You are invited to attend our annual Thanksgiving Lunch with your student. Due to limited space available, we are limiting each student to 2 guests for lunch. All adult and non-student meals are \$5.27. You can pay with cash or check (exact amount ONLY! The school does not have a way to make change. Any money received without the exact amount will be returned home.) All lunches must be prepaid! Prepaid lunches ensure that we are able to serve all students and guests. No payment will be accepted at the time lunch is provided. Once we receive your order form, we will send home a confirmation that we received your payment to attend this special meal. A ticket must be presented in order to eat lunch and your child's teacher will have your ticket when you arrive for lunch.

Please complete the form below and return it with your meal payment NO LATER than Friday, November 13th.
