

What is AVID?
AVID (Advancement Via Individual Determination) - college readiness system to prepare students in the

academic middle for four-year college eligibility by taking more rigorous courses at Southside (Dual Credit, AP, or IB). The three main components of the AVID college readiness system are academic instruction, tutorial support, and motivational and college prep activities.

What is International Baccalaureate (IB)?
International Baccalaureate (IB) is a rigorous, two-year, comprehensive curriculum for grades 11 and 12 that seeks to prepare students

for postsecondary study through courses and instructional techniques that emphasize critical thinking, effective self-expression, and application of knowledge. Our strong tradition of academic excellence prepares students for college and beyond. Students taking AP and/or IB classes and especially those who earn the IB Diploma are competitive for scholarships and impress college admissions counselors. Our strong tradition of academic excellence prepares students for college and beyond. Southside is the oldest and the most rigorous IB program in the state of South Carolina.

Outstanding Programs

Our strong tradition of academic excellence prepares students for college and beyond. We offer a high-caliber academic curriculum, over the last four years Southside has added several new programs to address students' interests and abilities. Southside Administration and Teachers are committed to provide more access and opportunity to our most rigorous programs and address the needs of ALL students.
