

**Westcliffe's Parent Involvement Policy and School-Parent Compact Approved
September 21, 2022**

On September 12, 2022, a draft copy of Westcliffe's School Parent and Family Engagement Policy and School-Parent Compact was sent home to all families asking for comments or suggestions for revision. 125 signed sheets have been returned approving both documents as written. One comment, "Communication is key to success for our loved one" was offered on one School-Parent Compact. Thank you to all who participated in this important decision-making process. Final copies of both documents will be provided during fall conferences in October and posted on Westcliffe's web page under the Title I tab.
