

September 9, 2024

Started 12:03p

- New attendee welcome and introductions

In attendance:

Kayla Goodridge

Crystal Beal

Jennifer Enten

Jarrood Moore

Jennifer Dodds

Jesse Koon

Lori Wilson

Kelsey Durham

- Admin Update from Mr. Moore, talking about any school events and/or updates regarding the school.

Book Fair has been canceled due to book bans, etc.

The district will be rezoning for Reedy Laurel which will relieve some of the overcrowding at MES (120% capacity); we will be losing around 300 students in the next 6 years.

MES will be recording every book in the school including the library and classrooms.

- SIC Handbook and Training

Kayla emailed out handbook.. SIC training will be In-Person: Monday, Sept. 30, 6:30p and Virtual: Thursday, Oct. 3, 6:30p

- SIC Chair, Vice-Chair, and Secretary seats for 2024-2025. Final voting must be completed by October 14th for noms to take their roles on the 15th.
- Summer Reading Rewards Day

Volunteers had a popsicle party in the courtyard on September 6 for those who qualified (16 kids)

- Community Fall Festival Update

Sept 21st 11a-1p; there will be 23 vendors including The Blood Connection (10a-2p) [If we have 30 donors, the school will get a \$500 grant. Each donor will receive a \$40 gift card regardless]; other vendors include Good News Club, Big Air, Master Kim, Kazoku Karate, Holland Park Church, T-Motion Dance, Defy, BETA will have baked sale

15 companies are doing raffles which are free for families

Kayla will be at school at 8am and vendors can start to arrive at 9a; Ms. Sandra will be our point person for day-of

- Book Vending Machine Stickers

SIC goals have been to improve reading goals and scores have increased.

We will be ordering stickers to be put into each book letting students know that these books are from SIC.

450 books are projected to be handed out so we will need to increase our quote from 300-600 stickers, this will increase the quote from about \$100 to \$150

- Goals for this school year

Math will be the school focus this year, including using manipulative to increase fluency, matching WIGs to district standards, school also uses dreambox to help improve scores.

Goals will be put on agenda for next meeting to encourage students and teachers to improve math scores

Next Meeting will be October 15, 2024

Adjourned 12:55p
