

# The Welcome Howl!

November 26, 2018

“Welcome to the Possibilities”

## A Word from Mrs. Ketron

I hope all of you had a wonderful Thanksgiving holiday! I want to thank all of our parents for being patient and understanding in our morning car rider line. Please remember to drop all students off in the back car rider line and not in front of the school. THANK YOU to our patrols and teachers for arriving early for car duty! Also, please remember that all students should arrive by 8:00 am. Our tardy bell rings at 8:00 am. If you arrive after

8:00, an adult will need to come in and sign your child in. Please remember we are a smoke free campus. Our students have been awesome Welcome Wolves during the past several months! THANK YOU parents for your support each and every day! I hope you all have a wonderful holiday season!

Thank you  
Donna Ketron

## School Messenger Text Alerts

Due to changes in telecommunication laws, the district will be able to text emergency messages to parents through the school messenger system if the listed **home phone number** is text capable. GCS does not send phone messages to families late at night or early in the morning, so a last-minute closing decision, especially one made early in the morning, is sometimes missed. Texting parents provides a less intrusive way to send emergency messages during these hours. Please make sure our office has your up to date contact number.
