ASSURANCES FOR SCHOOL RENEWAL PLANS

Assurances checked below, along with the signature page signed by the superintendent and school principal, attest that the school complies with all federal and state applicable statute and regulation requirements, including those listed.

Early Childhood Development and Academic Assistance Act (Act 135) Assurances

[S.C. Code Ann §59-139-10 *et seq.* (Supp. 2004)]

Academic Assistance, PreK–3

The district makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).

Academic Assistance, Grades 4–12

The district makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).

Parent Involvement

The school encourages and assists parents in becoming more involved in their children’s education and will make special efforts to meet with parents at convenient times, provide parents with their child’s individual test results, interpretation of the results, and information on the district’s curriculum and assessment program. The school will encourage frequent communication between home and school, thus providing more opportunities for parental participation. The school will make efforts to designate space for parents to access educational resource materials. Part of the principal’s and superintendent’s evaluation may include parental involvement expectations. The school will make efforts to provide parents with information pertaining to expectations held for them by the school system, such as ensuring the attendance and punctuality of their children.

Staff Development

The district provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council’s revised *Standards for Staff Development*.

Technology

The district integrates technology in professional development and classroom instruction in order to improve teaching and learning.

Innovation

The district funds innovative activities to improve student learning and accelerate the performance of all students.

Collaboration

The district (regardless of the grades served) collaborates with health and human services agencies such as county health departments, social services departments, mental health departments, First Steps, and the family court system.

✓ **Developmental Screening**

The district ensures that students receive all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program is primarily at primary and elementary schools although screening efforts could take place at any location.

✓ **Half-Day Child Development**

The district provides half-day (and sometimes full-day) child development programs for four-year-olds. The programs primarily operate at primary and elementary schools, may be at locations with other grade levels, or be located in a completely separate school.

✓ **Developmentally Appropriate Curriculum for PreK–3**

The district ensures that the scope and sequence of the curriculum for PreK–3 is appropriate for the maturity levels of students. Instructional practices accommodate individual differences in achievement levels and take into account the student's social and cultural context.

✓ **Parenting and Family Literacy**

The district provides a four-component program for parents and children that integrates all of the following activities: interactive literacy activities between parents and their children; training for parents to be partners in their children’s education; parent literacy training in economic self-sufficiency through adult education; and age-appropriate education to prepare children for success in school and life experiences. Family Literacy is not grade specific, but is generally most appropriate for parents of children at or below the primary and elementary school levels, and secondary school students who are also parents. Family Literacy program goals are to strengthen parental involvement in the learning processes of preschool children ages birth through five years; promote school readiness of preschool children; offer parents special opportunities to improve their literacy skills and education; provide parents educational opportunities; and identify potential developmental delays in preschool children through developmental screening.

✓ **Recruitment**

The district makes intensive efforts to seek out and serve those parents or guardians of children, from birth to five years of age, who are considered at-risk for school failure. “At-risk children” are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): poverty, limited English proficiency, significant developmental delays, a parent without a high school diploma or equivalent, instability or inadequate housing and/or family, poor health (physical, mental, emotional), and/or child abuse and neglect.

✓ **Coordination of Act 135 Initiatives with Other Federal, State, and District Programs**

The district makes efforts to ensure that all programs and funding, including Act 135 initiatives, are coordinated with programs such as Head Start, First Steps, Title I, and programs geared towards students with disabilities.

Introduction

In October 2017, Wade Hampton High School stakeholders were charged with the task of renewing our 5-year plan to cover the period 2018-19 thru 2022-23.

The process for development of this plan begins at the start of each 5-year goal period with a faculty-wide self-assessment instrument provided to by the district (AdvancEd self-assessment). Faculty participate in the development of the plan by serving on one of 5 committees: (1) Instructional Practices and Assessment, (2) Student Achievement, (3) Quality Personnel, (4) Mission/Vision/Values, and (5) School Culture and Climate. Teachers and administrators are assigned to a committee based on their preferences (as indicated through an in-house survey). Committee members include at least one representative from each department.

Committee members analyze data from the AdvancEd self-assessment as well as the latest SC Report Card and local data. Based on this data, committee members design an action plan that is presented to and approved by the entire faculty. The renewal process includes student, parent, and community partner input through SIC and PTSA, giving all stakeholders an opportunity to reflect on the direction, success, and needs of our school.

The school's Instructional Coach combines individual committee and stakeholder efforts into the comprehensive report that this portfolio represents.

Executive Summary

Findings for Student Achievement

- WHHS's graduation rate fell to 87.8% in the 2020-21 school year.
- Student Achievement metrics, including graduation rate, EOC scores, SAT scores, and ACT scores continue to exceed both district and state averages.
 - A notable exception is the percent of ML (multi-lingual) students who met progress toward the proficiency target. WHHS data in this category lags behind both district and state data.
- The percentage of students earning the Ready to Work Certificate (R2W) exceeds both district and state percentages.
- The percentage of AP students who scored a 3 or higher on an AP exam increased from 66% in 2019-20 to 75% in 2020-21.

Findings for Teacher and Administrator Quality

- The teacher attendance rate increased to 95.2% in the 2020-21 school year.
- The number of inexperienced teachers teaching in core classes has increased from 9 in 2019-20 to 13 in 2020-21.

Findings for School Climate

- WHHS students collected over \$316,000 in donations for the Cancer Society of Greenville County in the fall of 2021. In addition, students raised over \$263,000 for the Frazee Center in the spring of 2021.
- On the state report card, 93.9% of parents reported that their children feel safe at school. However, the number dropped to 47.9% when parents responded to the statement, "My child's teachers and school staff prevent or stop bullying at school."

Challenges

- Although the ESOL population has increased with noticeably more students with proficiency scores at the beginning and non-speaking levels, the ESOL teacher allocation from GCS is still below the state guidelines for ESOL support.
- The percentage of students in poverty increased from 45.1% in 2019-20 to 49.6% in 2020-21.

Awards & Accomplishments

- 2021 - Math and Computer Science teacher, Meredith Smith, earned the AP CSP Female Diversity Award from College Board
- 2021 - Orchestra teacher, Susan Wines, received the National Federation of High Schools "Heart of the Arts" award for the state of South Carolina
- 2021 - National Gold Council of Excellence (Student Council)
- 2020 - US News and World Report's "Best High School" ranked #1 in Greenville
- 2020 - American Institute of Aeronautics and Astronautics Educator Achievement Award
- 2019 - Excellent Absolute Rating on SC Report Card

School Profile

School Community

Socioeconomic and Geographical Context

Wade Hampton High School (WHHS) is one of 14 public high schools in the Greenville County School District. The Wade Hampton community is ethnically and socio-economically diverse. Extending from the farmlands north of Paris Mountain eastward through the golfing community of Pebble Creek nearly to Greer and then southward to beyond Greenville High, our 1800 students come from rural, urban, and suburban neighborhoods. They live in homes as varied as distressed trailers, public housing, modest single-family dwellings, and multi-million dollar mansions.

School Leadership

The WHHS Faculty Council is composed of members of the administration, support faculty, and department chairs. Department Chairs have the additional responsibility to act as the department’s liaison with district office personnel. The Freshman Academy, an SLC within WHHS, provides an additional layer of leadership and guidance for our youngest Generals, the first year 9th graders. Other governing bodies for WHHS include the SIC, PTSA, and Student Council. The School Improvement Council (SIC) works together with administration to develop and implement the school improvement plan. The Parent Teacher Student Association (PTSA) supports the teachers and the instructional program, and speaks on behalf of children and youth in the schools, the community, and before governmental bodies and other organizations that make decisions affecting children. The Student Council at WHHS is elected annually by the students. Student representatives use this venue to voice their ideas in the hopes of making decisions that impact the school in a positive way.

Student Population

The WHHS student body is ethnically diverse and includes 57% White, 20% African-American, 19% Hispanic, 4% Asian, and 1% American Indian or Alaska Native. Enrollment includes 256 students (15%) with disabilities more severe than speech disabilities, and 784 students (45%) who are identified as Gifted. In 2020-2021, 49% (864 students) of our student population were identified as pupils in poverty. The non-English languages represented in the school include Albanian, Arabic, Burmese, Chin, Guatemalan dialects, Spanish (from multiple countries), Vietnamese, and Wolof.

School Initiatives

Academics are supported through established programs such as The Freshman Academy, now in its 18th year, and the After School Tutoring program, which provides free transportation home for students within WHHS's attendance zone. Additionally, approximately 20% of the student body takes advantage of specialized curricula at The Fine Arts Center or one of the four Career Centers throughout the county.

One means of promoting rigor is through a philosophy of moving students into higher level courses if the achievement data supports it. In 2014, The School District of Greenville County launched Graduation Plus. This initiative is designed to encourage students to enhance their diploma program by selecting coursework that leads to completer certificates in technical areas or college credits through the dual credit program, and there are also opportunities for Early College. In 2020-2021, there were six dual credit courses included in the instructional program. They are Marketing101, Management101, English 101, English 102, the CERRA sponsored Teacher Cadet Program and Clemson sponsored Careers In Education (EDU 111). We believe that variety in the instructional program is vital to meeting the needs of our students.

Mission, Vision, and Beliefs

Mission

Our mission is a compelling statement that serves to unify our efforts and engage our community. An effective mission must stretch and challenge the organization, yet be achievable. Our mission is tangible, values-driven, energizing, and highly focused. It has a finish line for its achievement, and it is proactive.

The mission of Wade Hampton High School is -- **Educate. Inspire. Empower.**

Shared Vision

Our vision centers on a shared philosophy that we must serve our diverse student body with a personalized plan for all students beginning at their current academic level and guiding them to graduation and beyond, fully prepared and confident to contribute to society.

Purpose

The purpose of Wade Hampton high school is to **educate** and **inspire** students to become responsible, discerning, productive citizens **empowered** to change the world.

Beliefs

Our beliefs are the core of who we are, what we do, and how we think as we teach and lead Wade Hampton students.

Educate -

- We believe that all students, regardless of individual differences, will thrive in a safe, nurturing environment where respect is modeled and diversity is celebrated.
- We believe that a rigorous, standards-driven curriculum is the foundation of our educational program.
- We believe in the three-fold approach of the Profile of the South Carolina Graduate and will seek to impart World Class Knowledge, World Class Skills, and Life and Career Characteristics.

Inspire -

- We believe in cultivating strong relationships with all students to ensure educational success.
- We believe in the core attributes of Leadership, Integrity, Perseverance, Teamwork, Responsibility, Compassion, Communication, and Work Ethic. We will actively seek opportunities to engage our students in discussion around these attributes and celebrate demonstrations of these attributes.

Empower -

- We believe that high school graduation is the beginning and not the end. We will strive to launch students into their next endeavor by ensuring that each and every student is college or career ready upon graduation.

Teacher and Administrator Quality

During the 2020-21 school year, WHHS began a schoolwide focus on engagement and higher levels of rigor in all classrooms. Professional learning in the 21-22, 22-23, and 23-24 school years will focus on High-Level Questioning, Thoughtful Work, and Academic Discussion, respectively. The Principal and Instructional Coach are using this [ICLE rubric](#) to plan for teacher learning. Professional learning around the school's rigor goals occurs quarterly. In between quarterly sessions, Instructional Partners visit classrooms and offer strengths-based feedback to teachers about their implementation of new learning. Administrators and other school leaders serve teachers as these Instructional Partners.

In addition to our schoolwide focus on Rigor, the district has been implementing initiatives to train teachers on UDL (Universal Design for Learning) practices. All core content teachers attended a half-day training (with the afternoon to plan) in the Fall of 2021. In the Spring of 2022, the Principal, Instructional Coach, and Technology Integration Coach are attending a semester-long "train the trainer" course for UDL. Optional asynchronous professional learning opportunities, such as listening and reflecting on a UDL podcast, are posted in the faculty Google Classroom.

Teachers are required to maintain Technology Proficiency, which renews every 5 years. To initially receive Technology Proficiency, a teacher must earn 30 credits or take an approved graduate course in Instructional Technology. To maintain Technology Proficiency, a teacher must earn 15 credits through professional learning opportunities over the course of 5 years. As of the 21-22 school year, teachers have access to and are encouraged to use school-specific Kyte courses designed to increase teachers' capacity to effectively integrate technology into their classrooms. These asynchronous Kyte courses offer teachers both flexibility and choice.

Beginning in the 2021-22, WHHS received a grant from Public Education Partners for the STAR Generals Program. This program targets teacher onboarding, training, and retention. The focus for first year teachers is to build relationships with school leadership and each other. The focus for second year teachers is to build their capacity as they go through ADEPT evaluations. The focus for third year teachers is to build a growth mindset and introduce them to coaching cycles as a means for that continual growth.

SCHOOL RENEWAL PLAN FOR 2018-19 through 2022-23

Impact of COVID-19:

On March 27, 2020, the U.S. Department of Education approved the SC Department of Education’s request to waive statewide assessment, accountability, and reporting requirements of in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year due to widespread school closures related to COVID-19.

For spring 2020, South Carolina did not administer any of the following assessment programs:

- SC READY (English language arts and mathematics in grades 3–8);
- SCPASS (science in grades 4 and 6);
- End-of-Course Examination Program (English, Algebra, Biology, United States History and the Constitution) the requirement that these examinations count 20 percent has been
- waived;
- Prekindergarten assessments – 4-year-old kindergarten (Phonological Awareness
- Literacy Screening (PALS Pre-K™), Individual Growth and Development Indicators
- (myIGDIs™), and Teaching Strategies® GOLD); and
- Alternate Assessments – some students have already taken the alternate assessments.

The following assessments were unable to be administered due to COVID-19 and required a waiver

- Grade 10 PSAT
- Ready to Work
- ACT, SAT
- AP, IB, Cambridge International
