By signing below, we, representatives of our Title I school, have jointly developed or agree with this compact to share the responsibilities for improved student achievement and the ways that the school and parents, either in person or virtually as attendance plan permits, can build and develop a partnership to help children achieve the State's high standards and to be successful in school.

If you are a parent who does not agree with any of the shared responsibilities or cannot meet them as stated, please provide your comments below or contact the principal to discuss your concerns and specific needs. We, the school staff, will make every effort to adjust the School-Parent Compact for our joint partnership in student success.
