but not limited to, one of the acts specified below, while on school property or at a school sanctioned or sponsored activity which a principal or his/her designee has reason to believe may result, or has resulted, in injury or serious threat of injury to a person or to his/her property, the principal or his/her designee is required to notify law enforcement officials. Criminal conduct may include, but is not limited to, the following:

• bomb threat
• possession, use or transfer of weapons or anything that closely resembles a weapon – a weapon is defined as a firearm (rifle, shotgun, pistol or similar device that propels a projectile through the energy of an explosive); a knife, razor, bludgeon, blackjack, metal pipe or pole, brass knuckles (to include multi-finger rings); incendiary or explosive device; or any other type of device or object which may be used to inflict bodily injury or death
• sexual offenses (which include sexual acts that do not result in a criminal offense)
• arson
• distribution, sale, purchase, manufacture, use, being under the influence of, or unlawful possession of alcohol or controlled substance
• threatening to take the life of or inflict bodily harm upon a school employee or member of their immediate family
• ganging (“Ganging” or participating as a member of a gang and inflicting a violent act of bodily harm, however slight, upon another person will not be tolerated. A “gang” shall consist of two or more persons acting together for and with the purpose of committing an act of violence against another person. “Participation” includes any act that interferes with or hinders a staff member from stopping the infliction of bodily injury that is the objective of the gang. “Participation” also includes any act that interferes with or hinders a safe and non-disruptive educational environment and includes, but is not limited to, the use of hand signals, gestures or handshakes, graffiti or the presence of any apparel, jewelry, accessory or manner of dress which indicates or implies membership or affiliation with a gang. The school reserves the right to permanently prohibit any student from wearing or displaying any article of clothing or accessory which the school has determined to be a gang indicator.)
• vandalism (major)
• theft, possession or sale of stolen property
• disturbing the school
• possession, use, or transfer of “look-a-like” weapon
• assault and battery
• extortion
• any other acts as determined by the School Board
**DISCIPLINARY ACTIONS**

*Violating the Code of Conduct will result in administration applying one or more of the following sanctions:*

**Level One**: verbal reprimand; withdrawal of privileges; detention; in-school suspension; out of school suspension; other sanctions approved by the administration.

**Levels Two and Three**: any of the Level One sanctions; temporary removal from class; referral to outside agency; assignment to alternative school; expulsion; restitution of property and damages; other sanctions approved by the administration.

**After School Detention**: Detention will be held on Mondays, Tuesdays and Thursdays, 3:55-4:45 p.m. Detention will be used primarily for tardy, dress code, and ID offenses.

Students assigned to detention are expected to follow all school rules during detention. Students are expected to arrive on time, to wear their ID, to adhere to the school dress code and to keep all electronic devices out of sight and turned off. Students should report to detention with homework to work on and all materials required for that homework. Students will not be allowed to leave detention to get materials. Students are expected to work quietly during detention without talking.

Any student who has been assigned a one-hour detention and does not serve or is uncooperative during that detention will be assigned a two-hour detention. Any student assigned a two-hour detention and does not serve or is uncooperative during that detention will be referred to an administrator.

**ISS**: In-School Suspension is held in Room 421. Students assigned ISS should report to Room 421 no later than 8:45 a.m. and will stay until 3:45 p.m. Teachers will send the day's assignments to the ISS teacher who will pass them on to the student. Students should come prepared to complete their homework and any other assignments given by the ISS teacher. ISS is **not** considered an absence from school.

**OSS**: When assigned, Out-of-School Suspension applies to all activities scheduled on the day of OSS, including classes, athletic events or practices, or other extracurricular activities. The student may not be on any school campus during the time of the assigned OSS. OSS is considered an absence, but cannot be the reason a student loses credit for a class due to absences.
**SPECIFIC OFFENSES**
While administration reserves the right to make changes or exceptions when assigning discipline, the following is a general guideline for some student offenses.

<table>
<thead>
<tr>
<th>Offense</th>
<th>Consequence</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dress Code Violation</td>
<td>Minimum one hour detention</td>
</tr>
<tr>
<td>Failure to Report for Teacher Detention</td>
<td>Minimum one day ISS</td>
</tr>
<tr>
<td>Fighting</td>
<td>Minimum 3 to 5 days OSS and referral to law enforcement</td>
</tr>
<tr>
<td>ID’s</td>
<td><strong>Per Semester:</strong>&lt;br&gt;1(^{st}) offense: minimum one hour detention&lt;br&gt;2(^{nd}) offense: minimum one hour detention&lt;br&gt;3(^{rd}) offense: minimum two hours detention&lt;br&gt;4(^{th}) offense: minimum two hours detention&lt;br&gt;5(^{th}) and up: minimum OSS</td>
</tr>
<tr>
<td>Leaving campus</td>
<td>Minimum 1 day OSS</td>
</tr>
<tr>
<td>Possession of tobacco or tobacco paraphernalia including but not limited to cigarettes, e-cigarettes, chewing tobacco, lighters</td>
<td>Minimum 1 day ISS and referral to law enforcement</td>
</tr>
<tr>
<td>Profanity</td>
<td>Minimum 1 day ISS</td>
</tr>
<tr>
<td>Profanity toward staff</td>
<td>Minimum 2 days OSS</td>
</tr>
<tr>
<td>Refusal to obey a staff member</td>
<td>Minimum 1 day OSS</td>
</tr>
<tr>
<td>Skipping class</td>
<td>Minimum 1 day ISS</td>
</tr>
<tr>
<td>Smoking on school property</td>
<td>Minimum 1 day OSS and referral to law enforcement</td>
</tr>
<tr>
<td>Tardies</td>
<td><strong>Consequences:</strong> Parent notification is required. A grade of 0 will be given for the assignment or the examination. A referral is filed with the appropriate administrator, and the student will be counseled by the teacher or other school personnel. Additional disciplinary sanctions may be applied.</td>
</tr>
</tbody>
</table>

**J. L. MANN HIGH SCHOOL HONOR CODE** --
The School District of Greenville County expects students to maintain integrity in all school work and to refrain from any action that would bring dishonor to them or their school. Copying the work of others and submitting it as one’s own or securing or providing answers in a dishonest way is forbidden. **Plagiarism from the Internet is included in this offense.**

**Tardies will be cumulative.**
STUDENT ATTENDANCE

A compulsory school attendance law is in effect in South Carolina, which requires all students to remain in school until seventeen years of age. Also, the State Department of Education has ruled that any student may be denied credit for any subjects they have missed for more than 10 days. To receive credit for a semester course, a student must not be absent in excess of 5 days.

The first 10 absences (5 for semester class) can be lawful or unlawful. The 11th (6th for semester class) and all other absences past the 10th absence require a doctor’s excuse.

EXCUSED (LAWFUL) ABSENCES – In accordance with school board policy, the following are absences which still count as an absence but may be excused so the student can make up work:

1. Absences caused by a student’s own illness and whose attendance in school would endanger his or her health or the health of others. Absences which cause the student to go over the allowed ten absences must be verified by a statement from a physician.

2. Absences due to an illness or death in the student’s immediate family verified by a statement from the parent within two (2) days of the student’s return to school.

3. Absences due to a recognized religious holiday of the student’s faith when approved in advance. Such requests must be made to the principal in writing.

4. Absences due to activities that are approved in advance by the principal, including absences for extreme hardships. Such approval should be prearranged when possible.

When absent, a student must bring a written excuse for the absence from the parent/guardian or physician within two days of the absence. The excuse must state the date(s) and the reason for the absence. All excuses must be turned in to the Attendance Office. The Attendance Office calls to verify all absences due to appointments, such as doctor’s notes.

All missed work must be made up within five school days of the student’s return from that particular excused absence, at the teacher’s discretion. Students who are on field trips are considered present for that school day and are responsible for the missed work on the next school day, at the teacher’s discretion. Arrangements should be made between the student and the teacher prior to the field trip.

UNEXCUSED (UNLAWFUL) ABSENCES -- An absence by a student with or without the knowledge of the parent not meeting one of the conditions for an excused absence above will count as unexcused and will apply toward the cumulative limit of absences. School work may not be made up for an unexcused absence; the student will be assigned a zero grade for all classwork on that day. In accordance with school board policy, the following are examples of absences which would be considered unexcused:
1. Absences of a student without the knowledge of his or her parents.

2. Absences of a student without acceptable cause with the knowledge of his or her parents.

**PRE-ARRANGED ABSENCES** – A student requesting a pre-arranged absence must complete a Prearrange Absence Form, available in the Attendance Office, including the reason for the absence, signatures of all teachers whose class they will miss, and the principal’s signature. *This form must be submitted to the principal for approval one week prior to the absence.* Upon returning to school after the absence, the student must submit documentation for the absence (i.e. a letter from the college confirming attendance at a college visit.)

The principal must approve any student absence from school due to reasons outside of medical issues and reserves the right to deny permission for an absence. Juniors and seniors may request one day for a college visit each year. This day must be approved. In addition, the student must bring written proof of the visit to the institution on school letterhead the day the student returns to school. The attendance clerk will collect and file the proof in the attendance office. If the student fails to follow this procedure, the college visit will count as an absence. Pre-approved college visits will be coded as principal approved with correct documentation. By state law, students are permitted only ten absences for a year-long class and five absences for a semester class; any absences past the tenth (or the fifth) could result in loss of course credit for the student.

**TARDY REGULATIONS** -- Being late is not acceptable at J. L. Mann High School. If a student comes into the classroom and leaves for any reason prior to the bell, including going to the bathroom or to obtain class materials, he/she will be considered tardy if the student returns to the classroom after the tardy bell. Students who are late to class with a pass from another teacher, the attendance office, the health room, a counselor, or an administrator will be considered an excused tardy.

All tardy passes will be issued through the attendance office. Tardies will be cumulative. Any student not in class when the bell rings will report to the attendance office to get a tardy pass. Attendance will log the tardy on a spreadsheet to keep the cumulative total of tardies.

If a student drives to school, driving privileges may be suspended for tardiness to school. Discipline for tardy offenses is outlined on page 26.

**EARLY DISMISSALS** – Students who plan to leave school during school hours should bring a note from the parent/guardian to the Attendance Office before 8:45 a.m. *The Attendance Office cannot accept voicemail as an early dismissal request, only a written note that can be verified or a parent coming into the office can be accepted.* On the written note, please provide a local phone number where you can be reached because the parent/guardian will be contacted to verify the early dismissal. Students should return to the Attendance Office between classes to pick up their early dismissal
pass, which excuses them from class at the documented time. It is not necessary for the parent to come inside for the student once the early dismissal has been verified. If the student returns to school on the same day, the student must report to the Attendance Office with the early dismissal pass before returning to class. **Classes missed due to an early dismissal count toward the student’s cumulative absences.**

Walk-in early dismissals will not be allowed after 3:15 p.m. Students may leave between 3:15-3:45 p.m., but a note must be submitted in the morning before school.

In the event of an emergency when a note has not been sent in by the parent/guardian for an early dismissal, the following steps should be followed:

1. Arrive before 3:15 p.m. (Walk-in early dismissals are not permitted after 3:15 p.m.)
2. The parent/guardian must come into the main office. Please be prepared to show a picture ID.
3. If the parent/guardian is unable to personally pick up a student, the person picking up the student must have a note from the parent/guardian giving permission for that person to pick up the student. The parent/guardian will be contacted to verify the early dismissal and to verify permission for the student to be released to the individual with the parent/guardian note. **Please note that an emergency contact person is not permitted to sign out a student for early dismissal without a note from the parent/guardian.**

Absences and grades, along with other information, may be accessed by parents through the school district’s parent portal. The portal is listed on J. L. Mann’s web page at [http://www.greenville.k12.sc.us/jlmann/index.asp](http://www.greenville.k12.sc.us/jlmann/index.asp). The following codes are used to identify absences:

STUDENT SERVICES

ACCIDENT INSURANCE -- All participants of high school athletic programs are required to purchase athletic insurance through the school. This required policy should NOT be confused with the school time 24-hour plan, which is optional and covers all school time injuries including all athletic injuries except football.

HEALTH SERVICES GUIDELINES – The purpose of the Health Services Office is to provide short-term care in the event a student becomes ill or injured while at school. It is not intended to take the place of a physician’s office. Every effort is made to keep your student in school if at all possible. If it is determined that your student is too ill to stay in school, please make arrangements to pick him/her up as soon as possible. Students will be dismissed under the following circumstances:
1. Active vomiting and/or diarrhea.
2. A fever of 101 degrees or above.
3. Any condition that may be contagious and/or hazardous to the student, the student body, and the school staff.
4. Any condition listed in the DHEC official list of conditions requiring exclusion from school.
5. An injury or condition that needs further evaluation by a physician.

Students who call home ill without being dismissed via the Health Services Office will be unexcused.

PRESCRIPTION MEDICATION – All prescription medication must be delivered to the school nurse or other designated school employee by the student’s parent, legal guardian, or a previously designated adult. If your child brings over-the-counter medication, it must be brought to the Health Room before school starts. It is against school board policy for a student to carry any medication on their person without prior approval. All medication must be maintained in the Health Room. Violations of the medication policy are dealt with sternly. Medication needed on field trips is also covered by this policy and must be administered by an individual designated by the principal. There are separate permission forms for field trips. Possession, use, or distribution by students of any medications, prescription or over-the-counter, is prohibited; any student in violation of this school rule will be referred to an administrator who may consider suspension or expulsion.

LONG-TERM MEDICATION -- Written authorization by the attending physician is required for long term use (to be given at school for two weeks or more) in addition to the Authorization Form signed by the parent/guardian.

NON-PRESCRIPTION MEDICATION – A parent/guardian may authorize the use of over-the-counter medication by a written note accompanying the medication’s original container with a label. The student’s name, the name of the medication, dosage, time to be given and reason for the medication must be indicated. NOTE: If your child experiences frequent headaches or uncomfortable menstrual cramps, please provide the school with medication.
so your child can remain in school. The student may not necessarily be dismissed through the Health Services Office for headaches or menstrual cramps.

**EMERGENCY MEDICATION**—Students who are known reactors and require emergency treatment for an allergic response should have medication in the Health Services Office with written parental permission and written instructions from the physician for administering the medication. If the student has emergency medication in the Health Services Office, this medication does not follow him/her to the Career Centers. When students go to the Career Centers, they will need written permission to carry the medication with them. It is required that an Emergency Health Care Plan be completed on the student who has severe allergies or asthma. All students who use an inhaler due to asthma must have Health Services forms signed by the parent/guardian and the physician.

**MEDICATION ADMINISTRATION** – When a student is required to take medication during the school day, the following guidelines will be followed:

1. Written permission from the parent/guardian for each medication must be on file in the Health Services Office.
2. The medication will be stored in a locked container.
3. The medication will be administered by the school nurse or staff designated by the principal. A list of staff designated by the principal to assist with medications in the absence of the nurse will be posted in Health Services.
4. Each administration of medicine will be recorded on the student's medication record.
5. When a student leaves the school for a field trip, the medication will be secured in a container labeled with the student name, date, medication, dosage, strength and time for administration. The school nurse will provide the staff accompanying students on the trips with the information needed regarding the medication, its purpose, and side effects that may occur. It is the parent's responsibility to notify the school nurse in writing when a field trip will occur, including the date and time.
6. Students may self-administer medication at school ONLY when the following forms are on file in the Health Services Office: Parental Permission, Physician's Authorization, Individual Health Care Plan, and the Self-Administration Checklist.
7. Cough drops and/or throat lozenges may be carried with a student if a note has been written to the nurse and signed by a parent/guardian.
8. Inhalers or epi-pens may be kept by the student if written permission has been provided by the parent/guardian, and the physician has indicated in writing that it is necessary for the student to have the medication with them at all times. An additional inhaler/epi-pen should be kept in the Health Services Office.
9. Medications that cannot be identified by the container will not be given and will be discarded immediately. Expired medications will not be given.
10. The school will not administer medication that is reportedly missed at home. We will only administer those doses that are scheduled during school hours. Parents may bring a missed dose of medication to school and give it to the students themselves.
11. Rule of thumb: if the medication can be given at home instead of school, then give the medication at home. The first dose of any medication must be given at home. Do not bring in Lortab (hydrocodone) for your student; if your child requires this strong medication for pain control, then the student should remain at home. Herbal medications
are legally defined as food and nutritional substances and will not be administered at school as they are not FDA approved.

**EMERGENCY FORMS** – All families must complete a Student Emergency Form to be kept on file in the Health Services Office. The Emergency Form makes it possible for the school to contact the parent/guardian in the event of an emergency; without this form on file, the Health Services Office cannot release any student except to the parent/guardian. The forms are available in the Health Services Office or can be downloaded off the school website. Be sure to update these forms as changes occur by sending a signed note with the new information to the Health Services Office. On the form, indicate who your emergency contacts are. Students will only be released to those who are listed with parent/guardian permission. Tell your child who has been listed on the Emergency Form for having permission to pick up the student.

**MESSAGES** – The office staff will relay only emergency messages from a parent or guardian. Parents are asked not to call or text their students’ cell phones during the school day so the student is not in violation of the district policy regarding electronic devices (refer to pages 6-10). There is a telephone available in the front office for students who need to use the phone during the day. Students may use this phone with teacher or administrator permission.

Delivery of cash, flowers, balloons, and fast food is not allowed; the front office will not receive these deliveries.

**PARENT PORTAL** – Parents are able to see student records and school information anytime you wish through the Intouch Online Parent Portal. To get a Parent Portal account and password, parents will need to come into the office to show valid identification and to sign a form to pick up the secure login and password needed to use the Parent Portal. Student information available to parents through the Intouch Online Parent Portal:

- **Attendance** – shows the days of activity and a summary of attendance by period for each absence type
- **Grades** – shows the most recent marks the student achieved, including any updates or corrections that might have been made since report cards were sent
- **Graduation Requirements** – shows the student’s credits earned and the number currently being attempted
- **Classes** – shows the student's current class schedule
- **Test Scores** – shows detailed scores as well as visual graphs that compares the student with school averages
- **Immunizations** – shows the student's vaccinations and required examinations
- **Emergency** – provides contacts and emergency treatment information
- **Transcripts** – shows all courses, grades and credits the student has taken in each term. This information helps the parent assist in the planning of the students’ future needs
- **Mail Center** – shows all staff e-mail addresses. You may click on a teacher’s name to immediately send a message
PARTICIPATION IN EXTRACURRICULAR ACTIVITIES -- Student participation in extracurricular activities is a privilege (not a right) that a student earns through proper conduct and academic achievement. A student may be denied the privilege of participating in an extracurricular activity and/or an event when the student is on the obligations list; the student’s conduct is not consistent with school board policy; the Student Behavior Code and/or academic standards; the conduct expectations and/or academic standards of J. L. Mann High School; and/or the conduct expectations and/or academic standards of the particular activity. Extracurricular activities include, but are not limited to, athletic teams, academic clubs/teams, prom, Spirit Week, graduation exercises, parking privileges, and attendance at any school function outside of the normal school day.

TRANSPORTATION:

BUSES -- Bus loading and unloading is conducted at the bus entrance of the school. Students waiting on a late bus will wait outside the building in this area. Any student arriving at school on a late bus must report directly to the Attendance Office. In the interest of safety for all school bus riders the following district-wide regulations must be observed:

1. Be on time at the bus stop. After a few days of operation, bus drivers will establish a schedule that will be followed thereafter.
2. Riders must stay off the road while waiting for the bus.
3. Riders must show respect for private property. Property owners are extending to students the use of their corner, driveway, etc. Abuse to the private property will necessitate moving the stop and perhaps cause the distance to the bus stop to be greater.
4. If riders must walk along the road to reach the bus stop, they should always walk on the left shoulder, facing traffic.
5. Riders must walk, not run, when crossing the road. Riders must stand on their side of the roadway and wait for a signal from the bus driver before crossing in front of the bus.
6. Riders must not run alongside the bus when the bus is moving.
7. School bus riders will be seated at the discretion of the bus supervisor working with the individual bus driver.
8. Riders must maintain classroom conduct while riding the bus. They should assist in keeping the bus clean. They must not throw papers on the bus.
9. Riders must never tamper with any bus equipment. The offender must pay for willful damage to windows, fire extinguishers, etc. Failure to pay for damages will result in suspension from riding the bus until such amount is collected to cover the replacement cost.

CAR RIDERS --
1. Car riders must be dropped off and picked up in front of the school.
2. Car riders must enter and exit through the front of the school. The front of the school is the designated location for car riders to wait for their rides.
3. Car riders should not be picked up or dropped off on Fairforest Way, Ridge Road, and/or in the student parking lot.
4. Car riders should not be dropped off before 7:45 am and should be picked up by 4:15 pm.
5. Car lines should not double stack in the afternoon until 3:45.

**CAR DRIVERS** –
1. Parking a vehicle on school property is a privilege, not a right. This privilege may be taken away any time parking rules are violated.
2. There will only be a limited number of parking permits issued. If you do not get one, you will not be allowed to park your vehicle on school property. Vehicles parking without a permit will be towed at owner’s expense.
3. Registration for parking will be held on the same day you pay fees and pick up schedules. The cost of the permit is $40.00 for the year. Any additional permits will cost $5.00.
4. Parking spaces will be allocated on a first come, first space available basis. Students should not park in the faculty parking lot before, during, or after school.
5. Any display of recklessness, irresponsibility, disregard for safety, or parking in off-limits areas may result in the revocation of a student’s parking privilege. Parking tickets can be issued for violating the criteria outlined on the Parking Permit Form.
6. **In order to purchase a parking permit, the student must have Alive at 25 certification.**
7. **Students must be on time arriving to school, and can lose their parking privileges if they are tardy to school, as outlined below:**

<table>
<thead>
<tr>
<th>Tardies to School</th>
<th>6th – 10th offense = 10 school days driving suspension</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>11th – more offense = 20 school days driving suspension</td>
</tr>
</tbody>
</table>

**The school district does not assume responsibility for damage to cars, for the theft of cars or for articles taken from cars.** Students are responsible for all items found in automobiles that they drive onto school district property. Confiscation of illegal drugs, unauthorized medications, alcohol, and weapons (including but not limited to knives and guns), whether in plain sight or discovered as a result of a search by school or law enforcement officials, will result in a recommendation for expulsion of the student.

**Loitering in the parking lot, either in or out of the cars, is not permitted.**

**CAREER CENTER** – Greenville County Schools provide bus transportation between the regular high school campus and the area career center campus. A student and the parent/guardian must agree to the following regulations before permission can be given to drive to the career center:

1. No student will be permitted to drive an automobile until he has permission from their parent/guardian, his high school principal, and career director. He must have a valid driver’s license before application is made.
2. No passengers will be permitted to ride with another driver unless prior permission has been received and by following the same procedures as the driver. The passenger will not be permitted to drive.
3. Reckless driving en route and on school grounds will not be permitted and will result in cancellation of permit.
4. Students will park in designated parking places at the career center.
5. The student will report directly to class and will not return to their cars until dismissed.
6. No stops will be made while traveling between the two locations.
7. Students must show evidence of liability insurance before a permit is issued.
8. The student and their parent/guardian understand that the School District of Greenville County will not be responsible for any accident, vandalism, or stolen property that may occur in the operation of an automobile by a student.
9. The student must carry the driving permit at all times so that it may be shown to any administrator upon request.
10. Students who drive to the career center in the afternoon should not return to their home high school at the end of the day without prior permission. Anyone who has to return to pick up other students should remain in their cars.
11. If these regulations are violated, a written notice to the student and parent may revoke the approval permit. The revocation may be made by either the high school principal or the career center director. Violation of a revoked permit may result in suspension.
The curriculum philosophy of J. L. Mann High School is based on the idea that all students have access to a wide range of courses in all departments. In the freshman and sophomore years, students are encouraged to take many of the state-required courses. During the junior and senior years, students are generally able to take courses that meet many of their own individual interests. Students, along with their parents, are encouraged to become familiar with the entire curriculum. It is important that students fulfill state requirements but also take courses of individual interest.

Students receive units based on successful completion of courses. These units determine eligibility for a high school diploma. Students are classified by grade level according to the number of units earned after being in high school a year:

- 9th grade – successful completion of the 8th grade.
- 10th grade – 5 credits, including one English and one math.
- 11th grade – 11 credits, including two English credits, two math credits and one science credit.
- 12th grade – 17 credits, including three English, three math credits and two science credits.

A student will not be promoted to the next grade level if they do not successfully complete their requisite coursework outlined above.

As stated in a previous section of the handbook, parents and students are invited to contact their counselor for academic questions and their administrator for disciplinary and departmental questions. Administrators and School Counselors are assigned to students as outlined in the following table:

<table>
<thead>
<tr>
<th>Student Last Name</th>
<th>Counselor</th>

REGISTRATION – Students and parents are encouraged to make a careful study of the entire curriculum of studies offered in grades 9-12 prior to the selection of courses for respective grades. It is advisable to decide on a program of study at the beginning of ninth
grade and to continue that course work through high school. Students should try to find a program of study which will not only be interesting, but also will prepare them for a field which they desire to pursue in later years.

**SCHEDULE CHANGES** – School counselors are unable to grant requests for course changes in the fall because classes are created and teachers allocated based on student requests from spring registration. We ask that requests for changes be submitted in early spring, prior to the stated deadline. Once class sections are set and teachers assigned in the master schedule, change requests are denied. Never should a student’s schedule be changed by a student and/or teacher except by working through the counselors or principal.

**WITHDRAWAL FROM COURSES** - The State requires 120 instructional hours per class. Drops/adds after the school year has begun makes it impossible to get the required hours for credit. Courses dropped after the attendance days listed below will be recorded as W/F (withdrawn failing) and will count in computing the grade point ratio as a course attempted with quality points earned. **Penalty dates for withdrawals are as follows:**

- **Year course** – 10 days after course begins
- **Semester** – 5 days after course begins

**PROGRESS REPORTS** – Midterm progress reports are notification of satisfactory and unsatisfactory progress at the middle of the nine weeks. All students will receive progress reports each quarter. Dates **Progress Reports** will be issued in 2016-2017:

- 1st quarter – September 15
- 2nd quarter – November 21
- 3rd quarter – February 15
- 4th quarter – May 2

**REPORT CARDS** – Report cards are distributed to students at the end of each nine-week grading period. Final report cards are mailed to parents unless the student has an obligation. Dates **Report Cards** will be issued in 2016-2017:

- 1st quarter – October 27
- 2nd quarter – January 19
- 3rd quarter – March 29
- 4th quarter – June 6

**EXAMS** - All students will take 1st and 2nd semester exams in all courses where there is no state end-of-course test (EOC) requirement. Exams in these classes will count as 20% of the semester grade. All students will take 1st semester exams, including those classes where there is a state EOC test requirement, and the exams will count as 20% of the 1st semester grade. The state EOC test for these classes will count as 20% of the final grade. A teacher may elect to base the student’s exam grade on a written exam, exhibition, or portfolio. These types of exams must be cumulative and cover at least a semester’s work.
**GRADING SYSTEM** – The grading system, as well as the method for computing semester and final grades, will be the same throughout the district and is as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Range</th>
<th>Partial GPR point credit</th>
<th>No GPR point credit</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>90-100</td>
<td></td>
<td></td>
</tr>
<tr>
<td>B</td>
<td>80-89</td>
<td></td>
<td></td>
</tr>
<tr>
<td>C</td>
<td>70-79</td>
<td></td>

Grade point ratio and rank in class shall be determined at the end of the student’s sixth and seventh semester. Total quality points will be calculated using the S.C. uniform grading scale. Grade point ratio shall be calculated by the following formula:

\[
\text{Grade point ratio} = \frac{\text{Total Quality Points}}{\text{Total Units Attempted}}
\]

**REQUIREMENTS FOR GRADUATION** -- It is the responsibility of each student to see that all requirements for graduation are met. A student has not officially graduated until a diploma is awarded. Students are required to earn 24 prescribed units in order to graduate. In addition to the unit requirements, students must be declared keyboarding proficient. Guidance counselors are available to answer questions and provide information. Please notice the specific requirements on the diploma chart below.

* Students in a college preparatory program must earn three science credits that are classified as lab sciences.
Students in a college preparatory program must earn two units in foreign language. Four-year colleges/universities require at least two, and sometimes more, units of the same foreign language.

Students in a college preparatory program are required to earn a fine arts credits as one of their electives.

**ACADEMIC HONORS**

For a student to receive an Academic Achievement Honors Award, the student must:

1. Complete twenty-four units of credit as prescribed;
2. Receive a minimum grade of “B” for each semester course in grades 9-12 through the seventh semester; and
3. Achieve either a score of 710 on the SAT verbal or a score of 690 on the SAT math, or an ACT score of 30 on English or 33 on mathematics

   OR

1. Completed twenty-four units of high school credit;
2. Be eligible for graduation with a state high school diploma;
3. Have a combined score of 1400 on the SAT verbal and math sections, or an ACT composite score of 31.

Of the twenty-four units earned, eighteen units must be college preparatory course work, four units in additional electives, and two units in one or more of the following: English, science, social studies or mathematics. College preparatory course work includes: English [English I or above] (four units); Mathematics [Algebra I or above] (four units); laboratory science (three units); social studies [United States/South Carolina studies, Economics/Government, and one unit of global studies/world history, global studies/world geography or western civilization] (three units); computer science (one unit); physical education (one unit); and foreign language (two units).
If you are a student seeking a high school that offers a demanding curriculum and that rewards excellence, **J.L. Mann Academy should be your school of choice.** The goals of our Academy are:

- *To expand math, science, and technology instruction to attract motivated high school students of different racial, ethnic, social and economic communities of Greenville.*

- *To provide in-depth courses of study in sciences, math and technology that will lead to post-secondary education or career opportunities for every student.*

- *To extend learning opportunities in the humanities, arts, and languages in a comprehensive, rigorous, and well-rounded educational program for all students.*

The science and mathematics selections offer an array of Honors and Advanced Placement courses taught by highly qualified instructors. A number of these faculty members hold doctoral degrees, have taught at the college level, and are Board Certified educators. Maximum use is made of technology in the AP program, as well as, the mathematics and science courses, which are preparatory to AP courses. Computers, as well as, hand-held technology and advanced instructional audio-visual tools, have become an ever-increasing part of the learning environment at Mann Academy. Several of the advanced courses are offered every other year thereby expanding the possible choices for our students who want to pursue college degrees and careers in math, science, and/or technology. For those who choose to immerse themselves in the academy’s academic focus, the option of following a Magnet Distinction Diploma track is open to ANY student enrolled at J. L. Mann.

Students who see a future in the sciences, mathematics, or computers, as well as, students who wish to be prepared for the most challenging university programs, need more than the core offerings of our magnet program. Mann Academy offers a sequence of honors, AP, and college preparatory courses in the social sciences and humanities. The foreign language program includes Spanish and French. Through the involvement of numerous business and community partners, Mann Academy graduates will be well prepared for college and the world beyond.

Our Academy is unique in that state of the art technology is used for research and instruction throughout the school curriculum. All students have the opportunity to use technology as a tool to become proficient in acquiring, using, and processing information. Each course of study provides a focus on communication skills. It is our belief that all students should have the opportunity to develop and refine the skills required to become effective communicators.
**MAGNET DISTINCTION REQUIREMENTS** - Any student at J.L. Mann, not just the students who enroll at Mann through the magnet application process, may choose to follow the track that leads to a diploma with magnet distinction. Recognition and a special medal to wear at graduation await those students who successfully complete the requirements of the four-year program.

While each high school magnet academy has a distinct curricular pathway aligned with its magnet theme, the framework and rigor of the pathways (course of study) are standardized across all schools. For that reason, all GCS magnet students are required to select and complete one of the pathways offered by the magnet academy and complete a Senior Project which leads to Magnet Distinction.

Students who accept a slot at a high school magnet academy are made aware in advance of the requirements. After enrolling, should a magnet student be unable or choose not to complete any part of the academy’s program, his or her magnet status is forfeited and the student is to return to the home-based school.

The 24-unit requirements for a Magnet Distinction Diploma are:

- 4 units of English
- 5 units of Mathematics+
- 7 units of Science and Technology+*
- 1 unit of US History
- 1 unit of US Government/Economics
- 1 unit of World History (or other social studies)
- 1 unit of Physical Education
- 3 units of Foreign Language (same language)
- 1 unit of Fine Arts

Students must also complete a Senior Project in mathematics, science or technology.

It is important for students interested in the magnet distinction to declare his/her intention early. The first step should be a family meeting to look at the requirements and to decide if this is a desired and attainable goal. The next step is to keep the requirements in mind as courses selections are made for each year during the registration process. Third, communicate your plans to your assigned counselor so that he/she can assist you in making choices in your schedule when registration begins. Finally, take the responsibility for having a plan early and working your plan through each year at Mann.
Mathematics Pathway Checklist  
Course of Studies for Magnet Distinction Award

9th Grade  
☐ English 1 (CP, H) or English 2 Honors  
☐ Algebra 1 (CP, H) or higher  
☐ Biology CP or Phys Sci H  
☐ Global Studies 1 (CP, H) or AP Human Geog  
☐ Digital Media & Art History  
☐ Foreign Language (CP, H)  
☐ PE or ROTC

10th Grade  
☐ English 2 (CP, H) or English 3 Honors  
☐ Geometry (CP, H) or higher  
☐ Algebra 2 (CP, H) or higher  
☐ Phy Sci (CP, H) or Biol H or Chem H  
☐ Global Studies 2 (CP, H) or AP World History  
☐ Foreign Language (CP, H)  
☐ Elective

11th Grade  
☐ English 3 (CP, H) or English 4 H or AP Lang  
☐ Pre-Calculus (CP, H) or higher  
☐ Chemistry (CP, H) or Biol (H, AP)  
☐ US History (CP, H, AP)  
☐ Computer Science (CP, AP)  
☐ Foreign Language (CP, H)  
☐ Elective

12th Grade  
☐ English 4 (CP, H) or AP Lang or AP Lit  
Choose 2:  
☐ AP Calculus, AP Stat, or Prob and Stats  
☐ Physics (CP, H)  
☐ Government (.5) (CP, H)  
☐ Economics (.5) (CP, H)  
☐ Math Elective

☐ Pre-Calculus (CP, H) or higher  
☐ Science Elective (CP, H, AP)  
☐ Physics (CP, H)  
☐ Government (.5) (CP, H)  
☐ Economics (.5) (CP, H)  
☐ Computer Sci (CP, AP) (if not taken in 11th gr)  
☐ Elective
In Order to Earn Magnet Distinction for All Pathways:

- Upon approval, students may enroll at a Career Center in an engineering-related program during 11th or 12th Grade.
- Students must take one fine arts unit and 3 or more of the same Foreign Language units.
- Students must complete a Senior Project or an Internship. Pass/Fail recognition will be earned on a research paper, portfolio, and presentation. Topics are due by end of the junior year. Projects will be completed by the end of first semester of the senior year.
What is NewTech@Mann?
NewTech@Mann is a school-within-a-school on the campus of J. L. Mann High School that offers students project-based learning, student-led culture, and one-on-one technology. NewTech@Mann opened in August of 2014 with 150 freshmen students and will add 150 students each year until 9th through 12th grades are represented. Students interested in New Tech@Mann must be an attendance-area J. L. Mann student or an accepted magnet student and must be Algebra-ready. Applications for New Tech@Mann are available on our web page: [http://ntam.blog.greenville.k12.sc.us/](http://ntam.blog.greenville.k12.sc.us/).

Project-Based Learning
Project-based learning emphasizes learning activities that are long-term, interdisciplinary and student-centered. Unlike traditional, teacher-led classroom activities, students (learners) often must organize their own work and manage their own time in a project-based lesson (PBL) class. Learners follow a PBL plan for every project using these general steps:

- the project is introduced through a driving question;
- learners determine what they need to know;
- teachers (facilitators) organize needed activities for learning;
- facilitator-led and peer-led assessments are conducted to determine learner understanding;
- content-oriented workshops are provided by facilitators;
- learners formally present their conclusions; and
- learner conclusions are peer- and facilitator-reviewed.

Learners spend most of their working time researching, discussing, attending workshops held by facilitators at the school, and presenting to real people. It’s not just about turning in an assignment, but rather about showing what a learner can do.

Student-Led Culture.
At the start of the school year the students at NewTech@Mann create a school-wide social contract based on trust, respect, and responsibility. The students determine which student behaviors are acceptable and which are not and determine consequences for students who
violate the social contract. Greenville County Schools’ disciplinary code is also implemented through the social contract. Input for the social contract is received from every student through their Advisory group and a New Tech student leadership group, called Students in Action, oversees implementation of the social contract. The New Tech Director works directly with Students in Action.

In the classroom each group project is also governed by a contract created by students in the group. These are written agreements between group members that outline how the group will operate, who will be responsible for each task, and what will happen when someone doesn’t do their share of the work.

One-On-One Technology
Every New Tech learner will be issued a Dell laptop and access to ECHO. ECHO is the digital home for all of the student’s class projects, activities, grades, and Internet resources. It allows students to submit coursework, review assignments, and discuss class content online with teachers and other students. Students, parents and staff have access to ECHO at all times, which means there is no more scrambling to look for a copy of an assignment that was lost because most assignments are available and can be submitted online.

Even before students first come to class, they can log in to ECHO and see the day’s class agenda, along with the day’s activities and the resources tied to them. Students can start learning for the day without waiting for everybody else to get ready. They also do not miss assignments because they are absent.

When parents use ECHO, they can see their student’s course information in real time. When the teacher enters a grade or assignment, it’s available for parents to see immediately. Parents can choose to receive email notifications when assignments are submitted, grades are posted, or even if an assignment is turned in late.

New Tech Curriculum: Preparing for Graduation and Beyond
NewTech@Mann does not follow a traditional class schedule. Students in New Tech will take combined PBL classes and stand-alone PBL classes. While bells will ring to dismiss the traditional J. L. Mann classes, NewTech@Mann will run on a separate schedule without bells. Learners will be expected to work closely with their teachers and their project groups to move from class to class without travel time built into the schedule. Because of this structure and the combined classes, New Tech learners have the opportunity to earn eight credits each school year as opposed to the seven credits earned by the traditional classes.

New Tech learners will take electives outside of NewTech@Mann each year. These classes will be traditionally taught and are integrated with the whole-school population. New Tech students have access to any elective class taught at J. L. Mann High School, such as band, physical education, foreign language, or art. New Tech learners will have access to all other services (such as bus transportation) and extracurricular activities (such as athletics or clubs) offered by J. L. Mann High School.

New Tech learners can earn college preparatory (CP) credit or honors (H) credit in each New Tech class depending upon the level of the learner’s participation and rigor within each project. The CP and honors classes are not separated out; instead the students are in class according to the subject in which they enrolled. New Tech facilitators will prepare a
rubric for each project clearly defining how to earn the type of credit a student is seeking. Advanced Placement (AP) and dual credit courses in New Tech offer the opportunity to only earn AP or dual credit. CP and honors credits are not available in AP or Dual Credit courses.

New Tech students will take combined PBL classes, single PBL classes, and traditional J. L. Mann electives each year. In their junior and senior years New Tech students will add AP (Advanced Placement) and Dual Credit courses, which allow them to earn college credit.
