

## What is TECHFIT?

Teaching Engineering Concepts to  
Harness Future Innovators and Technologists.

The TECHFIT after-school program drives interest in STEM fields in middle school students by teaching them skills to innovate “exergames”. The program involves an afterschool program focused on team building, fitness, instruction, game design, programming, electronic components, and engineering design culminating with a showcase of their efforts.

**What:** Sevier Middle TECHFIT Afterschool Program

**When:** Tuesdays and Thursdays starting September 13 from 3:45 – 5:45. The program will last through December 15.

**Who:** Space is limited to 35 students and there is no cost to participate.

**Commitment:** Students must attend 80% of the meetings (16 out of 20 sessions) to be eligible to attend the showcase at the College of Charleston in December.

\*Transportation is not provided and students must be picked up at 5:45.

\*\*there will be a **Mandatory Parent Meeting on August 30 from 5:30 – 6:15 in the Cafeteria** for those interested in joining.

\*\*\*Sign-ups will begin after the meeting on August 30 and last through September 2. First Come, First Served (only 35 spots available).
