

STERLING SCHOOL • CHARLES TOWNES CENTER
EVERY DAY'S AN ADVENTURE 2026-2027

Dear Safety Patrol Parents/Guardians,

We are excited to begin training our new Safety Patrol members! Thank you for allowing your child to serve our school community in this important role.

Safety Patrol training will take place Monday, October 12 through Thursday, October 15. Students will participate in training for their assigned shift (morning or afternoon).

During training, students will learn about:

- Safe arrival and dismissal procedures
- Proper locations and responsibilities for Safety Patrol
- How to safely assist students and families
- Walking safely and monitoring designated areas
- Being respectful, responsible, and dependable
- Representing Sterling School with PRIDE

Please remind your child that being a Safety Patrol member is a leadership responsibility. We expect our patrol members to be on time, follow directions, demonstrate safe behavior, and serve as positive role models for others.

We appreciate your support as we prepare our students to become responsible and caring leaders in our school community.

Official shifts will begin on Monday, October 19,

As an additional request, could each family please email me at taadams@greenville.k12.sc.us and provide me with the best email to reach you at for information related to Safety Patrol in the future. Thank you for partnering with us!

Sincerely,

Tara Adams, Safety Patrol Program Coordinator

YOUR COMPASS • Lead with safety. Serve with pride. Welcome every Griffin.
